INDEPENDENT AUDITOR'S REPORT

Board of Directors Community Development Support Association, Inc. Enid, Oklahoma

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Community Development Support Association, Inc. (the Organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, based on our audit, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 15, the Organization has made corrections to its prior year financial statements that impacted the beginning balances and classifications of net assets for the year ended June 30, 2022. Our opinion is not modified with respect to this matter.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures in
 the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal and State Awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance) and the Oklahoma Department of Commerce, and the other supplementary information listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and

Board of Directors

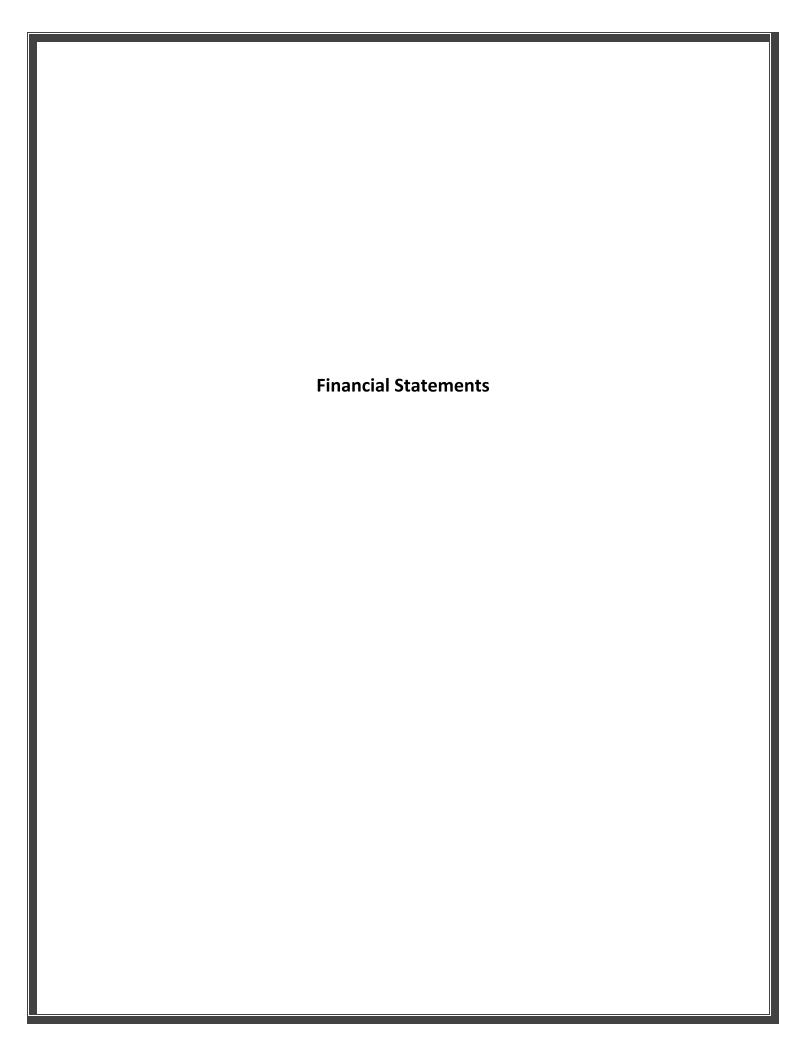

Community Development Support Association, Inc.

other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 19, 2024 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Notes to Financial Statements June 30, 2023

NOTE 1: NATURE OF ACTIVITIES

Community Development Support Association, Inc. (the Organization) is a not-for-profit corporation organized to see improvements in health, education, and other areas of human welfare through the provision of consultation and technical assistance to local and statewide citizen groups and organizations. Substantially all of the income is received from federal, state and local grants, and is restricted to use for these services.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Organization's policy is to prepare its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenues are recognized in the period in which they are earned. Expenses are recognized in the period in which they are incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Valuation of inventory, the estimated useful life of fixed assets, and the functional allocation of expenses all involve extensive reliance on management's estimates. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Grants and Contracts Receivable

The Organization considers grants and contracts receivable to be fully collectible. Accordingly, no allowance for doubtful accounts is deemed necessary. If accounts become uncollectible, they will be charged to operations when that determination is made. Determination of uncollectibility is made by management based on knowledge of individual accounts and consideration of such factors as current economic conditions. Credit extended is generally uncollateralized. Past-due status is based on contractual terms. Past-due accounts are not charged interest.

Inventory

Inventory consists of office, rental, and weatherization supplies and is reported at cost which approximates net realizable value.

Notes to Financial Statements June 30, 2023

Beneficial Interest

The beneficial interest is reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Property and Equipment

With the exception of donated assets, property and equipment is stated at cost. Depreciation of property and equipment is computed on the straight-line method over the estimated useful lives of the assets, which range from five to thirty-nine years. Donated assets are recorded at fair market value on the date of donation. The cost basis of fully depreciated property and equipment still in use by the Organization at June 30, 2023 amounted to approximately \$116,000.

All acquisitions of property and equipment and all expenditures for repairs, maintenance, renewals and betterments that materially prolong the useful lives of assets and whose value meets or exceeds the amounts specified by the specific program are capitalized according to the program's specifications.

Property and equipment purchased with grant funds is owned by the Organization while used in the program for which they were purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the property and equipment purchased with grant funds. Their disposition, as well as the ownership of any proceeds therefrom, is subject to funding source regulations. At June 30, 2023, the net book value of grant-funded property and equipment is approximately \$2,928,000.

Financial Accounting Standards Board (FASB) Codification Topic *Property, Plant and Equipment,* Section *Subsequent Measurement* requires that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. The application of this Codification Topic has not materially affected the Organization's changes in net assets, financial condition or cash flows.

Net Assets and Contribution Revenue

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time and/or purpose restrictions.

Gifts of cash and other assets are recorded as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated asset. Contributions are presented as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restriction and reported in the Statement of Activities as net assets released from restrictions. Contributions that are restricted by the donor are reported as increases in net assets without restrictions if the restrictions expire in the fiscal year in which the contributions are recognized.

Notes to Financial Statements June 30, 2023

Gifts of land, buildings, and equipment are presented as support and revenue without restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized with donor restrictions. The Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Contributed services which increase non-financial assets such as property or inventory, as well as services contributed by individuals with specialized skills which would have otherwise been purchased, are reported as unrestricted support. Other contributed services that enhance the Organization's programs, but are not so essential that they would otherwise be purchased, are not recorded as support for financial statement purposes.

The majority of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions.

Revenue Recognition

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Organization and tenants of the property are operating leases with durations of one year or less.

Advertising and Promotions

The Organization follows the policy of charging advertising and promotions to expense as incurred. Advertising and promotions expenses are included in General operating on the Statement of Functional Expenses. Total advertising expense for the year ended June 30, 2023 was \$12,431.

Functional Allocation of Expenses

The Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated based on direct costs for the program during the year.

Income Taxes and Uncertain Tax Positions

The Organization qualifies as an organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar state statute and is not subject to tax at the entity level for federal and state income tax purposes.

The Organization accounts for uncertain tax positions in accordance with the provisions of FASB Codification Topic *Income Taxes*. FASB Codification Topic *Income Taxes* clarifies the accounting for uncertainty in income taxes and requires the Organization to recognize in their financial statements the impact of a tax position taken or expected to be taken in a tax return, if that position is more likely than not to be sustained under audit, based on the technical merits of the position. Management has assessed the tax positions of the Organization and determined that no positions exist that require adjustment or disclosure under the provisions of FASB Codification Topic *Income Taxes*.

Notes to Financial Statements June 30, 2023

The Organization files an informational *Return of Organization Exempt from Income Tax* (Form 990) in the U.S. federal jurisdiction.

Adoption of Accounting Pronouncements

In February 2016, the FASB issued Accounting Standard Update (ASU) No. 2016-02, *Leases* (Topic 842), which supersedes Topic 840, *Leases*. This ASU requires lessees to record a right-of-use asset and corresponding liability equal to the present value of future rental payments on the Organization's Statement of Financial Position for all leases with a term greater than one year. The leases will be classified as either finance or operating leases. This distinction will be relevant for the pattern of expense recognition in the Statement of Activities. Effective July 1, 2022, the Organization adopted ASU No. 2016-02 for the year ended June 30, 2023, using the optional new transition alternative method without restating prior periods. The Organization also elected the relief package of practical expedients of which there is no requirement to reassess existing leases, their classification, and initial direct costs as well as an exemption for short term leases with a term of less than one year. This ASU did not have a material impact on the Organization's financial statements.

In September 2020, the FASB issued ASU No. 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* (Topic 958). The ASU requires contributed nonfinancial assets to be presented as a separate line item in the Statement of Activities apart from contributions of cash and other financial assets. The ASU also requires a disaggregate of the amount of contributed nonfinancial assets recognized within the Statement of Activities by category that depicts the type of contributed nonfinancial assets, whether the contributed nonfinancial assets were monetized or utilized and additional disclosures. Donor-imposed restrictions associated with the contributed nonfinancial assets are also required to be disclosed. The Organization adopted the ASU effective July 1, 2022, the first day of the Organization's fiscal year, using the retrospective approach. The ASU did not have a material impact on its financial statements.

NOTE 3: FINANCIAL INSTRUMENTS WITH RISK OF ACCOUNTING LOSS

The Organization uses financial institutions in which it maintains cash balances, which at times may exceed federally insured limits or are uncollateralized. The Organization has not experienced any losses in such accounts, and management believes it is not exposed to significant credit risk related to cash. At June 30, 2023, the Organization had insured cash balances of approximately \$725,000 and collateralized cash balances of approximately \$4,251,000.

NOTE 4: LOAN RECEIVABLE

The Organization has a note receivable from Forest Ridge Heights, LP. The note originated May 2, 2016 and carries an interest rate of 3%. Payment is due in monthly installments of \$1,248 with the final payment of the entire unpaid balance of principal and interest being due on June 2, 2033.

Notes to Financial Statements June 30, 2023

NOTE 5: PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at June 30:

| Property and equipment, net | \$ 4,974,779 |
|-------------------------------|-----------------|
| Less accumulated depreciation | 1,770,737 |
| Total property and equipment | 6,745,516 |
| Rental property | 3,708,421 |
| Machinery and equipment | 333,114 |
| Buildings | \$ 2,703,981 |

NOTE 6: BENEFICIAL INTEREST

The Organization has a beneficial interest in funds held by the Cherokee Strip Community Foundation (CSCF). The beneficial interest is subject to the provisions contained within an agreement dated October 19, 2021. CSCF will make annual distributions subject to the spending policy approved by the CSCF Board of Directors. The CSCF Board of Directors have the power to modify any restriction or condition on the distribution of funds for any specified charitable purposes or to a specified organization if, in the sole judgement of the CSCF Board of Directors, such restriction or condition becomes, in effect, unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served. Therefore, CSCF is the legal owner of all assets contributed to the fund. The market value of the beneficial interest as of June 30, 2023 is \$114,045.

The Organization has also been named as the beneficiary of contributions made to CSCF by third parties in the amount of \$33,587. In accordance with FASB Codification Topic *Accounting for Contributions Received and Contributions Made*, the Organization has not recorded the fair market value of these beneficiary designations.

NOTE 7: FAIR VALUE MEASUREMENTS

FASB Codification Topic Fair Value Measurements and Disclosures establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under this Codification Topic are described as follows:

Notes to Financial Statements June 30, 2023

Level 1 - These are investments where values are based on unadjusted quoted prices for identical assets in an active market the organization has the ability to access.

Level 2 - These are investments where values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the investments.

Level 3 - These are investments where values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These inputs reflect assumptions of management about assumptions market participants would use in pricing the investments.

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Due to the Organization not having the ability to redeem its investment with the CSCF at the net asset value per share, the Organization considers the beneficial interest to be categorized as a level 3 fair value measurement.

Changes in level 3 investments during the year ended June 30, 2023, consisted of unrealized gains and losses.

NOTE 8: IN-KIND/DONATED FACILITY

During the year ended June 30, 2023, the Organization received the following noncash donations of materials and services that have been reflected in the financial statements of the Organization at fair market value:

| Youth Build (W33) | |
|------------------------------|---------------|
| Resource Materials | \$ 19,422 |
| Space | 20,741 |
| Supportive Services | 3,231 |
| | 43,394 |
| Youth Build AmeriCorps (W37) | |
| Resource Materials | 85,348 |
| | \$ 128,742 |

Notes to Financial Statements June 30, 2023

NOTE 9: CONCENTRATION OF CREDIT RISK AND FUNDING ARRANGEMENT

The majority of the Organization's support is derived from federal and state awards administered through contracts with the State of Oklahoma or directly through the intermediary agency. Significant programs provided by the Organization include:

Community Services – Administers federal and state grants for various programs for extremely-low to moderate income individuals to help alleviate the causes of poverty.

Emergency Services – Administers federal and state grants for emergency food and shelter programs for low-income individuals and families and homeless and at-risk of homelessness.

HOME Investment Partnership – Administers federal grants to provide affordable housing to low income, or disabled, or veteran individuals and families.

YouthBuild – Workforce development program that provides education, training, and leadership development opportunities to young people who face barriers to employment.

Government contracts and awards are renegotiated annually. For the year ended June 30, 2023, this support represented approximately 71%, respectively, of the Organization's total revenue and support without donor restrictions. The loss of these contracts could have an adverse effect on the Organization's ability to continue in existence.

NOTE 10: EMPLOYEE BENEFIT PLANS

The Organization has a defined contribution 403(b) plan covering substantially all employees. The Organization may make discretionary contributions to the plan for all full and eligible part time employees after one year of employment. Employees are immediately vested in all contributions. During the year ended June 30, 2023, the Organization contributed a total of \$49,079.

NOTE 11: NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of the following as of June 30, 2023:

| Family Preservation and Support Program | \$ 234,425 |
|---|-----------------|
| Educational and Employment Success | 93,099 |
| Housing | 933,143 |
| Early Childhood | 272,039 |
| Local | 122,545 |
| | \$ 1,655,251 |

Net assets with donor restrictions were released from donor restrictions by incurring expenses satisfying the restricted purposes.

Notes to Financial Statements June 30, 2023

| Family Preservation and Support Program | \$ 26,681 |
|---|---------------|
| Educational and Employment Success | 57,731 |
| Housing | 309,219 |
| Early Childhood | 52,025 |
| | \$ 445,656 |

NOTE 12: DESIGNATED NET ASSETS

The Board of Directors has designated funds for future building maintenance and a six month operating reserve. As of June 30, 2023, \$1,545,320 and \$1,500,00, respectively, of net assets without donor restrictions have been designated for these purposes.

NOTE 13: LIQUIDITY AND AVAILABILITY OF RESOURCES

The Organization's financial assets available within one year of the Statement of Financial Position date for general expenditure are as follows:

| \$ 4,877,518 |
|--------------|
| 875,693 |
| 5,753,211 |
| |
| |
| 1,655,251 |
| 1,545,320 |
| |
| |
| \$ 2,552,640 |
| |

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Organization manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

Notes to Financial Statements June 30, 2023

NOTE 14: COMMITMENTS AND CONTINGENCIES

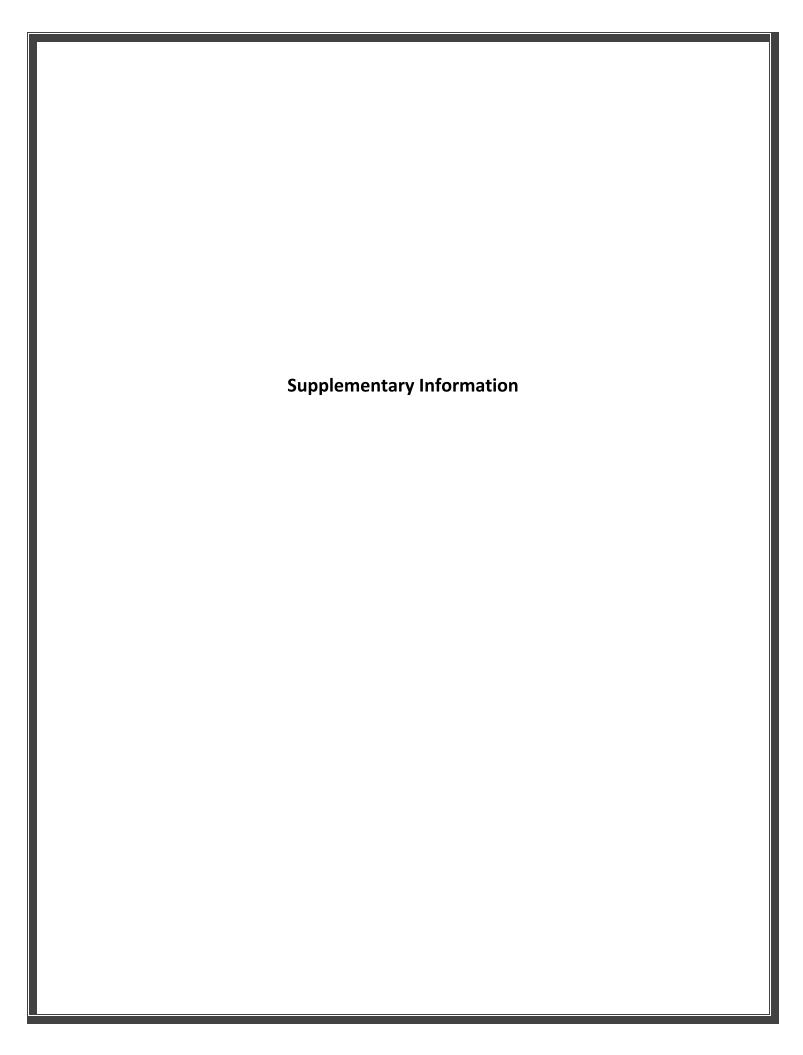

The Organization was the recipient of various federal and state awards. These award programs are subject to audit by the federal and state government or their representatives. In addition, the Organization has several federal award programs that have a funding period that differs from the Organization's year end, some of which require that a certain amount of matching funds be received prior to close of the award. Accordingly, the amount, if any, of expenditures which may be disallowed by the program representatives cannot be determined at this time, although the Organization expects such amounts, if any, to be immaterial.

NOTE 15: CORRECTION OF ERROR

The Organization reclassified its beginning net assets as of July 1, 2022 due to corrections necessary to properly reflect the lack of donor restrictions on net assets. The effect on the financial statements was to increase net assets without donor restrictions by \$416,147 and decrease net assets with donor restrictions by the same amount.

NOTE 16: SUBSEQUENT EVENTS

Management has evaluated subsequent events through February 19, 2024, the date that the financial statements were available to be issued.

NOTE 1:

The accompanying Schedule of Expenditures of Federal and State Awards includes the federal grant activity of **Community Development Support Association, Inc.** and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of **Community Development Support Association, Inc.**, it is not intended to and does not present the financial position, changes in net assets, or cash flow of **Community Development Support Association, Inc.**

NOTE 2:

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. **Community Development Support Association, Inc.** has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN **ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors Community Development Support Association, Inc. Enid, Oklahoma

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Community Development Support Association, Inc. (the Organization) (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 19, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the combined financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's combined financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors

Community Development Support Association, Inc.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Fort Smith, Arkansas February 19, 2024

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE

Board of Directors Community Development Support Association, Inc. Enid, Oklahoma

Report on Compliance for Each Major Federal Program

We have audited Community Development Support Association, Inc.'s (the Organization) (a nonprofit organization) compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2023. The Organization's major federal programs are identified in the summary of independent auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States (Government Auditing Standards); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
 design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the Organization's compliance with the
 compliance requirements referred to above and performing such other procedures as we
 considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the
 audit in order to design audit procedures that are appropriate in the circumstances and to test
 and report on internal control over compliance in accordance with the Uniform Guidance, but not
 for the purpose of expressing an opinion on the effectiveness of the Organization's internal
 control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors

Community Development Support Association, Inc.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs Year ended June 30, 2023

II. FINDINGS RELATING TO THE FINANCIAL STATEMENT AUDIT AS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GENERALLY ACCEPTED GOVERNMENT AUDITING STANDARDS

There were no audit findings for the year ended June 30, 2023.

III. FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

There were no audit findings for the year ended June 30, 2023.

Summary Schedule of Prior Year Audit Findings Year ended June 30, 2023

2022-004: Late Audit Filing

Condition: The delay in finalization of the audit report was directly related to circumstances experienced by the audit firm. During this timeframe the audit firm lost two audit staff, one auditor with experience since 1986 retired and another left due to family matters. These personnel were key to the audit firm's operations and thus far, the audit firm has been unsuccessful in replacing these staff members. Further, a co-owner of the audit firm had surgery and the recuperative time has taken longer than expected. The co-owner was recently hospitalized again for issues related to the surgery. The combination of these circumstances directly impacted the timing of the services provided by the audit firm. As a result, the audit submission did not meet the time constraints required by Uniform Guidance.

Criteria and Cause: The June 30, 2022 audit was required to be submitted to the FAC within 9 months after the end of the fiscal year in accordance with Uniform Guidance. The Organization is out of compliance with the reporting deadline for the audit.

Effect: The potential effect of not submitting the financial statements in a timely manner could subject the Organization to disciplinary measures by Federal and state grant agencies including ODOC and Oklahoma Department of Education.

Recommendation: The Organization's financial records were finalized, complete, closed, reconciled and available for audit in sufficient time to meet the audit submission requirements of Uniform Guidance. The late submission was due to no fault of the Organization as they were prepared for the audit as they have been consistently over the years.

Views of responsible officials and planned corrective actions: Because the responsibility for the lateness of the audit lies solely with the auditor, CDSA is not able to provide a corrective action within our own operations. CDSA provided all the material necessary to complete the audit with time to spare. The CDSA board of directors is currently considering whether or not to remain with the audit firm as a result of this noncompliance with uniform guidance requirements.

Status: Management has corrected the finding in the current year.
