

## Before Starting the CoC Application

You must submit all three of the following parts in order for us to consider your Consolidated Application complete:

1. the CoC Application,
2. the CoC Priority Listing, and
3. all the CoC's project applications that were either approved and ranked, or rejected.

As the Collaborative Applicant, you are responsible for reviewing the following:

1. The FY 2024 CoC Program Competition Notice of Funding Opportunity (NOFO) for specific application and program requirements.
2. The FY 2024 CoC Application Detailed Instructions which provide additional information and guidance for completing the application.
3. All information provided to ensure it is correct and current.
4. Responses provided by project applicants in their Project Applications.
5. The application to ensure all documentation, including attachment are provided.

Your CoC Must Approve the Consolidated Application before You Submit It

- 24 CFR 578.9 requires you to compile and submit the CoC Consolidated Application for the FY 2024 CoC Program Competition on behalf of your CoC.
- 24 CFR 578.9(b) requires you to obtain approval from your CoC before you submit the Consolidated Application into e-snaps.

### Answering Multi-Part Narrative Questions

Many questions require you to address multiple elements in a single text box. Number your responses to correspond with multi-element questions using the same numbers in the question. This will help you organize your responses to ensure they are complete and help us to review and score your responses.

### Attachments

Questions requiring attachments to receive points state, "You Must Upload an Attachment to the 4B. Attachments Screen." Only upload documents responsive to the questions posed—including other material slows down the review process, which ultimately slows down the funding process. Include a cover page with the attachment name.

- Attachments must match the questions they are associated with—if we do not award points for evidence you upload and associate with the wrong question, this is not a valid reason for you to appeal HUD's funding determination.
- We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).

## 1A. Continuum of Care (CoC) Identification

<b>1B-1a.</b>	<b>Experience Promoting Racial Equity.</b>	
	NOFO Section III.B.3.c.	

Describe in the field below your CoC's experience in effectively addressing the needs of underserved communities, particularly Black and Brown communities, who are substantially overrepresented in the homeless population.

**(limit 2,500 characters)**

The North Central Oklahoma Continuum of Care (NCOkCoC) uses multiple strategies to address the needs of underserved communities in North Central Oklahoma. One key approach involves direct engagement with the homeless population through outreach workers who are sensitive to the cultural, historical, and social contexts of these groups. For example, the region is home to a significant number of Marshallese individuals who face language and social barriers, Black communities who have been historically marginalized, and LGBTQ+ individuals who often face exclusion due to religious differences. Additionally, economic challenges such as the decline of the oil and gas industry and low educational attainment have made high-paying jobs scarce, while rates of drug dependency and mental illness are alarmingly high.

To address these issues, we collaborate with local health providers to better understand the challenges these communities face and work together to identify service gaps. We also actively share information about available services in low-income neighborhoods and online forums to increase access to opportunities and resources. Furthermore, four workforce training programs have operated within our CoC over the past year, including two new programs. Participants in these programs can earn a high school diploma, gain necessary credentials, and receive support services such as budgeting assistance, résumé writing, skills training, interview preparation, and extensive follow-up. These efforts aim to help marginalized individuals achieve a living wage, particularly in the growing remote work industry in Oklahoma. CoC marketing of workforce and housing first programs is targeted toward underserved communities including those that are over represented in the homeless population.

1B-2.	Open Invitation for New Members.	
	NOFO Section V.B.1.a.(2)	
	Describe in the field below how your CoC:	
1.	communicated a transparent invitation process annually (e.g., communicated to the public on the CoC's website) to solicit new members to join the CoC;	
2.	ensured effective communication and access for persons with disabilities, including the availability of accessible electronic formats; and	
3.	invited organizations serving culturally specific communities experiencing homelessness in your CoC's geographic area to address equity (e.g., Black, Latino, Indigenous, LGBTQ+, and persons with disabilities).	

**(limit 2,500 characters)**

1) We maintain a transparent, annually renewed invitation for individuals to join the CoC. This process is simple and accessible through the CoC or CDSA websites. 2) To ensure security and meet user needs, we utilize Cognito software that allows users to sign in through mobile devices. Public computers are available for use, and assistance is provided for those who may need help, including individuals with disabilities. Additionally, the forms are designed on platforms that can automatically translate documents based on the user's browser language settings. 3) CoC staff members extend membership invitations that encourage participation from homeless communities and formerly homeless persons. Emergency management personnel, local government officials, business owners, educators, health professionals, anti-poverty organizations, and others collaborate to include diverse representation including in CoC committees formed to support homeless, LGBTQ+, people with disabilities, and racial or ethnic minorities.

1B-3.	CoC's Strategy to Solicit/Consider Opinions on Preventing and Ending Homelessness.	
	NOFO Section V.B.1.a.(3)	
	Describe in the field below how your CoC:	
1.	solicited and considered opinions from a broad array of organizations and individuals that have knowledge of homelessness, or an interest in preventing and ending homelessness;	
2.	communicated information during public meetings or other forums your CoC uses to solicit public information;	
3.	ensured effective communication and access for persons with disabilities, including the availability of accessible electronic formats; and	
4.	took into consideration information gathered in public meetings or forums to address improvements or new approaches to preventing and ending homelessness.	

(limit 2,500 characters)

- 1) Local government agencies, emergency management, private and public health providers, addiction recovery resources, street outreach teams, faith-based institutions, and individuals with lived experience are engaged in efforts to address homelessness through standing committees. Information from these groups is compiled and shared with those who can help connect people to resources that alleviate homelessness.
- 2) Meetings are open to everyone and publicly posted according to open meeting law. Homeless focus groups are held, where participants are provided with a warm lunch and discuss various topics. The insights gathered from these forums are shared with CoC members and barriers identified through this process may be addressed at the continuum level. Focus groups have also led to collaborative efforts with law enforcement to address mental health, substance abuse, and homelessness-related issues, such as squatting, by offering alternatives to incarceration.
- 3) All communications are distributed electronically in a mobile-responsive format that adapts to the language settings of the user's browser. Many CoC members also provide publicly available internet access for the homeless, ensuring they receive important information. Additionally, communications are posted in areas identified as experiencing economic distress.
- 4) The collaboration with law enforcement allowed officers to access solutions for mental health, substance abuse, and homelessness, giving them alternatives to arrest or incarceration for behaviors commonly associated with homelessness. An area Urgent Recovery Center (URC) was established to help stabilize homeless persons in mental health crisis without transporting them long-distance for residential treatment.

1B-4.	Public Notification for Proposals from Organizations Not Previously Awarded CoC Program Funding.	
	NOFO Section V.B.1.a.(4)	

Describe in the field below how your CoC notified the public:	
1.	that your CoC will consider project applications from organizations that have not previously received CoC Program funding;
2.	about how project applicants must submit their project applications—the process;
3.	about how your CoC would determine which project applications it would submit to HUD for funding; and
4.	ensured effective communication and access for persons with disabilities, including the availability of accessible electronic formats.

**(limit 2,500 characters)**

- 1) The meeting notice and agenda for each NCOKCoC meeting and Coc competition information are publicly posted on the front door of the meeting place and on Community Development Support Association (CDSA) website, [www.cdsoak.org](http://www.cdsoak.org), and the North Central Oklahoma CoC website, [www.ncokcoc.org](http://www.ncokcoc.org). Additionally, an email is sent to all members in accordance with our bylaws and governance agreement. Our bylaws require members to be: a) in good standing, b) attend at least two-thirds of the Continuum's scheduled meetings, c) undergo a certified audit annually or be sponsored by a service provider that has undergone a certified audit, and d) utilize the HMIS or an approved equivalent system.
- 2) The CoC Competition process is announced at the August CoC Board meeting, sent to the OK-500 distribution list, and posted on both the CDSA and NCOKCoC websites. These announcements include a timeline, links to required documents and guidance, the Notice of Funding Opportunity (NOFO), details about funding availability, and rating and ranking tools. This announcement is accompanied by documents that outline key information about the process, important deadlines, and links to necessary forms.
- 3) The CoC notice describes how we use an approved Ranking and Rating Process to determine which project applications will be submitted. Once project applications are submitted via e-snaps, CDSA staff reviews them to ensure they meet threshold requirements. After threshold review, the applications are passed to the Chairperson of the Ranking and Rating Committee for scoring and evaluation. Recommended funding levels are determined by the governance committee and approved by the Continuum during each grant cycle.
- 4) By providing these forms electronically, we ensure that the documents are accessible to individuals with disabilities and to those who are fluent in languages other than English.

<b>1C-4a.</b>	<b>Formal Partnerships with Youth Education Providers, SEAs, LEAs, School Districts.</b>	
	NOFO Section V.B.1.d.	

Describe in the field below the formal partnerships your CoC has with at least one of the entities where you responded yes in question 1C-4.

(limit 2,500 characters)

The NCOkCoC collaborates with the State Education Agency (SEA) Coordinator and Local Education Agency (LEA) liaisons to ensure that homeless children and youth are identified and provided with the same educational opportunities as their peers. The SEA Coordinator supports school districts through virtual visits, consultations, and by sending relevant program information. Technical assistance may cover a range of issues, including identifying and locating homeless students, providing appropriate educational services, and removing barriers caused by factors such as immunization and medical record requirements, residency issues, lack of birth certificates, school records, or other documentation. Additional barriers like guardianship issues, access to clothing and uniforms, transportation, health needs, and school supplies or activity fees are also addressed.

The NCOkCoC and LEA liaisons collaborate with various organizations and agencies to provide the necessary services to homeless children and youth as special needs are identified. This partnership is essential not only for helping students enroll in school but also for ensuring they remain engaged in their education. By assisting with the basic needs of homeless children and youth—such as food, shelter, and medical care—we help foster a more positive attitude toward learning and achievement.

In addition, we coordinate with the local YouthBuild program, which serves youth aged 16-24 who often experience homelessness or housing instability, have dropped out of school, and frequently have incarcerated family members. The CoC partners with this program to offer support, connect youth to resources, and gain insights into their needs. One initiative, the "Youth Action Collaborative," provides a platform for young people to share their experiences and offer suggestions that can help others facing similar challenges.

1C-4b.	Informing Individuals and Families Who Have Recently Begun Experiencing Homelessness about Eligibility for Educational Services.	
	NOFO Section V.B.1.d.	

Describe in the field below written policies and procedures your CoC uses to inform individuals and families who have recently begun experiencing homelessness of their eligibility for educational services.

(limit 2,500 characters)

It is the policy of NCOkCoC to inform homeless individuals, families, schools, and displaced youth about the educational opportunities available to them, such as Work Ready Oklahoma, Head Start, and YouthBuild, during the intake and coordinated entry processes. We also post links to both national and local resources on our CoC website to ensure easy access to this information. Additionally, we have access to various community resources to effectively communicate educational eligibility criteria to those in crisis.

Within the OK-500 region, at least 43 school sites are Title I schools, where homeless students are automatically eligible for Title I services. These services may include tutoring, counseling, school supplies, clothing, and transportation. Title I schools are required to coordinate with housing programs to serve eligible students. Agencies within our CoC collaborate with school liaisons to ensure that children have access to safe shelter, appropriate clothing, transportation, and other essential needs.

1C-4c.	Written/Formal Agreements or Partnerships with Early Childhood Services Providers.	
	NOFO Section V.B.1.d.	

Select yes or no in the chart below to indicate whether your CoC has written formal agreements or partnerships with the listed providers of early childhood services:

1C-5a.	Collaborating with Federally Funded Programs and Victim Service Providers to Address Needs of Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	

Describe in the field below how your CoC regularly collaborates with organizations that you selected yes to in Question 1C-5 to:

1.	update CoC-wide policies; and
2.	ensure all housing and services provided in the CoC's geographic area are trauma-informed and can meet the needs of survivors.

(limit 2,500 characters)

The CoC collaborates with three domestic violence (DV) service providers that offer specialized services for individuals and families fleeing abuse. One of these providers operates an emergency shelter and receives CoC Permanent Supportive Housing-Rapid Re-Housing (PSH-RRH) and Emergency Solutions Grant (ESG) funding. This agency also provides outreach services, educates community members, and partners with surrounding Tribal DV programs to address the unique needs of their applicants. If an individual becomes homeless as a result of leaving an abusive relationship, they may enter a CoC shelter.

These DV providers have trained licensed counselors who offer trauma-focused care or refer participants to local mental health providers to ensure coordinated care. With proper case management, safety planning, mental health support, and financial assistance in the form of rental help, victims can leave their abusive homes and transition directly into safe, permanent housing. All CoC providers prioritize the safety and confidentiality of program participants. The CoC's Coordinated Entry (CE) process aims to allocate assistance as effectively as possible and ensure it is easily accessible. The CoC's DV providers offer training on addressing the specific needs of DV survivors, including trauma-focused care and the effects of DV on children and youth. These providers also submit necessary data for the Point-in-Time (PIT) count, Housing Inventory Count (HIC), System Performance Measures (SPM), and Annual Performance Reports (APRs) to the CoC.

Special consideration is given to DV victims and survivors through the coordinated assessment process, which includes non-disclosure of identifying information and other protective measures. Safety planning is addressed for all participants during the coordinated assessment prior to entry into the CoC system. The YWCA (an anti-trafficking and domestic violence organization) and Survivor Resource Network (a domestic violence service provider) contribute to the PIT count, assist in developing CoC policies, and ensure valid referrals are processed through the CE system. Each DV organization currently follows its respective Violence Against Women Act (VAWA) policy. Other CoC agencies receiving ESG funds also adopted VAWA policies. CoC Governance Collaborative and DV providers will select a universal VAWA policy for all CoC providers, ensuring survivor needs are met & trauma-informed care is provided throughout the system.

1C-5b.	Implemented Safety Planning, Confidentiality Protocols in Your CoC's Coordinated Entry to Address the Needs of Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	
	Describe in the field below how your CoC's coordinated entry addresses the needs of DV survivors by including:	
1.	safety planning protocols; and	
2.	confidentiality protocols.	

(limit 2,500 characters)

The NCOkCoC has established policies and procedures that align with the Oklahoma Attorney General's mandate, requiring all staff to complete a minimum of sixteen (16) hours of annual training. This training covers essential topics such as confidentiality—both verbal confidentiality within and outside the facility—and client records. It also includes training on facility safety and disaster plans, the location, contents, and use of first aid kits and fire extinguishers, universal precautions, client rights, and legal and ethical issues.

The remaining hours of annual training focus on topics related to domestic violence, sexual assault, stalking, batterers intervention, and administration, as prescribed and approved by the Executive Director. For certified programs, a minimum of four (4) hours of annual training is required for volunteers providing direct services, specifically on issues related to domestic violence, sexual assault, and stalking, as approved by the Executive Director.

The HMIS Privacy Plan also encompasses the Coordinated Entry system for domestic violence survivors. The privacy notice, plan, and script are distributed to all participating agencies and coordinated entry access points. This plan outlines client rights, the methods used to protect their information, and includes a script that is read aloud to clients. In addition, signs detailing the privacy policy and the grievance process are posted at each access point.

To ensure compliance, agencies are monitored regularly, particularly to safeguard the confidential information and safety of all DV survivors in the program.

1C-5d.	Implemented VAWA-Required Written Emergency Transfer Plan Policies and Procedures for Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	

	Describe in the field below:
1.	whether your CoC's written policies and procedures include an emergency transfer plan;
2.	how your CoC informs all households seeking or receiving CoC Program assistance about their rights to an emergency transfer;
3.	what your CoC requires households to do to request emergency transfers; and
4.	what your CoC does in response to households requesting emergency transfers.

(limit 2,500 characters)

The NCOkCoC prioritizes the safety of participants in its homeless assistance programs, particularly those who are victims of domestic violence, dating violence, sexual assault, or stalking, in accordance with the Violence Against Women Act (VAWA). NCOkCoC's programs that provide housing or rental assistance are required to allow participants who are victims of such violence to request an emergency transfer from their current unit to another. This applies to programs receiving Continuum of Care (CoC) funding and Emergency Solutions Grant (ESG) funding, following the policies and requirements set forth by the Oklahoma Department of Commerce (ODOC).

The option to request an emergency transfer is available to all participants, regardless of sex, gender identity, or sexual orientation. CoC and ESG providers will collaborate with NCOkCoC's Coordinated Entry System to facilitate an emergency transfer using resources beyond those available within the provider's organization. The ability of the Coordinated Entry System to honor such transfer requests depends on an initial determination that the participant is, or has been, a victim of domestic violence, dating violence, sexual assault, or stalking, and whether a safe and available dwelling unit exists for the participant to occupy either temporarily or permanently.

This emergency transfer plan outlines the eligibility criteria for participants, the documentation required to request a transfer, confidentiality protections, the steps involved in executing an emergency transfer, and guidance for participants on maintaining safety and security. The plan is modeled after HUD's emergency transfer plan, which serves as the federal framework ensuring VAWA compliance in CoC and ESG-funded programs.

A participant is eligible for an emergency transfer if any member of the household is a victim of domestic violence, dating violence, sexual assault, or stalking, and there is a reasonable belief of imminent harm from further violence if they remain in the same unit. Additionally, a participant who is a victim of sexual assault may be eligible for a transfer if the assault occurred on the premises within the 90-day period preceding the request for an emergency transfer.

1C-5e.	Facilitating Safe Access to Housing and Services for Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	
	Describe in the field below how your CoC ensures households experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking have safe access to all of the housing and services available within your CoC's geographic area.	

**(limit 2,500 characters)**

Agencies within the CoC have adopted the Violence Against Women Act (VAWA) policy for all agencies receiving Emergency Solutions Grant (ESG) funds administered by the State of Oklahoma. Additionally, OK-500 agencies prioritize safety and privacy by adhering to the established privacy notice, plan, and script. These components are distributed to all agencies and coordinated entry access points, regardless of whether a client chooses to self-identify.

The Privacy Plan outlines client rights, the measures taken to protect their information, and includes a script that must be read aloud to clients. To further enhance awareness, signs detailing the privacy policy and grievance process are posted at each access point. Agencies are regularly monitored for compliance to ensure the confidentiality of information and the safety of all individuals fleeing violence. Furthermore, we coordinate with health providers as needed to support the well-being of clients.

1C-5f.	Identifying and Removing Barriers for Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	
	Describe in the field below how your CoC ensures survivors receive safe housing and services by:	
	1. Identifying barriers specific to survivors; and	
	2. Working to remove those barriers.	

**(limit 2,500 characters)**

1. Identifying barriers-including the participation of affected groups allows the CoC to understand barriers surrounding DV, Sexual Assault, and stalking.

2. We work to ensure our processes support easy access through annual review. When barriers are identified, we discuss concerns in an open and welcoming manner and work to build more supportive systems.

1C-6.	Addressing the Needs of Lesbian, Gay, Bisexual, Transgender and Queer+–Anti-Discrimination Policy and Equal Access Trainings.	
	NOFO Section V.B.1.f.	

	1. Did your CoC implement a written CoC-wide anti-discrimination policy ensuring that LGBTQ+ individuals and families receive supportive services, shelter, and housing free from discrimination?	Yes
	2. Did your CoC conduct annual CoC-wide training with providers on how to effectively implement the Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity (Equal Access Final Rule)?	No
	3. Did your CoC conduct annual CoC-wide training with providers on how to effectively implement Equal Access in Accordance With an Individual's Gender Identity in Community Planning and Development Programs (Gender Identity Final Rule)?	No

1C-6a.	Anti-Discrimination Policy—Updating Policies—Assisting Providers—Evaluating Compliance—Addressing Noncompliance.	
	NOFO Section V.B.1.f.	

Describe in the field below:

1.	how your CoC regularly collaborates with LGBTQ+ and other organizations to update its CoC-wide anti-discrimination policy, as necessary to ensure all housing and services provided in the CoC are trauma-informed and able to meet the needs of LGBTQ+ individuals and families;
2.	how your CoC assisted housing and services providers in developing project-level anti-discrimination policies that are consistent with the CoC-wide anti-discrimination policy;
3.	your CoC's process for evaluating compliance with your CoC's anti-discrimination policies; and
4.	your CoC's process for addressing noncompliance with your CoC's anti-discrimination policies.

**(limit 2,500 characters)**

1. Our CoC continues to build representation and advocate for marginalized communities. Currently, one member organization is LGBTQ+ led and focused. The participation of this organization has helped us to understand the forces that drive LGBTQ+ homelessness, including trauma.

2. The CoC's anti-discrimination policies encompass all agencies within the CoC and all agencies have adopted the state anti discrimination policies as ESG recipients.

3. Currently, monitoring is complaint driven.

4. Noncompliance would be investigated at the committee level and reported at the full CoC for action.

1C-7.	Public Housing Agencies within Your CoC's Geographic Area—New Admissions—General/Limited Preference—Moving On Strategy.	
	NOFO Section V.B.1.g.	

You must upload the PHA Homeless Preference\PHA Moving On Preference attachment(s) to the 4B. Attachments Screen.

Enter information in the chart below for the two largest PHAs highlighted in gray on the current CoC-PHA Crosswalk Report or the two PHAs your CoC has a working relationship with—if there is only one PHA in your CoC's geographic area, provide information on the one:

Public Housing Agency Name	Enter the Percent of New Admissions into Public Housing or Housing Choice Voucher Program During FY 2023 who were experiencing homelessness at entry	Does the PHA have a General or Limited Homeless Preference? Housing Authority of the City of Ponca City	3%	No	No

<b>1C-7a.</b>	<b>Written Policies on Homeless Admission Preferences with PHAs.</b>	
	NOFO Section V.B.1.g.	
	Describe in the field below:	
	1. steps your CoC has taken, with the two largest PHAs within your CoC's geographic area or the two PHAs your CoC has working relationships with, to adopt a homeless admission preference—if your CoC only has one PHA within its geographic area, you may respond for the one; or	
	2. state that your CoC has not worked with the PHAs in its geographic area to adopt a homeless admission preference.	

**(limit 2,500 characters)**

While the Oklahoma Housing Finance Agency, the statewide provider of Housing Choice Vouchers, does have preferences for homelessness and people with disabilities, the small rural PHAs do not. Our CoC has contacted each of these PHAs and continues to encourage the use of preferences.

<b>1C-7b.</b>	<b>Moving On Strategy with Affordable Housing Providers.</b>

## 1D. Coordination and Engagement Cont'd

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

1D-1.	Preventing People Transitioning from Public Systems from Experiencing Homelessness.	
	NOFO Section V.B.1.h.	

Select yes or no in the chart below to indicate whether your CoC actively coordinates with the public systems listed to ensure persons who have resided in them longer than 90 days are not discharged directly to the streets, emergency shelters, or other homeless assistance programs.

1.	Prisons/Jails?	Yes
2.	Health Care Facilities?	Yes
3.	Residential Care Facilities?	Yes
4.	Foster Care?	Yes

1D-2.	Housing First—Lowering Barriers to Entry.	
	NOFO Section V.B.1.i.	

	1. Enter the total number of new and renewal CoC Program-funded PSH, RRH, SSO non-coordinated entry, Safe Haven, and Transitional Housing projects your CoC is applying for in FY 2024 CoC Program Competition.	3
	2. Enter the total number of new and renewal CoC Program-funded PSH, RRH, SSO non-coordinated entry, Safe Haven, and Transitional Housing projects your CoC is applying for in FY 2024 CoC Program Competition that have adopted the Housing First approach.	3
	3. This number is a calculation of the percentage of new and renewal PSH, RRH, SSO non-coordinated entry, Safe Haven, and Transitional Housing projects the CoC has ranked in its CoC Priority Listing in the FY 2024 CoC Program Competition that reported that they are lowering barriers to entry and prioritizing rapid placement and stabilization to permanent housing.	100%

1D-2a.	Project Evaluation for Housing First Compliance.	
	NOFO Section V.B.1.i.	

You must upload the Housing First Evaluation attachment to the 4B. Attachments Screen.  
Describe in the field below:

1.	how your CoC evaluates every project—where the applicant checks Housing First on their project application—to determine if they are using a Housing First approach;
2.	the list of factors and performance indicators your CoC uses during its evaluation;
3.	how your CoC regularly evaluates projects outside of your local CoC competition to ensure the projects are using a Housing First approach; and
4.	what your CoC has done to improve fidelity to Housing First.

**(limit 2,500 characters)**

1) Applicants must describe their implementation of Housing First in project applications and set-up forms for both ESG and CoC. Additionally, all projects are provided with a Housing First Assessment Tool for self-assessments. This tool assesses whether leases and occupancy agreements align with Housing First principles, and a printed summary of the assessment is given to the project upon completion.

- 2) Evaluation factors considered in the assessment tool include:
- Ensuring projects are low-barrier and not contingent on prerequisites such as mental health or criminal justice history.
  - Reviewing policies and procedures to ensure individuals or families are not denied assistance for unnecessary or unlawful reasons.
  - Confirming equal access regardless of sexual orientation, gender identity, or marital status.
  - Ensuring the admission process is swift and person-centered, with ongoing participant education and opportunities for input.
  - Verifying that providers accept and make referrals directly through Coordinated Entry.
  - Avoiding exits to homelessness and prioritizing stable housing.

For landlords, the performance criteria focus on:

- Ensuring housing is permanent and participant choice is fundamental.
- Confirming leases for participants are the same as for other tenants.
- Providing education about lease terms and implementing measures to prevent eviction.

3) As an initial qualifier for those seeking housing, our CoC regularly evaluates projects outside of the local CoC competition to ensure they align with Housing First priorities and can effectively house participants.

4) We continue to educate landlords and projects about Housing First requirements to address the housing needs of our communities. By raising awareness of this person-centered approach, participants become more informed about expectations, while landlords gain a better understanding of our housing strategies, ultimately improving community outcomes.

1D-3.	Street Outreach—Data—Reaching People Least Likely to Request Assistance.	
	NOFO Section V.B.1.j.	
	Describe in the field below how your CoC tailored its street outreach to people experiencing homelessness who are least likely to request assistance.	

**(limit 2,500 characters)**

Our CoC continues to strengthen relationships and train street outreach teams on the evaluation of outcomes and services. We emphasize how to effectively report these outcomes and have provided dedicated space for the outreach team to conduct employment preparation workshops. Additionally, we have made available a shower trailer for homeless individuals, connected the street outreach team to housing resources to facilitate their transition into stable housing, and supported the local clinic in providing outreach to those in need of medical care while unhoused.

The street outreach team builds relationships and earns trust while preparing individuals for employment and connecting them to housing, shelter, supplies, legal assistance, and healthcare. They also assist clients in obtaining personal identification, which is crucial for achieving self-sufficiency, housing, and employment. Regular visits to encampments allow the outreach team to address mental and physical health needs, act as intermediaries with local law enforcement, and distribute clothing, food, sleeping bags, and tents. They also play a vital role in facilitating our Point-in-Time count.

These activities ensure that service providers maintain a positive connection with those in need and can respond effectively to the challenges faced by the homeless population with appropriate resources. Furthermore, this group serves as a model for other street outreach teams in the area, demonstrating best practices in outreach and support.

1D-4.	Strategies to Prevent Criminalization of Homelessness.	
	NOFO Section V.B.1.k.	

Select yes or no in the chart below to indicate your CoC's strategies to prevent the criminalization of homelessness in your CoC's geographic area:

	Your CoC's Strategies	Engaged/Educated Legislators and Policymakers	Implemented Laws/Policies/Practices that Prevent Criminalization of Homelessness
1.	Increase utilization of co-responder responses or social services-led responses over law enforcement responses to people experiencing homelessness?	Yes	No
2.	Minimize use of law enforcement to enforce bans on public sleeping, public camping, or carrying out basic life functions in public places?	No	No
3.	Avoid imposing criminal sanctions, including fines, fees, and incarceration for public sleeping, public camping, and carrying out basic life functions in public places?	No	No
4.	Other:(limit 500 characters)		

1D-5.	Rapid Rehousing–RRH Beds as Reported in the Housing Inventory Count (HIC) or Longitudinal Data from HMIS.	
	NOFO Section V.B.1.i.	

		HIC Longitudinal HMIS Data	2023	2024
	Enter the total number of RRH beds available to serve all populations as reported in the HIC or the number of households served per longitudinal HMIS data, e.g., APR.	HIC	39	20

1D-6.	Mainstream Benefits–CoC Annual Training of Project Staff.	
	NOFO Section V.B.1.m.	

Indicate in the chart below whether your CoC trains program staff annually on the following mainstream benefits available for program participants within your CoC's geographic area:

	Mainstream Benefits	CoC Provides Annual Training?
1.	Food Stamps	No
2.	SSI–Supplemental Security Income	No
3.	SSDI–Social Security Disability Insurance	No
4.	TANF–Temporary Assistance for Needy Families	No
5.	Substance Use Disorder Programs	No
6.	Employment Assistance Programs	No
7.	Other (limit 150 characters)	

1D-6a.	Information and Training on Mainstream Benefits and Other Assistance.	
	NOFO Section V.B.1.m	

Describe in the field below how your CoC:

1.	works with projects to collaborate with healthcare organizations, including those that provide substance use disorder treatment and mental health treatment, to assist program participants with receiving healthcare services, including Medicaid; and
2.	promotes SSI/SSDI Outreach, Access, and Recovery (SOAR) certification of program staff.

**(limit 2,500 characters)**

1. The CoC regularly collaborates with healthcare organizations that provide treatment for substance use disorders and mental health issues through attendance at the Mental Health Alliance and the Health Planning Committee where we report on area homeless needs. Given the rural environment, some providers may not be immediately accessible for services or transportation. To address this, facilities have established emergency mental health services, providing immediate access to tablets for individuals experiencing mental health crises. ,2. We promote SSI/SSDI Outreach by offering assistance to our area Outreach Team that is SOAR certified.

Additionally, specialized teams within the CoC have been developed to deliver on-site medical care in encampments. Programs such as Rx for Oklahoma ensure that participants can access low-cost or no-cost medications and receive support with healthcare services, including Medicaid enrollment.

ID-7.	Partnerships with Public Health Agencies–Collaborating to Respond to and Prevent the Spread of Infectious Diseases.	
NOFO Section V.B.1.n.		
Describe in the field below how your CoC effectively collaborates with state and local public health agencies to develop CoC-wide policies and procedures that:		
1.	respond to infectious disease outbreaks; and	
2.	prevent infectious disease outbreaks among people experiencing homelessness.	

(limit 2,500 characters)

1. Specialized teams within the CoC have been developed to deliver on-site medical care in encampments. Prescription assistance programs ensure that participants have access to low-cost or no-cost medications and receive support and healthcare services, including assistance to enroll in Medicaid or Medicare. 2.The CoC actively collaborates with state and local public health agencies to develop comprehensive policies aimed at the rapid response and prevention of infectious disease outbreaks among individuals experiencing homelessness. Through regular communication with our local public health agency, we stay informed about current outbreaks and potential health concerns. To mitigate these risks, we provide hygiene materials, coordinate vaccine distribution, and implement other preventive measures, such as supplying face masks and condoms to the public. These efforts are in line with best practices recommended by public health authorities. During the Covid pandemic, this included increasing hotel/motel vouchers to get people quickly and safely off the streets.

ID-7a.	Collaboration With Public Health Agencies on Infectious Diseases.	
NOFO Section V.B.1.n.		
Describe in the field below how your CoC:		
1.	effectively shared information related to public health measures and homelessness; and	
2.	facilitated communication between public health agencies and homeless service providers to ensure street outreach providers and shelter and housing providers are equipped to prevent or limit infectious disease outbreaks among program participants.	

**(limit 2,500 characters)**

1. We provide free Covid tests and masks to homeless persons as well as sanitation stations at facility entrances. The CoC actively disseminates information regarding public health and homelessness to providers within the network. We share recommended practices and resources from the public health agency with Street Outreach teams, shelter operators, and housing providers. This collaborative effort aims to prevent or limit the spread of infectious diseases among program participants, ensuring that all providers are equipped with the necessary tools and knowledge to safeguard the health of those they serve. 2. Having members of health and homeless service providers at our meetings helps keep us informed and rapidly disseminates needed information through agency services and street outreach directly to participants.

1D-8.	Coordinated Entry Standard Processes.	
	NOFO Section V.B.1.o.	

Describe in the field below how your CoC's coordinated entry system:	
1.	can serve everybody regardless of where they are located within your CoC's geographic area;
2.	uses a standardized assessment process to achieve fair, equitable, and equal access to housing and services within your CoC;
3.	collects personal information in a trauma-informed way; and
4.	is updated at least annually using feedback received from participating projects and households that participated in coordinated entry.

**(limit 2,500 characters)**

1)In accordance with HUD guidance, the CoC has implemented a Centralized Intake System featuring "Front Doors" for screening, assessment, and referral. A Front Door serves as an agreed-upon entry point into the Coordinated Entry System. The system can be accessed anywhere.

2) Front Doors are encouraged to screen households for chronic homelessness and to complete the VI-(F) SPDAT as a priority. The length of homelessness and the score generated from this assessment will determine a household's eligibility for referral to the Coordinated Entry System. It's important to note that households will need to complete a new VI-(F) SPDAT if six months have passed since their last assessment.

3) The site is required to conduct formal screenings and assessments in a trauma-informed manner, facilitating clients' entry into housing programs funded by HUD's ESG and CoC grant programs. These screenings and assessments collect crucial information that guides housing referrals based on program eligibility and the services offered for Transitional Housing, Rapid Re-Housing, and Permanent Supportive Housing. Staff at the Front Doors are referred to as "front door assessors." The Coordinated Entry System will provide clients and partnering agencies with essential information about Front Doors, including contact information, address, hours of operation, and the availability of screening/assessment options—either face-to-face, by phone, or both.

4) This information is updated annually and should incorporate feedback from program participants to ensure continuous improvement in service delivery.

1D-8a.	Coordinated Entry--Program Participant-Centered Approach.	
	NOFO Section V.B.1.o.	

Describe in the field below how your CoC's coordinated entry system:	
1.	reaches people who are least likely to apply for homeless assistance in the absence of special outreach;
2.	prioritizes people most in need of assistance;
3.	ensures people most in need of assistance receive permanent housing in a timely manner, consistent with their needs and preferences; and
4.	takes steps to reduce burdens on people seeking assistance.

**(limit 2,500 characters)**

1) Coordinated Entry (CE) is a community-wide process designed to match individuals and families experiencing homelessness with housing resources that best fit their specific situations.

2) Homeless households in the community collaborate with Front Door Assessors located at various social service agencies to complete a standardized assessment. This assessment helps identify the most suitable services for each household.

3) By utilizing this system, projects can effectively serve the most vulnerable households in the community, ensuring that resources are allocated where they are needed most.

4) As a result of this streamlined process, households no longer need to advocate for themselves across multiple agencies to access housing programs, simplifying their path to obtaining necessary support and services.

1D-8b.	Coordinated Entry--Informing Program Participants about Their Rights and Remedies--Reporting Violations.	
	NOFO Section V.B.1.o.	

Describe in the field below how your CoC through its coordinated entry:	
1.	affirmatively markets housing and services provided within the CoC's geographic area and ensures it reaches all persons experiencing homelessness;
2.	informs program participants of their rights and remedies available under federal, state, and local fair housing and civil rights laws; and
3.	reports any conditions or actions that impede fair housing choice for current or prospective program participants to the jurisdiction(s) responsible for certifying consistency with the Consolidated Plan.

**(limit 2,500 characters)**

- 1) Marketing to homeless persons requires non-traditional approaches including person-to-person contact at encampments and other places where homeless persons gather. In addition, flyers are posted at feeding sites, laundromats, quick stops, and other high traffic locations.
- 2) Participants are informed of their rights during intake processes:
  - A) They are protected under the nondiscrimination and equal opportunity provisions of federal civil rights laws, including the Fair Housing Act, Section 504 of the Rehabilitation Act, Title VI of the Civil Rights Act, Title II of the Americans with Disabilities Act, and Title III of the Americans with Disabilities Act.
  - B) These laws prohibit discriminatory housing practices based on race, color, religion, sex, national origin, disability, or familial status under any program or activity receiving federal financial assistance.
  - C) Section 1557 of the Affordable Care Act prohibits discrimination based on race, color, national origin, sex, age, or disability in certain health programs and activities. The CoC extends these protections to additional classes, including language, ethnicity, socio-economic status, sexual orientation, gender identity, veteran status, or political beliefs.
  - D) Clients have the right to view, correct, or request a copy (a fee may apply) of the information in their ServicePoint client record.
  - E) Clients may obtain a copy of the ServicePoint Privacy Notice, which outlines how their personal information will be shared.
  - F) Clients can refuse to consent to share their data, participate in the Coordinated Entry process, work with a housing program provider, or accept housing offered to them.
- 3) The CoC takes responsibility for affirmatively supporting fair housing and immediately reports potential conditions or actions that impede fair housing choice to the relevant jurisdiction.

1D-9.	Advancing Racial Equity in Homelessness—Conducting Assessment.	
	NOFO Section V.B.1.p.	

1.	Has your CoC conducted a racial disparities assessment in the last 3 years?	Yes
2.	Enter the date your CoC conducted its latest assessment for racial disparities.	08/26/2024

1D-9a.	Using Data to Determine if Racial Disparities Exist in Your CoC’s Provision or Outcomes of CoC Program-Funded Homeless Assistance.	
	NOFO Section V.B.1.p.	

Describe in the field below:	
1.	the data your CoC used to analyze whether any racial disparities are present in your CoC’s provision or outcomes of CoC Program-funded homeless assistance; and
2.	how your CoC analyzed the data to determine whether any racial disparities are present in your CoC’s provision or outcomes of CoC Program-funded homeless assistance.

**(limit 2,500 characters)**

1. The CoC has taken significant steps to elevate its community-driven response by examining racial disparities within its local homeless response system. The CoC investigated these disparities using census-level data, which provided a comprehensive overview of the racial demographics in the area and compared that to actual service data, revealing where our services are disproportionate.

2. To further this effort, the CoC utilized HUD's racial equity tool to analyze project applications. By comparing census data with program reports detailing the racial demographics of individuals served, the CoC gained valuable insights into the extent of racial disproportionality within its programs. This analysis serves as a vital measure, enabling the racial equity collaborative to review information and offer guidance on strategies to enhance racial equity within the service area.

These comparisons have helped the CoC identify points of racial disproportionality at various stages and agencies within the continuum of care. This poor proportionality occurs when the percentage of individuals from specific racial or ethnic groups in a target population differs significantly from those in a reference or base population.

1D-9b.	Implemented Strategies to Prevent or Eliminate Racial Disparities.	
	NOFO Section V.B.1.p	

Select yes or no in the chart below to indicate the strategies your CoC is using to prevent or eliminate racial disparities.

1.	Are your CoC's board and decisionmaking bodies representative of the population served in the CoC?	Yes
2.	Did your CoC identify steps it will take to help the CoC board and decisionmaking bodies better reflect the population served in the CoC?	Yes
3.	Is your CoC expanding outreach in your CoC's geographic areas with higher concentrations of underrepresented groups?	Yes
4.	Does your CoC have communication, such as flyers, websites, or other materials, inclusive of underrepresented groups?	Yes
5.	Is your CoC training staff working in the homeless services sector to better understand racism and the intersection of racism and homelessness?	Yes
6.	Is your CoC establishing professional development opportunities to identify and invest in emerging leaders of different races and ethnicities in the homelessness sector?	Yes
7.	Does your CoC have staff, committees, or other resources charged with analyzing and addressing racial disparities related to homelessness?	Yes
8.	Is your CoC educating organizations, stakeholders, boards of directors for local and national nonprofit organizations working on homelessness on the topic of creating greater racial and ethnic diversity?	Yes
9.	Did your CoC review its coordinated entry processes to understand their impact on people of different races and ethnicities experiencing homelessness?	Yes
10.	Is your CoC collecting data to better understand the pattern of program use for people of different races and ethnicities in its homeless services system?	Yes
11.	Is your CoC conducting additional research to understand the scope and needs of different races or ethnicities experiencing homelessness?	Yes

1D-9c.	Plan for Ongoing Evaluation of System-level Processes, Policies, and Procedures for Racial Equity.	
	NOFO Section V.B.1.p.	

Describe in the field below your CoC's plan for ongoing evaluation of system-level processes, policies, and procedures for racial equity.

(limit 2,500 characters)

Moving forward, the CoC will maintain its focus on promoting racial equity by continuing to utilize the racial equity tool when evaluating programs beyond the continuum. This commitment to data-driven analysis is essential for ensuring that efforts to address racial disparities are both effective and targeted.

To further this goal, the Data Quality Collaborative will convene regularly to reassess racial equity for each project. Policies and procedures will be adjusted as needed to foster ongoing improvements in this area. This reassessment will take place at the end of each fiscal year, allowing the CoC to evaluate progress and identify any gaps in achieving racial equity.

During these reassessments, data will be thoroughly reviewed, and if racial equity is not progressing as desired, a comprehensive plan for improvement will be developed. This proactive approach will help ensure that the CoC continues to make meaningful strides toward equity and inclusion for all communities served. An annual review of CoC membership may result in targeted recruitment in order to ensure continued diverse representation.

1D-9d.	Plan for Using Data to Track Progress on Preventing or Eliminating Racial Disparities.	
	NOFO Section V.B.1.p.	

Describe in the field below:

1.	the measures your CoC plans to use to continuously track progress on preventing or eliminating racial disparities in the provision or outcomes of homeless assistance; and
2.	the tools your CoC plans to use to continuously track progress on preventing or eliminating racial disparities in the provision or outcomes of homeless assistance.

(limit 2,500 characters)

1. The CoC's plan for ongoing evaluation of system-level processes, policies, and procedures for racial equity is anchored in a data-driven logic model approach, using program, coordinated entry, census, and comparison data from local government providers, to incorporate defined tasks, timelines, products, outcomes, and performance metrics. This comprehensive framework aims to assess and improve racial equity within the CoC's systems and increases transparency and accountability of agencies within the CoC. The CoC will implement these processes across all collaborative work groups, agencies, and organizations, ensuring they are integrated into the CoC Governance Manual, which will be updated to include specific racial equity guidelines and requirements.

The CoC will provide initial racial equity training for all members, focusing on awareness and practical applications. This training will encourage partner agencies to adopt similar racial equity policies that align with the CoC's framework. Additionally, the CoC will offer resources and support for agencies not directly participating in the CoC, helping them develop their own racial equity practices and building their capacity to address disparities.

The CoC will actively engage culturally specific organizations to ensure diverse perspectives are included in responses to requests for proposals (RFPs) and aim for committee memberships to reflect the community's racial and ethnic diversity. Furthermore, collaboration with local tribes will be prioritized to understand their specific needs and explore how the CoC can offer support, incorporating cultural competency training for its members.

2. Continuous improvement tools will include random surveys of program participants and stakeholders, process dissections and analysis, quality improvement circles focused on actionable strategies, and developmental evaluation methods to assess system changes in real time. Findings and recommendations from these evaluations will be integrated into the CoC's strategic plan, reinforcing the commitment to racial equity. This structured approach will foster collaboration, enhance training, and engage diverse communities, ultimately leading to a more equitable homeless response system that better serves all populations, particularly those disproportionately affected by homelessness.

1D-10.	Involving Individuals with Lived Experience of Homelessness in Service Delivery and Decisionmaking—CoC's Outreach Efforts.	
	NOFO Section V.B.1.q.	

Describe in the field below your CoC's outreach efforts (e.g., social media announcements, targeted outreach) to engage those with lived experience of homelessness in leadership roles and decisionmaking processes.

(limit 2,500 characters)

The CoC actively conducts outreach through various channels, including email, social media, meeting announcements, and personal invitations, to engage individuals with lived experience of homelessness. This approach ensures that the voices of those affected by homelessness are heard and considered in decision-making processes. Notably, the CoC collaborates with Oklahoma's only YouthBuild program, which provides participants with opportunities to offer input and guidance during forums, giving the CoC valuable insights into how services impact local youth. Additionally, two youth homeless projects operate within the CoC, allowing their participants to contribute perspectives to the Youth Action Collaborative (YAC).

The YAC consists of up to 20 members who collaborate with the CoC, various agencies, and, at times, state and local government entities. To further enhance inclusivity, all collaboratives within the CoC are required to include at least one member with lived experience. The CoC also established a Lived Experience Collaborative (LEC), comprised solely of individuals who have experienced homelessness. This group provides invaluable insights that drive impactful change in the community.

Through these efforts, the CoC strives to advocate for those with lived experience, facilitating opportunities and accommodations for broader community transformation. By prioritizing the perspectives of individuals who have navigated homelessness, the CoC aims to develop responsive policies and procedures that address the unique needs and challenges faced by this population.

1D-10a.	Active CoC Participation of Individuals with Lived Experience of Homelessness.	
	NOFO Section V.B.1.q.	

You must upload the Lived Experience Support Letter attachment to the 4B. Attachments Screen.

Enter in the chart below the number of people with lived experience who currently participate in your CoC under the four categories listed:

	Level of Active Participation	Number of People with Lived Experience Within the Last 7 Years or Current Program Participant	Number of People with Lived Experience Coming from Unsheltered Situations
1.	Routinely included in the decisionmaking processes related to addressing homelessness.	34	15
2.	Participate on CoC committees, subcommittees, or workgroups.	20	3
3.	Included in the development or revision of your CoC's local competition rating factors.	4	3
4.	Included in the development or revision of your CoC's coordinated entry process.	8	3

1D-10b.	Professional Development and Employment Opportunities for Individuals with Lived Experience of Homelessness.	
	NOFO Section V.B.1.q.	

Describe in the field below how your CoC or CoC membership organizations provide professional development and employment opportunities to individuals with lived experience of homelessness.

**(limit 2,500 characters)**

Within our CoC, we have three notable programs (WIOA, Workforce Oklahoma, and YouthBuild) that actively create opportunities for employment and provide the necessary skills and education for professional development. Each year, these programs enable participants to engage in an intensive training curriculum, offering 24 hours per week of counseling and support aimed at helping individuals obtain their high school diploma and earn OSHA credentials. In addition to educational support, participants receive employment mediation and interventions, ensuring they have the necessary resources for job placement and follow-up for up to two years. The programs also assist individuals in attaining housing, addressing medical health-related needs, and providing training in substance abuse, parenting, resume writing, and interview skills.

Two of these programs operate under the CoC's Work Ready Oklahoma initiative, focusing on shorter-term employment training. They offer workshops lasting up to one week, followed by intensive follow-up support that includes resume writing, skill-building for employment, interview training, and remote work assistance. Currently, these programs result in approximately five individuals finding employment each month.

Furthermore, many agencies that are members of the CoC employ individuals with lived experience of homelessness, providing them with opportunities for professional development. We have found that incorporating this experience is incredibly valuable, as it not only enhances the agencies' understanding of the challenges faced by those experiencing homelessness but also significantly contributes to facilitating successful change within the community.

1D-10c.	Routinely Gathering Feedback and Addressing Challenges of Individuals with Lived Experience of Homelessness.	
	NOFO Section V.B.1.q.	

Describe in the field below:	
1.	how your CoC gathers feedback from people experiencing homelessness;
2.	how often your CoC gathers feedback from people experiencing homelessness;
3.	how your CoC gathers feedback from people who received assistance through the CoC Program or ESG Program;
4.	how often your CoC gathers feedback from people who have received assistance through the CoC Program or ESG Program; and
5.	steps your CoC has taken to address challenges raised by people with lived experience of homelessness.

**(limit 2,500 characters)**

1. We annually gather feedback and address the challenges faced by individuals with lived experience by providing anonymous surveys available through all agencies within the CoC.
2. We conduct an annual community needs assessment to collect information from the community, specifically targeting those experiencing homelessness.
- 3, 4. Feedback is gathered from individuals who have received assistance through our CoC and ESG programs via closure surveys completed at the end of their case management.
5. After identifying lack of identification as a barrier to housing, our street outreach teams have been proactive in assisting individuals in obtaining necessary identification, such as driver's licenses, birth certificates, or Social Security cards. We transport clients to the Department of Human Services (DHS) to help them sign up for SNAP or TANF benefits and assist others in applying for SoonerCare or other health insurance options like Medicare. Additionally, we have programs in place to provide medications and mental health care to individuals and regularly coordinate with community clinics to ensure they receive health care services. We also encourage clients to complete any required vaccinations and assist in addressing other needs that agencies might encounter.

1D-11.	Increasing Affordable Housing Supply.	
	NOFO Section V.B.1.s.	
	Describe in the field below at least two steps your CoC has taken in the past 12 months to engage city, county, or state governments that represent your CoC's geographic area regarding the following:	
	1. reforming zoning and land use policies to permit more housing development; and	
	2. reducing regulatory barriers to housing development.	

**(limit 2,500 characters)**

1. Within the last 12 months, the CoC formally supported a local affordable housing initiative aimed at providing single apartments for individuals, which would result in immediate housing for homeless individuals. The property in question had previously served as a store, with living space located on the second floor. Conveniently situated near a hospital, a laundromat, and other essential resources, the property was zoned for both commercial and residential development.

We coordinated our efforts to actively support the leadership of the agency applying for the housing grant, recognizing the importance of this initiative. However, the property required immediate rezoning to meet the application deadline for the grant. The municipality assisted in clearing this zoning issue, resulting in better understanding on their part-which could result in lowered zoning barriers going forward.

## 1E. Project Capacity, Review, and Ranking–Local Competition

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

1E-1.	Web Posting of Advance Public Notice of Your CoC’s Local Competition Deadline, Scoring and Rating Criteria.	
	NOFO Section V.B.2.a. and 2.g.	

1.	Enter the date your CoC published its submission deadline and scoring and rating criteria for New Project applicants to submit their project applications for your CoC’s local competition.	08/26/2024
2.	Enter the date your CoC published its submission deadline and scoring and rating criteria for Renewal Project applicants to submit their project applications for your CoC’s local competition.	08/26/2024

1E-2.	Project Review and Ranking Process Your CoC Used in Its Local Competition. We use the response to this question and the response in Question 1E-2a along with the required attachments from both questions as a factor when determining your CoC’s eligibility for bonus funds and for other NOFO criteria below.	
	NOFO Section V.B.2.a., 2.b., 2.c., 2.d., and 2.e.	

You must upload the Local Competition Scoring Tool attachment to the 4B. Attachments Screen.

Select yes or no in the chart below to indicate how your CoC ranked and selected project applications during your local competition:

1.	Established total points available for each project application type.	Yes
2.	At least 33 percent of the total points were based on objective criteria for the project application (e.g., cost effectiveness, timely draws, utilization rate, match, leverage), performance data, type of population served (e.g., DV, youth, Veterans, chronic homelessness), or type of housing proposed (e.g., PSH, RRH).	Yes
3.	At least 20 percent of the total points were based on system performance criteria for the project application (e.g., exits to permanent housing destinations, retention of permanent housing, length of time homeless, returns to homelessness).	Yes
4.	Provided points for projects that addressed specific severe barriers to housing and services.	Yes
5.	Used data from comparable databases to score projects submitted by victim service providers.	Yes

6.	Provided points for projects based on the degree the projects identified any barriers to participation (e.g., lack of outreach) faced by persons of different races and ethnicities, particularly those over-represented in the local homelessness population, and has taken or will take steps to eliminate the identified barriers.	Yes
----	---	-----

1E-2a.	Scored Project Forms for One Project from Your CoC's Local Competition. We use the response to this question and Question 1E-2. along with the required attachments from both questions as a factor when determining your CoC's eligibility for bonus funds and for other NOFO criteria below.  NOFO Section V.B.2.a., 2.b., 2.c., and 2.d.	
--------	---	--

You must upload the Scored Forms for One Project attachment to the 4B. Attachments Screen.  
 Complete the chart below to provide details of your CoC's local competition:

1.	What were the maximum number of points available for the renewal project form(s)?	100
2.	How many renewal projects did your CoC submit?	3
3.	What renewal project type did most applicants use?	PH-PSH

1E-2b.	Addressing Severe Barriers in the Local Project Review and Ranking Process.  NOFO Section V.B.2.d.	
--------	--	--

Describe in the field below:	
1.	how your CoC analyzed data regarding each project that has successfully housed program participants in permanent housing;
2.	how your CoC analyzed data regarding how long it takes to house people in permanent housing;
3.	how your CoC considered the specific severity of needs and vulnerabilities experienced by program participants preventing rapid placement in permanent housing or the ability to maintain permanent housing when your CoC ranked and selected projects; and
4.	the severe barriers your CoC considered.

(limit 2,500 characters)

1. Previous outcomes were analyzed and compared with current APR reports, including exit destination data from HMIS for agencies providing housing. Data from a comparable database was analyzed for those applications from a Domestic Violence provider.

2. Shelter data is provided to determine current rates of placement. The Rating and Ranking process also reviewed compliance with Housing First standards by using measures within Housing First Assessment Tool. By using this tool, the CoC is able to consider the expediency of housing services being received by participants within each project.

3. A state-wide market study, prepared by the Oklahoma Housing Finance Agency, has been utilized to identify the housing need on a county by county basis. This data demonstrates that the greatest barrier to permanent housing is the lack standard affordable housing. The CoC understands that severe needs and vulnerabilities may prevent participants from being placed into or maintaining permanent housing. To address this, bonus points were awarded to applications when they were identified. For example, if up to three Housing First principles were identified within the project narrative, up to six bonus points were awarded. Additionally, if the project APR showed at least 39% of households identified three or more of the hard to serve conditions at project entry, five bonus points were awarded. If the project APR showed at least 55% of the households identifying with two or more of the hard to serve conditions at project entry, three bonus points were awarded.

4. Barriers considered include the lack of housing, the lack of employment opportunities, and the lack of educational attainment. Severe barriers were described as “hard to serve” conditions at entry. Those barriers are alcohol or drug abuse, mental illness, HIV/AIDS, chronic health conditions, and developmental/physical disabilities.

1E-3.	Advancing Racial Equity through Participation of Over-Represented Populations in the Local Competition Review and Ranking Process.	
	NOFO Section V.B.2.e.	

Describe in the field below:

1.	how your CoC used input from persons of different races and ethnicities, particularly those over-represented in the local homelessness population, to determine the rating factors used to review project applications;
2.	how your CoC included persons of different races and ethnicities, particularly those over-represented in the local homelessness population in the review, selection, and ranking process; and
3.	how your CoC rated and ranked projects based on the degree that proposed projects identified any barriers to participation (e.g., lack of outreach) faced by persons of different races and ethnicities, particularly those over-represented in the local homelessness population, and steps the projects took or will take to eliminate the identified barriers.

(limit 2,500 characters)

1.The CoC Board, racially composed of Native American, White, Black, and Hispanic ethnicity, reviewed several area programs for demographic data of the area. We used census reports, HUD reports, and agency data from various programs within the area. We found that the data populated within the HUD Racial Equity Tool demonstrated a lower number of races and ethnicities served-and that the white population was over-represented. Therefore, the project applications required that each project narrate a strategy for their program to better align their APR to the HUD-provided Racial Equity Tool.

2.The CoC Board, racially composed of Native American, White, Black, and Hispanic ethnicity, selected the criteria for the rating and ranking process. All felt it was vital to require racial equity factors within the process to effectively eliminate homelessness in the area.

3.By pairing the Racial Equity Tool to points in the Rating and Ranking Process, the CoC demonstrates the measure of racial equity within respective agencies participating in the CoC. The CoC will use this tool to monitor CoC programs and will research approaches for outreach to the communities that are under-represented racially in our data, which are the Marshallese, Hispanic, and Black or Brown communities. Additional points were available to encourage proactive racial equity components such as: organizational standards that address racial equity, demonstration of proactive year-over-year changes, identifying and addressing gaps, staff diversity alignment and demonstrated strategy, and submission of their policy or procedure manual. These components create awareness, which is often the catalyst for change in our area agencies.

<b>1E-4.</b>	<b>Reallocation—Reviewing Performance of Existing Projects.</b>	
	NOFO Section V.B.2.f.	

Describe in the field below:

	1.	your CoC's reallocation process, including how your CoC determined which projects are candidates for reallocation because they are low performing or less needed;
	2.	whether your CoC identified any low performing or less needed projects through the process described in element 1 of this question during your CoC's local competition this year;
	3.	whether your CoC reallocated any low performing or less needed projects during its local competition this year; and
	4.	why your CoC did not reallocate low performing or less needed projects during its local competition this year, if applicable.

**(limit 2,500 characters)**

1.It is possible that funds will be reallocated from projects that will not receive renewal funding or whose funding will be reduced. This is a recommendation made by the Rank and Review Committee and approved by the Board, based on HUD priorities and CoC Board priorities. When considering reallocation, the Committee may consider:

- \* Unspent funds and the ability to cut grants without cutting service/housing levels.
- \* Committee members will receive guidance about the limitations related to spending CoC funds.
- \* For projects receiving leasing or rental assistance, information about unspent funds will be presented together with information about agency capacity (serving the number of people the project is designed to serve).
- \* Projects with consistently low scores.
- \* Scrutiny will be given to projects that scored 10% or more under the median project score.
- \* Alternative funding sources available to support either new or renewal project(s) at-risk of not being funded.
- \* Impact on the community considering community needs.
- \* Non-compliance issues identified during the rank and review process.
- \* The impact of this policy is that both high- scoring and low-scoring projects may be reallocated if these considerations warrant that decision.

2.The CoC did not identify any low performing or less needed projects through the consolidated application process.

3.The CoC did not reallocate any low performing or less needed project during its local competition this year.

4.The CoC did not reallocate any low performing or less needed project because the CoC only has three projects, and all three are vital to our CoC.

1E-4a.	Reallocation Between FY 2019 and FY 2024.

<b>2A-4.</b>	<b>Comparable Databases for DV Providers—CoC and HMIS Lead Supporting Data Collection and Data Submission by Victim Service Providers.</b>	
	NOFO Section V.B.3.b.	

	In the field below:	
1.	describe actions your CoC and HMIS Lead have taken to ensure DV housing and service providers in your CoC collect data in HMIS comparable databases; and	
2.	state whether DV housing and service providers in your CoC are using a HUD-compliant comparable database—compliant with the FY 2024 HMIS Data Standards.	

**(limit 2,500 characters)**

1. The HMIS Lead collaborates with Domestic Violence Providers to ensure meaningful data is collected within a comparable database that is fully HUD compliant. The HUD-provided “HMIS Comparable Database Decision Tree” tool is used, and the “Comparable Database Vendor Checklist” provided by HUD to reviewed with the Provider. The HMIS Lead continues to work with the provider as the The HUD-provided software is implemented to ensure all project descriptor data elements and project information is input in the proper way to ensure report integrity. When a Domestic Violence Provider chooses to migrate to a different comparable database, the process begins again by using the tool, “HMIS Comparable Database Decision Tree”.

2.All DV housing and service providers currently active with the CoC are using HUD comparable database and is compliant with the FY2024 HMIS Data Standards.

2A-5.	Bed Coverage Rate—Using HIC, HMIS Data—CoC Merger Bonus Points.	
	NOFO Section V.B.3.c. and V.B.7.	

Using the 2024 HDX Competition Report we issued your CoC, enter data in the chart below by project type:

Project Type	Adjusted Total Year-Round, Current Non-VSP Beds [Column F of HDX Report]	Adjusted Total Year-Round, Current VSP Beds [Column K of HDX Report]	Total Year-Round, Current, HMIS Beds and VSP Beds in an HMIS Comparable Database [Column M of HDX Report]	HMIS and Comparable Database Coverage Rate [Column O of HDX Report]

2A-5a.	Partial Credit for Bed Coverage Rates at or Below 84.99 for Any Project Type in Question 2A-5.	
	NOFO Section V.B.3.c.	

For each project type with a bed coverage rate that is at or below 84.99 percent in question 2A-5, describe:

1.	steps your CoC will take over the next 12 months to increase the bed coverage rate to at least 85 percent for that project type; and
2.	how your CoC will implement the steps described to increase bed coverage to at least 85 percent.

**(limit 2,500 characters)**

1. The CoC continued planning for the 2025 HIC/PIT in January 2025. As reports for the 2024/HIC began to compile, we found that providers needed additional supports to ensure a higher rate of coverage. After having conversations with agencies and volunteers in January 2024, the CoC found that this solution is fairly simple-those encountering a person seeking shelter needed an easy way to connect to a shelter.

2. The first step to complete this goal is to identify all emergency shelter, transitional housing units, and permanent supportive housing beds. This was complete in March 2024. The second step was to find all homeless services teams in our CoC. That step was complete in July 2024. The CoC is currently working on step three-connecting those homeless service providers directly to the homeless services teams. The rural nature of the area creates serious barriers such as distance to each project's location. The CoC is currently exploring avenues to facilitate transportation to an area project. The CoC has planned additional training opportunities on Housing First and rural outreach strategies to ensure a higher bed coverage rate.

2A-6.	Longitudinal System Analysis (LSA) Submission in HDX 2.0.	
	NOFO Section V.B.3.d.	
	You must upload your CoC's FY 2024 HDX Competition Report to the 4B. Attachments Screen.	

Did your CoC submit at least two usable LSA data files to HUD in HDX 2.0 by January 24, 2024, 11:59 p.m. EST?	Yes

## 2B. Continuum of Care (CoC) Point-in-Time (PIT) Count

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

	Enter the date your CoC submitted its 2024 PIT count data in HDX.	05/09/2024
--	---	------------

<b>2B-3.</b>	<b>PIT Count–Effectively Counting Youth in Your CoC’s Most Recent Unsheltered PIT Count.</b>	
	NOFO Section V.B.4.b.	

	Describe in the field below how your CoC:	
1.	engaged unaccompanied youth and youth serving organizations in your CoC’s most recent PIT count planning process;	
2.	worked with unaccompanied youth and youth serving organizations to select locations where homeless youth are most likely to be identified during your CoC’s most recent PIT count planning process; and	
3.	included youth experiencing homelessness as counters during your CoC’s most recent unsheltered PIT count.	

**(limit 2,500 characters)**

1. The CoC met with local YouthBuild members and associated leadership to inform them that the PIT would be conducted the evening of January 25, 2024. We learned possible locations and distributed informational flyers to those youth to post in areas to prepare. The youth were incredibly receptive to using a digital tool to access the 2024 surveys.

2. The meetings described in step one identified areas to canvas when completing the PIT count. Many of those locations were imperative to the change reported in the 2024 PIT.

3. There was concern for the safety of the youth to place them as counters. Many areas to canvas were rural and without lighting. We will continue to include them in our PIT planning process.

2B-4.	PIT Count–Methodology Change–CoC Merger Bonus Points.	
	NOFO Section V.B.5.a and V.B.7.c.	

In the field below:	
1.	describe any changes your CoC made to your sheltered PIT count implementation, including methodology or data quality changes between 2023 and 2024, if applicable;
2.	describe any changes your CoC made to your unsheltered PIT count implementation, including methodology or data quality changes between 2023 and 2024, if applicable;
3.	describe whether your CoC's PIT count was affected by people displaced either from a natural disaster or seeking short-term shelter or housing assistance who recently arrived in your CoCs' geographic; and
4.	describe how the changes affected your CoC's PIT count results; or
5.	state "Not Applicable" if there were no changes or if you did not conduct an unsheltered PIT count in 2024.

**(limit 2,500 characters)**

1. The CoC did make changes in the sheltered PIT count methodology. Housing projects refused to participate in the PIT count. The reason given to us was because they did not receive federal funding. Therefore, we used a non-random sample combined with extrapolation to submit our sheltered PIT count.

2. We did not have any changes.

3. The CoC was not affected by people being displaced.

4. The change in methodology described in (1) resulted in a higher count in 2024.

5. The changes were made to the sheltered PIT count implementation methodology.

<b>2C-1.</b>	<b>Reducing the Number of First Time Homeless—Risk Factors Your CoC Uses.</b>	
	NOFO Section V.B.5.b.	
	In the field below:	
1.	describe how your CoC determined the risk factors to identify persons experiencing homelessness for the first time;	
2.	describe your CoC’s strategies to address individuals and families at risk of becoming homeless; and	
3.	provide the name of the organization or position title that is responsible for overseeing your CoC’s strategy to reduce the number of individuals and families experiencing homelessness for the first time	

**(limit 2,500 characters)**

1. The CoC met with several area homeless service providers, as well as homeless or formerly homeless individuals and local health service agencies. A variety of risk factors were identified, including those fleeing domestic violence, experiencing a mental health crisis, and working for a wage below the living wage.
  
2. We are connecting additional agencies to the Coordinated Entry system, which can link more service providers to resources. We continue to educate area housing providers about Housing First requirements. We hope this will connect more families to resources to prevent homelessness.
  
3. The CoC Lead Agency Coordinator is responsible for overseeing and measuring this strategy to reduce the number of individuals and families experiencing homelessness for the first time.

<b>2C-1a.</b>	<b>Impact of Displaced Persons on Number of First Time Homeless.</b>	
	NOFO Section V.B.5.b	
	Was your CoC’s Number of First Time Homeless [metric 5.2] affected by the number of persons seeking short-term shelter or housing assistance displaced due to:	

1.	natural disasters?	No
2.	having recently arrived in your CoC's geographic area?	No

2C-2.	Reducing Length of Time Homeless—CoC's Strategy.	
	NOFO Section V.B.5.c.	

In the field below:

1.	describe your CoC's strategy to reduce the length of time individuals and persons in families remain homeless;
2.	describe how your CoC identifies and houses individuals and persons in families with the longest lengths of time homeless; and
3.	provide the name of the organization or position title that is responsible for overseeing your CoC's strategy to reduce the length of time individuals and families remain homeless.

(limit 2,500 characters)

1. The CoC continues to build a centralized digital access point for area resources. Currently, this access point can find resources for anyone accessing the website and we continue to develop this site with a goal of providing real-time access to beds available. We believe this access for rural providers will result in a shorter amount of time being homeless.

2. Providers doing an assessments will identify and connect housing projects to individuals in need of housing.

3. The CoC Lead Agency Coordinator is responsible for overseeing and measuring this strategy to reduce the length of time homeless.

2C-3.	Successful Permanent Housing Placement or Retention –CoC's Strategy.	
	NOFO Section V.B.5.d.	

In the field below:

1.	describe your CoC's strategy to increase the rate that individuals and persons in families residing in emergency shelter, safe havens, transitional housing, and rapid rehousing exit to permanent housing destinations;
2.	describe your CoC's strategy to increase the rate that individuals and persons in families residing in permanent housing projects retain their permanent housing or exit to permanent housing destinations; and
3.	provide the name of the organization or position title that is responsible for overseeing your CoC's strategy to increase the rate that individuals and families exit to or retain permanent housing.

(limit 2,500 characters)

1. The CoC continues to build a centralized digital access point for area resources. Currently, this access point can help users find resources on the website, and we continue to develop the site with the goal of providing real-time access to available beds. We believe this access will help rural providers reduce the time individuals experience homelessness.
2. Providers conducting assessments will identify and connect housing projects to individuals in need of housing.
3. The CoC Lead Agency Coordinator is responsible for overseeing and measuring this strategy to reduce the length of time individuals experience homelessness.

2C-4.	Reducing Returns to Homelessness—CoC's Strategy.	
	NOFO Section V.B.5.e.	
	In the field below:	
	1. describe your CoC's strategy to identify individuals and families who return to homelessness;	
	2. describe your CoC's strategy to reduce the rate that individuals and families return to homelessness; and	
	3. provide the name of the organization or position title that is responsible for overseeing your CoC's strategy to reduce the rate individuals and persons in families return to homelessness.	

**(limit 2,500 characters)**

1. The CoC uses a network of street outreach providers, service providers, and housing providers to quickly identify individuals and families who are returning to homelessness. Once a provider identifies an individual or family at risk of returning to homelessness, that person can be referred to ensure housing is quickly attained.
2. The CoC strategy is to provide additional support to those providers to ensure that individuals or families can regain housing or create a plan to achieve housing stability.
3. The CoC Lead Agency Coordinator is responsible for overseeing and measuring this strategy to reduce the number of individuals and families who return to homelessness.

2C-5.	Increasing Employment Cash Income—CoC's Strategy.	
	NOFO Section V.B.5.f.	
	In the field below:	
	1. describe your CoC's strategy to access employment cash sources;	
	2. describe how your CoC works with mainstream employment organizations to help individuals and families experiencing homelessness increase their employment cash income; and	
	3. provide the organization name or position title that is responsible for overseeing your CoC's strategy to increase income from employment.	

**(limit 2,500 characters)**

1. The CoC is fortunate to have four new employment training programs with a wide range of employers who have agreed to hire from these programs. One of the programs is facilitated by a street outreach team.

2. The CoC works with several mainstream employment organizations, and the CoC Lead Agency is located in the same center as the State Unemployment Office. This places the CoC at the heart of employment-related assistance and partnerships.

3. The CoC Lead Agency Coordinator is responsible for overseeing and measuring this strategy to increase access to employment and financial resources.

2C-5a.	Increasing Non-employment Cash Income–CoC’s Strategy	
	NOFO Section V.B.5.f.	

In the field below:

1.	describe your CoC’s strategy to access non-employment cash income; and
2.	provide the organization name or position title that is responsible for overseeing your CoC’s strategy to increase non-employment cash income.

**(limit 2,500 characters)**

1. The CoC street outreach team facilitates access to non-employment case income. Additionally, resources for obtaining this income are provided on the CoC website.

2. The CoC Lead Agency Coordinator is responsible for overseeing and measuring this strategy to increase non-employment cash income.

## 4B. Attachments Screen For All Application Questions

We have provided the following guidance to help you successfully upload attachments and get maximum points:

1. You must include a Document Description for each attachment you upload; if you do not, the Submission Summary screen will display a red X indicating the submission is incomplete.
2. You must upload an attachment for each document listed where 'Required?' is 'Yes'.
3. We prefer that you use PDF files, though other file types are supported—please only use zip files if necessary. Converting electronic files to PDF, rather than printing documents and scanning them, often produces higher quality images. Many systems allow you to create PDF files as a Print option. If you are unfamiliar with this process, you should consult your IT Support or search for information on Google or YouTube.
4. Attachments must match the questions they are associated with.
5. Only upload documents responsive to the questions posed—including other material slows down the review process, which ultimately slows down the funding process.
6. If you cannot read the attachment, it is likely we cannot read it either.
  - . We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).
  - . We must be able to read everything you want us to consider in any attachment.
7. After you upload each attachment, use the Download feature to access and check the attachment to ensure it matches the required Document Type and to ensure it contains all pages you intend to include.
8. Only use the "Other" attachment option to meet an attachment requirement that is not otherwise listed in these detailed instructions.

## Memorandum of Understanding

This Memorandum of Understanding (MOU) has been created for the OHFA HOME-ARP Tenant Based Rental Assistance (TBA-V) and entered into and is effective on October 1, 2024 by and between the following parties:

Oklahoma Housing Finance Agency (OHFA)  
 P.O. Box 26720  
 Oklahoma City, OK 73126-0720

Community Development Support Association (CDSA)  
 (Garfield and Grant Counties)  
 114 S Independence  
 Enid, OK 73701

### I. Introduction

The Oklahoma Housing Finance Agency, hereinafter referred to as "OHFA" and the Community Development Support Association, hereinafter referred to as "CDSA", desire to enter into an agreement in which OHFA and CDSA (individually as "Partner" and collectively as "Partners") are the entities that are subjects of this MOU. The purpose of this MOU is to work together to complete the goals of the OHFA Home-Arp(TBA-V) Rental Assistance initiative. The MOU serves to outline the working arrangements that each of the Partner agencies commit to as necessary to complete the initiative. The Partners acknowledge that no contractual relationship or formal legal partnership is created between them by this MOU but agree to work together in the true spirit of community partnership to ensure that there is a united, visible, and responsive leadership while demonstrating administrative, financial, and managerial commitment to the initiative.

### II. Commitment to Partnership

The Oklahoma Housing Finance Agency and the Community Development Support Association both agree to administer the initiative in partnership and in accordance with all U.S. Department of Housing and Urban Development (HUD) program requirements, which includes sharing and/or providing program required data that may include personally identifiable information (PII).

### III. Goals and Standards

OHFA and CDSA will work together to prevent and respond to the homeless epidemic by facilitating the use of the TBA-V's, with the goal of providing vulnerable individuals and families a potentially

safer housing environment from homelessness. Assistance will be provided to eligible individuals and families that meet the specified definitions under one of the TBA-V qualification categories:

1. Homeless, as defined in 24 CFR 91.5
2. At risk of homelessness, as defined in 24 CFR 91.5
3. Fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking, as defined by HUD.
4. Other Populations where providing supportive services or assistance under section 212(a) of NAHA (42 U.S.C. 12742(a)) would prevent the family's homelessness or would serve those with the greatest risk of housing instability. HUD defines these populations as individuals and households who do not qualify under any of the populations above but meet one of the following criteria:
  - (1) Other Families Requiring Services or Housing Assistance to Prevent Homelessness is defined as households (i.e., individuals and families) who have previously been qualified as "homeless" as defined in 24 CFR 91.5, are currently housed due to temporary or emergency assistance, including financial assistance, services, temporary rental assistance or some type of other assistance to allow the household to be housed, and who need additional housing assistance or supportive services to avoid a return to homelessness.
  - (2) At Greatest Risk of Housing Instability is defined a household who meets either paragraph (i) or (ii) below:
    - (i) has annual income that is less than or equal to 30% of the area median income, as determined by HUD and is experiencing severe cost burden (i.e., is paying more than 50% of monthly household income toward housing costs);
    - (ii) has annual income that is less than or equal to 50% of the area median income, as determined by HUD, AND meets one of the following conditions from paragraph (iii) of the "At risk of homelessness" definition established at 24 CFR 91.5:
      - (A) Has moved because of economic reasons two or more times during the 60 days immediately preceding the application for homelessness prevention assistance;
      - (B) Is living in the home of another because of economic hardship.
      - (C) Has been notified in writing that their right to occupy their current housing or living situation will be terminated within 21 days after the date of application for assistance.
      - (D) Lives in a hotel or motel and the cost of the hotel or motel stay is not paid by charitable organizations or by Federal, State, or local government programs for low-income individuals.
      - (E) Lives in a single-room occupancy or efficiency apartment unit in which there reside more than two persons or lives in a larger housing unit in which there reside more than 1.5 persons reside per room, as defined by the U.S. Census Bureau.
      - (F) Is exiting a publicly funded institution, or system of care (such as a health-care facility, a mental health facility, foster care or other youth facility, or correction program or institution); or

(G) Otherwise lives in housing that have characteristics associated with instability and an increased risk of homelessness, as identified in the recipient's approved consolidated plan

**Veterans and Families that include a Veteran Family Member** that meet the criteria for one of the qualifying populations described above are eligible to receive HOME-ARP TBRA assistance.

CDSA will provide verification that the individual or family meets one of these four eligibility categories and provide OHFA a direct referral and supply the activities and supportive services it will undertake in support of the TBA-Vs. The duration of this MOU is until September 30, 2030. After September 30, 2030, OHFA may not reissue any additional vouchers. The Partners agree to operate the TBA-V initiative in compliance with Section 8(o) of the United States Housing Act of 1937 for tenant-based vouchers, applicable HUD directives, and OHFA's Administrative Plan unless such local policy conflicts with the requirements of the American Rescue Plan (ARP) Act of 2021, Notice PIH 2021-15 (HA) as amended or superseded, and including the use of all HUD-required contracts and other forms.

#### **IV. Partner Liaisons**

Mary Hoock, Rental Programs Director

Cheri Ezzell, Executive Director

#### **V. Populations Eligible for Referral for TBA-V Assistance**

CDSA will evaluate individuals and families to determine eligibility in accordance with the required definitions for the following four TBRA-V categories:

1. Homeless
2. At risk of homelessness
3. Fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking.
4. Recently homeless and for whom providing rental assistance will prevent the family's homelessness or having high risk of housing instability.

#### **VI. CDSA Services to be Provided to Eligible TBA-V Families**

1. Assist TBA-V applicants to complete the initial TBA-V enrollment interviews.
2. Case management for at least 12 months after eligibility for the program is established. This may begin with locating housing, application assistance, and life skills training for housing retention. The level of case management needed will be assessed and determined by the referring agency. \*Life skills training may include providing basic instruction for problem solving techniques, housekeeping, home management, budgeting, obtaining medical, health, education, and employment services.
3. Assistance with security/utility deposits, application fees, utility arrears. As necessary and **if funding is available**.
4. Assist with locating eligible properties and owners willing to accept the TBA-V program. Assistance.

5. Assistance with initial moving expenses, tenant-readiness services, essential household items, and renter's insurance. As necessary and if funding is available.
6. Support individuals and families in completing applications and obtaining necessary supporting documentation to support referrals and applications for assistance, while aiding households in addressing barriers.
7. Assist in ensuring appointment notifications are provided.
8. Partners may assist eligible households in traveling to meetings with OHFA.
9. Provide counseling on compliance with rental lease requirements.
10. Assess individuals and families who may require referrals for assistance on security deposits, utility hook-up fees, and utility deposits.
11. Assess and refer individuals and families to benefits and supportive services, where applicable.

## **VII. OHFA Roles and Responsibilities**

1. Will coordinate and consult with the Continuum of Care (CoC)/Partner(s) in developing the services and assistance to be offered under the TBA-V services fee.
2. Will accept direct referrals for eligible individuals and families through the CoC coordinated entry (CE) system and/or direct referral assessment system from other partners.
3. Will commit enough staff and necessary resources to ensure that the application, certification, and voucher issuance processes are completed in a timely manner.
4. Will commit a sufficient number of staff and resources to ensure that inspections of units are completed in a timely manner.
5. Will designate a staff member to serve as the lead TBA-V liaison.
6. Report activities to the U.S. Department of Housing and Urban Development (HUD) as required.
7. Provide applicable TBA-V program assistance to eligible TBRA-V individuals and families.
8. Will comply with the provisions of this MOU.
9. Transition services to the Housing Choice Voucher Program at the term of this program for eligible participants.

## **VIII. CDSA Roles and Responsibilities**

1. Designate and maintain a lead TBA-V liaison to communicate with OHFA.
2. Refer eligible individuals and families to OHFA using the community's coordinated entry (CE) system or direct referral assessment system.
3. Support eligible individuals and households in completing and applying for supportive documentation to accompany admissions application to OHFA (i.e., photo IDs, birth certificates, social security cards, income verifications, self-certifications, etc.).
4. Will coordinate with participant for TBA-V briefings when needed.
5. Will assess all households referred for TBA-V for mainstream benefits and supportive services available to support eligible individuals and families through their transition.
6. Identify and provide supportive services to TBA-V families. (While TBA-V participants are not required to participate in services, the CoC/Partner should assure that services are available and accessible.)
7. Will offer housing search assistance.

8. Case management for 12 months after lease in. This may include locating housing, application assistance, and life skills training for housing retention. Life skills training includes providing basic instruction for problem solving techniques, housekeeping, home management, budgeting, obtaining medical, health, education, and employment services.
9. Will comply with the provisions of this MOU.

**IX. Program Evaluation**

OHFA and CDSA or designated NCCoC recipient agree to cooperate with HUD, provide requested data to HUD or HUD-approved contractor delegated the responsibility of program evaluation protocols established by HUD or HUD-approved contractor, including possible random assignment procedures. The Partners further agree to cooperate with each entity’s program audit requirements and supply requested data to comply with required program audits concerning the Home ARP TBA voucher project activities.

**X. Data Security Requirements**

The partners agree to maintain and share only such information about individuals that is relevant and necessary to accomplish its purposes and agree to adhere to industry standard safeguards to maintain records – electronic and/or paper with the appropriate administrative, technical, and physical safeguards to protect the information. This responsibility extends to contractors, third parties, and service providers. All partners are required to maintain such systems of records to safeguard against the destruction, loss, misuse, unauthorized disclosure, or alteration of the data.

## **OKLAHOMA HOUSING FINANCE AGENCY (OHFA) HOUSING CHOICE VOUCHER PROGRAM (SECTION 8)**

OHFA is authorized to provide assistance to 10,600 families through its Section 8 Housing Choice Voucher (HCV) Program. We currently provide assistance to over 10,000 families, of which more than half are families with a disabled head of household or spouse. OHFA pays approximately \$50,000,000.00 per year in housing assistance payments (HAP) to landlords and utility reimbursement payments (URP) to participating families.

OHFA maintains one waiting list for the Section 8 HCV Program. Applicants are placed on the waiting list based on date of application.

OHFA has established two preferences, a homeless preference and a disabled preference. OHFA verifies a family's homeless status through local shelters. Families applying for the disabled preference must be receiving disability income or meet the federal definition of disabled.

When selecting applicants from the Section 8 HCV waiting list, HUD regulation requires that OHFA assist at least 75% of families with income at or below 30% of the Area Median Income (AMI) **before** assisting other families. We refer to these families as extremely low-income families. Extremely low-income families are those families with total household income between \$12,900/annually (one-person household) and \$40,090/annually (eight-person household) (Oklahoma County data). Income limits vary by county.

Eligible families are allowed sixty days to locate housing, however, families facing difficulties locating housing may request, in writing, an extension of time, up to an additional 60 days. OHFA will undertake measures to increase housing options for eligible families by annually reviewing payment standards to ensure adequacy and by marketing the section 8 program to owners with rental property outside areas of poverty and minority concentrations. Payment Standards are used to determine the maximum subsidy a Public Housing Authority (PHA) will pay on behalf of a family. Payment Standards are set by individual PIAs and are based on a percentage of the HUD-established Fair Market Rents (FMR) for each county within a state.

OHFA terminates approximately 100 families from the Section 8 HCV program per month. Each family facing termination from the program has the right to appeal the decision. The appeal must be received by OHFA within thirty days of the termination

notice. If the appeal is denied, an informal grievance hearing will be scheduled and the family will have the opportunity to challenge the termination before a hearing officer. The hearing officer will notify the family, in writing, of the final decision within fourteen days of the hearing.

### **HCV FAMILY SELF SUFFICIENCY (FSS) PROGRAM**

The Family Self-Sufficiency (FSS) program is an employment and savings incentive program for families receiving assistance under OHFA's HCV Program. Participants are linked to various resources that will assist them with acquiring the skills needed for gainful employment. Participants have five years to successfully complete the program. Successful completion requires the participant to be employed and provide proof that none of the participant's household members receive welfare benefits, excluding food stamps. As an incentive to participate in the program, OHFA will establish an escrow (savings) account for each participant and contribute to it monthly. The amount of the monthly deposit will be determined by the amount of increase in each participant's earned income. Participants receive funds from the escrow account, including interest, upon successful completion of the program.

### **SECTION 8 HOMEOWNERSHIP PROGRAM**

The Homeownership Program allows participants under OHFA's Section 8 HCV Program to use their voucher for mortgage assistance instead of rental assistance. Participants must be first-time homebuyers, with minimum household income of \$14,500 per year. Disabled participants must have minimum income of \$8,652 per year. One year of continuous employment is required for eligibility to participate in the program. Elderly and disabled families are exempt from the employment requirement. A participant has 6 months to locate and purchase a home. A minimum down-payment of 3 percent is required, with 1 percent provided from the participant's personal resources. Financing must be obtained by the participant. OHFA has partnered with Fannie Mae, Bank One, Midfirst, and other lenders to provide participants with additional financing resources. OHFA can provide mortgage assistance up to 15 years for mortgage terms of 20 years or longer and up to 10 years for mortgage terms of less than 20 years. Elderly and disabled participants can receive mortgage assistance for the entire term of the loan.

OHFA is currently ranked fifth in the country because of the number of HCV homeownership loans it has closed.

**(NOTE: OHFA IS NOT CURRENTLY ACCEPTING APPLICATIONS FOR THE FSS OR HOMEOWNERSHIP PROGRAM)**

## GROUNDINGS FOR DENIAL/TERMINATION OF HOUSING CHOICE VOUCHER PROGRAM (SECTION 8) ASSISTANCE FOR CRIMINAL ACTIVITY

- Permanent denial for anyone convicted of manufacturing or producing methamphetamine on the premises of federally assisted housing. Anyone arrested or convicted of using/distributing/manufacturing methamphetamine will be denied assistance for a period of 10 years from the date of the arrest or conviction, whichever is most recent.
- Permanent denial if OHFA determines that any member of the household is subject to a lifetime registration requirement under a State sex offender registration program. Sex offenders not subject to a lifetime registration will be denied assistance for a period of 10 years from the date of the arrest or conviction (whichever is later) or the period of required registration as a sex offender, whichever is greater.
- Assistance will be denied for a period of 3 years if a household member is currently engaged in, has been engaged in while receiving assistance or has engaged in within three years of requesting assistance, drug-related criminal activity.
- Assistance will be denied for a period of 3 years if a household member is currently engaged in, has been engaged in while receiving assistance or has engaged in within three years of requesting assistance, violent criminal activity.
- Assistance will be denied for a period of 3 years if OHFA determines that there is reasonable cause to believe that a household member is **currently engaged in, has been engaged in while receiving assistance or has engaged in within three years of requesting assistance, other criminal activity which may threaten the enjoyment of the premises by other residents or persons residing in the immediate vicinity or threaten the health or safety of the owner, OHFA staff or any other Public Housing Authority (PHA) staff.**
- Assistance will be denied for a period of 3 years if a household member has engaged in or threatened abusive or violent behavior toward OHFA personnel or staff from another Public Housing Authority (PHA). Abusive or violent behavior includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or language, written or oral, that is customarily used to insult or intimidate, will be cause for denial. "Threatening" refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

You may obtain additional information about the Section 8 Housing Choice Voucher Program or apply for assistance at [www.ohfa.org](http://www.ohfa.org).

## Homeless Preference

A homeless family is defined as:

An individual or family lacking a fixed, regular and adequate nighttime residence; AND has a primary nighttime residence that is a supervised public or private shelter providing temporary accommodations or a public or private place not ordinarily used as a sleeping accommodation for human beings; OR

An individual or family who has been displaced due to a major disaster declared by the President of the United States AND receives temporary federal housing assistance within the state of Oklahoma AND has a valid personal federal disaster identification number issued by the Federal Emergency Management Agency (FEMA). An individual or family residing with friends or relatives on a temporary basis is not eligible for the homeless preference unless the family has been displaced due to a major disaster declared by the President of the United States AND has established residency within the state of Oklahoma (employment, school enrollment, etc.) AND has a valid personal federal disaster identification number issued by the Federal Emergency Management Agency (FEMA).

The homeless preference does not apply to any individual imprisoned.

Victims of domestic violence, dating violence or stalking displaced as a result of fleeing violence in the home will be included in the homeless definition if the following conditions are met:

- The actual or threatened violence occurred within the past 90 days or be of a continuing nature; AND
- If victim of domestic violence, the actual or threatened physical violence is directed against the applicant or the applicant's family by a spouse or other household member who lives in the unit with the family. The abuser must still reside in the unit from which the victim was displaced. The applicant must certify that the abuser will not reside with the applicant.

## Disability Preference

OHFA has a local preference for the disabled. This means if you or a member of your family meets the definition of a person with disabilities, you are eligible for the disabled preference and will be placed on the waiting list ahead of applicants who do not qualify for a preference. You qualify for this local preference if you, or a member of your family, meet the following definition of a person with a disability:

42 U.S.C. Section 423 d)(1) defines disability as (A) inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. A disabled person whose physical impairment is expected to be long, continued and of indefinite duration and substantially impedes his or her ability to live independently, and is of such a nature that such a disability could be improved by more suitable housing; or (B) in the case of an individual who has attained the age of 55 and is blind (within the meaning of "blindness" as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time.

The Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15001 section 102) defines developmental disability as: "A severe, chronic disability of an individual that (i) is attributable to a mental or physical impairment or combination of mental and physical impairments; (ii) is manifested before the individual attains age 22; (iii) is likely to continue indefinitely; (iv) results in substantial functional limitations in 3 or more of the following areas of major life activity:

- (I) Self-care
- (II) Receptive and expressive language
- (III) Learning
- (IV) Mobility
- (V) Self-direction
- (VI) Capacity for independent living
- (VII) Economic self-sufficiency; and

(v) reflects the individual's need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

If the Disabled preference applies to your family, please submit verification certifying your disabled status, such as an SSI disability award letter or a statement from a physician, verifying you or a member of your family falls under one of the disability definitions above.

## Homeless Preference Verification

To verify homeless eligibility, the homeless applicant must provide one of the following:

- A referral from the shelter that the applicant is residing at; or
- If the shelter is full, a statement from each local shelter in the county verifying that the shelters are unable to accommodate the applicant; or
- If the county does not have a shelter, a statement from DHS that the applicant is homeless and there are not any shelters in that county; or
- A referral from a Continuum of Care (CoC) entity certifying that a person is living on the street and/or other places not meant for human habitation; or
- An established domestic violence victim services provider referral certifying that the individual or family is fleeing domestic violence, dating violence, sexual assault, stalking, and/or human trafficking.

## Chapter 1

### OVERVIEW OF THE PROGRAM AND PLAN

#### INTRODUCTION

The Oklahoma Housing Finance Agency (OHFA) receives its funding for the Housing Choice Voucher (HCV) program from the U.S. Department of Housing and Urban Development (HUD). OHFA is not a federal department or agency. A public housing agency (PHA) is a governmental or public body, created and authorized by state law to develop and operate housing and housing programs for low-income families. OHFA enters into an Annual Contributions Contract with HUD to administer the program requirements on behalf of HUD. OHFA must ensure compliance with federal laws, regulations, and notices and must establish policy and procedures to clarify federal requirements and to ensure consistency in program operation.

This chapter contains information about OHFA and its programs with emphasis on the HCV program. It also contains information about the purpose, intent, and use of the plan and guide.

There are three parts to this chapter:

Part I: The Public Housing Agency (PHA). This part includes a description of OHFA, its jurisdiction, its programs, and its mission and intent.

Part II: The HCV Program. This part contains information about the Housing Choice Voucher program operation, roles and responsibilities, and partnerships.

Part III: The HCV Administrative Plan. This part discusses the purpose and organization of the plan and its revision requirements.

## **PART I: THE PHA**

### **1-I.A. OVERVIEW**

This part explains the origin of OHFA's creation and authorization, the general structure of the organization, and the relationship between the OHFA Board and staff.

### **1-I.B. ORGANIZATION AND STRUCTURE OF THE PHA**

The Section 8 tenant-based Housing Choice Voucher (HCV) assistance program is funded by the federal government and administered by the **Oklahoma Housing Finance Agency (OHFA)** for the jurisdiction of **the state of Oklahoma**.

The officials of OHFA are known as trustees or, collectively, as the board of trustees. Trustees are appointed in accordance with state housing law and generally serve in the same capacity as the directors of a corporation, establishing policies under which OHFA conducts business, ensuring that policies are followed by OHFA staff, and ensuring that OHFA is successful in its mission. The board is responsible for preserving and expanding the agency's resources and assuring the agency's continued viability.

Formal actions of OHFA are taken through written resolutions, adopted by the board of trustees, and entered into the official records of OHFA.

The principal staff member of OHFA is the executive director (ED), hired and appointed by the board of trustees. The executive director is directly responsible for carrying out the policies established by the trustees and is delegated the responsibility for hiring, training and supervising the remainder of OHFA's staff in order to manage the day-to-day operations of OHFA to ensure compliance with federal and state laws and directives for the programs managed.. In addition, the executive director's duties include budgeting and financial planning for the agency.

### **1-I.C. PHA MISSION**

The purpose of a mission statement is to communicate the purpose of the agency to people inside and outside of the agency. It provides guiding direction for developing strategy, defining critical success factors, searching out key opportunities, making resource allocation choices, satisfying clients and stakeholders, and making decisions.

**The mission of Oklahoma Housing Finance Agency is creating housing solutions for Oklahomans.**

## **1-I.D. THE PHA'S PROGRAMS**

The following programs are included under this administrative plan:

Oklahoma Housing Finance Agency's (OHFA) administrative plan is applicable to the operation of the Housing Choice Voucher and Homeownership programs.

## **1-I.E. THE PHA'S COMMITMENT TO ETHICS AND SERVICE**

As a public service agency, OHFA is committed to providing excellent service to HCV program participants – families and owners – in the community. OHFA's standards include:

- Administer applicable federal and state laws and regulations to achieve high ratings in compliance measurement indicators while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.
- Provide decent, safe, and sanitary housing – in compliance with program housing quality standards – for very low-income families while ensuring that family rents are fair, reasonable, and affordable.
- Encourage self-sufficiency of participant families and assist in the expansion of family opportunities that address educational, socio-economic, recreational and other human services needs.
- Promote fair housing and the opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice.
- Promote a housing program that maintains quality service and integrity while providing an incentive to private property owners to rent to very low-income families.
- Promote a market-driven housing program that will help qualified low-income families be successful in obtaining affordable housing and increase the supply of housing choices for such families.
- Promote and encourage homeownership for low-income families participating in the Housing Choice Voucher Program.
- Create positive public awareness and expand the level of family, owner, and community support in accomplishing OHFA's mission.
- Attain and maintain a high level of standards and professionalism in day-to-day management of all program components.
- Administer an efficient, high-performing agency through continuous improvement of OHFA's support systems and commitment to our employees and their development.

OHFA will make every effort to keep program participants informed of HCV program rules and regulations, and to advise participants of how the program rules affect them.

## **PART II: THE HOUSING CHOICE VOUCHER (HCV) PROGRAM**

### **1-II.A. OVERVIEW AND HISTORY OF THE PROGRAM**

The intent of this section is to provide the public and staff with information related to the overall operation of the program. There have been many changes to the program since its inception in 1974 and a brief history of the program will assist the audience in understanding the program.

The United States Housing Act of 1937 (the “Act”) is responsible for the birth of federal housing program initiatives. The Act was intended to provide financial assistance to states and cities for public works projects, slum clearance, and the development of affordable housing developments for low-income residents.

The Housing and Community Development (HCD) Act of 1974 created a new federally assisted housing program – the Section 8 Existing program (also known as the Section 8 Certificate program). The HCD Act represented a significant shift in federal housing strategy from locally owned public housing to privately owned rental housing.

Under the Certificate program, federal housing assistance payments were made directly to private owners of rental housing, where this housing was made available to lower-income families. Eligible families were able to select housing in the private rental market. Assuming that the housing met certain basic physical standards of quality (“housing quality standards”) and was within certain HUD-established rent limitations (“fair market rents”), the family would be able to receive rental assistance in the housing unit. Family contribution to rent was generally set at 30 percent of the family’s adjusted income, with the remainder of the rent paid by the program.

Another unique feature of the Certificate program was that the rental assistance remained with the eligible family, if the family chose to move to another privately-owned rental unit that met program requirements (in contrast to the public housing program where the rental assistance remains with the unit, should the family decide to move). Consequently, the Certificate program was characterized as tenant-based assistance, rather than unit-based assistance.

The Housing and Community Development (HCD) Act of 1987 authorized a new version of tenant-based assistance – the Section 8 Voucher program. The Voucher program was very similar to the Certificate program in that eligible families were able to select housing in the private rental market and receive assistance in that housing unit.

However, the Voucher program permitted families more options in housing selection. Rental housing still had to meet the basic housing quality standards, but there was no fair market rent limitation on rent. In addition, family contribution to rent was not set at a limit of 30 percent of adjusted income. Consequently, depending on the actual rental cost of the unit selected, a family might pay more or less than 30 percent of their adjusted income for rent.

From 1987 through 1999, public housing agencies managed both the Certificate and Voucher tenant-based assistance programs, with separate rules and requirements for each. From 1994 through 1998, HUD published a series of new rules, known as “conforming” rules, to more closely combine and align the two similar housing programs, to the extent permitted by the law.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) – also known as the Public Housing Reform Act – was signed into law. QHWRA eliminated all statutory differences between the Certificate and Voucher tenant-based programs and required that the two programs be merged into a single tenant-based assistance program, now known as the Housing Choice Voucher (HCV) program.

The HCV program was modeled closely on the pre-merger Voucher program. However, unlike the pre-merger Voucher program, the HCV program requires an assisted family to pay at least 30 percent of adjusted income for rent.

The transition of assistance from the Certificate and Voucher programs to the new HCV program began in October 1999. By October 2001, all families receiving tenant-based assistance were converted to the HCV program.

### **1-II.B. HCV PROGRAM BASICS**

The purpose of the HCV program is to provide rental assistance to eligible families. The rules and regulations of the HCV program are determined by the U.S. Department of Housing and Urban Development. OHFA is afforded choices in the operation of the program that are included in OHFA’s administrative plan, a document approved by the board of trustees of OHFA.

The HCV program offers mobility to eligible families because they may search for suitable housing anywhere in OHFA’s jurisdiction and may also be eligible to move under portability to other PHAs’ jurisdictions.

When a family is determined to be eligible for the program and funding is available, OHFA issues the family a housing voucher. When the family finds a suitable housing unit and funding is available, OHFA will enter into a contract with the owner and the family will enter into a lease with the owner. Each party makes their respective payment to the owner so that the owner receives full rent.

Even though the family is determined to be eligible for the program, the owner has the responsibility of approving the family as a suitable renter. OHFA continues to make payments to the owner as long as the family is eligible and the housing unit continues to qualify under the program.

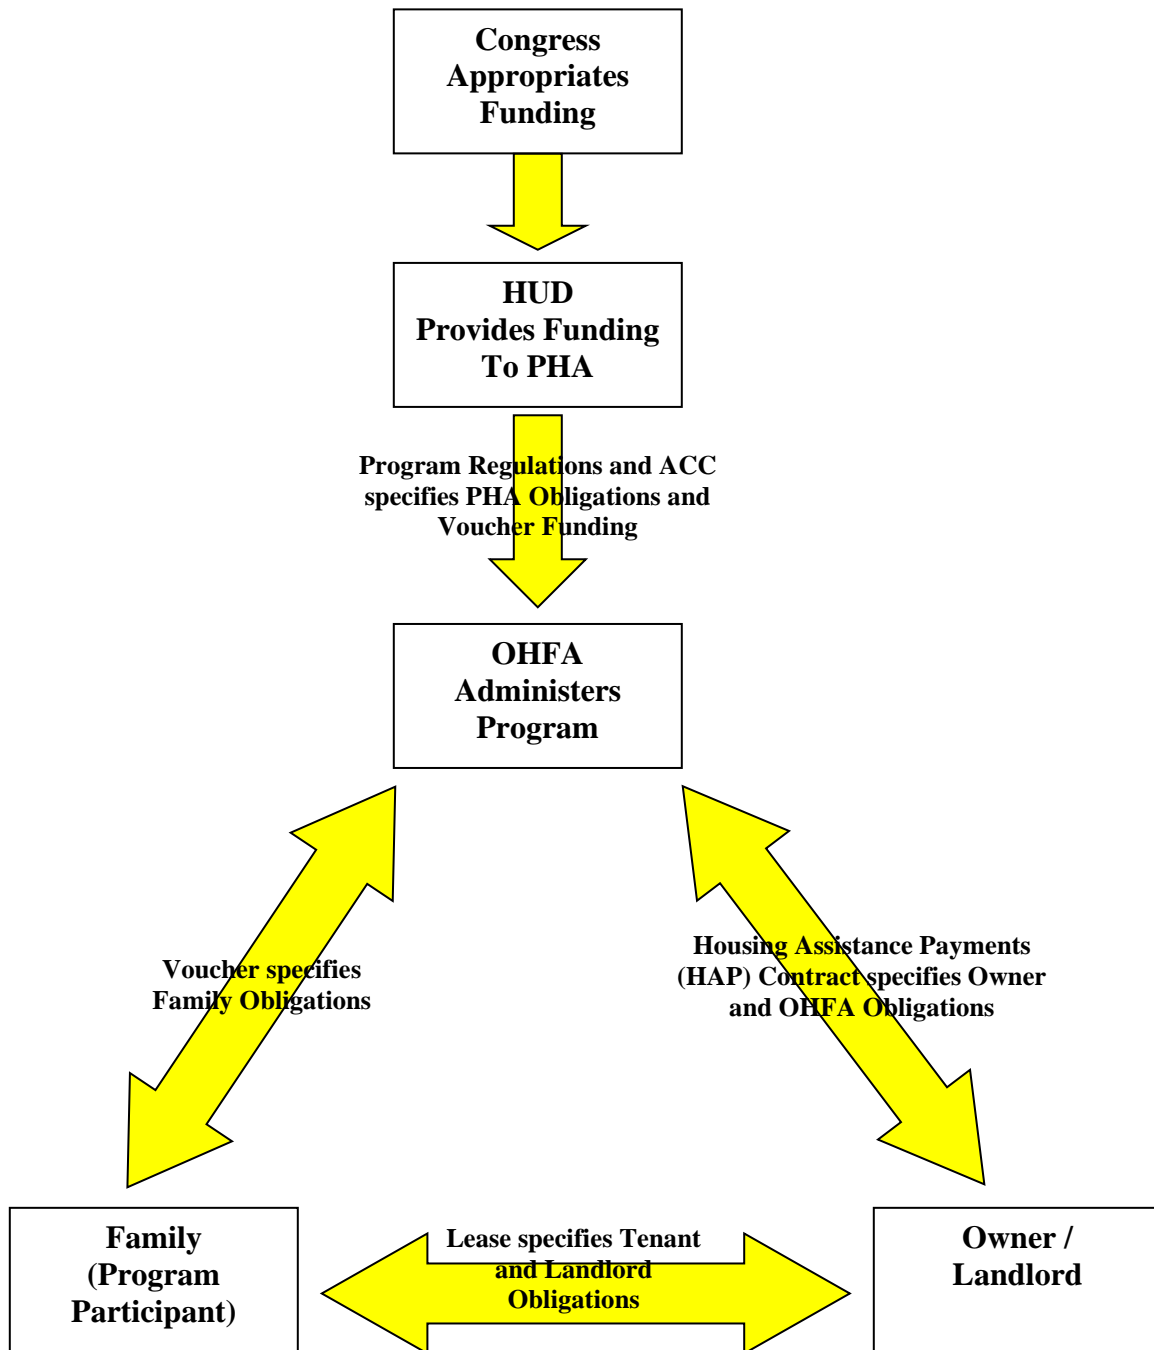

### **1-II.C. THE HCV PARTNERSHIPS**

To administer the HCV program, OHFA enters into a contractual relationship with HUD. OHFA also enters into contractual relationships with the assisted family and the owner or landlord of the housing unit.

For the HCV program to work and be successful, all parties involved – HUD, OHFA, the owner, and the family – have important roles to play. The roles and responsibilities of all parties are defined in federal regulations and in legal documents that parties execute to participate in the program.

The chart on the following page illustrates key aspects of these relationships.

**The HCV Relationships:**

## **What does HUD do?**

HUD has the following major responsibilities:

- Develop regulations, requirements, handbooks, notices and other guidance to implement HCV housing program legislation passed by Congress;
- Allocate HCV program funds to PHAs;
- Provide technical assistance to PHAs on interpreting and applying HCV program requirements;
- Monitor PHA compliance with HCV program requirements and PHA performance in program administration.

## **What does OHFA do?**

OHFA administers the HCV program under contract with HUD and has the following major responsibilities:

- Establish local policies;
- Review applications from interested applicant families to determine whether applicants are eligible for the program;
- Maintain waiting list and select families for admission;
- Issue voucher to selected family and, if necessary, assist the family in finding a place to live;
- Conduct outreach to owners, with special attention to owners outside areas of poverty or minority concentration;
- Approve the rental unit (including assuring compliance with housing quality standards and rent reasonableness), the owner, and the tenancy;
- Make housing assistance payments to the owner in a timely manner;
- Ensure that families and their rental units continue to qualify under the program;
- Ensure that owners and families comply with program rules;
- Provide families and owners with prompt, professional service;
- Comply with all fair housing and equal opportunity requirements, HUD regulations and requirements, the Annual Contributions Contract, HUD-approved applications for funding, OHFA's administrative plan, and other applicable federal, state, and local laws.

## **What does the Owner do?**

The owner has the following major responsibilities:

- Screen families who apply for tenancy, to determine if they will be good renters.
  - OHFA can provide some information to the owner, but the primary responsibility for tenant screening rests with the owner.
  - The owner should consider family background factors such as rent and bill-paying history, history of caring for property, respecting the rights of others to peaceful enjoyment of the property, compliance with essential conditions of tenancy, whether the family is engaging in drug-related criminal activity or other criminal activity that might threaten others.
- Comply with the terms of the Housing Assistance Payments contract, executed with OHFA;
- Comply with all applicable fair housing laws and discriminate against no one;
- Maintain the housing unit by making necessary repairs in a timely manner;
- Collect rent due from the assisted family and otherwise comply with and enforce provisions of the dwelling lease.

## **What does the Family do?**

The family has the following responsibilities:

- Provide OHFA with complete and accurate information, determined by OHFA to be necessary for administration of the program;
- Make their best and most timely efforts to find a place to live that is suitable for them and that qualifies for the program;
- Attend all appointments scheduled by OHFA;
- Allow OHFA to inspect the unit at reasonable times and after reasonable notice;
- Take responsibility for care of the housing unit, including any violations of housing quality standards caused by the family;
- Comply with the terms of the lease with the owner;
- Comply with the family obligations of the voucher;
- Not commit serious or repeated violations of the lease;

- Not engage in drug-related or violent criminal activity;
- Notify OHFA and the owner before moving or terminating the lease;
- Use the assisted unit only for residence and as the sole residence of the family. Not sublet the unit, assign the lease, or have any interest in the unit;
- Promptly notify OHFA of any changes in family composition;
- Not commit fraud, bribery, or any other corrupt or criminal act in connection with any housing programs.

If all parties fulfill their obligations in a professional and timely manner, the program responsibilities will be fulfilled effectively.

### **1-II.D. APPLICABLE REGULATIONS**

Applicable regulations include:

- 24 CFR Part 5: General Program Requirements
- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 35: Lead-Based Paint
- 24 CFR Part 100: The Fair Housing Act
- 24 CFR Part 982: Section 8 Tenant-Based Assistance: Housing Choice Voucher Program
- 24 CFR Part 983: Project-Based Vouchers
- 24 CFR Part 985: The Section 8 Management Assessment Program (SEMAP)

## **PART III: THE HCV ADMINISTRATIVE PLAN**

### **1-III.A. OVERVIEW AND PURPOSE OF THE PLAN**

The administrative plan is required by HUD. The purpose of the administrative plan is to establish policies for carrying out the programs in a manner consistent with HUD requirements and local goals and objectives contained in OHFA's agency plan. This administrative plan is a supporting document to OHFA's agency plan, and is available for public review as required by CFR 24 Part 903.

This administrative plan is set forth to define OHFA's local policies for operation of the housing programs in the context of federal laws and regulations. All issues related to Section 8 not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices and

other applicable law. The policies in this administrative plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

OHFA is responsible for complying with all changes in HUD regulations pertaining to the HCV program. If such changes conflict with this plan, HUD regulations will have precedence.

Administration of the HCV program and the functions and responsibilities of OHFA staff shall be in compliance with OHFA's personnel policy and HUD's Section 8 regulations as well as all federal, state, and local fair housing laws and regulations.

### **1-III.B. CONTENTS OF THE PLAN [24 CFR 982.54]**

HUD regulations contain a list of what must be included in the administrative plan. OHFA's administrative plan must cover OHFA's policies on these subjects:

- Selection and admission of applicants from OHFA's waiting list, including any OHFA admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening OHFA's waiting list (Chapter 4);
- Issuing or denying vouchers, including OHFA policy governing the voucher term and any extensions of the voucher term. If OHFA decides to allow extensions of the voucher term, OHFA's administrative plan must describe how OHFA determines whether to grant extensions, and how OHFA determines the length of any extension (Chapter 5);
- Any special rules for use of available funds when HUD provides funding to OHFA for a special purpose (e.g., desegregation), including funding for specified families or a specified category of families (Chapter 4);
- Occupancy policies, including definition of what group of persons may qualify as a 'family', definition of when a family is considered to be 'continuously assisted'; standards for denying admission or terminating assistance based on criminal activity or alcohol abuse in accordance with 982.553 (Chapters 3 and 12);
- Encouraging participation by owners of suitable units located outside areas of low income or minority concentration (Chapter 13);
- Assisting a family that claims that illegal discrimination has prevented the family from leasing a suitable unit (Chapter 2);
- Providing information about a family to prospective owners (Chapters 3 and 9);
- Disapproval of owners (Chapter 13);
- Subsidy standards (Chapter 5);

- Family absence from the dwelling unit (Chapter 12) ;
- How to determine who remains in the program if a family breaks up (Chapter 3);
- Informal review procedures for applicants (Chapter 16);
- Informal hearing procedures for participants (Chapter 16);
- The process for establishing and revising voucher payment standards, including policies on administering decreases in the payment standard during the HAP contract term (Chapter 16);
- The method of determining that rent to owner is a reasonable rent (initially and during the term of a HAP contract) (Chapter 8);
- Special policies concerning special housing types in the program (e.g., use of shared housing) (Chapter 15);
- Policies concerning payment by a family to OHFA of amounts the family owes OHFA (Chapter 16);
- Interim redeterminations of family income and composition (Chapter 11);
- Restrictions, if any, on the number of moves by a participant family (Chapter 10);
- Approval by the board of trustees or other authorized officials to charge the administrative fee reserve (Chapter 16);
- Procedural guidelines and performance standards for conducting required housing quality standards inspections (Chapter 8); and
- OHFA screening of applicants for family behavior or suitability for tenancy (Chapter 3).

### **Mandatory vs. Discretionary Policy**

HUD makes a distinction between:

- Mandatory policies: those driven by legislation, regulations, current handbooks, notices, and legal opinions, and
- Optional, non-binding guidance, including guidebooks, notices that have expired and recommendations from individual HUD staff.

HUD expects OHFA to develop policies and procedures that are consistent with mandatory policies and to make clear the optional policies OHFA has adopted. OHFA's administrative plan is the foundation of those policies and procedures. HUD's directions require OHFA to make policy choices that provide guidance to staff and consistency to program applicants and participants.

Following HUD guidance, even though it is not mandatory, provides OHFA with a “safe harbor.” HUD has already determined that the recommendations and suggestions it makes are consistent with mandatory policies. If OHFA adopts an alternative strategy, it must make its own determination that the alternative approach is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different from HUD’s safe harbor, but OHFA should carefully think through those decisions.

### **1-III.C. ORGANIZATION OF THE PLAN**

The Plan is organized to provide information to users in particular areas of operation.

### **1-III.D. UPDATING AND REVISING THE PLAN**

OHFA will revise this administrative plan, as needed to comply with changes in HUD regulations, OHFA operations, or when needed to ensure staff consistency. The original plan and substantial changes must be approved by the board of trustees of the agency.

### **1-III.E. HUD STATUTORY AND REGULATORY WAIVERS DUE TO COVID-19**

Pursuant to the authority provided under the Coronavirus Aid, Relief and Economic Security (CARES) Act (Public Law 116-136), on April 10, 2020, the U.S. Department of Housing and Urban Development (HUD) waived and established alternative requirements for numerous statutory and regulatory requirements for the Housing Choice Voucher (HCV) program. The waivers provide administrative flexibilities and relief for public housing agencies (PHAs) in response to the COVID-19 national emergency. The COVID-19 pandemic presents significant challenges for HUD and its partners to continue to carry out HUD’s fundamental mission to provide decent, safe, and sanitary affordable housing for low-income families. Program operations have been severely impacted as entities try to comply with critically important advisories and directives from public health professionals, including social distancing and other preventive practices to slow the spread of COVID-19 and reduce the risk of exposure. HUD is strongly encouraging the use of all applicable waivers and alternative requirements as necessary to keep HCV programs operational to the extent practicable.

One waiver is for the Regulatory Authority: 24 CFR § 982.54 (a) concerning revisions of OHFA’s administrative plan to be formally adopted by the Board of Trustees. With HUD recognizing the foreseeable difficulties in complying with this requirement in light of the COVID-19 emergency during this unusual time, HUD waived the requirement to allow OHFA’s Administrative Plan to be revised on a temporary basis without Board approval. As an alternative requirement, any informally adopted revisions under this waiver authority must be formally adopted as soon as practicable following June 30, 2020, but no later than July 31, 2020.

In accordance with the HUD statutory and regulatory waiver provisions, OHFA staff implemented the following temporary waivers to provide administrative flexibilities and relief for OHFA’s HCV

operations to continue during the COVID-19 national emergency. As prescribed, Board approval was requested as soon as practicable and granted on July 15, 2020.

Furthermore, HUD issued additional COVID-19 statutory and regulatory waiver provisions and revisions in Notice PIH 2020-33(HA), REV-2 on November 30, 2020. OHFA staff implemented the temporary waivers and revised the extension dates accordingly to provide administrative flexibilities and relief for OHFA's HCV operations to continue during the COVID-19 national emergency.

**OHFA’s Administrative Plan HCV Waivers and Alternative Requirements Implemented Temporarily due to the Coronavirus Aid, Relief and Economic Security (CARES) Act and HUD Notice PIH 2020-33 provisions are listed below:**

## Chapter 2

### FAIR HOUSING AND EQUAL OPPORTUNITY

#### INTRODUCTION

This chapter explains the laws and U.S. Department of Housing and Urban Development (HUD) regulations requiring Oklahoma Housing Finance Agency (OHFA) to affirmatively further civil rights and fair housing in all federally-assisted housing programs. The letter and spirit of these laws are implemented through consistent policy and processes. The responsibility to further nondiscrimination pertains to all areas of OHFA's housing choice voucher (HCV) operations.

This chapter describes HUD regulations and OHFA policies related to these topics in three parts:

Part I: Nondiscrimination. This part presents the body of laws and regulations governing the responsibilities of OHFA regarding nondiscrimination.

Part II: Policies Related to Persons with Disabilities. This part discusses the rules and policies of the housing choice voucher program related to reasonable accommodation for persons with disabilities. These rules and policies are based on the Fair Housing Act (42.U.S.C.) and Section 504 of the Rehabilitation Act of 1973, and incorporate guidance from the Joint Statement of The Department of Housing and Urban Development and the Department of Justice (DOJ), issued May 17, 2004.

Part III: Prohibition of Discrimination Against Limited English Proficiency Persons. This part details the obligations of OHFA to ensure meaningful access to the HCV program and its activities by persons with limited English proficiency (LEP). This part incorporates the Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons published January 22, 2007, in the *Federal Register*.

## **PART I: NONDISCRIMINATION**

### **2-I.A. OVERVIEW**

Federal laws require OHFA to treat all applicants and participants equally, providing the same quality of service, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. In addition, HUD regulations provide for additional protections regarding sexual orientation, gender identity, and marital status. OHFA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Order 11063
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act of 1990 (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- Violence Against Women Reauthorization Act of 2013 (VAWA)
- The Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity Final Rule, published in the *Federal Register* February 3, 2012 and further clarified in Notice PIH 2014-20

When more than one civil rights law applies to a situation, the laws will be read and applied together.

Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted will also apply.

No state or local nondiscrimination laws or ordinances apply.

### **2-I.B. NONDISCRIMINATION**

Federal regulations prohibit discrimination against certain protected classes and other groups of people. State and local requirements, as well as OHFA policies, can prohibit discrimination against additional classes of people.

Oklahoma Housing Finance Agency (OHFA) shall not discriminate because of race, color, sex, religion, familial status, age, disability, or national origin (called “protected classes”)

Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18.

OHFA will not discriminate on the basis of marital status, gender identity, or sexual orientation [FR Notice 02/03/12].

OHFA does not identify any additional protected classes.

OHFA will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the housing choice voucher program
- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
- Subject anyone to sexual harassment
- Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- Treat a person differently in determining eligibility or other requirements for admission
- Steer an applicant or participant toward or away from a particular area based any of these factors
- Deny anyone access to the same level of services
- Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
- Discriminate in the provision of residential real estate transactions
- Discriminate against someone because they are related to or associated with a member of a protected class
- Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class

### **Providing Information to Families and Owners**

OHFA must take steps to ensure that families and owners are fully aware of all applicable civil rights laws. As part of the briefing process, OHFA must provide information to HCV applicant families about civil rights requirements and the opportunity to rent in a broad range of neighborhoods [24

CFR 982.301]. The Housing Assistance Payments (HAP) contract informs owners of the requirement not to discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability in connection with the contract.

### **Discrimination Complaints**

If an applicant or participant believes that any family member has been discriminated against by OHFA or an owner, the family should advise OHFA. OHFA should make every reasonable attempt to determine whether the applicant or participant's assertions have merit and take any warranted corrective action. In addition, OHFA is required to provide the applicant or participant with information about how to file a discrimination complaint [24 CFR 982.304].

Upon receipt of a housing discrimination complaint, OHFA will:

- Provide written notice of the complaint to those alleged and inform the complainant that such notice was made.
- Investigate the allegations and provide the complainant and those alleged with findings and either a proposed corrective action or an explanation of why corrective action is not warranted.
- Keep records of all complaints, investigations, notices, and corrective actions [Notice PIH 2014-20].

Applicants or participants who believe that they have been subject to unlawful discrimination must notify OHFA in writing.

OHFA will promptly provide a written notice to those alleged to have violated the rule and notify the complainant that notice was sent to those alleged to have violated the rule. OHFA provides information on how to submit a housing discrimination complaint form to HUD's Office of Fair Housing and Equal Opportunity (FHEO) to applicants and participants in the Briefing Book and on its website.

OHFA will attempt to remedy discrimination complaints made against OHFA and will investigate allegations of discrimination.

After conclusion of OHFA's investigation, OHFA will provide the complainant and those alleged to have violated the rule with findings and either a proposed corrective action plan or an explanation of why corrective action is not warranted.

OHFA will keep a record of all complaints, investigations, notices, and corrective actions. (See Chapter 16.).

## **PART II: POLICIES RELATED TO PERSONS WITH DISABILITIES**

### **2-II.A. OVERVIEW**

One type of disability discrimination prohibited by the Fair Housing Act is the refusal to make reasonable accommodation in rules, policies, practices, or services when such accommodation may be necessary to afford a person with a disability the equal opportunity to use and enjoy a program or dwelling under the program.

OHFA must ensure that persons with disabilities have full access to OHFA's programs and services. This responsibility begins with the first inquiry of an interested family and continues through every programmatic area of the HCV program.

OHFA will ask all applicants and participants if they require any type of accommodations, in writing, on the intake application, and on reexamination documents, letters, and notices of adverse action by OHFA, by including the following language:

OHFA complies with the Americans with Disabilities Act. If you are an individual who needs an accommodation, please note the type of accommodation necessary, and OHFA will make every effort, within reason, to make sure this accommodation is provided.

## **2-II.B. DEFINITION OF REASONABLE ACCOMMODATION**

A reasonable accommodation is an adjustment made to a rule, policy, practice, or service that allows a person with a disability to have equal access to the HCV program. For example, reasonable accommodations may include making home visits, extending the voucher term, or approving an exception payment standard in order for a participant to lease an accessible dwelling unit.

Federal regulations stipulate that requests for accommodations will be considered reasonable if they do not create an "undue financial and administrative burden" for OHFA, or result in a "fundamental alteration" in the nature of the program or service offered. A fundamental alteration is a modification that alters the essential nature of a provider's operations.

### **Types of Reasonable Accommodations**

When needed, OHFA must modify normal procedures to accommodate the needs of a person with disabilities. Examples include:

- Permitting applications and reexaminations to be completed by mail
- Conducting home visits
- Using higher payment standards (either within the acceptable range or with HUD approval of a payment standard outside the PHA range) if OHFA determines this is necessary to enable a person with disabilities to obtain a suitable housing unit
- Providing time extensions for locating a unit when necessary because of lack of availability of accessible units or special challenges of the family in seeking a unit
- Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with OHFA staff
- Displaying posters and other housing information in locations throughout OHFA's office in such a manner as to be easily readable from a wheelchair

## **2-II.C. REQUEST FOR AN ACCOMMODATION**

If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that OHFA treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to OHFA's programs and services.

If the need for the accommodation is not readily apparent or known to OHFA, the family must

explain the relationship between the requested accommodation and the disability. There must be an identifiable relationship, or nexus, between the requested accommodation and the individual's disability.

OHFA will encourage the family to make its request in writing for a reasonable accommodation. However, OHFA will consider the accommodation any time the family indicates that an accommodation is needed whether or not a formal written request is submitted.

## **2-II.D. VERIFICATION OF DISABILITY**

The regulatory civil rights definition for persons with disabilities is provided in Exhibit 2-1 at the end of this chapter. The definition of a person with a disability for the purpose of obtaining a reasonable accommodation is much broader than the HUD definition of disability, which is used for waiting list preferences and income allowances.

Before providing an accommodation, OHFA must determine that the person meets the definition of a person with a disability, and that the accommodation will enhance the family's access to OHFA's programs and services.

If a person's disability is obvious, or otherwise known to OHFA, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to OHFA, OHFA must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.

When verifying a disability, OHFA will follow the verification policies provided in Chapter 7. All information related to a person's disability will be treated in accordance with the confidentiality policies provided in Chapter 16. In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]
- OHFA must request only information that is necessary to evaluate the disability-related need for the accommodation. OHFA will not inquire about the nature or extent of any disability.

## **2-II.E. APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION** [Joint Statement of

the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act, Notice PIH 2010-26].

OHFA must approve a request for an accommodation if the following three conditions are met:

- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on OHFA, or fundamentally alter the nature of OHFA's HCV operations (including the obligation to comply with HUD requirements and regulations).

Requests for accommodations must be assessed on a case-by-case basis, taking into account factors such as the overall size of OHFA's program with respect to the number of employees, type of facilities and size of budget, type of operation including composition and structure of workforce, the nature and cost of the requested accommodation, and the availability of alternative accommodations that would effectively meet the family's disability-related needs.

Before making a determination whether to approve the request, OHFA may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that OHFA may verify the need for the requested accommodation.

After a request for an accommodation is presented, OHFA will respond, within 14 days.

If OHFA denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden or fundamentally alter the nature of OHFA's operations), OHFA will discuss with the family whether an alternative accommodation could effectively address the family's disability-related needs without a fundamental alteration to the HCV program and without imposing an undue financial and administrative burden.

If OHFA believes that the family has failed to identify a reasonable alternative accommodation after interactive discussion and negotiation, OHFA will notify the family, in writing, of its determination within 14 days from the date of the most recent discussion or communication with the family.

## **2-II.F. PROGRAM ACCESSIBILITY FOR PERSONS WITH HEARING OR VISION IMPAIRMENTS**

HUD regulations require OHFA to ensure that persons with disabilities related to hearing and vision have reasonable access to OHFA's programs and services [24 CFR 8.6].

At the initial point of contact with each applicant, OHFA shall inform all applicants of alternative forms of communication that can be used other than plain language paperwork.

To meet the needs of persons with hearing impairments, TTD/TTY (text telephone display / teletype) communication will be available.

To meet the needs of persons with vision impairments, large-print and audio versions of key program documents will be made available upon request. When visual aids are used in public meetings or presentations, or in meetings with OHFA staff, one-on-one assistance will be provided upon request.

Additional examples of alternative forms of communication are sign language interpretation; having material explained orally by staff; or having a third party representative (a friend, relative or advocate, named by the applicant) to receive, interpret and explain housing materials and be present at all meetings.

## **2-II.G. PHYSICAL ACCESSIBILITY**

OHFA must comply with a variety of regulations pertaining to physical accessibility, including the following:

- Notice PIH 2010-26
- Section 504 of the Rehabilitation Act of 1973
- The Americans with Disabilities Act of 1990
- The Architectural Barriers Act of 1968
- The Fair Housing Act of 1988

OHFA's policies concerning physical accessibility must be readily available to applicants and participants. They can be found in two key documents:

- OHFA's Administrative Plan describes the key policies that govern OHFA's responsibilities with regard to physical accessibility.
- Notice PIH 2010-26 summarizes information about pertinent laws and implementing regulations related to nondiscrimination and accessibility in federally-funded housing programs.

The design, construction, or alteration of OHFA facilities must conform to the Uniform Federal Accessibility Standards (UFAS). Newly constructed facilities must be designed to be readily accessible to and usable by persons with disabilities. Alterations to existing facilities must be accessible to the maximum extent feasible, defined as not imposing an undue financial and administrative burden on the operations of the HCV program.

When issuing a voucher to a family that includes an individual with disabilities, OHFA will include a current list of available accessible units known to OHFA and will assist the family in locating an

available accessible unit, if necessary.

In general, owners must permit the family to make reasonable modifications to the unit. However, the owner is not required to pay for the modification and may require that the unit be restored to its original state at the family's expense when the family moves.

A reasonable modification is a structural change made to existing premises, occupied or to be occupied by a person with a disability, in order to afford such person full enjoyment of the premises. Reasonable modifications can include structural changes to interiors and exteriors of dwellings and to common and public use areas [24 CFR 100.203].

## **2-II.H. DENIAL OR TERMINATION OF ASSISTANCE**

OHFA's decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation [24 CFR 982.552 (2)(iv)].

When applicants with disabilities are denied assistance, the notice of denial must inform them of OHFA's informal review process and their right to request an informal review. In addition, the notice must inform applicants with disabilities of their right to request reasonable accommodations to participate in the informal review process.

When a participant family's assistance is terminated, the notice of termination must inform them of OHFA's informal hearing process and their right to request a hearing and reasonable accommodation.

When reviewing reasonable accommodation requests, OHFA must consider whether any mitigating circumstances can be verified to explain and overcome the problem that led to OHFA's decision to deny or terminate assistance. If a reasonable accommodation will allow the family to meet the requirements, OHFA must make the accommodation.

## **PART III: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)**

### **2-III.A. OVERVIEW**

Language for Limited English Proficiency Persons (LEP) can be a barrier to accessing important benefits or services, understanding, and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the HCV program. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin. This part incorporates the Final Guidance to Federal Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons, published January 22, 2007, in the *Federal Register*.

OHFA will take affirmative steps to communicate with people who need services or information in a

language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).

LEP is defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak or understand English. For the purposes of this administrative plan, LEP persons are HCV applicants and participants, and parents and family members of applicants and participants.

In order to determine the level of access needed by LEP persons, OHFA will balance the following four factors: (1) the number or proportion of LEP persons eligible to be served or likely to be encountered by the Housing Choice Voucher program; (2) the frequency with which LEP persons come into contact with the program; (3) the nature and importance of the program, activity, or service provided by the program to people's lives; and (4) the resources available to OHFA and costs. Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on OHFA.

### **2-III.B. ORAL INTERPRETATION**

OHFA will offer competent interpretation services free of charge, upon request, to the LEP person.

OHFA will utilize a language line for telephone interpreter services.

OHFA will analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. “Reasonable steps” may not be reasonable where the costs imposed substantially exceed the benefits.

Where LEP persons desire, they will be permitted to use, at their own expense, an interpreter of their own choosing, in place of or as a supplement to the free language services offered by OHFA. The interpreter may be a family member or friend.

### **2-III.C. WRITTEN TRANSLATION**

Translation is the replacement of a written text from one language into an equivalent written text in another language.

In order to comply with written-translation obligations, OHFA will take the following steps:

OHFA will periodically review the demographics of persons applying for assistance to determine the feasibility of translating vital written material. OHFA may use HUD translated materials and documents in other languages that are available on HUD’s website to meet the needs of LEP persons, as applicable.

### **2-III.D. IMPLEMENTATION PLAN**

After completing the four-factor analysis and deciding what language assistance services are appropriate, OHFA shall determine whether it is necessary to develop a written implementation plan to address the identified needs of the LEP populations it serves.

If OHFA determines that it is not necessary to develop a written implementation plan, the absence of a written plan does not obviate the underlying obligation to ensure meaningful access by LEP persons to OHFA’s Housing Choice Voucher program and services.

If it is determined that OHFA serves very few LEP persons, and OHFA has very limited resources, OHFA will not develop a written LEP plan, but will consider alternative ways to articulate in a reasonable manner a plan for providing meaningful access. Entities having significant contact with LEP persons, such as schools, grassroots and faith-based organizations, community groups, and groups working with new immigrants will be contacted for input into the process.

If OHFA determines it is appropriate to develop a written LEP plan, the following five steps will be taken: (1) Identifying LEP individuals who need language assistance; (2) identifying

language assistance measures; (3) training staff; (4) providing notice to LEP persons; and (5) monitoring and updating the LEP plan.

**EXHIBIT 2-1: DEFINITION OF A PERSON WITH A DISABILITY UNDER FEDERAL CIVIL RIGHTS LAWS [24 CFR Parts 8.3 and 100.201]**

A person with a disability, as defined under federal civil rights laws, is any person who:

- Has a physical or mental impairment that substantially limits one or more of the major life activities of an individual, or
- Has a record of such impairment, or
- Is regarded as having such impairment

The phrase “physical or mental impairment” includes:

- Any physiological disorder or condition, cosmetic or disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to: such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

“Major life activities” includes, but is not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, breathing, learning, and/or working.

“Has a record of such impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

“Is regarded as having an impairment” is defined as having a physical or mental impairment that does not substantially limit one or more major life activities but is treated by a public entity (such as OHFA) as constituting such a limitation; has none of the impairments defined in this section but is treated by a public entity as having such an impairment; or has a physical or mental impairment that substantially limits one or more major life activities, only as a result of the attitudes of others toward that impairment.

The definition of a person with disabilities does not include:

- Current illegal drug users
- People whose alcohol use interferes with the rights of others
- Persons who objectively pose a direct threat or substantial risk of harm to others that cannot be controlled with a reasonable accommodation under the HCV program

The above definition of disability determines whether an applicant or participant is entitled to any of the protections of federal disability civil rights laws. Thus, a person who does not meet this disability is not entitled to a reasonable accommodation under federal civil rights and fair housing laws and regulations.

The HUD definition of a person with a disability is much narrower than the civil rights definition of disability. The HUD definition of a person with a disability is used for purposes of receiving the disabled family preference, the \$400 elderly/disabled household deduction, the \$480 dependent deduction, the allowance for medical expenses, or the allowance for disability assistance expenses.

The definition of a person with a disability for purposes of granting a reasonable accommodation request is much broader than the HUD definition of disability. Many people will not qualify as a disabled person under the HCV program, yet an accommodation is needed to provide equal opportunity.

## Chapter 3

### ELIGIBILITY

#### INTRODUCTION

Oklahoma Housing Finance Agency (OHFA) is responsible for ensuring that every individual and family admitted to the HCV program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. The family must provide any information needed by OHFA to confirm eligibility and determine the level of the family's assistance.

To be eligible for the HCV program:

- The applicant family must:
  - Qualify as a family as defined by the U.S. Department of Housing and Urban Development (HUD) and OHFA.
  - Have income at or below HUD-specified income limits.
  - Qualify on the basis of citizenship or the eligible immigrant status of family members.
  - Provide social security number information for family members as required.
  - Consent to OHFA's collection and use of family information as provided for in OHFA-provided consent forms.
- OHFA must determine that the current or past behavior of household members does not include activities that are prohibited by HUD or OHFA.

This chapter contains three parts:

Part I: Definitions of Family and Household Members. This part contains HUD and OHFA definitions of family and household members and explains initial and ongoing eligibility issues related to these members.

Part II: Basic Eligibility Criteria. This part discusses income eligibility, and rules regarding citizenship, social security numbers, and family consent.

Part III: Denial of Assistance. This part covers factors related to an applicant's past or current conduct (e.g. criminal activity) that can cause the OHFA to deny assistance.

## **PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS**

### **3-I.A. OVERVIEW**

Some eligibility criteria and program rules vary depending upon the composition of the family requesting assistance. In addition, some requirements apply to the family as a whole and others apply to individual persons who will live in the assisted unit. This part provides information that is needed to correctly identify family and household members, and to apply HUD's eligibility rules.

### **3-I.B. FAMILY AND HOUSEHOLD [24 CFR 982.201(c); FR Notice 02/03/12; Notice PIH 2014-20]**

The terms *family* and *household* have different meanings in the HCV program.

#### **Family**

To be eligible for assistance, an applicant must qualify as a family. *Family* as defined by HUD includes, but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status, a single person, who may be an elderly person, displaced person, disabled person, near-elderly person, or any other single person; or a group of persons residing together. Such group includes, but is not limited to a family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family), an elderly family, a near-elderly family, a disabled family, a displaced family, or the remaining member of a tenant family. OHFA has the discretion to determine if any other group of persons qualifies as a family.

*Gender Identity* means actual or perceived gender-related characteristics.

*Sexual orientation* means homosexuality, heterosexuality, or bisexuality.

A family also includes two or more individuals who are not related by blood, marriage, adoption, or other operation of law but who either can demonstrate that they have lived together previously or certify that each individual's income and other resources will be available to meet the needs of the family.

Each family must identify the individuals to be included in the family at the time of application, and must update this information if the family's composition changes.

#### **Household**

*Household* is a broader term that includes additional people who, with OHFA's permission, live in an assisted unit, such as live-in aides, foster children, and foster adults.

### **3-I.C. FAMILY BREAKUP AND REMAINING MEMBER OF TENANT FAMILY**

#### **Family Breakup [24 CFR 982.315; Notice PIH 2017-08]**

Except under the following conditions, OHFA has discretion to determine which members of an assisted family continue to receive assistance if the family breaks up:

- If the family breakup results from an occurrence of domestic violence, dating violence, sexual assault or stalking, OHFA must ensure that the victim retains assistance. (For documentation requirements and policies related to domestic violence, dating violence, sexual assault and stalking, see section 16-IX.D of this plan.)
- In accordance with Notice PIH 2017-08, for HUD–Veterans Affairs Supportive Housing (HUD–VASH) vouchers, when the veteran is the perpetrator of domestic violence, dating violence, sexual assault, or stalking, the victim must continue to be assisted. Upon termination of the perpetrator’s HUD–VASH voucher, the victim should be given a regular HCV if one is available, and the perpetrator’s HUD–VASH voucher should be used to serve another eligible family. If a regular HCV is not available, the victim will continue to use the HUD–VASH voucher, which must be issued to another eligible family upon the voucher’s turnover.
- If a court determines the disposition of property between members of the assisted family, OHFA is bound by the court’s determination of which family members continue to receive assistance.

When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former family members may make a new application with a new application date if the waiting list is open.

If a family breaks up into two otherwise eligible families while receiving assistance, only one of the new families will continue to be assisted.

In the absence of a judicial decision or an agreement among the original family members, OHFA will determine which family will retain their placement on the waiting list or continue to receive assistance. In making its determination, OHFA will take into consideration the following factors: (1) the interest of any minor children, including custody arrangements; (2) the interest of any ill, elderly, or disabled family members; (3) the interest of any family member who is the victim of domestic violence, dating violence, sexual assault or stalking, including a family member who was forced to leave an assisted unit as a result of such actual or threatened abuse; (4) any possible risks to family members as a result of criminal activity; (5) the recommendations of social service professionals; and (6) which family member applied as head of household (HOH).

Documentation of these factors is the responsibility of the families. If either or both of the families do not provide the documentation, placement on the waiting list may be denied or assistance terminated for both families for failure to supply information requested by OHFA.

### **Remaining Member of a Tenant Family [24 CFR 5.403]**

The HUD definition of family includes the *remaining member of a tenant family*, which is a member of an assisted family who remains in the unit when other members of the family have left the unit. Household members such as live-in aides, foster children, and foster adults do not qualify as remaining members of a family.

If dependents are the only “remaining members of a tenant family” and there is no family member able to assume the responsibilities of the head of household, see Chapter 6, Section 6-I.B, for the policy on “Caretakers for a Child.”

### **3-I.D. HEAD OF HOUSEHOLD [24 CFR 5.504(b)]**

*Head of household* means the adult member of the family who is considered the head for purposes of determining income eligibility and rent. The head of household is responsible for ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a cohead or spouse.

The family may designate any qualified family member as the head of household.

The head of household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as head of household.

### **3-I.E. SPOUSE, COHEAD, AND OTHER ADULT**

A family may have a spouse or cohead, but not both [HUD-50058 IB, p. 13].

*Spouse* means the marriage partner of the head of household.

*A marriage partner* includes the partner in a "common law" marriage as defined in state law. The term “spouse” does not apply to friends, roommates, or significant others who are not marriage partners. A minor who is emancipated under state law may be designated as a spouse.

*A cohead* is an individual in the household who is equally responsible with the head of household for ensuring that the family fulfills all of its responsibilities under the program, but who is not a spouse. A family can have only one cohead.

Minors who are emancipated under state law may be designated as a cohead.

*Other adult* means a family member, other than the head, spouse, or cohead, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults.

### **3-I.F. DEPENDENT [24 CFR 5.603]**

A *dependent* is a family member who is under 18 years of age or a person of any age who is a person with a disability or a full-time student, except that the following persons can never be dependents: the head of household, spouse, cohead, foster children/adults, and live-in aides. Identifying each dependent in the family is important because each dependent qualifies the family for a deduction from annual income as described in Chapter 6.

**In order to include a dependent under the age of 18 that is not an emancipated minor, a family member must have legal custody or guardianship. The rental unit must be the child’s permanent residence. OHFA uses the following “familial status” definition of the Fair Housing Act from 24 CFR 100.20 to assist in determining eligibility:**

**Familial status means one or more individuals (who have not attained the age of 18 years) being domiciled with—**

- (a) A parent or another person having legal custody of such individual or individuals; or**
- (b) The designee of such parent or other person having such custody, with the written permission of such parent or other person.**

**The protections afforded against discrimination on the basis of familial status shall apply to any person who is pregnant or is in the process of securing legal custody of any individual who has not attained the age of 18 years.**

**Some ways to document “familial status” include the following:**

- Have legal custody or guardianship of the child as documented by court papers; or**
- Have claimed the child as a dependent on the most recently filed tax return (as documented by the tax return) and anticipates claiming the child as a dependent for the present calendar year; or**
- Are in the process of adopting the child as documented by court papers. However, if an adult “intends” to pursue custody, that is inadequate to establish eligibility; or**
- A properly executed power of attorney (notarized and filed at the county courthouse) that substantially complies with the statutory form of power of**

**attorney codified in the Oklahoma Statutes - Title 10 Section 700 by the parent or other person having legal custody or guardianship; or**

- **Social service agency records demonstrating custody; or**
- **School records demonstrating custody.**

### **Joint Custody of Dependents**

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 51 percent or more of the time. **A copy of the joint custody agreement must be provided to OHFA before the children will be considered members of the household.**

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, OHFA will make the determination based on available documents such as court orders, **address that is listed in the school records**, or an IRS return showing which family has claimed the child for income tax purposes.

**Children not subject to a joint custody agreement will be considered members of the household if the children are in the home "51% of the time." 51% is defined as 183 days of the year, which do not have to run consecutively.**

### **3-I.G. FULL-TIME STUDENT [24 CFR 5.603; HCV GB, p. 5-29]**

A *full-time student* (FTS) is a person who is attending school or vocational training on a full-time basis. The time commitment or subject load that is needed to be full-time is defined by the educational institution.

Identifying each FTS is important because: (1) each family member that is an FTS, other than the head, spouse, or cohead, qualifies the family for a dependent deduction, and (2) the income of such an FTS is treated differently from the income of other family members.

### **3-I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY [24 CFR 5.100 and 5.403, FR Notice 02/03/12]**

#### **Elderly Persons**

An *elderly person* is a person who is at least 62 years of age.

#### **Near-Elderly Persons**

A *near-elderly person* is a person who is 50-61 years of age.

## **Elderly Family**

An *elderly family* is one in which the head, spouse, cohead, or sole member is an elderly person. Identifying elderly families is important because these families qualify for special deductions from income as described in Chapter 6.

### **3-I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILY [24 CFR 5.403, FR Notice 02/03/12]**

#### **Persons with Disabilities**

Under the HCV program, special rules apply to persons with disabilities and to any family whose head, spouse, or cohead is a person with disabilities. The technical definitions of individual with handicaps and persons with disabilities are provided in Exhibit 3-1 at the end of this chapter. These definitions are used for a number of purposes including ensuring that persons with disabilities are not discriminated against based upon disability.

As discussed in Chapter 2, OHFA must make all aspects of the HCV program accessible to persons with disabilities and consider reasonable accommodations requested based upon a person's disability.

#### **Disabled Family**

A *disabled family* is one in which the head, spouse, or cohead is a person with disabilities. Identifying disabled families is important because these families qualify for special deductions from income as described in Chapter 6.

Even though persons with drug or alcohol dependencies are considered persons with disabilities for the purpose of non-discrimination, this does not prevent OHFA from denying assistance for reasons related to alcohol and drug abuse following policies found in Part III of this chapter, or from terminating assistance following the policies in Chapter 12.

### **3-I.J. GUESTS [24 CFR 5.100]**

A *guest* is a person temporarily staying in the unit with the consent of a member of the household who has express or implied authority to so consent on behalf of the tenant [24 CFR part 5, subpart A and 24 CFR Part 982]. The requirements of part 982 apply to a guest as so defined.

### **3-I.K. FOSTER CHILDREN AND FOSTER ADULTS**

*Foster adults* are usually persons with disabilities, unrelated to the tenant family, who are unable to live alone [24 CFR 5.609].

The term *foster child* is not specifically defined by the regulations.

Foster children and foster adults that are living with an applicant or assisted family are considered household members but not family members. The income of foster children/adults is not counted in family annual income, and foster children/adults do not qualify for a dependent deduction [24 CFR 5.603; HUD-50058 IB, p. 13].

*A foster child* is a child that is in the legal guardianship or custody of a state, county, or private adoption or foster care agency, yet is cared for by foster parents in their own homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.

A foster child or foster adult may be allowed to reside in the unit if their presence would not result in a violation of HQS space standards according to 24 CFR 982.401.

Children that are temporarily absent from the home as a result of placement in foster care are discussed in Section 3-I.L.

### **3-I.L. ABSENT FAMILY MEMBERS**

Individuals may be absent from the family, either temporarily or permanently, for a variety of reasons including educational activities, placement in foster care, employment, illness, incarceration, and court order.

#### **Definitions of Temporarily and Permanently Absent**

Generally an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

#### **Absent Students**

If a family member attends school away from home, the family member will not be considered a member of the household and will be considered a visitor during breaks and school recesses.

### **Absences Due to Court Orders**

If a member of the family, other than the HOH, is subject to a court order that restricts the member from the home, the family member will no longer be considered a member of the household. If the family member intends to return to the household, the family member will be subject to the eligibility and screening requirements of this plan.

OHFA must approve all additions to the household, including the addition of family members formerly a part of the assisted household.

### **Absences Due to Placement in Foster Care [24 CFR 5.403]**

Children temporarily absent from the home as a result of placement in foster care are considered members of the family.

If a child has been placed in foster care, OHFA will verify with the appropriate agency whether and when the child is expected to be returned to the home. If the child will be absent for more than 180 days or the agency confirms that the child has been permanently removed from the home, the child will be removed from the household.

### **Absent Head, Spouse, or Cohead**

An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member.

### **Absences Due to Incarceration**

OHFA will terminate assistance for families where the HOH has been incarcerated more than 30 consecutive days for committing a non-violent, non-drug related criminal act. If the HOH has been incarcerated for committing a violent or drug related act, OHFA will initiate termination of assistance.

If a family member, other than the HOH, is expected to be incarcerated for more than 30 consecutive days (for non-violent, non-drug related criminal activity), the family member will be removed as a member of the household. If the family member intends to return to the unit following incarceration, the individual is subject to the eligibility and screening requirements discussed elsewhere in this chapter.

A family member incarcerated for committing a violent or drug-related criminal act will subject the entire family to termination from the program.

OHFA must pre-approve all additions to the household, including the addition of a family member formerly a part of the assisted household.

### **Family Members Permanently Confined for Medical Reasons [HCV GB, p. 5-22]**

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

OHFA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

### **Return of Permanently Absent Family Members**

The family must request OHFA approval for the return of any adult family members that OHFA has determined to be permanently absent. The individual is subject to the eligibility and screening requirements discussed elsewhere in this chapter.

### **Joint Custody of Children**

In the case of joint custody, only one family may claim a child as a dependent. When two assisted families could conceivably claim the child, the two families must resolve the issue and declare which household will receive the dependent deduction. If the two households are unable to resolve the issue, OHFA will make the determination based on such factors as who claimed the child as a dependent on the most recent income tax filing or the address of the family member listed in the child's school records.

### **Caretakers for a Child**

If neither a parent nor a designated guardian remains in a household receiving HCV assistance, OHFA will take one of the following actions:

- (1) Terminate assistance; or
- (2) Continue assistance if a governing agency, such as DHS, has determined that another adult is to be brought into the assisted unit to care for the child. The caretaker must meet all program qualifications.

When custody or guardianship has been legally awarded to a caretaker, the housing choice voucher will be transferred to the caretaker.

### **3-I.M. LIVE-IN AIDE**

*Live-in aide* means a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who: (1) is determined to be essential to the care and well-being of the persons, (2) is not obligated for the support of the persons, and (3) would not be living in the unit except to provide the necessary supportive services [24 CFR 5.403].

OHFA must approve a live-in aide if needed as a reasonable accommodation in accordance with 24 CFR 8, to make the program accessible to and usable by the family member with disabilities.

A live-in aide is a member of the household, not the family, and the income of the aide is not considered in income calculations [24 CFR 5.609(b)]. Relatives may be approved as live-in aides if they meet all of the criteria defining a live-in aide. However, a relative who serves as a live-in aide is not considered a family member and would not be considered a remaining member of a tenant family.

A family's request for a live-in aide must be made in writing. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or caseworker, that the live-in aide is essential for the care and well-being of the elderly, near-elderly, or disabled family member.

In addition, the family and live-in aide will be required to submit a certification stating that the live-in aide is (1) not obligated for the support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services.

Occasional, intermittent, multiple or rotating caregivers do not meet the definition of a live-in aide. [Notice PIH 2014-25 (HA)]

OHFA will not approve a particular person as a live-in aide, and may withdraw such approval if [24 CFR 982.316(b)]:

The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;

The person commits drug-related criminal activity or violent criminal activity; or

The person currently owes rent or other amounts to OHFA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

Within 14 days of receiving a request for a live-in aide, including all required documentation related to the request, OHFA will notify the family of its decision in writing.

## **PART II: BASIC ELIGIBILITY CRITERIA**

### **3-II.A. INCOME ELIGIBILITY AND TARGETING**

#### **Income Limits**

HUD is required by law to set income limits that determine the eligibility of applicants for HUD's assisted housing programs, including the housing choice voucher program. The income limits are published annually and are based on HUD estimates of median family income in a particular area or county, with adjustments for family size.

#### **Types of Low-Income Families [24 CFR 5.603(b)]**

*Low-income family.* A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

*Very low-income family.* A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

*Extremely low-income family.* A family whose annual income does not exceed the federal poverty level or 30 percent of the median income for the area, whichever number is higher.

Area median income is determined by HUD, with adjustments for smaller and larger families. HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

#### **Using Income Limits for Eligibility [24 CFR 982.201]**

Income limits are used for eligibility only at admission. Eligibility is established by comparing a family's annual income with HUD's published income limits. To be income-eligible, a family must be one of the following:

- A *very low-income* family
- A *low-income* family that has been "continuously assisted" under the 1937 Housing Act. A family is considered to be continuously assisted if the family is already receiving assistance under any 1937 Housing Act program at the time the family is admitted to the HCV program [24 CFR 982.4]

OHFA will consider a family to be continuously assisted if the family was leasing a unit under any 1937 Housing Act program at the time they were selected from OHFA's waiting list.

- A low-income family that qualifies for voucher assistance as a non-purchasing household living in HOPE 1 (public housing homeownership), HOPE 2 (multifamily housing

homeownership) developments, or other HUD-assisted multifamily homeownership programs covered by 24 CFR 248.173

A low-income or moderate-income family that is displaced as a result of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract on eligible low-income housing as defined in 24 CFR 248.101

- **Multijurisdictional PHAs:** The applicable income limit used for initial issuance of a voucher is the highest income limit within OHFA's jurisdiction.

HUD permits OHFA to establish additional categories of low-income families that may be determined eligible. The additional categories must be consistent with OHFA's plan and the consolidated plans for local governments within OHFA's jurisdiction.

OHFA has not established any additional categories of eligible low-income families.

### **Using Income Limits for Targeting [24 CFR 982.201]**

At least 75 percent of the families admitted to OHFA's program during a PHA fiscal year must be extremely low-income families. HUD may approve exceptions to this requirement if OHFA demonstrates that it has made all required efforts, but has been unable to attract an adequate number of qualified extremely low-income families.

Families continuously assisted under the 1937 Housing Act and families living in eligible low-income housing that are displaced as a result of prepayment of a mortgage or voluntary termination of a mortgage insurance contract are not subject to the 75 percent restriction.

### **3-II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]**

Housing assistance is available only to individuals who are U.S. citizens, U.S. nationals (herein referred to as citizens and nationals), or noncitizens that have eligible immigration status. At least one family member must be a citizen, national, or noncitizen with eligible immigration status in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with OHFA's Limited English Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

### **Declaration [24 CFR 5.508]**

HUD requires each family member to declare whether the individual is a citizen, a national, or an eligible noncitizen, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible noncitizens. For citizens, nationals and eligible noncitizens the declaration must be signed

personally by the head, spouse, cohead, and any other family member 18 or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Noncitizens below). No declaration is required for live-in aides, foster children, or foster adults.

### ***U.S. Citizens and Nationals***

In general, citizens and nationals are required to submit only a signed declaration that claims their status. However, HUD regulations permit OHFA to request additional documentation of their status, such as a passport.

Family members who declare citizenship or national status will not be required to provide additional documentation unless OHFA receives information indicating that an individual's declaration may not be accurate.

### ***Eligible Noncitizens***

In addition to providing a signed declaration, those declaring eligible noncitizen status must sign a verification consent form and cooperate with OHFA efforts to verify their immigration status as described in Chapter 7. The documentation required for establishing eligible noncitizen status varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, the person's age, and the date on which the family began receiving HUD-funded assistance.

Lawful residents of the Marshall Islands, the Federated States of Micronesia, and Palau, together known as the Freely Associated States, or FAS, are eligible for housing assistance under section 141 of the Compacts of Free Association between the U.S. Government and the Governments of the FAS [Public Law 106-504].

### ***Ineligible Noncitizens***

Those noncitizens who do not wish to contend their immigration status are required to have their names listed on a noncontending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. OHFA is not required to verify a family member's ineligible status and is not required to report an individual's unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

Providing housing assistance to noncitizen students is prohibited [24 CFR 5.522]. This prohibition extends to the noncitizen spouse of a noncitizen student as well as to minor children who accompany or follow to join the noncitizen student. Such prohibition does not extend to the citizen spouse of a noncitizen student or to the children of the citizen spouse and noncitizen student. Such a family is eligible for prorated assistance as a mixed family.

## **Mixed Families**

A family is eligible for assistance as long as at least one member is a citizen, national, or eligible noncitizen. Families that include eligible and ineligible individuals are considered *mixed families*. Such families will be given notice that their assistance will be prorated and that they may request a hearing if they contest this determination. See Chapter 6 for a discussion of how rents are prorated, and Chapter 16 for a discussion of informal hearing procedures.

## **Ineligible Families [24 CFR 5.514(d), (e), and (f)]**

OHFA may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member [24 CFR 5.512(b)]. Otherwise, no individual or family may be assisted prior to the affirmative establishment by OHFA that the individual or at least one family member is eligible. Verification of eligibility for this purpose occurs when the individual or family members have submitted documentation to OHFA in accordance with program requirements [24 CFR 5.512(a)].

OHFA will not provide assistance to a family before the verification of at least one family member.

When OHFA determines that an applicant family does not include any citizens, nationals, or eligible noncitizens, following the verification process, the family will be sent a written notice within 14 days of the determination.

The notice will explain the reasons for the denial of assistance, that the family may be eligible for proration of assistance, and will advise the family of its right to request an appeal to the United States Citizenship and Immigration Services (USCIS), or to request an informal hearing with OHFA. The informal hearing with OHFA may be requested in lieu of the USCIS appeal, or at the conclusion of the USCIS appeal process. The notice must also inform the applicant family that assistance may not be delayed until the conclusion of the USCIS appeal process, but that it may be delayed pending the completion of the informal hearing process.

Informal hearing procedures are contained in Chapter 16.

## **Timeframe for Determination of Citizenship Status [24 CFR 5.508(g)]**

For new occupants joining the assisted family, OHFA must verify status at the first interim or regular reexamination following the person's occupancy, whichever comes first.

If an individual qualifies for a time extension for the submission of required documents, OHFA must grant such an extension for no more than 30 days [24 CFR 5.508(h)].

Each family member is required to submit evidence of eligible status only one time during continuous occupancy.

OHFA will verify the status of applicants at the time other eligibility factors are determined.

### **3-II.C. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218, Notice PIH 2018-24]**

The applicant and all members of the applicant's household must disclose the complete and accurate social security number (SSN) assigned to each household member, and the documentation necessary to verify each SSN. If a child under age 6 has been added to an applicant family within 6 months prior to voucher issuance, an otherwise eligible family may be admitted to the program and must disclose and document the child's SSN within 90 days of the effective date of the initial HAP contract. A detailed discussion of acceptable documentation is provided in Chapter 7.

*Note:* These requirements do not apply to noncitizens who do not contend eligible immigration status.

In addition, each participant who has not previously disclosed an SSN, has previously disclosed an SSN that HUD or the SSA determined was invalid, or has been issued a new SSN must submit their complete and accurate SSN and the documentation required to verify the SSN at the time of the next interim or annual reexamination or recertification. Participants age 62 or older as of January 31, 2010, whose determination of eligibility was begun before January 31, 2010, are exempt from this requirement, and remain exempt even if they move to a new assisted unit.

OHFA must deny assistance to an applicant family if they do not meet the SSN disclosure and documentation requirements contained in 24 CFR 5.216.

### **3-II.D. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 5.230; HCV GB, p. 5-13]**

HUD requires each adult family member, and the head of household, spouse, or cohead, regardless of age, to sign form HUD-9886, Authorization for the Release of Information/Privacy Act Notice, and other consent forms as needed to collect information relevant to the family's eligibility and level of assistance. Chapter 7 provides detailed information concerning the consent forms and verification requirements.

OHFA must deny admission to the program if any member of the applicant family fails to sign and submit the consent forms for obtaining information in accordance with 24 CFR 5, Subparts B and F [24 CFR 982.552(b)(3)].

### **3-II.E. STUDENTS ENROLLED IN INSTITUTIONS OF HIGHER EDUCATION** **[24 CFR 5.612, FR Notice 4/10/06, FR Notice 9/21/16]**

Section 327 of Public Law 109-115 and the implementing regulation at 24 CFR 5.612 established new restrictions on the eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be examined along with the income eligibility of the student's parents. In these cases, both the student and the student's parents must be income eligible for the student to receive HCV assistance. If, however, a student in these circumstances is determined independent from his/her parents in accordance with OHFA policy, the income of the student's parents will not be considered in determining the student's eligibility.

The new law does not apply to students who reside with parents who are applying to receive HCV assistance. It is limited to students who are seeking assistance on their own, separately from their parents.

#### **Definitions**

In determining whether and how the new eligibility restrictions apply to a student, OHFA will rely on the following definitions [FR Notice 4/10/06, FR Notice 9/21/16].

#### ***Dependent Child***

In the context of the student eligibility restrictions, *dependent child* means a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of *dependent* in 24 CFR 5.603, which states that the dependent must be a member of the assisted family, other than the head of household or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student. Foster children and foster adults are not considered dependents.

#### ***Independent Student***

OHFA will consider a student "independent" from his or her parents and the parents' income will not be considered when determining the student's eligibility if the following four criteria are all met:

The individual is of legal contract age under state law.

The individual has established a household separate from his/her parents for at least one year prior to application for occupancy or the individual meets the U.S. Department of Education's definition of independent student.

To be considered an *independent student* according to the Department of Education, a student must meet one or more of the following criteria:

The individual is at least 24 years old by December 31 of the award year for which aid is sought

The individual is an orphan, in foster care, or a ward of the court at any time when the individual was 13 years of age or older

The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual's state of legal residence

The individual is a veteran of the U.S. Armed Forces or is currently serving on active duty in the Armed Forces for other than training purposes

The individual is a graduate or professional student

The individual is married

The individual has one or more legal dependents other than a spouse (for example, dependent children, or an elderly dependent parent)

The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting by:

A local educational agency homeless liaison

The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act or a designee of the director

A financial aid administrator

The individual is a student for whom a financial aid administrator makes a documented determination of independence by reason of other unusual circumstances

The individual was not claimed as a dependent by his/her parents pursuant to IRS regulations, as demonstrated on the parents' most recent tax forms.

The individual provides a certification of the amount of financial assistance that will be provided by his/her parents. This certification must be signed by the individual providing the support and must be submitted even if no assistance is being provided.

If OHFA determines that an individual meets the definition of a *vulnerable youth*, such a determination is all that is necessary to determine that the person is an *independent student* for the purposes of using only the student's income for determining eligibility for assistance.

OHFA will verify that a student meets the above criteria in accordance with the policies in Section 7-II.E.

### ***Institution of Higher Education***

OHFA will use the statutory definition under section 102 of the Higher Education Act of 1965 to determine whether a student is attending an *institution of higher education* (see Exhibit 3-2).

### ***Parents***

For purposes of student eligibility restrictions, the definition of *parents* includes biological or adoptive parents, stepparents (as long as they are currently married to the biological or adoptive parent), and guardians (e.g., grandparents, aunt/uncle, godparents, etc.).

### ***Person with Disabilities***

OHFA will use the statutory definition under section 3(b)(3)(E) of the 1937 Act to determine whether a student is a *person with disabilities* (see Exhibit 3-1).

### ***Veteran***

A *veteran* is a person who served in the active military, naval, or air service and who was discharged or released from such service under conditions other than dishonorable.

### ***Vulnerable Youth***

A *vulnerable youth* is an individual who meets the U.S. Department of Education's definition of *independent student* in paragraphs (b), (c), or (h), as adopted in Section II of FR Notice 9/21/16:

The individual is an orphan, in foster care, or a ward of the court, or was an orphan, in foster care, or ward of the court at any time when the individual was 13 years of age or older

The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual's state of legal residence

The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting by:

A local educational agency homeless liaison

The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act or a designee of the director

A financial aid administrator

### **Determining Student Eligibility**

If a student is applying for assistance on his/her own, apart from his/her parents, OHFA must determine whether the student is subject to the eligibility restrictions contained in 24 CFR 5.612. If the student is subject to those restrictions, OHFA must ensure that: (1) the student is individually eligible for the program, (2) either the student is independent from his/her parents or the student's parents are income eligible for the program, and (3) the "family" with which the student is applying is collectively eligible for the program.

For any student who is subject to the 5.612 restrictions, OHFA will:

Follow its usual policies in determining whether the student individually and the student's "family" collectively are eligible for the program

Determine whether the student is independent from his/her parents in accordance with the definition of *independent student* in this section

Follow the policies below, if applicable, in determining whether the student's parents are income eligible for the program

If OHFA determines that the student, the student's parents (if applicable), or the student's "family" is not eligible, OHFA will send a notice of denial in accordance with the policies in Section 3-III.F, and the applicant family will have the right to request an informal review in accordance with the policies in Section 16-III.B.

### ***Determining Parental Income Eligibility***

For any student who is subject to the 5.612 restrictions and who does not satisfy the definition of *independent student* in this section, OHFA will determine the income eligibility of the student's parents as follows:

If the student's parents are married and living together, OHFA will obtain a joint income declaration and certification of joint income from the parents.

If the student's parent is widowed or single, OHFA will obtain an income declaration and certification of income from that parent.

If the student's parents are divorced or separated, OHFA will obtain an income declaration and certification of income from each parent.

If the student has been living with one of his/her parents and has not had contact with or does not know where to contact his/her other parent, OHFA will require the student to submit a certification under penalty of perjury describing the circumstances and stating that the student does not receive financial assistance from the other parent. OHFA will then obtain an income declaration and certification of income from the parent with whom the student has been living or had contact.

In determining the income eligibility of the student's parents, OHFA will use the income limits for the jurisdiction in which the parents live.

## **PART III: DENIAL OF ASSISTANCE**

### **3-III.A. OVERVIEW**

A family that does not meet the eligibility criteria discussed in Parts I and II, must be denied assistance.

In addition, HUD requires or permits OHFA to deny assistance based on certain types of current or past behaviors of family members.

#### **Forms of Denial [24 CFR 982.552(a)(2); HCV GB, p. 5-35]**

Denial of assistance includes any of the following:

- Not placing the family's name on the waiting list
- Denying or withdrawing a voucher
- Not approving a request for tenancy or refusing to enter into a HAP contract
- Refusing to process a request for or to provide assistance under portability procedures

#### **Prohibited Reasons for Denial of Program Assistance [24 CFR 982.202(b), 24 CFR 5.2005(b)]**

HUD rules prohibit denial of program assistance to the program based on any of the following criteria:

- Age, disability, race, color, religion, sex, or national origin (See Chapter 2 for additional information about fair housing and equal opportunity requirements.)
- Where a family lives prior to admission to the program
- Where the family will live with assistance under the program. Although eligibility is not affected by where the family will live, there may be restrictions on the family's ability to move outside OHFA's jurisdiction under portability. (See Chapter 10.)
- Whether members of the family are unwed parents, recipients of public assistance, or children born out of wedlock
- Whether the family includes children
- Whether a family decides to participate in a family self-sufficiency program

- Whether or not a qualified applicant is or has been a victim of domestic violence, dating violence, sexual assault or stalking if the applicant is otherwise qualified for assistance (See section 3-III.G.)

**3-III.B. MANDATORY DENIAL OF ASSISTANCE [24 CFR 982.553(a), Quality Housing and Work Responsibility Act (QHWRA), HUD Memorandum from Sandra B. Henriquez February 10, 2011]**

HUD requires OHFA to deny assistance in the following cases:

- Any member of the household has been evicted from federally-assisted housing in the last 3 years for drug-related criminal activity. HUD permits, but does not require, OHFA to admit an otherwise-eligible family if the household member has completed a PHA-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g., the person involved in the criminal activity no longer lives in the household).

OHFA may admit an otherwise-eligible family who was evicted from federally-assisted housing within the past 3 years for drug-related criminal activity. OHFA is permitted, but not required, to consider all relevant circumstances when determining eligibility for assistance if household member has completed a PHA-approved drug rehabilitation program or person involved no longer lives in the household.

- OHFA determines that any household member is currently engaged in the use of illegal drugs.

*Currently engaged in* is defined as any use of illegal drugs during the previous twelve months.

- OHFA has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

In determining reasonable cause, OHFA will consider all credible evidence, including but not limited to, any record of convictions, arrests, or evictions of household members related to the use of illegal drugs or the abuse of alcohol. Testimony from neighbors, when combined with other factual evidence can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants.

OHFA will pursue fact-finding efforts as needed to obtain credible evidence.

Assistance will be denied if a household member is charged/arrested/convicted for any alcohol-related criminal activity on or near the premises during the previous twelve months. Assistance will be denied for a period of 3 years from the date of termination.

- Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing
- Any household member is subject to a lifetime registration requirement under a state sex offender registration program
- Based on federal law, new admissions of medical marijuana users are prohibited into Public Housing (PH) and Housing Choice Voucher (HCV) programs. The Controlled Substances Act (CSA) lists marijuana as a Schedule I drug. The Quality Housing and Work Responsibility Act (QHWRA) of 1998 (42 U.S.C. §13661) requires that PHAs administering the Department's rental assistance programs establish standards and lease provisions that prohibit admission into the PH and HCV programs based on the illegal use of controlled substances, including state legalized medical marijuana. State laws that legalize medical marijuana directly conflict with the admission requirements set forth in QHWRA and are thus subject to federal preemption.

### **3-III.C. OTHER PERMITTED REASONS FOR DENIAL OF ASSISTANCE**

HUD permits, but does not require, OHFA to deny assistance for the reasons discussed in this section.

#### **Criminal Activity [24 CFR 982.553]**

HUD permits, but does not require, OHFA to deny assistance if OHFA determines that any household member is currently engaged in, or has engaged in during a reasonable time before the family would receive assistance, certain types of criminal activity.

If any household member is currently engaged in, or has engaged in any of the following criminal activities, within the past three years, the family will be denied assistance.

*Drug-related criminal activity*, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].

*Violent criminal activity*, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].

Criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or

Criminal activity that may threaten the health or safety of property owners and management staff, and persons performing contract administration functions or other responsibilities on behalf of OHFA (including an OHFA employee or an OHFA contractor, subcontractor, or agent).

*Immediate vicinity* means within a three-block radius of the premises.

Evidence of such criminal activity includes, but is not limited to:

Any charges/arrests/convictions for drug-related or violent criminal activity within the past 3 years, although a record of arrest(s) may not be the only basis for denial or proof that the applicant engaged in disqualifying criminal activity.

Any record of eviction from public or privately-owned housing as a result of criminal activity within the past 3 years.

Any household member has been charged/arrested/convicted for possession/using/distributing/manufacturing methamphetamine, assistance will be denied for a period of 10 years from the date of the charge/arrest/conviction, whichever is most recent.

Is a sex offender, not subject to lifetime registration. Assistance will be denied for a period of 10 years from the date of the charge/arrest/conviction or the period of required registration as a sex offender, whichever is greater.

In making its decision to deny assistance, OHFA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, OHFA may, on a case-by-case basis, decide not to deny assistance.

### **Previous Behavior in Assisted Housing [24 CFR 982.552(c)]**

HUD authorizes OHFA to deny assistance based on the family's previous behavior in assisted housing.

Per the alternative requirements listed in the *Federal Register* notice dated December 29, 2014, OHFA is no longer permitted to deny assistance to a family because the family previously failed to meet its obligations under the Family Self-Sufficiency (FSS) program [FR Notice 12/29/14].

OHFA will deny assistance to an applicant family if:

The family does not provide information that OHFA or HUD determines is necessary in the administration of the program.

The family does not provide complete and true information to OHFA.

Any family member has been evicted from federally-assisted housing in the last three years.

Any PHA has ever terminated assistance under the program for any member of the family.

Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family owes rent or other amounts to any PHA in connection with Section 8 or other public housing assistance under the 1937 Act, unless the family repays the full amount of the debt or enters into a repayment agreement with the reporting PHA and provides a copy of the repayment agreement to OHFA or provides a written statement from the reporting PHA verifying a repayment agreement is in place.

If the family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease, unless the family repays the full amount of the debt prior to voucher issuance or enters into a repayment agreement with the reporting PHA and provides a copy of the repayment agreement to OHFA or provides a written statement from the reporting PHA verifying a repayment agreement is in place.

The family has breached the terms of a repayment agreement entered into with a PHA, unless the family repays the full amount of the debt covered in the repayment agreement prior to being selected from the waiting list.

A family member has engaged in or threatened violent or abusive behavior toward PHA personnel.

*Abusive or violent behavior towards OHFA personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

*Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

OHFA will apply the following criteria, in addition to the HUD eligibility criteria, as grounds for denial of admission to the program:

The family must not have violated any family obligation during previous participation in the Section 8 program for 3 years prior to final eligibility

determination. This includes previous participation in the Section 8 program administered by another Public Housing Authority (PHA).

If the family has an outstanding debt to another PHA and the PHA agrees to allow the family to enter into a repayment agreement, OHFA will allow the family to be admitted to the program as long as payments are current.

However, if the family defaults on a repayment agreement, the family may be terminated.

If an applicant owes an outstanding debt to OHFA or another PHA, which is the result of misrepresentation from previous participation, and the applicant files bankruptcy on the debt, OHFA will deny assistance for 10 years following discharge of the debt.

The family must be in good standing regarding any current payment agreement made with another PHA for a previous debt incurred, before OHFA will allow participation in its Section 8 program.

If any applicant deliberately misrepresents the information on which eligibility or tenant rent is established, OHFA will deny assistance and may refer the family file/record to the proper authorities for appropriate disposition.

In making its decision to deny assistance, OHFA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, OHFA may, on a case-by-case basis, decide not to deny assistance.

### **3-III.D. SCREENING**

#### **Screening for Eligibility**

OHFA is authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the HCV program. This authority assists OHFA in complying with HUD requirements and OHFA's policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records OHFA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

OHFA will perform a criminal background check for every adult household member.

OHFA is required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided [24 CFR 982.553(a)(2)(i)].

At admission, annual recertification or other reexamination, OHFA will use the Dru Sjodin National Sex Offender Database, a searchable database hosted by the Department of Justice. It combines data from individual state sex offender registries and other national, state, and local resources to prevent lifetime registered sex offenders from receiving federal housing assistance. [Notice PIH 2012-28]

If OHFA proposes to deny assistance based on a criminal record or on lifetime sex offender registration information, OHFA must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission. [24 CFR 5.903(f) and 5.905(d)].

### **Screening for Suitability as a Tenant [24 CFR 982.307]**

OHFA has no liability or responsibility to the owner for the family's behavior or suitability for tenancy. OHFA may opt to conduct additional screening to determine whether an applicant is likely to be a suitable tenant.

OHFA will not conduct additional screening to determine an applicant family's suitability for tenancy.

The owner is responsible for screening and selection of the family to occupy the owner's unit. OHFA must inform the owner that screening and selection for tenancy is the responsibility of the owner. An owner may consider a family's history with respect to factors such as: payment of rent and utilities, caring for a unit and premises, respecting the rights of other residents to the peaceful enjoyment of their housing, criminal activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

HUD requires OHFA to provide prospective owners with the family's current and prior address (as shown in OHFA records) and the name and address (if known) of the owner at the family's current and prior addresses. HUD permits OHFA to provide owners with additional information, as long as families are notified that the information will be provided, and the same type of information is provided to all owners.

OHFA may not disclose to the owner any confidential information provided in response to a PHA request for documentation of domestic violence, dating violence, sexual assault or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(a)(4)].

OHFA will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the initial HQS inspection or before. OHFA will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

### **3-III.E. CRITERIA FOR DECIDING TO DENY ASSISTANCE**

#### **Evidence [24 CFR 982.553(c)]**

OHFA will use the concept of the preponderance of the evidence as the standard for making all admission decisions.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

#### **Consideration of Circumstances [24 CFR 982.552(c)(2)]**

HUD authorizes OHFA to consider all relevant circumstances when deciding whether to deny assistance based on a family's past history except in the situations for which denial of assistance is mandated (see Section 3-III.B).

OHFA will consider the following factors prior to making its decision:

The seriousness of the case, especially with respect to how it would affect other residents' safety or property

The effects that denial of assistance may have on other members of the family who were not involved in the action or failure to act

The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or (as discussed further in section 3-III.G) a victim of domestic violence, dating violence, sexual assault or stalking

The length of time since the violation occurred, the family's recent history and the likelihood of favorable conduct in the future

While a record of arrest(s) may not be the only basis for denial, however, an arrest may trigger an investigation to determine whether the applicant actually engaged in disqualifying criminal activity. As part of its investigation, OHFA may use police report(s) associated with the arrest and consider the reported circumstances of the arrest. OHFA may also consider:

Any statements made by witnesses or the applicant not included in the police report

Whether criminal charges were filed

Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal

Any other evidence relevant to determining whether the applicant engaged in disqualifying activity

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

OHFA will require the applicant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

#### **Removal of a Family Member's Name from the Application [24 CFR 982.552(c)(2)(ii)]**

HUD permits OHFA to impose as a condition of admission, a requirement that family members who participated in or were culpable for an action or failure to act which results in the denial of assistance, to not reside in the unit.

As a condition of receiving assistance, a family may agree to remove the culpable family member from the application. In such instances, the head of household must certify that the family member will not be permitted to visit or to stay as a guest in the assisted unit.

After admission to the program, the family must present evidence of the former family member's current address upon OHFA's request.

#### **Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]**

If the family includes a person with disabilities, OHFA's decision concerning denial of admission is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of assistance, OHFA will determine whether the behavior is related to the disability. If so, upon the family's request, OHFA will determine whether alternative measures are appropriate as a reasonable accommodation. OHFA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of assistance. See Chapter 2 for a discussion of reasonable accommodation.

### **3-III.F. NOTICE OF ELIGIBILITY OR DENIAL**

If the family is eligible for assistance, OHFA will notify the family when it extends the invitation to attend the voucher briefing appointment, as discussed in Chapter 5.

If OHFA determines that a family is not eligible for the program for any reason, the family must be notified promptly. The notice must describe: (1) the reasons for which assistance has been denied, (2) the family's right to an informal review, and (3) the process for obtaining the informal review [24 CFR 982.554 (a)]. See Chapter 16, for informal review policies and procedures.

The family will be notified of a decision to deny assistance in writing within 14 days of the determination.

If OHFA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before OHFA can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)]. OHFA must give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process in accordance with program requirements [24 CFR 982.553(d)].

If based on a criminal record or sex offender registration information, an applicant family appears to be ineligible OHFA will notify the family in writing of the proposed denial and provide a copy of the record to the applicant and to the subject of the record. The family will be given 14 days to dispute the accuracy and relevance of the information. If the family does not contact OHFA to dispute the information within that 14-day period, OHFA will proceed with issuing the notice of denial of admission. A family that does not exercise their right to dispute the accuracy of the information prior to issuance of the official denial letter will still be given the opportunity to do so as part of the informal review process.

Notice requirements related to denying assistance to noncitizens are contained in Section 3-II.B.

Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, sexual assault or stalking are contained in Section 3-III.G.

### **3-III.G. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING**

The Violence Against Women Act of 2013 (VAWA) and the HUD regulation at 24 CFR 5.2005(b) prohibit PHAs from denying an applicant admission to the HCV program "on the basis or as a direct result of the fact that the applicant is or has been a victim of domestic violence,

dating violence, sexual assault or stalking, if the applicant otherwise qualifies for assistance or admission.’’

Definitions of key terms used in VAWA are provided in section 16-IX of this plan, where general VAWA requirements and policies pertaining to notification, documentation, and confidentiality are also located.

## **Notification**

HUD’s Final Rule effective December 16, 2016, implemented the VAWA 2013 expanded notification requirements for OHFA to provide applicants who are denied assistance or admission with a Notice of Occupancy Rights (form HUD-5380) and the Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking (form HUD-5382) at the time the applicant is denied.

OHFA acknowledges that a victim of domestic violence, dating violence, sexual assault, or stalking may have an unfavorable history (e.g., a poor credit history, poor rental history, a record of previous damage to an apartment, a prior arrest record) due to these adverse factors that would warrant denial under OHFA’s policies.

While OHFA is not required to identify whether adverse factors that resulted in the applicant’s denial are a result of domestic violence, dating violence, sexual assault, or stalking, the applicant may inform OHFA that their status as a victim is directly related to the grounds for the denial. OHFA may request that the applicant provide enough information to OHFA to allow OHFA to make an objectively reasonable determination, based on all circumstances, whether the adverse factor is a direct result of their status as a victim.

OHFA will include in its notice of denial VAWA information and provide copies of the Notice of Occupancy Rights (form HUD-5380) and the Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking (form HUD-5382). OHFA will request that an applicant wishing to claim protection under VAWA notify OHFA within 14 business days.

## **Documentation**

### ***Victim Documentation [24 CFR 5.2007]***

If an applicant claims the protection against denial of assistance that VAWA provides to victims of domestic violence, dating violence, sexual assault or stalking, OHFA will request in writing that the applicant provide documentation supporting the claim in accordance with section 16-IX.D of this plan.

### ***Perpetrator Documentation***

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit

Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

## EXHIBIT 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES

### Person with Disabilities [24 CFR 5.403]

The term *person with disabilities* means a person who has any of the following types of conditions:

- Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:

Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months; *or*

In the case of an individual who has attained the age of 55 and is blind (within the meaning of “blindness” as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity, requiring skills or ability comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time.

- Has a developmental disability as defined in the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C.15002(8)], which defines developmental disability in functional terms as follows:

#### (A) In General

The term “developmental disability” means a severe, chronic disability of an individual that:

- (i) is attributable to a mental or physical impairment or combination of mental and physical impairments;
- (ii) is manifested before the individual attains age 22;
- (iii) is likely to continue indefinitely;
- (iv) results in substantial functional limitations in 3 or more of the following areas of major life activity: (I) Self-care, (II) Receptive and expressive language, (III) Learning, (IV) Mobility, (V) Self-direction, (VI) Capacity for independent living, (VII) Economic self-sufficiency; and
- (v) reflects the individual’s need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

## **(B) Infants and Young Children**

An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting 3 or more of the criteria described in clauses (i) through (v) of subparagraph (A) if the individual, without services and supports, has a high probability of meeting those criteria later in life.

- Has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration, substantially impedes his or her ability to live independently, and is of such a nature that the ability to live independently could be improved by more suitable housing conditions.

People with the acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for AIDS are not excluded from this definition.

A person whose disability is based solely on any drug or alcohol dependence does not qualify as a person with disabilities for the purposes of this program.

For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term person with disabilities refers to an individual with handicaps.

### **Individual with Handicaps [24 CFR 8.3]**

*Individual with handicaps* means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or is regarded as having such an impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

(1) Physical or mental impairment includes:

- (a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- (b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism,

epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

- (2) *Major life activities* means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.
- (3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.
- (4) *Is regarded as having an impairment* means:
  - (a) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;
  - (b) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or
  - (c) Has none of the impairments defined in paragraph (1) of this section but is treated by a recipient as having such an impairment.

**EXHIBIT 3-2: DEFINITION OF INSTITUTION OF HIGHER EDUCATION [20 U.S.C. 1001 and 1002]**

**Eligibility of Students for Assisted Housing Under Section 8 of the U.S. Housing Act of 1937; Supplementary Guidance; Notice [Federal Register, April 10, 2006]**

*Institution of Higher Education* shall have the meaning given this term in the Higher Education Act of 1965 in 20 U.S.C. 1001 and 1002.

*Definition of “Institution of Higher Education” From 20 U.S.C. 1001*

- (a) Institution of higher education. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” means an educational institution in any State that
- (1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;
  - (2) Is legally authorized within such State to provide a program of education beyond secondary education;
  - (3) Provides an educational program for which the institution awards a bachelor’s degree or provides not less than a 2-year program that is acceptable for full credit toward such a degree;
  - (4) Is a public or other nonprofit institution; and
  - (5) Is accredited by a nationally recognized accrediting agency or association, or if not so accredited, is an institution that has been granted preaccreditation status by such an agency or association that has been recognized by the Secretary for the granting of preaccreditation status, and the Secretary has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.
- (b) Additional institutions included. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” also includes—
- (1) Any school that provides not less than a 1-year program of training to prepare students for gainful employment in a recognized occupation and that meets the provision of paragraphs (1), (2), (4), and (5) of subsection (a) of this section; and
  - (2) A public or nonprofit private educational institution in any State that, in lieu of the requirement in subsection (a)(1) of this section, admits as regular students persons who

are beyond the age of compulsory school attendance in the State in which the institution is located.

- (c) List of accrediting agencies. For purposes of this section and section 1002 of this title, the Secretary shall publish a list of nationally recognized accrediting agencies or associations that the Secretary determines, pursuant to subpart 2 of part G of subchapter IV of this chapter, to be reliable authority as to the quality of the education or training offered.

*Definition of “Institution of Higher Education” From 20 U.S.C. 1002*

- (a) Definition of institution of higher education for purposes of student assistance programs

- (1) Inclusion of additional institutions. Subject to paragraphs (2) through (4) of this subsection, the term “institution of higher education” for purposes of subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 includes, in addition to the institutions covered by the definition in section 1001 of this title—

- (A) A proprietary institution of higher education (as defined in subsection (b) of this section);

- (B) A postsecondary vocational institution (as defined in subsection (c) of this section); and

- (C) Only for the purposes of part B of subchapter IV of this chapter, an institution outside the United States that is comparable to an institution of higher education as defined in section 1001 of this title and that has been approved by the Secretary for the purpose of part B of subchapter IV of this chapter.

- (2) Institutions outside the United States

- (A) In general. For the purpose of qualifying as an institution under paragraph (1)(C), the Secretary shall establish criteria by regulation for the approval of institutions outside the United States and for the determination that such institutions are comparable to an institution of higher education as defined in section 1001 of this title (except that a graduate medical school, or a veterinary school, located outside the United States shall not be required to meet the requirements of section 1001 (a)(4) of this title). Such criteria shall include a requirement that a student attending such school outside the United States is ineligible for loans made, insured, or guaranteed under part B of subchapter IV of this chapter unless—

- (i) In the case of a graduate medical school located outside the United States—

- (I)(aa) At least 60 percent of those enrolled in, and at least 60 percent of the graduates of, the graduate medical school outside the United States were not persons described in section 1091(a)(5) of this title in the year preceding the

year for which a student is seeking a loan under part B of subchapter IV of this chapter; and

(bb) At least 60 percent of the individuals who were students or graduates of the graduate medical school outside the United States or Canada (both nationals of the United States and others) taking the examinations administered by the Educational Commission for Foreign Medical Graduates received a passing score in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; or

(II) The institution has a clinical training program that was approved by a State as of January 1, 1992; or

(ii) In the case of a veterinary school located outside the United States that does not meet the requirements of section 1001(a)(4) of this title, the institution's students complete their clinical training at an approved veterinary school located in the United States.

(B) Advisory panel

(i) In general. For the purpose of qualifying as an institution under paragraph (1)(C) of this subsection, the Secretary shall establish an advisory panel of medical experts that shall—

(I) Evaluate the standards of accreditation applied to applicant foreign medical schools; and

(II) Determine the comparability of those standards to standards for accreditation applied to United States medical schools.

(ii) Special rule if the accreditation standards described in clause (i) are determined not to be comparable, the foreign medical school shall be required to meet the requirements of section 1001 of this title.

(C) Failure to release information. The failure of an institution outside the United States to provide, release, or authorize release to the Secretary of such information as may be required by subparagraph (A) shall render such institution ineligible for the purpose of part B of subchapter IV of this chapter.

(D) Special rule. If, pursuant to this paragraph, an institution loses eligibility to participate in the programs under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, then a student enrolled at such institution may, notwithstanding such loss of eligibility, continue to be eligible to receive a loan under part B while

attending such institution for the academic year succeeding the academic year in which such loss of eligibility occurred.

(3) Limitations based on course of study or enrollment. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution—

(A) Offers more than 50 percent of such institution's courses by correspondence, unless the institution is an institution that meets the definition in section 2471 (4)(C) of this title;

(B) Enrolls 50 percent or more of the institution's students in correspondence courses, unless the institution is an institution that meets the definition in such section, except that the Secretary, at the request of such institution, may waive the applicability of this subparagraph to such institution for good cause, as determined by the Secretary in the case of an institution of higher education that provides a 2-or 4-year program of instruction (or both) for which the institution awards an associate or baccalaureate degree, respectively;

(C) Has a student enrollment in which more than 25 percent of the students are incarcerated, except that the Secretary may waive the limitation contained in this subparagraph for a nonprofit institution that provides a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree, or an associate's degree or a postsecondary diploma, respectively; or

(D) Has a student enrollment in which more than 50 percent of the students do not have a secondary school diploma or its recognized equivalent, and does not provide a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree or an associate's degree, respectively, except that the Secretary may waive the limitation contained in this subparagraph if a nonprofit institution demonstrates to the satisfaction of the Secretary that the institution exceeds such limitation because the institution serves, through contracts with Federal, State, or local government agencies, significant numbers of students who do not have a secondary school diploma or its recognized equivalent.

(4) Limitations based on management. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if—

(A) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management or policies of the institution, has filed for bankruptcy, except that this paragraph shall not apply to a nonprofit institution, the primary function of which is to provide health care educational services (or an affiliate of such an institution that has the power, by

contract or ownership interest, to direct or cause the direction of the institution's management or policies) that files for bankruptcy under chapter 11 of title 11 between July 1, 1998, and December 1, 1998; or

(B) The institution, the institution's owner, or the institution's chief executive officer has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, or has been judicially determined to have committed fraud involving funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42.

(5) Certification. The Secretary shall certify an institution's qualification as an institution of higher education in accordance with the requirements of subpart 3 of part G of subchapter IV of this chapter.

(6) Loss of eligibility. An institution of higher education shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution is removed from eligibility for funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 as a result of an action pursuant to part G of subchapter IV of this chapter.

(b) Proprietary institution of higher education

(1) Principal criteria. For the purpose of this section, the term "proprietary institution of higher education" means a school that—

(A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;

(B) Meets the requirements of paragraphs (1) and (2) of section 1001 (a) of this title;

(C) Does not meet the requirement of paragraph (4) of section 1001 (a) of this title;

(D) Is accredited by a nationally recognized accrediting agency or association recognized by the Secretary pursuant to part G of subchapter IV of this chapter;

(E) Has been in existence for at least 2 years; and

(F) Has at least 10 percent of the school's revenues from sources that are not derived from funds provided under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, as determined in accordance with regulations prescribed by the Secretary.

(2) Additional institutions. The term "proprietary institution of higher education" also includes a proprietary educational institution in any State that, in lieu of the requirement

in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

(c) Postsecondary vocational institution.

(1) Principal criteria. For the purpose of this section, the term “postsecondary vocational institution” means a school that—

(A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;

(B) Meets the requirements of paragraphs (1), (2), (4), and (5) of section 1001 (a) of this title; and

(C) Has been in existence for at least 2 years.

(2) Additional institutions. The term “postsecondary vocational institution” also includes an educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

## Chapter 4

### APPLICATIONS, WAITING LIST AND TENANT SELECTION

#### INTRODUCTION

When a family wishes to receive Section 8 HCV assistance, the family must submit an application that provides Oklahoma Housing Finance Agency (OHFA) with the information needed to determine the family's eligibility. The U.S. Department of Housing and Urban Development (HUD) requires OHFA to place all eligible families that apply for assistance on a waiting list. When HCV assistance becomes available, OHFA must select eligible families from the waiting list in accordance with HUD requirements and OHFA policies as stated in the administrative plan and the annual plan.

OHFA is required to adopt a clear approach to accepting applications, placing families on the waiting list, selecting families from the waiting list and must follow this approach consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or OHFA to receive preferential treatment. Funding earmarked exclusively for families with particular characteristics may also alter the order in which families are served.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that OHFA affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that OHFA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and OHFA policies for taking applications, managing the waiting list, and selecting eligible families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how OHFA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how OHFA's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process OHFA will use to keep the waiting list current.

Part III: Selection for HCV Assistance. This part describes the policies that guide OHFA in selecting eligible families for HCV assistance as such assistance becomes available. It

also specifies how in-person interviews will be used to ensure that OHFA has the information needed to make a final eligibility determination.

## **PART I: THE APPLICATION PROCESS**

### **4-I.A. OVERVIEW**

This part describes the policies that guide OHFA's efforts to distribute and accept applications, and to make preliminary determinations of applicant family eligibility that affect placement of the family on the waiting list. This part also describes OHFA's obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

### **4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16, Notice PIH 2009-36]**

Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits OHFA to determine the format and content of HCV applications, how applications will be made available to interested families, and how applications will be accepted by OHFA. However, OHFA must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of OHFA's application.

OHFA initially will require families to provide only the information needed to make an initial assessment of the family's eligibility, and to determine the family's placement on the waiting list. The family will be required to provide all of the information necessary to establish family eligibility and level of assistance when the family is selected from the waiting list.

Families may complete and submit an application online at [www.ohfa.org](http://www.ohfa.org). Families may also obtain application forms from OHFA's office during normal business hours or request an application by mail for a form to be sent to the family via first class mail.

Completed applications must be returned to OHFA by mail, electronically, by fax, or submitted in person during normal business hours. Applications must be complete in order to be accepted by OHFA for processing. If an application is incomplete, OHFA will notify the family of the additional information required.

## **4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS**

### **Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 – 4-13]**

OHFA must take a variety of steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard OHFA application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). OHFA must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or OHFA must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of OHFA's policies related to providing reasonable accommodations for people with disabilities.

### **Limited English Proficiency**

OHFA is required to take reasonable steps to ensure meaningful access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on OHFA's policies related to ensuring access to people with limited English proficiency (LEP).

## **4-I.D. PLACEMENT ON THE WAITING LIST**

OHFA must review each complete application received and make a preliminary assessment of the family's eligibility. OHFA must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in the regulations [24 CFR 982.206(b)(2)]. Where the family is determined to be ineligible, OHFA must notify the family in writing [24 CFR 982.201(f)]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [24 CFR 982.202(c)].

### **Ineligible for Placement on the Waiting List**

If OHFA can determine from the information provided that a family is ineligible, the family will not be placed on the waiting list. Where a family is determined to be ineligible, OHFA will send written notification of the ineligibility determination within 14 days of receiving a complete application. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review and explain the process for doing so (see Chapter 16).

## **Eligible for Placement on the Waiting List**

OHFA will send written notification of the preliminary eligibility determination within 14 days of receiving a complete application.

Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.

Applicants will be placed on the waiting list according to any preference(s) for which they qualify, and the date and time their complete application is received by OHFA.

## **PART II: MANAGING THE WAITING LIST**

### **4-II.A. OVERVIEW**

OHFA must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how OHFA may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

### **4-II.B. ORGANIZATION OF THE WAITING LIST [24 CFR 982.204 and 205]**

OHFA's HCV waiting list must be organized in such a manner to allow OHFA to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Applicant name;
- Family unit size;
- Date and time of application;
- Qualification for any local preference;
- Racial or ethnic designation of the head of household.

HUD requires OHFA to maintain a single waiting list for the HCV program unless it serves more than one county or municipality. OHFA is permitted, but not required, to maintain a separate waiting list for each county or municipality served.

OHFA will maintain a single waiting list for the HCV program.

HUD directs that a family that applies for assistance from the HCV program must be offered the opportunity to be placed on the waiting list for any public housing, project-based voucher or moderate rehabilitation program OHFA operates if 1) the other programs' waiting lists are open, and 2) the family is qualified for the other programs.

HUD permits, but does not require, that OHFA maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs.

A family's decision to apply for, receive, or refuse other housing assistance must not affect the family's placement on the HCV waiting list, or any preferences for which the family may qualify.

OHFA will not merge the HCV waiting list with the waiting list for any other program that OHFA operates.

#### **4-II.C. OPENING AND CLOSING THE WAITING LIST [24 CFR 982.206]**

##### **Closing the Waiting List**

OHFA is permitted to close the waiting list if it has an adequate pool of families to use its available HCV assistance. Alternatively, OHFA may elect to continue to accept applications only from certain categories of families that meet particular preferences or funding criteria.

OHFA will close the waiting list when the estimated waiting period for housing assistance for applicants on the list reaches 24 months for the most current applicants. Where OHFA has particular preferences or funding criteria that require a specific category of family, OHFA may elect to continue to accept applications from these applicants while closing the waiting list to others.

##### **Reopening the Waiting List**

If the waiting list has been closed, it cannot be reopened until OHFA publishes a notice in local newspapers of general circulation, minority media, and other suitable media outlets. The notice must comply with HUD fair housing requirements and must specify who may apply, and where and when applications will be received.

OHFA will give public notice by publishing the relevant information in suitable media outlets including, but not limited to:

The Oklahoman, The Black Chronicle, and Tulsa World

In the event of a state or federally declared disaster in Oklahoma, OHFA may accept applications from families rendered homeless due to the disaster when OHFA's HCV waiting list is closed to all others. A family applying for assistance due to a state or federally declared disaster will be required to provide a referral form from the American Red Cross or the Federal Emergency Management Agency (FEMA). The referral form must include the address of a unit in the affected area. If the disaster is a federally declared disaster, in addition to a referral form, a FEMA application number and verification of eligibility of benefits must be provided.

#### **4-II.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]**

OHFA must conduct outreach as necessary to ensure that OHFA has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires OHFA to serve a specified percentage of extremely low-income families (see Chapter 4, Part III), OHFA may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

OHFA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

OHFA outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities
- Providing notification to OHFA's Advisory Board regarding public notices

OHFA will monitor the characteristics of the population being served and the characteristics of the population as a whole in OHFA's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

#### **4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES**

While the family is on the waiting list, the family must immediately inform OHFA of changes in contact information, including current residence, mailing address, and phone number. The changes must be submitted in writing.

#### **4-II.F. UPDATING THE WAITING LIST [24 CFR 982.204]**

HUD requires OHFA to establish policies to use when removing applicant names from the waiting list.

##### **Purging the Waiting List**

The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to an OHFA request for information or updates because of the family member's disability, OHFA must reinstate the applicant family to their former position on the waiting list [24 CFR 982.204(c)(2)].

The waiting list will be updated annually to ensure that all applicants and applicant information is current and timely.

To update the waiting list, OHFA will send an update request via first class mail to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for, the program. This update request will be sent to the last address that OHFA has on record for the family. The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the waiting list.

The family's response must be in writing and may be delivered in person, electronically, by mail, or by fax. Responses should be postmarked or received by OHFA no later than 14 days from the date of OHFA's letter.

If the family fails to respond within 14 days, the family will be removed from the waiting list without further notice.

If the notice is returned by the post office with no forwarding address, the applicant will be removed from the waiting list without further notice.

If the notice is returned by the post office with a forwarding address, the family's address will be updated in the system and the family remains on the waiting list.

If a family is removed from the waiting list for failure to respond, the family may be reinstated if it is determined the lack of response was due to OHFA error, or to circumstances beyond the family's control.

### **Removal from the Waiting List**

If at any time an applicant family is on the waiting list, OHFA determines that the family is not eligible for assistance (see Chapter 3); the family will be removed from the waiting list.

If a family is removed from the waiting list because OHFA has determined the family is not eligible for assistance, a notice will be sent to the family's address of record as well as to any alternate address provided on the initial application. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding OHFA's decision (see Chapter 16) [24 CFR 982.201(f)].

## **PART III: SELECTION FOR HCV ASSISTANCE**

### **4-III.A. OVERVIEW**

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families receive assistance from the waiting list depends on the selection method chosen by OHFA and is impacted in part by any selection preferences that the family qualifies for. The source of HCV funding also may affect the order in which families are selected from the waiting list.

OHFA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to OHFA's selection policies [24 CFR 982.204(b) and 982.207(e)].

## **4-III.B. SELECTION AND HCV FUNDING SOURCES**

### **Special Admissions [24 CFR 982.203]**

HUD may award funding for specifically-named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, OHFA may admit families that are not on the waiting list, or without considering the family's position on the waiting list. OHFA must maintain records showing that such families were admitted with special program funding.

### **Targeted Funding [24 CFR 982.204(e)]**

HUD may award OHFA funding for a specified category of families on the waiting list. OHFA must use this funding only to assist the families within the specified category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

OHFA administers the following types of targeted funding:

#### ***Tenant Protection Vouchers and Enhanced Vouchers***

Through the Foster Youth to Independence (FYI) initiative HUD will provide Tenant Protection Vouchers (TPVs) for youth eligible under the Family Unification Program (FUP), subject to availability. Per the Consolidated Appropriations Act, 2019 (2019 Appropriations Act) (Public Law 116-6, approved February 15, 2019), TPV appropriated funds may be used for FUP under Section 8(x) of the U.S. Housing Act of 1937 (42 U.S.C. 1437f(x)).

Through this targeted allocation, HUD is investing in local, cross-system collaborative efforts to prevent and end homelessness among youth with a current or prior history of child welfare involvement.

The Foster Youth to Independence Initiative requires community partners to coordinate, identify, target, and connect eligible youth at-risk of or experiencing homelessness to housing and related supports. This initiative calls for public housing agencies (PHAs), public child welfare agencies (PCWAs), and continuums of care (CoCs) to work together to determine the most appropriate intervention for each young person.

OHFA in collaboration with the Oklahoma Department of Human Services (DHS) and the National Resource Agency for Youth Services (NRCYS) operating through the Oklahoma Successful Adulthood Program (OKSA) and the Yes I Can! (YIC) Resource and Referral Helpline will work together on this initiative.

OHFA must enter into a partnership agreement with a PCWA. There is no minimum number of tenant protection vouchers (TPVs) that must be requested; however, OHFA is limited to a maximum award of 25 vouchers in a fiscal year. An application for TPVs under this program may not occur until OHFA has received a referral of a FUP-eligible youth by the partnering PCWA. When OHFA's waiting list is closed, OHFA may continue to accept these referrals.

The provision of supportive services is not an eligible use of the HUD funding.

To be eligible for assistance under the Foster Youth to Independence (FYI) initiative applicants must have a written referral from the Oklahoma Department of Human Services (DHS) and/or its designated partner determining that a child is at imminent risk of placement in out-of-home care or that a child in out-of-home care under the supervision of the public agency may be returned to his or her family, or that a youth is at least 18 years and not more than 24 years of age and left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act, and is homeless or is at risk of becoming homeless.

### **Regular HCV Funding**

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

### **4-III.C. SELECTION METHOD**

OHFA must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that OHFA will use [24 CFR 982.202(d)].

### **Local Preferences [24 CFR 982.207; HCV p. 4-16]**

OHFA is permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits OHFA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the OHFA plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

OHFA offers the following local preferences:

OHFA will offer a preference to any family that has been terminated from its HCV program due to insufficient program funding. Disability Preference: This preference is extended to disabled persons or families with a disabled member as defined in this plan.

Proof of disability will be required at the time of placement on the waiting list. A disabled person must meet one of the following definitions:

42 U.S.C. Section 423 (d)(1) defines disability as (A) inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. A disabled person whose physical impairment is expected to be long, continued and of indefinite duration and substantially impedes his or her ability to live independently, and is of such a nature that such a disability could be improved by more suitable housing; or (B) in the case of an individual who has attained the age of 55 and is blind (within the meaning of “blindness” as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time; or

Is determined to have a development disability as defined in the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15001 section 102).

The disabled person definition does not exclude persons who have the disease of AIDS or any conditions arising from the etiologic agent for the AIDS.

The disabled person definition does not include a person whose disability is based solely on any drug or alcohol dependence (for eligibility purposes).

**Homeless Preference:** A homeless family is defined as:

Lacking a fixed, regular and adequate nighttime residence; AND has a primary nighttime residence that is a supervised public or private shelter providing temporary accommodations or a public or private place not ordinarily used as a sleeping accommodation for human beings; OR

An individual or family who has been displaced due to a major disaster declared by the President of the United States AND receives temporary federal housing assistance within the state of Oklahoma AND has a valid personal federal disaster identification number issued by the Federal Emergency Management Agency (FEMA).

An individual or family residing with friends or relatives on a temporary basis is not eligible for the homeless preference unless the family has been displaced due to a major

disaster declared by the President of the United States AND has established residency within the state of Oklahoma (employment, school enrollment, etc.) AND has a valid personal federal disaster identification number issued by the Federal Emergency Management Agency (FEMA).

Youth aging out of foster care referred to OHFA by the Oklahoma Department of Human Services (OKDHS).

### **Homeless Verification:**

To verify homeless eligibility, the homeless applicant must provide one of the following:

A referral from the shelter that the applicant is residing at; or

If the shelter is full, a statement from each local shelter in the county verifying that the shelters are unable to accommodate the applicant; or

If the county does not have a shelter, a statement from DHS that the applicant is homeless and there are not any shelters in that county.

The homeless preference does not apply to any individual imprisoned.

Victims of domestic violence, dating violence, sexual assault, or stalking who are displaced as a result of fleeing violence in the home will be included in the homeless definition if the following conditions are met [Notice PIH 2013-15]:

Has no other residence [Notice PIH 2013-15]; and

Lacks the resources or support networks, e.g., family, friends, and faith-based or other social networks, to obtain other permanent housing [Notice PIH 2013-15]; and

The actual or threatened violence occurred within the past 90 days or be of a continuing nature; and

If victim of domestic violence, the actual or threatened physical violence is directed against the applicant or the applicant's family by a spouse or other household member who lives in the unit with the family. The abuser must still reside in the unit from which the victim was displaced. The applicant must certify that the abuser will not reside with the applicant.

If the abuser returns to the family without approval of OHFA, OHFA will deny or terminate assistance for breach of the certification.

OHFA may approve the return of the abuser to the household if a counselor, therapist, or other appropriate professional recommends, in writing, that the individual be allowed to reside with the family.

At the family's request, OHFA will take precautions to ensure that the new location of the family is concealed in cases of domestic abuse.

An applicant who lives in a violent neighborhood or is fearful of other violence outside the household will not be included in the domestic violence definition.

## **SPECIAL PURPOSE VOUCHERS**

**Oklahoma Health Care Authority:** OHFA shall commit up to 50 Housing Choice Vouchers (HCV) per calendar year for the Oklahoma Health Care Authority's (OHCA) Living Choice program to provide rental assistance to persons with disabilities (must meet OHFA's definition of disabled) who are transitioning from a nursing home or assisted living facility. Vouchers not utilized in a calendar year will not carry forward to the next calendar year. Commitment of these vouchers shall be contingent upon available funding and an adequate supply of available vouchers (may not exceed OHFA's authorized baseline for the HCV program).

Families referred by Oklahoma Health Care Authority must meet OHFA's eligibility requirements for the HCV program in order to receive assistance.

Families referred by the Oklahoma Health Care Authority will be required to complete an application for the HCV program. Eligible families will be placed on the HCV waiting list in date order and given a unique identification number that will allow OHFA to track each family's progression through the program. When OHFA's waiting list is closed, OHFA may continue to accept referrals from the Oklahoma Health Care Authority until the 50 vouchers reserved for the calendar year have been utilized.

**Oklahoma Homeless Alliance:** OHFA shall commit up to 10 Housing Choice Vouchers (HCV) per month (maximum of 120 HCVs per calendar year) to provide rental assistance to chronically homeless families referred by the Oklahoma Homeless Alliance who, at a minimum, meet OHFA's definition of homeless. Vouchers not utilized in a calendar year will not carry forward to the next calendar year. Commitment of these vouchers shall be contingent upon available funding and an adequate supply of available vouchers (may not exceed OHFA's authorized baseline for the HCV program).

Families referred by the Oklahoma Homeless Alliance must meet OHFA's eligibility requirements for the HCV program in order to receive assistance.

Families referred by the Oklahoma Homeless Alliance will be required to complete an application for the HCV program. Eligible families will be placed on the HCV waiting list in date order and given a unique identification number that will allow OHFA to track each family's progression through the program. When OHFA's waiting list is closed, OHFA may continue to accept referrals from the Oklahoma Homeless Alliance until the 120 vouchers reserved for the calendar year have been utilized.

An applicant will not be granted a local preference if any member of the family has been evicted from housing assisted under a 1937 Housing Act Program during the past three years.

If an applicant makes a false statement in order to qualify for a local preference, OHFA will deny the family admission to the program.

A family who has been denied assistance or terminated from the program due to a program violation may not apply for preference status for a period of three years from the date of denial or termination.

**Youth Aging out of Foster Care:** OHFA shall commit up to 50 Housing Choice Vouchers (HCV) per calendar year to provide rental assistance to youth aging out of foster care in an effort to prevent youth from aging out of foster care and into homelessness. Youth must meet OHFA's and the Department of Housing and Urban Development's (HUD) eligibility requirements for participation in the HCV program. OHFA will only accept referrals from the Oklahoma Department of Human Services (OKDHS).

HCVs not utilized in a calendar year will not carry forward to the next calendar year.

Commitment of HCVs will be contingent upon available funding and an adequate supply of available rental vouchers, which may not exceed OHFA's total authorized baseline for the HCV program as established annually by HUD.

OHFA may continue to accept referrals from OKDHS when OHFA's waiting list for the HCV program is closed to all other applicants until the 50 HCVs reserved for the calendar year have been utilized.

**Mental Health Association Oklahoma:** OHFA shall commit up to 10 Housing Choice Vouchers (HCV) per month (maximum of 120 HCVs per calendar year) to provide rental assistance to chronically homeless families referred by the Mental Health Association Oklahoma who, at a minimum, meet OHFA's definition of homeless. Vouchers not utilized in a calendar

year will not carry forward to the next calendar year. Commitment of these vouchers shall be contingent upon available funding and an adequate supply of available vouchers (may not exceed OHFA's authorized baseline for the HCV program).

Families referred by the Mental Health Association Oklahoma must meet OHFA's eligibility requirements for the HCV program in order to receive assistance.

Families referred by the Mental Health Association Oklahoma will be required to complete an application for the HCV program. Eligible families will be placed on the HCV waiting list in date order and given a unique identification number that will allow OHFA to track each family's progression through the program. When OHFA's waiting list is closed, OHFA may continue to accept referrals from the Mental Health Association Oklahoma until the 120 vouchers reserved for the calendar year have been utilized.

## **SPECIAL DISASTER ASSISTANCE**

**Richard S. Lillard Emergency Housing Assistance Fund:** OHFA shall commit \$500,000 per fiscal year to be available for an Oklahoma disaster receiving a federal declaration and/or a disaster declared a state of emergency by the Governor of Oklahoma where a minimum of 25 families are impacted. No additional funds will be available within a fiscal year after the \$500,000 has been exhausted.

Funds may only be used in Oklahoma.

Funds will only be disbursed in the fiscal year in which the disaster occurred.

Funds may be applied for up to 60 days after the disaster.

An eligible family may receive up to \$1,500 per fiscal year for assistance with paying one-month's rent, security (rent) deposit, utility deposit(s), and/or hotel accommodations.

Funds will be disbursed directly to the housing or utility provider. Funds may not be "banked" for later use.

Disbursed funds are considered a grant and will not be required to be repaid to OHFA unless funds were disbursed as a result of a fraudulent claim.

## **Income Targeting Requirement [24 CFR 982.201(b)(2)]**

HUD requires that extremely low-income (ELI) families make up at least 75 percent of the families admitted to the HCV program during OHFA's fiscal year. ELI families are those with annual incomes at or below the federal poverty level or 30 percent of the area median income, whichever number is higher. To ensure this requirement is met, OHFA may skip non-ELI families on the waiting list in order to select an ELI family.

Low-income families admitted to the program that are “continuously assisted” under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

OHFA will monitor progress in meeting the ELI requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income-targeting requirement is met.

### **Order of Selection**

OHFA’s system of preferences may select families either according to the date and time of application, or by a random selection process [24 CFR 982.207(c)]. When selecting families from the waiting list, OHFA is required to use targeted funding to assist only those families who meet the specified criteria, and OHFA is not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

Families will be selected from the waiting list based on the targeted funding or selection preference(s) for which they qualify, and in accordance with OHFA’s hierarchy of preferences, if applicable. Within each targeted funding or preference category, families will be selected on a first-come, first-served basis according to the date and time their complete application is received by OHFA. Documentation will be maintained by OHFA as to whether families on the list qualify for and are interested in targeted funding. If a higher placed family on the waiting list is not qualified or not interested in targeted funding, there will be a notation maintained so that OHFA does not have to ask higher placed families each time targeted selections are made.

### **4-III.D. NOTIFICATION OF SELECTION**

When a family has been selected from the waiting list, OHFA must notify the family [24 CFR 982.554(a)].

OHFA will notify the family by mail when it is selected from the waiting list. The notice will inform the family of the following:

Date, time, and location of the scheduled application interview, including any procedures for rescheduling the interview

Who is required to attend the interview

Documents that must be provided at the interview to document the legal identity of household members, including information about what constitutes acceptable documentation

Other documents and information that should be brought to the interview

If any letter is returned to OHFA with no forwarding address, the family will be dropped from the waiting list. No additional correspondence will be sent to the family's address of record. At this time, since OHFA does not have the necessary information to make an eligibility determination this action does not constitute a denial.

#### **4-III.E. THE APPLICATION INTERVIEW**

HUD recommends that OHFA obtain the information and documentation needed to make an eligibility determination through a private interview [HCV GB, pg. 4-16]. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if OHFA determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by OHFA [Notice PIH 2018-24].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability.

Families selected from the waiting list are required to participate in an eligibility interview.

The head of household, spouse/cohead, and each household member 18 years of age or older must attend the interview and provide appropriate documentation of legal identity. (Chapter 7 provides a discussion of proper documentation of legal identity). If the family does not provide the required documentation, the appointment may be rescheduled when the proper documents have been obtained.

Pending disclosure and documentation of social security numbers, OHFA will allow the family to retain its place on the waiting list for **up to 90 days**. If not all household members have disclosed their SSNs at the next time OHFA is issuing vouchers, OHFA will issue a voucher to the next eligible applicant family on the waiting list.

The family must provide the information necessary to establish the family's eligibility and determine the appropriate level of assistance, as well as completing required forms, providing required signatures, and submitting required documentation. If any materials

are missing, OHFA will provide the family with a written list of items that must be submitted.

Any required documents or information that the family is unable to provide at the interview must be provided within 14 days of the interview (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of Social Security numbers and eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial (See Chapter 3).

An advocate, interpreter, or other assistant may assist the family with the application and the interview process.

Interviews will be conducted in English. For limited English proficient (LEP) applicants, OHFA will provide translation services in accordance with OHFA's LEP plan.

Applicants who fail to attend the first scheduled briefing must call OHFA at 405-848-1144 or 800-256-1489 extension 1011 (initial certification rescheduling line) on or before the appointment date or they will be dropped from the waiting list. If the applicant calls on or before the appointment date of the first briefing, OHFA will notify the family of the date and time of the second scheduled briefing. Applicants who fail to attend two scheduled briefings, without OHFA approval, will be denied assistance based on the family's failure to supply information needed to determine eligibility. A notice of denial will be issued in accordance with policies contained in Chapter 3.

#### **4-III.F. COMPLETING THE APPLICATION PROCESS**

OHFA must verify all information provided by the family (see Chapter 7). Based on verified information, OHFA must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted admission, or selection preference that affected the order in which the family was selected from the waiting list.

If OHFA determines that the family is ineligible, OHFA will send written notification of the ineligibility determination within 14 days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review (Chapter 16).

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. targeted funding, extremely low-income), the family will be

returned to its original position on the waiting list. OHFA will notify the family in writing that it has been returned to the waiting list, and will specify the reasons for it.

If OHFA determines that the family is eligible to receive assistance, OHFA will invite the family to attend a briefing in accordance with the policies in Chapter 5.

## Chapter 5

### BRIEFINGS AND VOUCHER ISSUANCE

#### INTRODUCTION

This chapter explains the briefing and voucher issuance process. When a family is determined to be eligible for the Housing Choice Voucher (HCV) program, Oklahoma Housing Finance Agency (OHFA) must ensure that the family fully understands the way the program operates and the family's obligations under the program. This is accomplished through both an oral briefing and provision of a briefing packet containing written documentation of information the family needs to know. Once the family is fully informed of the program's requirements, OHFA issues the family a voucher. The voucher includes the unit size the family qualifies for based on OHFA's subsidy standards, as well as the dates of issuance and expiration of the voucher. The voucher is the document that permits the family to begin its search for a unit, and limits the amount of time the family has to successfully locate an acceptable unit.

This chapter describes U.S. Department of Housing and Urban Development (HUD) regulations and OHFA policies related to these topics in two parts:

Part I: Briefings and Family Obligations. This part details the program's requirements for briefing families orally, and for providing written materials describing the program and its requirements. It includes a particular focus on the family's obligations under the program.

Part II: Subsidy Standards and Voucher Issuance. This part discusses OHFA's standards for determining how many bedrooms a family of a given composition qualifies for, which in turn affects the amount of subsidy the family can receive. It also discusses the policies that dictate how vouchers are issued, and how long families have to locate a unit.

## **PART I: BRIEFINGS AND FAMILY OBLIGATIONS**

### **5-I.A. OVERVIEW**

HUD regulations require OHFA to conduct mandatory briefings for applicant families. The briefing provides a broad description of owner and family responsibilities, explains OHFA's procedures, and includes instructions on how to lease a unit. This part describes how oral briefings will be conducted, specifies what written information will be provided to families, and lists the family's obligations under the program.

### **5-I.B. BRIEFING [24 CFR 982.301]**

OHFA must give the family an oral briefing and provide the family with a briefing packet containing written information about the program. Families may be briefed individually or in groups. At the briefing, OHFA must ensure effective communication in accordance with Section 504 requirements (Section 504 of the Rehabilitation Act of 1973), and ensure that the briefing site is accessible to individuals with disabilities. For a more thorough discussion of accessibility requirements, refer to Chapter 2.

Briefings will be conducted in individual or group meetings.

The head of household, spouse/cohead, and each household member 18 years old or older must attend the interview.

Families that attend group briefings and still need individual assistance will be referred to an appropriate OHFA staff person.

Briefings will be conducted in English. For limited English proficient (LEP) applicants, OHFA will provide translation services in accordance with OHFA's LEP plan (See Chapter 2).

### **Notification and Attendance**

Families will be notified by mail that they are invited to attend a briefing. The notice will identify who is required to attend the briefing, as well as the date and time of the scheduled briefing.

If the notice is returned by the post office with no forwarding address, the applicant will be dropped and their name will not be placed back on the waiting list. At this time, since OHFA does not have the necessary information to make an eligibility determination this action does not constitute a denial. If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated.

Applicants who fail to attend the first scheduled briefing must call OHFA at 405-848-1144 or 800-256-1489 extension 1011 (initial certification rescheduling line) on or before

the appointment date or they will be dropped from the waiting list. If the applicant calls on or before the appointment date of the first briefing, OHFA will notify the family of the date and time of the second scheduled briefing. Applicants who fail to attend two scheduled briefings, without OHFA approval, will be denied assistance (see Chapter 3).

### **Oral Briefing [24 CFR 982.301(a)]**

Each briefing must provide information on the following subjects:

- How the Housing Choice Voucher program works;
- Family and owner responsibilities;
- Where the family can lease a unit, including renting a unit inside or outside OHFA's jurisdiction;
- An explanation of how portability works. OHFA may not discourage families from choosing to live anywhere in OHFA's jurisdiction or outside OHFA's jurisdiction under portability, unless otherwise expressly authorized by statute, regulation, PIH Notice, or court order.
- OHFA must inform the family of how portability may affect the family's assistance through screening, subsidy standards, payment standards, and any other elements of the portability process which may affect the family's assistance;
- The advantages of areas that do not have a high concentration of low-income families; and
- For families receiving welfare-to-work vouchers, a description of any local obligations of a welfare-to-work family and an explanation that failure to meet the obligations is grounds for denial of admission or termination of assistance.

### **Briefing Packet [24 CFR 982.301(b)]**

Documents and information provided in the briefing packet must include the following:

- The term of the voucher, voucher suspensions, and OHFA's policies on any extensions of the term. If OHFA allows extensions, the packet must explain how the family can request an extension.
- A description of the method used to calculate the housing assistance payment for a family, including how OHFA determines the payment standard for a family, how OHFA determines total tenant payment for a family, and information on the payment standard and utility allowance schedule.
- An explanation of how OHFA determines the maximum allowable rent for an assisted unit.

- Where the family may lease a unit and an explanation of how portability works, including information on how portability may affect the family's assistance through screening, subsidy standards, payment standards, and any other elements of the portability process. OHFA will not allow a family to exercise portability unless the family has resided in OHFA's jurisdiction for at least one year immediately preceding the request to move. The Violence Against Women Act (VAWA) provides an exception to this rule. If a family has requested to utilize portability in order to protect the health or safety of a person who is or has been the victim of domestic violence, dating violence, sexual assault or stalking, OHFA will approve the portability request once the required documentation has been received.
- OHFA may deny a family's request for portability if portability could create a financial hardship for OHFA.
- The HUD-required tenancy addendum, which must be included in the lease.
- The form the family must use to request approval of tenancy, and a description of the procedure for requesting approval for a tenancy.
- A statement of OHFA's policy on providing information about families to prospective owners.
- OHFA's subsidy standards including when and how exceptions are made.
- Information on how to select a unit.
- Information on federal, state and local equal opportunity laws and a copy of the housing discrimination complaint form.
- A list of landlords who may be willing to lease a unit to the family or other resources (e.g., newspapers, organizations, online search tools) that may help families find units, including units outside areas of poverty or minority concentration.
- Notice that if the family includes a person with disabilities, the family may request a list of available accessible units known to OHFA.
- The family obligations under the program.
- The grounds on which OHFA may terminate assistance for a participant family because of family action or failure to act.
- OHFA informal review procedures including when OHFA is required to offer a participant family the opportunity for an informal review, and how to request the review.
- An explanation of the advantages of moving to an area that does not have a high concentration of low-income families.

If OHFA is located in a metropolitan FMR area, the following additional information must be included in the briefing packet in order to receive full points under SEMAP Indicator 7, Expanding Housing Opportunities [24 CFR 985.3(g)]:

- Maps showing areas with housing opportunities outside areas of poverty or minority concentration, both within its jurisdiction and its neighboring jurisdiction
- Information about the characteristics of these areas including job opportunities, schools, transportation, and other services
- An explanation of how portability works

### **Additional Items to Be Included in the Briefing Packet**

In addition to items required by the regulations, PHAs may wish to include supplemental materials to help explain the program to both participants and owners [HCV GB p. 8-7, Notice PIH 2017-12].

OHFA will provide the following additional materials in the briefing packet:

The HUD pamphlet on lead-based paint entitled *Lead*.

Information on how to fill out and file a housing discrimination complaint form

The form HUD-5380 domestic violence certification form and the form HUD-5382 notice of occupancy rights, which contains information on VAWA protections for victims of domestic violence, dating violence, sexual assault, and stalking

“Is Fraud Worth It?” (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse

“What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2017-12

### **5-I.C. FAMILY OBLIGATIONS**

Obligations of the family are described in the housing choice voucher (HCV) regulations and on the voucher itself. These obligations include responsibilities the family is required to fulfill, as well as prohibited actions. OHFA must inform families of these obligations during the oral briefing, and the same information must be included in the briefing packet. When the family’s unit is approved and the HAP contract is executed, the family must meet those obligations in order to continue participating in the program. Violation of any family obligation may result in termination of assistance, as described in Chapter 12.

## **Time Frames for Reporting Changes Required By Family Obligations**

Unless otherwise noted below, when family obligations require the family to respond to a request the response is due within 14 days. However, if you are required to notify OHFA of a change, notifying OHFA of the change within 30 days is considered prompt notice.

When a family is required to provide notice to OHFA, the notice must be in writing.

### **Family Obligations [24 CFR 982.551]**

Following is a listing of a participant family's obligations under the HCV program:

- The family must supply any information that OHFA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by OHFA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or maintain tenant-provided appliances or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

Damages beyond normal wear and tear will be considered to be damages which could be assessed against the security deposit.

- The family must allow OHFA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.

The family must not commit any serious or repeated violation of the lease.

OHFA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner's notice to evict.

*Serious and repeated lease violations* will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating

violence, sexual assault or stalking will not be construed as serious or repeated lease violations by the victim [24 CFR 5.2005(c)(1)].

- The family must notify OHFA and the owner before moving out of the unit or terminating the lease. The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to OHFA at the same time the owner is notified.
- The family must promptly give OHFA a copy of any owner eviction notice.
- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
- The composition of the assisted family residing in the unit must be approved by OHFA. The family must promptly notify OHFA in writing of the birth, adoption, or court-awarded custody of a child. The family must request OHFA approval to add any other family member as an occupant of the unit.

The request to add a family member must be submitted in writing and approved prior to the person(s) moving into the unit. OHFA will determine eligibility of the new member(s) in accordance with the policies in Chapter 3.

- However, children who join the family as a result of birth, adoption, or court-awarded custody, the family must notify OHFA by the next annual recertification.
- The family must provide OHFA written notice within 30 days when someone no longer lives in the unit. If OHFA has given approval, a foster child or a live-in aide may reside in the unit. OHFA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when OHFA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (sections I.K and I.M), and Chapter 11 (section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

- The family must supply any information requested by OHFA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify OHFA when the family is absent from the unit.

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than

30 calendar days. Written notice must be provided to OHFA at the start of the extended absence.

- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).
- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and OHFA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and OHFA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless OHFA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]

## **PART II: SUBSIDY STANDARDS AND VOUCHER ISSUANCE**

### **5-II.A. OVERVIEW**

OHFA must establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. This part presents the policies that will be used to determine the family unit size (also known as the voucher size) a particular family should receive, and the policies that govern making exceptions to those standards. OHFA also must establish policies related to the issuance of the voucher, to the voucher term, and to any extensions of the voucher term.

### **5-II.B. DETERMINING FAMILY UNIT (VOUCHER) SIZE [24 CFR 982.402]**

For each family, OHFA determines the appropriate number of bedrooms under OHFA's subsidy standards and enters the family unit size on the voucher that is issued to the family. The family unit size does not dictate the size of unit the family must actually lease, nor does it determine who within a household will share a bedroom/sleeping room.

The following requirements apply when OHFA determines family unit size:

- The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.
- The subsidy standards must be consistent with space requirements under the housing quality standards.
- The subsidy standards must be applied consistently for all families of like size and composition.
- A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family unit size.
- A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.
- Any live-in aide (approved by OHFA to reside in the unit to care for a family member who is disabled or is at least 50 years of age) must be counted in determining the family unit size. No additional bedrooms are provided for the live-in aide's family.
- Unless a live-in-aide resides with a family, the family unit size for any family consisting of a single person must be either a zero- or one-bedroom unit, as determined under OHFA's subsidy standards.
- For subsidy standards, an adult is a person 18 years old or older.

- The Head of Household (HOH) and spouse will be allocated a separate bedroom from other members of the household.
- Separate bedrooms will be allocated to persons of the opposite sex, other than adults who have a spousal relationship.
- Separate bedrooms will be allocated for unrelated adults.
- Foster children will be included in determining unit size only if they will be in the unit for more than 6 months.
- Space will not be provided for a child who is away at school but who lives with the family during school recess.
- Space will not be provided for a family member who will be absent most of the time, such as a member who is away in the military.
- Space will not be provided for a child subject to a custody agreement who is with the family less than 51% of the time (183 days).

Generally, OHFA assigns one bedroom for each two persons within the household, except in the following circumstances:

Persons of the opposite sex (other than adults that have a spousal relationship) will be allocated separate bedrooms.

Live-in aides will be allocated a separate bedroom.

Single person families will be allocated one bedroom.

OHFA will reference the following chart in determining the appropriate voucher size for a family:

<b>Voucher Size</b>	<b>Persons in Household (Minimum – Maximum)</b>
0 Bedroom	1-2
1 Bedroom	1-4
2 Bedrooms	2-6
3 Bedrooms	3-8
4 Bedrooms	4-10
5 Bedrooms	6-12
6 Bedrooms	8-14

## **5-II.C. EXCEPTIONS TO SUBSIDY STANDARDS**

In determining family unit size for a particular family, OHFA may grant an exception to its established subsidy standards if OHFA determines that the exception is justified by the age, sex, health, handicap, or relationship of family members or other personal circumstances [24 CFR 982.402(b)(8)]. Reasons may include, but are not limited to:

- A need for an additional bedroom for medical equipment
- A need for a separate bedroom for reasons related to a family member's disability, medical or health condition

For a single person who is not elderly, disabled, or a remaining family member, an exception cannot override the regulatory limit of a zero or one bedroom [24 CFR 982.402(b)(8)].

OHFA will consider granting an exception for any of the reasons specified in the regulation: the age, sex, health, handicap, or relationship of family members or other personal circumstances.

The family must request any exception to the subsidy standards in writing. The request must explain the need or justification for a larger family unit size, and must include appropriate documentation. Requests based on health-related reasons must be verified by a knowledgeable professional source (e.g., doctor or health professional), unless the disability and the disability-related request for accommodation is readily apparent or otherwise known.

As a reasonable accommodation for a person with disabilities, OHFA may approve an additional bedroom for required medical equipment. These limited exceptions must be verified as necessary by a knowledgeable professional source (e.g., doctor or health professional). The family's continued need for an additional bedroom due to special medical equipment must be verified during unit inspections. The actual medical equipment will be verified to ensure the extra bedroom is being used for the intended purpose. Otherwise, OHFA must reduce the subsidy standard and corresponding payment standard.

Once the voucher has been issued, OHFA will not issue the family a larger voucher because of an addition to the family's household until the family's annual recertification; unless the addition is due to birth, adoption of a minor, or court-awarded custody of a minor.

OHFA will notify the family of its determination within 14 days of receiving the family's request. If a participant family's request is denied, the notice will inform the family of their right to request an informal hearing.

## **5-II.D. VOUCHER ISSUANCE [24 CFR 982.302]**

When a family is selected from the waiting list (or as a special admission as described in Chapter 4), or when a participant family wants to move to another unit, OHFA issues a Housing Choice Voucher, form HUD-52646. This chapter deals only with voucher issuance for applicants. For voucher issuance associated with moves of program participants, please refer to Chapter 10.

The voucher is the family's authorization to search for housing. It specifies the unit size for which the family qualifies, and includes both the date of voucher issuance and date of expiration. It contains a brief description of how the program works and explains the family obligations under the program. The voucher is evidence that OHFA has determined the family to be eligible for the program, and that OHFA expects to have money available to subsidize the family if the family finds an approvable unit. However, OHFA does not have any liability to any party by the issuance of the voucher, and the voucher does not give the family any right to participate in OHFA's housing choice voucher program [Voucher, form HUD-52646]

A voucher can be issued to an applicant family only after OHFA has determined that the family is eligible for the program based on information received within the 60 days prior to issuance [24 CFR 982.201(e)] and after the family has attended an oral briefing [HCV 8-1].

Vouchers will be issued to eligible applicants after verifying the family's composition, income, and allowances.

If there is an addition to the family's household after the voucher has been issued, OHFA will not issue the family a larger voucher because of an addition to the family's household until the family's annual recertification; unless the addition is due to birth, adoption of a minor, or court-awarded custody of a minor.

OHFA should have sufficient funds to house an applicant before issuing a voucher. If funds are insufficient to house the family at the top of the waiting list, OHFA must wait until it has adequate funds before it calls another family from the list [HCV GB p. 8-10].

Prior to issuing any vouchers, OHFA will determine whether it has sufficient funding in accordance with the policies in Part VIII of Chapter 16.

If OHFA determines that there is insufficient funding after a voucher has been issued, OHFA may rescind the voucher and place the affected family back on the waiting list.

If OHFA makes a mistake in the bedroom size designation, the family will be issued a Voucher of the appropriate size.

## **Changes for Participants**

The members of the family residing in the unit must be approved by OHFA. The family must obtain approval of any additional adult family member before the new member occupies the unit. Additions to the household resulting from birth, adoption of a minor or court-awarded custody of a minor must be reported to OHFA, in writing, by the family's next annual recertification.

A family's voucher size may be increased only during the annual recertification process. If there is an addition to the family's household once the annual recertification process has been completed, OHFA will not increase the family's voucher size until the family's next annual recertification unless the addition is due to birth, adoption of a minor, or court-awarded custody of a minor.

OHFA will decrease the family's voucher size upon completion of the family's annual recertification; whenever, there is a decrease in the family's household.

## **Underhoused Families**

If a unit does not meet HQS space standards due to an increase in family size, (unit too small), OHFA will issue a new voucher of the appropriate size and may assist the family in locating a suitable unit.

## **Unit Size Selected [24 CFR 982.402(c)]**

The family may select a different size dwelling unit than that listed on the Voucher. There are two criteria to consider:

Subsidy Limitation: The family unit size as determined for a family under OHFA's subsidy standard for a family assisted in the voucher program is based on OHFA's adopted payment standards. The payment standard for a family shall be the *lower of*:

The payment standard amount for the family voucher size; or

The payment standard amount for the unit size rented by the family

**Utility Allowance:** The utility allowance used to calculate the gross rent is based on the actual size of the unit the family selects or the voucher bedroom size that the family qualifies for under OHFA's subsidy standards, whichever is lower.

**Housing Quality Standards:** The standards allow two persons per living/sleeping room and permit maximum occupancy levels (assuming a living room is used as a living/sleeping area) as shown in the table below. The levels may be exceeded if a room in addition to bedrooms and living room is used for sleeping.

**HQS GUIDELINES FOR UNIT SIZE SELECTED**

Unit Size	Maximum Number in Household
0 Bedroom	2
1 Bedroom	4
2 Bedrooms	6
3 Bedrooms	8
4 Bedrooms	10
5 Bedrooms	12
6 Bedrooms	14

**5-III.E. VOUCHER TERM AND EXTENSIONS**

**Voucher Term [24 CFR 982.303]**

The initial term of a voucher must be at least 60 calendar days. The initial term must be stated on the voucher [24 CFR 982.303(a)].

The initial voucher term will be 60 calendar days.

The family must submit a Scheduling Appointment Request Form (SARF) within the 60-day period unless OHFA grants an extension.

**Extensions of Voucher Term [24 CFR 982.303(b)]**

OHFA has the authority to grant extensions of search time, to specify the length of an extension, and to determine the circumstances under which extensions will be granted. There is no limit on the number of extensions that OHFA can approve.

OHFA must approve additional search time if needed as a reasonable accommodation to make the program accessible to and usable by a person with disabilities. The extension period must be reasonable for the purpose.

The family must be notified in writing of OHFA's decision to approve or deny an extension. OHFA's decision to deny a request for an extension of the voucher term is not subject to informal review [24 CFR 982.554(c)(4)].

OHFA may approve one 60-day extension.

OHFA will approve additional extensions only in the following circumstances:

It is necessary as a reasonable accommodation for a person with disabilities.

It is necessary due to reasons beyond the family's control, as determined by OHFA. Following is a list of extenuating circumstances that OHFA may consider in making its decision. The presence of these circumstances does not guarantee that an extension will be granted:

Serious illness or death in the family

Other family emergency

Obstacles due to employment

Whether the family has already submitted requests for tenancy approval that were not approved by OHFA

Whether family size or other special requirements make finding a unit difficult

Any request for an additional extension must include the reason(s) an additional extension is necessary. OHFA may require the family to provide documentation to support the request.

All requests for extensions to the voucher term must be made in writing and submitted to OHFA prior to the expiration date of the voucher (or extended term of the voucher).

OHFA will decide whether to approve or deny an extension request within 14 days of the date the request is received, and will provide the family written notice of its decision.

### **Suspensions of Voucher Term [24 CFR 982.303(c)]**

OHFA must provide for suspension of the initial or any extended term of the voucher from the date the family submits a request for OHFA approval of the tenancy until the date OHFA notifies the family in writing whether the request has been approved or denied.

When a Scheduling Appointment Request Form is received by OHFA, the term of the voucher will be suspended while OHFA processes the request.

### **Expiration of Voucher Term**

Once a family's housing choice voucher term (including any extensions) expires, the family is no longer eligible to search for housing under the program. If the family still wishes to receive assistance, OHFA will require that the family reapply. Such a family does not become ineligible for the program on the grounds that it was unable to locate a unit before the voucher expired [HCV GB p. 8-13].

If an applicant family's voucher term or extension expires before the family has submitted a Scheduling Appointment Request Form (SARF), OHFA will require the family to reapply for assistance. If an SARF that was submitted prior to the expiration date of the voucher is subsequently disapproved by OHFA (after the voucher term has expired), the family will be required to reapply for assistance.

Within 14 days after the expiration of the voucher term or any extension, OHFA will notify the family in writing that the voucher term has expired and that the family must reapply in order to be placed on the waiting list.

## Chapter 6

### INCOME AND SUBSIDY DETERMINATIONS

[24 CFR Part 5, Subparts E and F; 24 CFR 982]

#### INTRODUCTION

A family's income determines eligibility for assistance and is also used to calculate the family's payment and OHFA's subsidy. OHFA will use the policies and methods described in this chapter to ensure that only eligible families receive assistance and that no family pays more or less than its obligation under the regulations. This chapter describes U.S. Department of Housing and Urban Development (HUD) regulations and OHFA policies related to these topics in three parts as follows:

- Part I: Annual Income. HUD regulations specify the sources of income to include and exclude to arrive at a family's annual income. These requirements and OHFA policies for calculating annual income are found in Part I.
- Part II: Adjusted Income. Once annual income has been established HUD regulations require OHFA to subtract from annual income any of five mandatory deductions for which a family qualifies. These requirements and OHFA's policies for calculating adjusted income are found in Part II.
- Part III: Calculating Family Share and PHA Subsidy. This part describes the statutory formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining OHFA subsidy and required family payment.

## PART I: ANNUAL INCOME

### 6-I.A. OVERVIEW

The general regulatory definition of *annual income* shown below is from 24 CFR 5.609.

5.609 Annual income.

(a) Annual income means all amounts, monetary or not, which:

(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

(3) Which are not specifically excluded in paragraph [5.609(c)].

(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

In addition to this general definition, HUD regulations establish policies for treating specific types of income and assets. The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:

- Annual Income Inclusions (Exhibit 6-1)
- Annual Income Exclusions (Exhibit 6-2)
- Treatment of Family Assets (Exhibit 6-3)
- Earned Income Disallowance for Persons with Disabilities (Exhibit 6-4)
- The Effect of Welfare Benefit Reduction (Exhibit 6-5)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. HUD regulations present income inclusions and exclusions separately [24 CFR 5.609(b) and 24 CFR 5.609(c)]. In this plan, however, the discussions of income inclusions and exclusions are integrated by topic (e.g., all policies affecting earned income are discussed together in section 6-I.D). Verification requirements for annual income are discussed in Chapter 7.

**6-I.B. HOUSEHOLD COMPOSITION AND INCOME**

Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

<b>Summary of Income Included and Excluded by Person</b>	
Live-in aides	Income from all sources is excluded [24 CFR 5.609(c)(5)].
Foster child or foster adult	Income from all sources is excluded [24 CFR 5.609(c)(2)].
Head, spouse, or cohead Other adult family members	All sources of income not specifically excluded by the regulations are included.
Children under 18 years of age	Employment income is excluded [24 CFR 5.609(c)(1)].  All other sources of income, except those specifically excluded by the regulations, are included.
Full-time students 18 years of age or older (not head, spouse, or cohead)	Employment income above \$480/year is excluded [24 CFR 5.609(c)(11)].  All other sources of income, except those specifically excluded by the regulations, are included.

## **Temporarily Absent Family Members**

The income of family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit [HCV GB, p. 5-18].

Generally an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

### ***Absent Students***

When someone who has been considered a family member attends school away from home, the family member will not be considered a member of the household and will be considered a visitor during breaks and school recesses.

### ***Court Ordered Absences***

If a member of the family, other than the HOH, is subject to a court order that restricts the member from the home, the family member will no longer be considered a member of the household. If the family member intends to return to the household, the family member will be subject to the eligibility and screening requirements discussed in Chapter 3 of this plan.

OHFA must approve all additions to the household, including the addition of family members formerly a part of the assisted household.

### ***Absences Due to Placement in Foster Care***

Children temporarily absent from the home as a result of placement in foster care are considered members of the family [24 CFR 5.403].

If a child has been placed in foster care, OHFA will verify with the appropriate agency whether and when the child is expected to be returned to the home. If the child will be absent for more than 180 days or the agency confirms that the child has been permanently removed from the home, the child will be removed from the household.

### ***Absent Head, Spouse, or Cohead***

An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member.

### ***Absences Due to Incarceration***

OHFA will initiate termination of assistance for families where the HOH has been incarcerated more than 30 consecutive days for committing a non-violent, non-drug related criminal act. If the HOH has been incarcerated for committing a violent or drug related act, OHFA will initiate termination of assistance.

If a family member, other than the HOH, is expected to be incarcerated for more than 30 consecutive days (for non-violent, non-drug related criminal activity), the family member will be removed as a member of the household. If the family member intends to return to the unit following incarceration, the individual is subject to the eligibility and screening requirements discussed elsewhere in this chapter.

A family member incarcerated for committing a violent or drug-related criminal act will subject the entire family to termination from the program.

OHFA must pre-approve all additions to the household, including the addition of a family member formerly a part of the assisted household.

### **Family Members Permanently Confined for Medical Reasons**

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

OHFA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

When an individual who has been counted as a family member is determined permanently absent, the family is eligible for the medical expense deduction only if the remaining head, spouse, or cohead qualify as an elderly person or a person with disabilities.

### **Joint Custody of Dependents**

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 50 percent or more of the time. A copy of the joint custody agreement must be provided to OHFA before the children will be considered members of the household.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or

reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, OHFA will make the determination based on available documents such as court orders, address that is listed in the school records, or an IRS return showing which family has claimed the child(ren) for income tax purposes.

Children not subject to a joint custody agreement will be considered members of the household if the children are in the home "51% of the time." 51% is defined as 183 days of the year, which do not have to run consecutively.

### **Caretakers for a Child**

If neither a parent nor a designated guardian remains in a household receiving HCV assistance, OHFA will take the following actions.

- (1) Terminate assistance
- (2) If a responsible agency has determined that another adult is to be brought into the assisted unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.
- (3) If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the caretaker will be treated as a visitor for 90 days. After the 90 days has elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker's role is temporary. In such cases OHFA will extend the caretaker's status as an eligible visitor.
- (4) At any time that custody or guardianship legally has been awarded to a caretaker, the housing choice voucher will be transferred to the caretaker.
- (5) During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income and the caretaker does not qualify the family for any deductions from income.

## **6-I.C. ANTICIPATING ANNUAL INCOME**

OHFA is required to count all income “anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date” [24 CFR 5.609(a)(2)]. Policies related to anticipating annual income are provided below.

### **Basis of Annual Income Projection**

OHFA generally will use current circumstances to determine anticipated income for the coming 12-month period. HUD authorizes OHFA to use other than current circumstances to anticipate income when:

- An imminent change in circumstances is expected [HCV GB, p. 5-17]
- It is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income) [24 CFR 5.609(d)]
- OHFA believes that past income is the best available indicator of expected future income [24 CFR 5.609(d)]

OHFA is required to use HUD’s Enterprise Income Verification (EIV) system in its entirety as a third-party source to verify employment and income information, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR 5.233(a)(2)].

HUD allows OHFA to use pay-stubs to project income once EIV data has been received in such cases where the family does not dispute the EIV employer data and where OHFA does not determine it is necessary to obtain additional third-party data.

When EIV is obtained and the family does not dispute the EIV employer data, OHFA will use current tenant-provided documents to project annual income. When the tenant-provided documents are pay stubs, OHFA will attempt to obtain two current consecutive pay stubs dated within the last 60 days.

OHFA will obtain written and/or oral third-party verification in accordance with the verification requirements and policy in Chapter 7 in the following cases:

If EIV or other UIV data is not available,

If the family disputes the accuracy of the EIV employer data, and/or

If OHFA determines additional information is needed.

In such cases, OHFA will review and analyze current data to anticipate annual income. In all cases, the family file will be documented with a clear record of the reason for the decision, and a clear audit trail will be left as to how OHFA annualized projected income.

When OHFA cannot readily anticipate income based upon current circumstances (e.g., in the case of seasonal employment, unstable working hours, or suspected fraud), OHFA will review and analyze historical data for patterns of employment, paid benefits, and receipt of other income and use the results of this analysis to establish annual income.

Any time current circumstances are not used to project annual income, a clear rationale for the decision will be documented in the file. In all such cases the family may present information and documentation to OHFA to show why the historic pattern does not represent the family's anticipated income.

### ***Known Changes in Income***

If OHFA verifies an upcoming increase or decrease in income, annual income will be calculated by applying each income amount to the appropriate part of the 12-month period.

**Example:** An employer reports that a full-time employee who has been receiving \$8/hour will begin to receive \$8.25/hour in the eighth week after the effective date of the reexamination. In such a case OHFA would calculate annual income as follows:  $(\$8/\text{hour} \times 40 \text{ hours} \times 7 \text{ weeks}) + (\$8.25 \times 40 \text{ hours} \times 45 \text{ weeks})$ .

The family may present information that demonstrates that implementing a change before its effective date would create a hardship for the family. In such cases OHFA will calculate annual income using current circumstances and then require an interim reexamination when the change actually occurs. This requirement will be imposed even if OHFA's policy on reexaminations does not require interim reexaminations for other types of changes.

When tenant-provided third-party documents are used to anticipate annual income, they will be dated within the last 60 days prior to OHFA's request or the interview date.

EIV quarterly wages will not be used to project annual income at an annual or interim reexamination.

### **Projecting Income**

In HUD's EIV webcast of January 2008, HUD made clear that PHAs are not to use EIV quarterly wages to project annual income.

## **6-I.D. EARNED INCOME**

### **Types of Earned Income Included in Annual Income**

#### ***Wages and Related Compensation***

The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services is included in annual income [24 CFR 5.609(b)(1)].

For persons who regularly receive bonuses or commissions, OHFA will verify and then average amounts received for the two years preceding admission or reexamination. If only a one-year history is available, OHFA will use the prior year amounts. In either case the family may provide, and OHFA will consider, a credible justification for not using this history to anticipate future bonuses or commissions. If a new employee has not yet received any bonuses or commissions, OHFA will count only the amount estimated by the employer. The file will be documented appropriately.

#### ***Some Types of Military Pay***

All regular pay, special pay and allowances of a member of the Armed Forces are counted [24 CFR 5.609(b)(8)] except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(c)(7)].

### **Types of Earned Income Not Counted in Annual Income**

#### ***Temporary, Nonrecurring, or Sporadic Income [24 CFR 5.609(c)(9)]***

This type of income (including gifts) is not included in annual income. Sporadic income includes temporary payments from the U.S. Census Bureau for employment lasting no longer than 180 days [Notice PIH 2009-19].

Sporadic income is income that is not received periodically and cannot be reliably predicted. For example, the income of an individual who works occasionally as a handyman would be considered sporadic if future work could not be anticipated and no historic, stable pattern of income existed.

#### ***Children's Earnings***

Employment income earned by children (including foster children) under the age of 18 years is not included in annual income [24 CFR 5.609(c)(1)]. (See Eligibility chapter for a definition of *foster children*.)

### ***Certain Earned Income of Full-Time Students***

Earnings in excess of \$480 for each full-time student 18 years old or older (except for the head, spouse, or cohead) are not counted [24 CFR 5.609(c)(11)]. To be considered “full-time,” a student must be considered “full-time” by an educational institution with a degree or certificate program [HCV GB, p. 5-29].

### ***Income of a Live-in Aide***

Income earned by a live-in aide, as defined in [24 CFR 5.403], is not included in annual income [24 CFR 5.609(c)(5)]. (See Eligibility chapter for a full discussion of live-in aides.)

### ***Income Earned under Certain Federal Programs***

Income from some federal programs is specifically excluded from consideration as income [24 CFR 5.609(c)(17)], including:

- Payments to volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)
- Payments received under programs funded in whole or in part under the Job Training Partnership Act (29 U.S.C. 1552(b))
- Awards under the federal work-study program (20 U.S.C. 1087 uu)
- Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))
- Allowances, earnings, and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))
- Allowances, earnings, and payments to participants in programs funded under the Workforce Investment Act of 1998 (29 U.S.C. 2931)

### ***Resident Service Stipend***

Amounts received under a resident service stipend are not included in annual income. A resident service stipend is a modest amount (not to exceed \$200 per individual per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA’s governing board. No resident may receive more than one such stipend during the same period of time [24 CFR 5.600(c)(8)(iv)].

### ***State and Local Employment Training Programs***

Incremental earnings and benefits to any family member resulting from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program [24 CFR 5.609(c)(8)(v)].

OHFA defines *training program* as “a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period to time. It is designed to lead to a higher level of proficiency, and it enhances the individual’s ability to obtain employment. It may have performance standards to measure proficiency. Training may include, but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education” [expired Notice PIH 98-2, p. 3].

OHFA defines *incremental earnings and benefits* as the difference between: (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program, and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3–4].

In calculating the incremental difference, OHFA will use as the pre-enrollment income the total annualized amount of the family member’s welfare assistance and earnings reported on the family’s most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with OHFA’s interim reporting requirements.

### ***HUD-Funded Training Programs***

Amounts received under training programs funded in whole or in part by HUD [24 CFR 5.609(c)(8)(i)] are excluded from annual income. Eligible sources of funding for the training include operating subsidy, Section 8 administrative fees, and modernization, Community Development Block Grant (CDBG), HOME program, and other grant funds received from HUD.

To qualify as a training program, the program must meet the definition of *training program* provided above for state and local employment training programs.

### ***Earned Income Tax Credit***

Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j)), are excluded from annual income [24 CFR 5.609(c)(17)]. Although many families

receive the EITC annually when they file taxes, an EITC can also be received throughout the year. The prorated share of the annual EITC is included in the employee's payroll check.

### ***Earned Income Disallowance***

The earned income disallowance for persons with disabilities is discussed in section 6-I.E below.

### **6-I.E. EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES [24 CFR 5.617; Streamlining Final Rule (SFR) Federal Register 3/8/16]**

The earned income disallowance (EID) encourages people with disabilities to enter the work force by not including the full value of increases in earned income for a period of time. The full text of 24 CFR 5.617 is included as Exhibit 6-4 at the end of this chapter. Eligibility criteria and limitations on the disallowance are summarized below.

#### **Eligibility**

This disallowance applies only to individuals in families already participating in the HCV program (not at initial examination). To qualify, the family must experience an increase in annual income that is the result of one of the following events:

- Employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment. *Previously unemployed* includes a person who annually has earned not more than the minimum wage applicable to the community multiplied by 500 hours. The applicable minimum wage is the federal minimum wage unless there is a higher state or local minimum wage.
- Increased earnings by a family member who is a person with disabilities and whose earnings increase during participation in an economic self-sufficiency or job-training program. A self-sufficiency program includes a program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work to such families [24 CFR 5.603(b)].
- New employment or increased earnings by a family member who is a person with disabilities and who has received benefits or services under Temporary Assistance for Needy Families (TANF) or any other state program funded under Part A of Title IV of the Social Security Act within the past six months. If the benefits are received in the form of monthly maintenance, there is no minimum amount. If the benefits or services are received in a form other than monthly maintenance, such as one-time payments, wage subsidies, or transportation assistance, the total amount received over the six-month period must be at least \$500.

## **Calculation of the Disallowance**

Calculation of the earned income disallowance for an eligible member of a qualified family begins with a comparison of the member's current income with his or her "baseline income." The family member's baseline income is his or her income immediately prior to qualifying for the EID. The family member's baseline income remains constant throughout the period that he or she is participating in the EID.

While qualification for the disallowance is the same for all families, calculation of the disallowance will differ depending on when the family member qualified for the EID. Participants qualifying prior to May 9, 2016, will have the disallowance calculated under the "Original Calculation Method" described below which requires a maximum lifetime disallowance period of up to 48 consecutive months. Participants qualifying on or after May 9, 2016, will be subject to the "Revised Calculation Method" Which shortens the lifetime disallowance period to 24 consecutive months.

Under both the original and new methods, the EID eligibility criteria, the benefit amount, the single lifetime eligibility requirement and the ability of the applicable family member to stop and restart employment during the eligibility period are the same.

### **Original Calculation Method**

#### ***Initial 12-Month Exclusion***

During the initial 12-month exclusion period, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded. The 12 months are cumulative and need not be consecutive.

The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.

#### ***Second 12-Month Exclusion and Phase-In***

During the second 12-month exclusion period, the exclusion is reduced to half (50 percent) of any increase in income attributable to employment or increased earnings. The 12 months are cumulative and need not be consecutive.

#### ***Lifetime Limitation***

The EID has a four-year (48-month) lifetime maximum. The four-year eligibility period begins at the same time that the initial exclusion period begins and ends 48 months later. The one-time eligibility for the EID applies even if the eligible individual begins to receive assistance from another housing agency, if the individual moves between public housing and Section 8 assistance, or if there are breaks in assistance.

During the 48-month eligibility period, OHFA will schedule and conduct an interim reexamination each time there is a change in the family member's annual income that affects or is affected by the EID (e.g., when the family member's income falls to a level at or below his/her prequalifying income, when one of the exclusion periods ends, and at the end of the lifetime maximum eligibility period).

## **Revised Calculation Method**

### ***Initial 12-Month Exclusion***

During the initial exclusion period of 12 consecutive months, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded.

The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.

### ***Second 12-Month Exclusion***

During the second exclusion period of 12 consecutive months, the PHA must exclude at least 50 percent of any increase in income attributable to employment or increased earnings.

During the second 12-month exclusion period, the PHA will exclude 100 percent of any increase in income attributable to new employment or increased earnings.

### ***Lifetime Limitation***

The EID has a two-year (24-month) lifetime maximum. The two-year eligibility period begins at the same time that the initial exclusion period begins and ends 24 months later. During the 24-month period, an individual remains eligible for EID even if they begin to receive assistance from a different housing agency, move between public housing and Section 8 assistance, or have breaks in assistance.

## **6-I.F. BUSINESS INCOME [24 CFR 5.609(b)(2)]**

Annual income includes “the net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family” [24 CFR 5.609(b)(2)].

### **Business Expenses**

Net income is “gross income less business expense” [HCV GB, p. 5-19].

To determine business expenses that may be deducted from gross income, OHFA will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535], unless a topic is addressed by HUD regulations or guidance as described below.

### **Business Expansion**

HUD regulations do not permit OHFA to deduct from gross income expenses for business expansion.

*Business expansion* is defined as any capital expenditures made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of adding street cleaning to the services offered by the business would be considered a business expansion. Similarly, the purchase of a property by a hair care business to open at a second location would be considered a business expansion.

### **Capital Indebtedness**

HUD regulations do not permit OHFA to deduct from gross income the amortization of capital indebtedness.

*Capital indebtedness* is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means OHFA will allow as a business expense interest, but not principal, paid on capital indebtedness.

## **Negative Business Income**

If the net income from a business is negative, no business income will be included in annual income; a negative amount will not be used to offset other family income.

## **Withdrawal of Cash or Assets from a Business**

HUD regulations require OHFA to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of an assisted family provided an up-front loan of \$2,000 to help a business get started, OHFA will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid. Investments do not include the value of labor contributed to the business without compensation.

## **Co-owned Businesses**

If a business is co-owned with someone outside the family, the family must document the share of the business it owns. If the family's share of the income is lower than its share of ownership, the family must document the reasons for the difference.

## **6-I.G. ASSETS [24 CFR 5.609(b)(3); 24 CFR 5.603(b)]**

### **Overview**

There is no asset limitation for participation in the HCV program. However, HUD requires that OHFA include in annual income the "interest, dividends, and other net income of any kind from real or personal property" [24 CFR 5.609(b)(3)]. This section discusses how the income from various types of assets is determined. For most types of assets, OHFA must determine the value of the asset in order to compute income from the asset. Therefore, for each asset type, this section discusses:

- How the value of the asset will be determined
- How income from the asset will be calculated

Exhibit 6-1 provides the regulatory requirements for calculating income from assets [24 CFR 5.609(b)(3)], and Exhibit 6-3 provides the regulatory definition of *net family assets*. This section begins with a discussion of general policies related to assets and then provides HUD rules and OHFA policies related to each type of asset.

Optional policies for family self-certification of assets are found in Chapter 7.

## **General Policies**

### ***Income from Assets***

OHFA generally will use current circumstances to determine both the value of an asset and the anticipated income from the asset. As is true for all sources of income, HUD authorizes OHFA to use other than current circumstances to anticipate income when (1) an imminent change in circumstances is expected (2) it is not feasible to anticipate a level of income over 12 months or (3) OHFA believes that past income is the best indicator of anticipated income. For example, if a family member owns real property that typically receives rental income but the property is currently vacant, OHFA can take into consideration past rental income along with the prospects of obtaining a new tenant.

Anytime current circumstances are not used to determine asset income, a clear rationale for the decision will be documented in the file. In such cases the family may present information and documentation to OHFA to show why the asset income determination does not represent the family's anticipated asset income.

### ***Valuing Assets***

The calculation of asset income sometimes requires OHFA to make a distinction between an asset's market value and its cash value.

- The market value of an asset is its worth (e.g., the amount a buyer would pay for real estate or the balance in an investment account).
- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash.

Reasonable costs that would be incurred when disposing of an asset include, but are not limited to, penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions [HCV GB, p. 5-28].

### ***Lump-Sum Receipts***

Payments that are received in a single lump sum, such as inheritances, capital gains, lottery winnings, insurance settlements, and proceeds from the sale of property, are generally considered assets, not income. However, such lump-sum receipts are counted as assets only if they are retained by a family in a form recognizable as an asset (e.g., deposited in a savings or checking account) [RHIP FAQs]. (For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.)

### ***Imputing Income from Assets [24 CFR 5.609(b)(3)]***

When net family assets are \$5,000 or less, OHFA will include in annual income the actual income anticipated to be derived from the assets. When the family has net family assets in excess of \$5,000, OHFA will include in annual income the greater of (1) the actual income derived from the assets or (2) the imputed income. Imputed income from assets is calculated by multiplying the total cash value of all family assets by the current HUD-established passbook savings rate. OHFA will use the passbook rate established for HUD Multifamily Housing.

### ***Determining Actual Anticipated Income from Assets***

It may or may not be necessary for OHFA to use the value of an asset to compute the actual anticipated income from the asset. When the value is required to compute the anticipated income from an asset, the market value of the asset is used. For example, if the asset is a property for which a family receives rental income, the anticipated income is determined by annualizing the actual monthly rental amount received for the property; it is not based on the property's market value. However, if the asset is a savings account, the anticipated income is determined by multiplying the market value of the account by the interest rate on the account.

### ***Withdrawal of Cash or Liquidation of Investments***

Any withdrawal of cash or assets from an investment will be included in income except to the extent that the withdrawal reimburses amounts invested by the family. For example, when a family member retires, the amount received by the family from a retirement plan is not counted as income until the family has received payments equal to the amount the family member deposited into the retirement fund.

### ***Jointly Owned Assets***

The regulation at 24 CFR 5.609(a)(4) specifies that annual income includes "amounts derived (during the 12-month period) from assets to which any member of the family has access."

If an asset is owned by more than one person and any family member has unrestricted access to the asset, OHFA will count the full value of the asset. A family member has unrestricted access to an asset when he or she can legally dispose of the asset without the consent of any of the other owners.

If an asset is owned by more than one person, including a family member, but the family member does not have unrestricted access to the asset, OHFA will prorate the asset according to the percentage of ownership. If no percentage is specified or provided for by state or local law, OHFA will prorate the asset evenly among all owners.

### ***Assets Disposed Of for Less than Fair Market Value [24 CFR 5.603(b)]***

HUD regulations require OHFA to count as a current asset any business or family asset that was disposed of for less than fair market value during the two years prior to the effective date of the examination/reexamination, except as noted below.

#### ***Minimum Threshold***

The *HCV Guidebook* permits OHFA to set a threshold below which assets disposed of for less than fair market value will not be counted [HCV GB, p. 5-27].

OHFA will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by more than \$1,000.

When the two-year period expires, the income assigned to the disposed asset(s) also expires. If the two-year period ends between annual recertifications, the family may request an interim recertification to eliminate consideration of the asset(s).

Assets placed by the family in nonrevocable trusts are considered assets disposed of for less than fair market value except when the assets placed in trust were received through settlements or judgments.

#### ***Separation or Divorce***

The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms.

All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

#### ***Foreclosure or Bankruptcy***

Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale.

## ***Family Declaration***

Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value. OHFA may verify the value of the assets disposed of if other information available to OHFA does not appear to agree with the information reported by the family.

## **Types of Assets**

### ***Checking and Savings Accounts***

For regular checking accounts and savings accounts, *cash value* has the same meaning as *market value*. If a checking account does not bear interest, the anticipated income from the account is zero.

In determining the value of a checking account, OHFA will use the current balance.

In determining the value of a savings account, OHFA will use the current balance.

In determining the anticipated income from an interest-bearing checking or savings account, OHFA will multiply the value of the account by the current rate of interest paid on the account.

### ***Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds***

Interest or dividends earned by investment accounts are counted as actual income from assets even when the earnings are reinvested. The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.

In determining the market value of an investment account, OHFA will use the value of the account on the most recent investment report.

How anticipated income from an investment account will be calculated depends on whether the rate of return is known. For assets that are held in an investment account with a known rate of return (e.g., savings certificates), asset income will be calculated based on that known rate (market value multiplied by rate of earnings). When the anticipated rate of return is not known (e.g., stocks), OHFA will calculate asset income based on the earnings for the most recent reporting period.

### ***Equity in Real Property or Other Capital Investments***

Equity (cash value) in a property or other capital asset is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset [HCV GB, p. 5-25].

OHFA will first use the payoff amount for the loan (mortgage) as the unpaid balance to calculate equity. If the payoff amount is not available, OHFA will use the basic loan balance information to deduct from the market value in the equity calculation.

Equity in real property and other capital investments is considered in the calculation of asset income **except** for the following types of assets:

- Equity accounts in HUD homeownership programs [24 CFR 5.603(b)]
- The value of a home currently being purchased with assistance under the HCV program Homeownership Option for the first 10 years after the purchase date of the home [24 CFR 5.603(b), Notice PIH 2012-3]
- Equity in owner-occupied cooperatives and manufactured homes in which the family lives [HCV GB, p. 5-25]
- Equity in real property when a family member's main occupation is real estate [HCV GB, p. 5-25]. This real estate is considered a business asset, and income related to this asset will be calculated as described in section 6-I.F.
- Interests in Indian Trust lands [24 CFR 5.603(b)]
- Real property and capital assets that are part of an active business or farming operation [HCV GB, p. 5-25]

OHFA must also deduct from the equity the reasonable costs for converting the asset to cash. Using the formula for calculating equity specified above, the net cash value of real property is the market value minus the payoff or loan balance (mortgage) minus the expenses to convert to cash [Notice PIH 2012-3].

For the purposes of calculating expenses to convert to cash for real property, OHFA will use ten percent of the market value of the home.

A family may have real property as an asset in two ways: (1) owning the property itself and (2) holding a mortgage or deed of trust on the property. In the case of a property owned by a family member, the anticipated asset income generally will be in the form of rent or other payment for the use of the property. If the property generates no income, actual anticipated income from the asset will be zero.

In the case of a mortgage or deed of trust held by a family member, the outstanding balance (unpaid principal) is the cash value of the asset. The interest portion only of payments made to the family in accordance with the terms of the mortgage or deed of trust is counted as anticipated asset income.

In the case of capital investments owned jointly with others not living in a family's unit, a prorated share of the property's cash value will be counted as an asset unless OHFA determines that the family receives no income from the property and is unable to sell or otherwise convert the asset to cash.

### ***Trusts***

A *trust* is a legal arrangement generally regulated by state law in which one party (the creator or grantor) transfers property to a second party (the trustee) who holds the property for the benefit of one or more third parties (the beneficiaries).

#### ***Revocable Trusts***

If any member of a family has the right to withdraw the funds in a trust, the value of the trust is considered an asset [HCV GB, p. 5-25]. Any income earned as a result of investment of trust funds is counted as actual asset income, whether the income is paid to the family or deposited in the trust.

#### ***Nonrevocable Trusts***

In cases where a trust is not revocable by, or under the control of, any member of a family, the value of the trust fund is not considered an asset. However, any income distributed to the family from such a trust is counted as a periodic payment or a lump-sum receipt, as appropriate [24 CFR 5.603(b)]. (Periodic payments are covered in section 6-I.H. Lump-sum receipts are discussed earlier in this section.)

### ***Retirement Accounts***

#### ***Company Retirement/Pension Accounts***

In order to correctly include or exclude as an asset any amount held in a company retirement or pension account by an employed person, OHFA must know whether the money is accessible before retirement [HCV GB, p. 5-26].

While a family member is employed, only the amount the family member can withdraw without retiring or terminating employment is counted as an asset [HCV GB, p. 5-26].

After a family member retires or terminates employment, any amount distributed to the family member is counted as a periodic payment or a lump-sum receipt, as appropriate [HCV GB, p. 5-26], except to the extent that it represents funds invested in the account by the family member.

(For more on periodic payments, see section 6-I.H.) The balance in the account is counted as an asset only if it remains accessible to the family member.

### *IRA, Keogh, and Similar Retirement Savings Accounts*

IRA, Keogh, and similar retirement savings accounts are counted as assets even though early withdrawal would result in a penalty [HCV GB, p. 5-25].

### *Personal Property*

Personal property held as an investment, such as gems, jewelry, coin collections, antique cars, etc., is considered an asset [HCV GB, p. 5-25].

In determining the value of personal property held as an investment, OHFA will use the family's estimate of the value. OHFA may obtain an appraisal to confirm the value of the asset if there is reason to believe that the family's estimated value is off by \$50 or more. The family must cooperate with the appraiser, but cannot be charged any costs related to the appraisal.

Generally, personal property held as an investment generates no income until it is disposed of. If regular income is generated (e.g., income from renting the personal property), the amount that is expected to be earned in the coming year is counted as actual income from the asset.

Necessary items of personal property are not considered assets [24 CFR 5.603(b)].

Necessary personal property consists of only those items not held as an investment, and may include clothing, furniture, household furnishings, jewelry, and vehicles, including those specially equipped for persons with disabilities.

### *Life Insurance*

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy is included in the calculation of the value of the family's assets [HCV GB 5-25]. The cash value is the surrender value. If such a policy earns dividends or interest that the family could elect to receive, the anticipated amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.

## **6-I.H. PERIODIC PAYMENTS**

Periodic payments are forms of income received on a regular basis. HUD regulations specify periodic payments that are and are not included in annual income.

### **Periodic Payments Included in Annual Income**

- Periodic payments from sources such as social security, unemployment and welfare assistance, annuities, insurance policies, retirement funds, and pensions. However, periodic payments from retirement accounts, annuities, and similar forms of investments are counted only after they exceed the amount contributed by the family [24 CFR 5.609(b)(4) and (b)(3)].
- Disability or death benefits and lottery receipts paid periodically, rather than in a single lump sum [24 CFR 5.609(b)(4) and HCV, p. 5-14].

### **Lump-Sum Payments for the Delayed Start of a Periodic Payment**

Most lump-sums received as a result of delays in processing periodic payments, such as unemployment or welfare assistance, are counted as income. However, lump-sum receipts for the delayed start of periodic social security or supplemental security income (SSI) payments are not counted as income. Additionally, any deferred disability benefits that are received in a lump-sum or in prospective monthly amounts from the Department of Veterans Affairs are to be excluded from annual income [24 CFR 5.609(c)(14)].

### **Treatment of Overpayment Deductions from Social Security Benefits**

OHFA must make a special calculation of annual income when the Social Security Administration (SSA) overpays an individual, resulting in a withholding or deduction from his or her benefit amount until the overpayment is paid in full. The amount and duration of the withholding will vary depending on the amount of the overpayment and the percent of the benefit rate withheld. Regardless of the amount withheld or the length of the withholding period, OHFA must use the reduced benefit amount after deducting only the amount of the overpayment withholding from the gross benefit amount [Notice PIH 2018-24].

### **Periodic Payments Excluded from Annual Income**

- Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the assisted family, who are unable to live alone) [24 CFR 5.609(c)(2)]. Kinship guardianship assistance payments (Kin-GAP) and other similar guardianship payments are treated the same as foster care payments and are likewise excluded from annual income [Notice PIH 2012-1].

OHFA will exclude payments for the care of foster children and foster adults only if the care is provided through an official arrangement with a local welfare agency [HCV GB, p. 5-18].

- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)].
- Amounts received under the Low-Income Home Energy Assistance Program (42 U.S.C. 1626(c)) [24 CFR 5.609(c)(17)].
- Amounts received under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q) [24 CFR 5.609(c)(17)].
- Earned Income Tax Credit (EITC) refund payments (26 U.S.C. 32(j)) [24 CFR 5.609(c)(17)]. *Note:* EITC may be paid periodically if the family elects to receive the amount due as part of payroll payments from an employer.
- Lump-sums received as a result of delays in processing Social Security and SSI payments (see section 6-I.J.) [24 CFR 5.609(b)(4)].
- Lump-sums or prospective monthly amounts received as deferred disability benefits from the Department of Veterans Affairs (VA) [FR Notice 11/24/08].

### **6-I.I. PAYMENTS IN LIEU OF EARNINGS**

Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay, are counted as income [24 CFR 5.609(b)(5)] if they are received either in the form of periodic payments or in the form of a lump-sum amount or prospective monthly amounts for the delayed start of a periodic payment. If they are received in a one-time lump sum (as a settlement, for instance), they are treated as lump-sum receipts [24 CFR 5.609(c)(3)]. (See also the discussion of periodic payments in section 6-I.H and the discussion of lump-sum receipts in section 6-I.G.)

### **6-I.J. WELFARE ASSISTANCE**

#### **Overview**

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments [24 CFR 5.603(b)].

## **Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]**

OHFA must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-5. The requirements are summarized below. This rule applies only if a family was receiving HCV assistance at the time the sanction was imposed.

### ***Covered Families***

The families covered by 24 CFR 5.615 are those “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a State or other public agency (‘welfare agency’) under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” [24 CFR 5.615(b)]

### ***Imputed Income***

When a welfare agency imposes a sanction that reduces a family’s welfare income because the family commits fraud or fails to comply with the agency’s economic self-sufficiency program or work activities requirement, OHFA must include in annual income “imputed” welfare income. OHFA must request that the welfare agency inform OHFA when the benefits of an HCV participant family are reduced. The imputed income is the amount the family would have received if the family had not been sanctioned.

This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

### ***Offsets***

The amount of the imputed income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

## **6-I.K. PERIODIC AND DETERMINABLE ALLOWANCES [24 CFR 5.609(b)(7)]**

Annual income includes periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing with an assisted family.

## **Alimony and Child Support**

OHFA must count alimony or child support amounts awarded as part of a divorce or separation agreement.

OHFA will count court-awarded amounts for alimony and child support unless OHFA verifies that: (1) the payments are not being made, and (2) the family has made reasonable efforts to collect amounts due, including filing with courts or agencies responsible for enforcing payments [HCV GB, pp. 5-23 and 5-47].

Families who do not have court-awarded alimony and child support awards are not required to seek a court award and are not required to take independent legal action to obtain collection.

## **Regular Contributions or Gifts**

OHFA must count as income regular monetary and nonmonetary contributions or gifts from persons not residing with an assisted family [24 CFR 5.609(b)(7)]. Temporary, nonrecurring, or sporadic income and gifts are not counted [24 CFR 5.609(c)(9)].

Examples of regular contributions include: (1) regular payment of a family's bills (e.g., utilities, telephone, rent, credit cards, and car payments), (2) cash or other liquid assets provided to any family member on a regular basis, and (3) "in-kind" contributions such as groceries and clothing provided to a family on a regular basis.

Nonmonetary contributions will be valued at the cost of purchasing the items, as determined by OHFA. For contributions that may vary from month to month (e.g., utility payments), OHFA will include an average amount based upon past history.

## **6-I.L. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9); Notice PIH 2015-21]**

In 2005, Congress passed a law (for Section 8 programs only) requiring that certain student financial assistance be included in annual income. Prior to that, the full amount of student financial assistance was excluded. For some students, the full exclusion still applies.

### **Student Financial Assistance Included in Annual Income [24 CFR 5.609(b)(9); FR 4/10/06; Notice PIH 2015-21]**

The regulation requiring the inclusion of certain student financial assistance applies only to students who satisfy all of the following conditions:

- They are enrolled in an institution of higher education, as defined under the Higher Education Act (HEA) of 1965.

- They are seeking or receiving Section 8 assistance on their own—that is, apart from their parents—through the HCV program, the project-based voucher program, or the moderate rehabilitation program.
- They are under 24 years of age **OR** they have no dependent children.

For students who satisfy these three conditions, any financial assistance in excess of tuition and any other required fees and charges received: (1) under the 1965 HEA, (2) from a private source, or (3) from an institution of higher education, as defined under the 1965 HEA, must be included in annual income.

To determine annual income in accordance with the above requirements, OHFA will use the definitions of *dependent child*, *institution of higher education*, and *parents* in section 3-II.E, along with the following definitions [FR 4/10/06, pp. 18148-18150, Notice PIH 2015-21]:

- *Assistance under the Higher Education Act of 1965* includes Pell Grants, Federal Supplement Educational Opportunity Grants, Academic Achievement Incentive Scholarships, State Assistance under the Leveraging Educational Assistance Partnership Program, the Robert G. Byrd Honors Scholarship Program, and Federal Work Study programs.
- *Assistance from private sources* means assistance from nongovernmental sources, including parents, guardians, and other persons not residing with the student in an HCV assisted unit.
- *Tuition and fees* as defined by the Department of Education is the amount of money charged to students for instructional services which may be charged per term, per course, or per credit [Notice PIH 2015-21].
  - The Department of Education further defines tuition and fees as the amount of tuition and required fees covering a full academic year most frequently charged to students.
  - These values represent what a typical student would be charged and may not be the same for all students at an institution.
  - If tuition is charged on a per-credit-hour basis, the average full-time credit hour load for an entire academic year is used to estimate average tuition.
  - Required fees include all fixed sum charges that are required of a large proportion of all students. Examples of required fees include, but are not limited to, writing and science lab fees and fees specific to the student’s major or program (i.e., nursing program).
- *Expenses* related to attending an institution of higher education must **not** be included as tuition. Examples of these expenses include, but are not limited to, room and board, books,

supplies, meal plans, transportation and parking, student health insurance plans, and other non-fixed sum charges. [Notice PIH 2015-21]

### **Student Financial Assistance Excluded from Annual Income [24 CFR 5.609(c)(6)]**

Any student financial assistance not subject to inclusion under 24 CFR 5.609(b)(9) is fully excluded from annual income under 24 CFR 5.609(c)(6), whether it is paid directly to the student or to the educational institution the student is attending. This includes any financial assistance received by:

- Students residing with parents who are seeking or receiving Section 8 assistance
- Students who are enrolled in an educational institution that does **not** meet the 1965 HEA definition of *institution of higher education*
- Students who are over 23 **AND** have at least one dependent child, as defined in section 3-II.E
- Students who are receiving financial assistance through a governmental program not authorized under the 1965 HEA.

### **6-I.M. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME**

Other exclusions contained in 24 CFR 5.609(c) that have not been discussed earlier in this chapter include the following:

- Reimbursement of medical expenses [24 CFR 5.609(c)(4)]
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred and which are made solely to allow participation in a specific program [24 CFR 5.609(c)(8)(iii)]
- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(c)(8)(ii)]
- Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era [24 CFR 5.609(c)(10)]
- Adoption assistance payments in excess of \$480 per adopted child [24 CFR 5.609(c)(12)]
- Refunds or rebates on property taxes paid on the dwelling unit [24 CFR 5.609(c)(15)]
- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)]

- Amounts specifically excluded by any other federal statute [24 CFR 5.609(c)(17)], FR Notice 5/20/14. HUD publishes an updated list of these exclusions periodically. It includes:
  1. The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017(b));
  2. Payments to volunteers under the Domestic Volunteer Service Act of 1973 (42 U.S.C. 5044(f)(1), 5058);
  3. Certain payments received under the Alaska Native Claims Settlement Act (43 U.S.C. 1626(c));
  4. Income derived from certain submarginal land of the United States that is held in trust for certain Indian tribes (25 U.S.C. 459e);
  5. Payments or allowances made under the Department of Health and Human Services' Low-Income Home Energy Assistance Program (42 U.S.C. 8624(f));
  6. Income derived from the disposition of funds to the Grand River Band of Ottawa Indians (Pub. L. 94-540, section 6);
  7. The first \$2000 of per capita shares received from judgment funds awarded by the National Indian Gaming Commission or the U.S. Claims Court, the interests of individual Indians in trust or restricted lands, and the first \$2000 per year of income received by individual Indians from funds derived from interests held in such trust or restricted lands (25 U.S.C. 1407-1408). This exclusion does not include proceeds of gaming operations regulated by the Commission;

*Please note the recipient may need to examine certain per capita shares to determine whether the proceeds are covered by this provision, such as bingo and gambling proceeds. Although some gaming funds are called "per capita payments", the National Indian Gaming Commission's General Counsel and the Solicitor's office of the Department of the Interior confirmed that the proceeds of gaming operations regulated by the Commission are not funds that are held in trust by the Secretary for the benefit of an Indian tribe, therefore, they do not qualify as per capita payments within the meaning of the Per Capita Distribution Act. (Notice PIH 2013-30)*

*Also, if a tribal member receives the Form 1099-Misc, Miscellaneous Income, from the tribe for reporting Indian gaming profits, this payment does not qualify for this provision. These gaming profits are income that must be included as annual income as defined by HUD's Section 8 Program, the Census, and the IRS. Further, the tribal member must report this miscellaneous income on the "other income" line of the Federal Income tax 1040 Form. (Notice PIH 2013-30)*

8. Amounts of scholarships funded under title IV of the Higher Education Act of 1965 (20 U.S.C. 1070), including awards under federal work-study programs or under the Bureau of Indian Affairs student assistance programs (20 U.S.C. 1087uu). For section 8 programs only (42 U.S.C. 1437f), any financial assistance in excess of amounts received by an individual for tuition and any other required fees and charges under the Higher Education Act of 1965 (20 U.S.C. 1001 et seq.), from private sources, or an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall not be considered income to that individual if the individual is over the age of 23 with dependent children (Pub. L. 109–115, section 327) (as amended);
9. Payments received from programs funded under title V of the Older Americans Act of 1965 (42 U.S.C. 3056g);
10. Payments received on or after January 1, 1989, from the Agent Orange Settlement Fund (Pub. L. 101–201) or any other fund established pursuant to the settlement in In Re Agent Orange Liability Litigation, M.D.L. No. 381 (E.D.N.Y.);
11. Payments received under the Maine Indian Claims Settlement Act of 1980 (Pub. L. 96–420, 25 U.S.C. 1728);
12. The value of any child care provided or arranged (or any amount received as payment for such care or reimbursement for costs incurred for such care) under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q);
13. Earned income tax credit (EITC) refund payments received on or after January 1, 1991, for programs administered under the United States Housing Act of 1937, title V of the Housing Act of 1949, section 101 of the Housing and Urban Development Act of 1965, and sections 221(d)(3), 235, and 236 of the National Housing Act (26 U.S.C. 32(l));
14. Payments by the Indian Claims Commission to the Confederated Tribes and Bands of Yakima Indian Nation or the Apache Tribe of Mescalero Reservation (Pub. L. 95–433);
15. Allowances, earnings and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d));
16. Any allowance paid under the provisions of 38 U.S.C. 1833(c) to children of Vietnam veterans born with spina bifida (38 U.S.C. 1802–05), children of women Vietnam veterans born with certain birth defects (38 U.S.C. 1811–16), and children of certain Korean service veterans born with spina bifida (38 U.S.C. 1821).

17. Any amount of crime victim compensation (under the Victims of Crime Act) received through crime victim assistance (or payment or reimbursement of the cost of such assistance) as determined under the Victims of Crime Act because of the commission of a crime against the applicant under the Victims of Crime Act (42 U.S.C. 10602(c));
18. Allowances, earnings, and payments to individuals participating in programs under the Workforce Investment Act of 1998 (29 U.S.C. 2931(a)(2));
19. Any amount received under the Richard B. Russell School Lunch Act (42 U.S.C. 1760(e)) and the Child Nutrition Act of 1966 (42 U.S.C. 1780(b)), including reduced-price lunches and food under the Special Supplemental Food Program for Women, Infants, and Children (WIC);
20. Payments, funds, or distributions authorized, established, or directed by the Seneca Nation Settlement Act of 1990 (25 U.S.C. 1774f(b));
21. Payments from any deferred U.S. Department of Veterans Affairs disability benefits that are received in a lump sum amount or in prospective monthly amounts (42 U.S.C. § 1437a(b)(4));
22. Compensation received by or on behalf of a veteran for service-connected disability, death, dependency, or indemnity compensation as provided by an amendment by the Indian Veterans Housing Opportunity Act of 2010 (Pub. L. 111–269; 25 U.S.C. 4103(9)) to the definition of income applicable to programs authorized under the Native American Housing Assistance and Self-Determination Act (NAHASDA) (25 U.S.C. 4101 et seq.) and administered by the Office of Native American Programs;
23. A lump sum or a periodic payment received by an individual Indian pursuant to the Class Action Settlement Agreement in the case entitled *Elouise Cobell et al. v. Ken Salazar et al.*, 816 F.Supp.2d 10 (Oct. 5, 2011 D.D.C.), for a period of one year from the time of receipt of that payment as provided in the Claims Resolution Act of 2010 (Pub. L. 111–291);
24. Any amounts in an “individual development account” as provided by the Assets for Independence Act, as amended in 2002 (Pub. L. 107–110, 42 U.S.C. 604(h)(4));
25. Per capita payments made from the proceeds of Indian Tribal Trust Cases as described in PIH Notice 2013–30 “Exclusion from Income of Payments under Recent Tribal Trust Settlements” (25 U.S.C. 117b(a)); and

26. Major disaster and emergency assistance received by individuals and families under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Pub. L. 93–288, as amended) and comparable disaster assistance provided by States, local governments, and disaster assistance organizations (42 U.S.C. 5155(d)).
27. Distributions from an ABLE account, and actual or imputed interest on the Able account balance

## PART II: ADJUSTED INCOME

### 6-II.A. INTRODUCTION

#### Overview

HUD regulations require OHFA to deduct from annual income any of five mandatory deductions for which a family qualifies. The resulting amount is the family's adjusted income. Mandatory deductions are found in 24 CFR 5.611.

5.611(a) Mandatory deductions. In determining adjusted income, the responsible entity [PHA] must deduct the following amounts from annual income:

- (1) \$480 for each dependent;
- (2) \$400 for any elderly family or disabled family;
- (3) The sum of the following, to the extent the sum exceeds three percent of annual income:
  - (i) Unreimbursed medical expenses of any elderly family or disabled family;
  - (ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and
- (4) Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.

This part covers policies related to these mandatory deductions. Verification requirements related to these deductions are found in Chapter 7.

#### Anticipating Expenses

Generally, OHFA will use current circumstances to anticipate expenses. When possible, for costs that are expected to fluctuate during the year (e.g., child care during school and non-school periods and cyclical medical expenses), OHFA will estimate costs based on historic data and known future costs.

If a family has an accumulated debt for medical or disability assistance expenses, OHFA will include as an eligible expense the portion of the debt that the family expects to pay during the period for which the income determination is being made. However, amounts previously deducted will not be allowed even if the amounts were not paid as expected in

a preceding period. OHFA may require the family to provide documentation of payments made in the preceding year.

**6-II.B. DEPENDENT DEDUCTION**

A deduction of \$480 is taken for each dependent [24 CFR 5.611(a)(1)]. *Dependent* is defined as any family member other than the head, spouse, or cohead who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student. Foster children, foster adults, and live-in aides are never considered dependents [24 CFR 5.603(b)].

**6-II.C. ELDERLY OR DISABLED FAMILY DEDUCTION**

A single deduction of \$400 is taken for any elderly or disabled family [24 CFR 5.611(a)(2)]. An *elderly family* is a family whose head, spouse, cohead, or sole member is 62 years of age or older, and a *disabled family* is a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403].

**6-II.D. MEDICAL EXPENSES DEDUCTION [24 CFR 5.611(a)(3)(i)]**

Unreimbursed medical expenses may be deducted to the extent that, in combination with any disability assistance expenses, they exceed three percent of annual income.

The medical expense deduction is permitted only for families in which the head, spouse, or cohead is at least 62 or is a person with disabilities. If a family is eligible for a medical expense deduction, the medical expenses of all family members are counted [VG, p. 28].

**Definition of *Medical Expenses***

HUD regulations define *medical expenses* at 24 CFR 5.603(b) to mean “medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.”

The most current IRS Publication 502, *Medical and Dental Expenses*, will be used to determine the costs that qualify as medical expenses.

<b>Summary of Allowable Medical Expenses from IRS Publication 502</b>	
Services of medical professionals	Substance abuse treatment programs
Surgery and medical procedures that are necessary, legal, noncosmetic	Psychiatric treatment
Services of medical facilities	Ambulance services and some costs of transportation related to medical expenses
Hospitalization, long-term care, and in-home nursing services	

<p>Prescription medicines and insulin, but <u>not</u> nonprescription medicines even if recommended by a doctor</p> <p>Improvements to housing directly related to medical needs (e.g., ramps for a wheel chair, handrails)</p>	<p>The cost and care of necessary equipment related to a medical condition (e.g., eyeglasses/lenses, hearing aids, crutches, and artificial teeth)</p> <p>Cost and continuing care of necessary service animals</p> <p>Medical insurance premiums or the cost of a health maintenance organization (HMO)</p>
<p><b>Note:</b> This chart provides a summary of eligible medical expenses only. Detailed information is provided in IRS Publication 502. Medical expenses are considered only to the extent they are not reimbursed by insurance or some other source.</p>	

**Families That Qualify for Both Medical and Disability Assistance Expenses**

This policy applies only to families in which the head, spouse, or cohead is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, OHFA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

**6-II.E. DISABILITY ASSISTANCE EXPENSES DEDUCTION [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]**

Reasonable expenses for attendant care and auxiliary apparatus for a disabled family member may be deducted if they: (1) are necessary to enable a family member 18 years or older to work, (2) are not paid to a family member or reimbursed by an outside source, (3) in combination with any medical expenses, exceed three percent of annual income, and (4) do not exceed the earned income received by the family member who is enabled to work.

**Earned Income Limit on the Disability Assistance Expense Deduction**

A family can qualify for the disability assistance expense deduction only if at least one family member (who may be the person with disabilities) is enabled to work [24 CFR 5.603(b)].

The disability expense deduction is capped by the amount of “earned income received by family members who are 18 years of age or older and who are able to work” because of the expense [24 CFR 5.611(a)(3)(ii)]. The earned income used for this purpose is the amount verified before any earned income disallowances or income exclusions are applied.

The family must identify the family members enabled to work as a result of the disability assistance expenses. In evaluating the family's request, OHFA will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with disabilities that might determine which family members are enabled to work.

When OHFA determines that the disability assistance expenses enable more than one family member to work, the expenses will be capped by the sum of the family members' incomes.

### **Eligible Disability Expenses**

Examples of auxiliary apparatus are provided in the *HCV Guidebook* as follows: "Auxiliary apparatus are items such as wheelchairs, ramps, adaptations to vehicles, or special equipment to enable a blind person to read or type, but only if these items are directly related to permitting the disabled person or other family member to work" [HCV GB, p. 5-30].

HUD advises PHAs to further define and describe auxiliary apparatus [VG, p. 30].

### ***Eligible Auxiliary Apparatus***

Expenses incurred for maintaining or repairing an auxiliary apparatus are eligible. In the case of an apparatus that is specially adapted to accommodate a person with disabilities (e.g., a vehicle or computer), the cost to maintain the special adaptations (but not maintenance of the apparatus itself) is an eligible expense. The cost of service animals trained to give assistance to persons with disabilities, including the cost of acquiring the animal, veterinary care, food, grooming, and other continuing costs of care, will be included.

### ***Eligible Attendant Care***

The family determines the type of attendant care that is appropriate for the person with disabilities.

Attendant care includes, but is not limited to, reasonable costs for home medical care, nursing services, in-home or center-based care services, interpreters for persons with hearing impairments, and readers for persons with visual disabilities.

Attendant care expenses will be included for the period that the person enabled to work is employed plus reasonable transportation time. The cost of general housekeeping and personal services is not an eligible attendant care expense. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person with disabilities to work are eligible.

If the care attendant also provides other services to the family, OHFA will prorate the cost and allow only that portion of the expenses attributable to attendant care that enables a family member to work. For example, if the care provider also cares for a child who is not the person with disabilities, the cost of care must be prorated. Unless otherwise specified by the care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

### ***Payments to Family Members***

No disability assistance expenses may be deducted for payments to a member of an assisted family [24 CFR 5.603(b)]. However, expenses paid to a relative who is not a member of the assisted family may be deducted if they are not reimbursed by an outside source.

### **Necessary and Reasonable Expenses**

The family determines the type of care or auxiliary apparatus to be provided and must describe how the expenses enable a family member to work. The family must certify that the disability assistance expenses are necessary and are not paid or reimbursed by any other source.

OHFA determines the reasonableness of the expenses based on typical costs of care or apparatus in the locality. To establish typical costs, OHFA will collect information from organizations that provide services and support to persons with disabilities. A family may present, and OHFA will consider, the family's justification for costs that exceed typical costs in the area.

### **Families That Qualify for Both Medical and Disability Assistance Expenses**

This policy applies only to families in which the head or spouse is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, OHFA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

### **6-II.F. CHILD CARE EXPENSE DEDUCTION**

HUD defines *child care expenses* at 24 CFR 5.603(b) as “amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.”

## **Clarifying the Meaning of *Child* for This Deduction**

Child care expenses do not include child support payments made to another on behalf of a minor who is not living in an assisted family's household [VG, p. 26]. However, child care expenses for foster children that are living in the assisted family's household are included when determining the family's child care expenses [HCV GB, p. 5-29].

## **Qualifying for the Deduction**

### ***Determining Who Is Enabled to Pursue an Eligible Activity***

The family must identify the family member(s) enabled to pursue an eligible activity. The term *eligible activity* in this section means any of the activities that may make the family eligible for a child care deduction (seeking work, pursuing an education, or being gainfully employed).

In evaluating the family's request, OHFA will consider factors such as how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

### ***Seeking Work***

If the child care expense being claimed is to enable a family member to seek employment, the family must provide evidence of the family member's efforts to obtain employment at each reexamination. The deduction may be reduced or denied if the family member's job search efforts are not commensurate with the child care expense being allowed by OHFA.

### ***Furthering Education***

If the child care expense being claimed is to enable a family member to further his or her education, the member must be enrolled in school (academic or vocational) or participating in a formal training program. The family member is not required to be a full-time student, but the time spent in educational activities must be commensurate with the child care claimed.

### ***Being Gainfully Employed***

If the child care expense being claimed is to enable a family member to be gainfully employed, the family must provide evidence of the family member's employment during the time that child care is being provided. Gainful employment is any legal work activity (full- or part-time) for which a family member is compensated.

## **Earned Income Limit on Child Care Expense Deduction**

When a family member looks for work or furthers his or her education, there is no cap on the amount that may be deducted for child care – although the care must still be necessary and reasonable. However, when child care enables a family member to work, the deduction is capped by “the amount of employment income that is included in annual income” [24 CFR 5.603(b)].

The earned income used for this purpose is the amount of earned income verified after any earned income disallowances or income exclusions are applied.

When the person who is enabled to work is a person with disabilities who receives the earned income disallowance (EID) or a full-time student whose earned income above \$480 is excluded, child care costs related to enabling a family member to work may not exceed the portion of the person’s earned income that actually is included in annual income. For example, if a family member who qualifies for the EID makes \$15,000 but because of the EID only \$5,000 is included in annual income, child care expenses are limited to \$5,000.

OHFA must not limit the deduction to the least expensive type of child care. If the care allows the family to pursue more than one eligible activity, including work, the cap is calculated in proportion to the amount of time spent working [HCV GB, p. 5-30].

When the child care expense being claimed is to enable a family member to work, only one family member’s income will be considered for a given period of time. When more than one family member works during a given period, OHFA generally will limit allowable child care expenses to the earned income of the lowest-paid member. The family may provide information that supports a request to designate another family member as the person enabled to work.

## **Eligible Child Care Expenses**

The type of care to be provided is determined by the assisted family. OHFA may not refuse to give a family the child care expense deduction because there is an adult family member in the household that may be available to provide child care [VG, p. 26].

### ***Allowable Child Care Activities***

For school-age children, costs attributable to public or private school activities during standard school hours are not considered. Expenses incurred for supervised activities after school or during school holidays (e.g., summer day camp, after-school sports league) are allowable forms of child care.

The costs of general housekeeping and personal services are not eligible. Likewise, child care expenses paid to a family member who lives in the family’s unit are not eligible; however, payments for child care to relatives who do not live in the unit are eligible.

If a child care provider also renders other services to a family or child care is used to enable a family member to conduct activities that are not eligible for consideration, OHFA will prorate the costs and allow only that portion of the expenses that is attributable to child care for eligible activities. For example, if the care provider also cares for a child with disabilities who is 13 or older, the cost of care will be prorated. Unless otherwise specified by the child care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

***Necessary and Reasonable Costs***

Child care expenses will be considered necessary if: (1) a family adequately explains how the care enables a family member to work, actively seek employment, or further his or her education, and (2) the family certifies, and the child care provider verifies, that the expenses are not paid or reimbursed by any other source.

Child care expenses will be considered for the time required for the eligible activity plus reasonable transportation time. For child care that enables a family member to go to school, the time allowed may include not more than one study hour for each hour spent in class.

To establish the reasonableness of child care costs, OHFA will use the schedule of child care costs from the local welfare agency. Families may present, and OHFA will consider, justification for costs that exceed typical costs in the area.

## **PART III: CALCULATING FAMILY SHARE AND PHA SUBSIDY**

### **6-III.A. OVERVIEW OF RENT AND SUBSIDY CALCULATIONS**

#### **TTP Formula [24 CFR 5.628]**

HUD regulations specify the formula for calculating the total tenant payment (TTP) for an assisted family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 30 percent of the family's monthly adjusted income (adjusted income is defined in Part II)
- 10 percent of the family's monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between \$0 and \$50 that is established by OHFA

OHFA has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-III.B.

The amount that a family pays for rent and utilities (the family share) will never be less than the family's TTP but may be greater than the TTP depending on the rent charged for the unit the family selects.

#### ***Welfare Rent [24 CFR 5.628]***

Welfare rent does not apply in this locality.

#### ***Minimum Rent [24 CFR 5.630]***

The minimum rent for this locality is \$0.

#### **Family Share [24 CFR 982.305(a)(5)]**

If a family chooses a unit with a gross rent (rent to owner plus an allowance for tenant-paid utilities) that exceeds OHFA's applicable payment standard: (1) the family will pay more than the TTP, and (2) at initial occupancy OHFA may not approve the tenancy if it would require the family share to exceed 40 percent of the family's monthly adjusted income. The income used for this determination must have been verified no earlier than 60 days before the family's voucher was issued. (For a discussion of the application of payment standards, see section 6-III.C.)

#### **OHFA Subsidy [24 CFR 982.505(b)]**

OHFA will pay a monthly housing assistance payment (HAP) for a family that is equal to the lower of (1) the applicable payment standard for the family minus the family's TTP or (2) the

gross rent for the family's unit minus the TTP. (For a discussion of the application of payment standards, see section 6-III.C.)

### **Utility Reimbursement [24 CFR 982.514(b); 982.514(c)]**

When OHFA subsidy for a family exceeds the rent to owner, the family is due a utility reimbursement. HUD permits OHFA to pay the reimbursement to the family or directly to the utility provider.

OHFA will make utility reimbursements to the family.

OHFA may make all utility reimbursement payments to qualifying families on a monthly basis or may make quarterly payments when the monthly reimbursement amount is \$15.00 or less. Reimbursements must be made once per calendar-year quarter and must be prorated if the family leaves the program in advance of its next quarterly reimbursement. OHFA must also adopt hardship policies for families for whom receiving quarterly reimbursement would create a financial hardship.

OHFA will issue all utility reimbursements monthly.

### **6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]**

The financial hardship rules described below do not apply in this jurisdiction because OHFA has established a minimum rent of \$0.

#### **Overview**

If OHFA establishes a minimum rent greater than zero, OHFA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent.

### **6-III.C. APPLYING PAYMENT STANDARDS [24 CFR 982.505; 982.503(b)]**

#### **Overview**

OHFA's schedule of payment standards is used to calculate housing assistance payments for HCV families. This section covers the application of OHFA's payment standards. The establishment and revision of OHFA's payment standard schedule are covered in Chapter 16.

*Payment standard* is defined as "the maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family)" [24 CFR 982.4(b)].

The payment standard for a family is the lower of (1) the payment standard for the family unit size, which is defined as the appropriate number of bedrooms for the family under OHFA's

subsidy standards [24 CFR 982.4(b)], or (2) the payment standard for the size of the dwelling unit rented by the family.

If OHFA has established an exception payment standard for a designated part of an FMR area and a family's unit is located in the exception area, OHFA must use the appropriate payment standard for the exception area.

OHFA is required to pay a monthly housing assistance payment (HAP) for a family that is the lower of (1) the payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP.

If during the term of the HAP contract for a family's unit, the owner lowers the rent, OHFA will recalculate the HAP using the lower of the initial payment standard or the gross rent for the unit [HCV GB, p. 7-8].

### **Changes in Payment Standards**

When OHFA revises its payment standards during the term of the HAP contract for a family's unit, it will apply the new payment standards in accordance with HUD regulations.

#### ***Decreases***

If OHFA changes its payment standard schedule, resulting in a lower payment standard amount, during the term of a HAP contract, OHFA is no longer required to reduce the payment standard used to calculate subsidy for families under HAP contract as long as the HAP contract remains in effect [FR Notice 11/16/16].

However, if OHFA does choose to reduce the payment standard for families currently under HAP contract, the initial reduction to the payment standard may not be applied any earlier than the effective date of the family's second regular reexamination following the effective date of the decrease in the payment standard amount. At that point, OHFA may either reduce the payment standard to the current amount in effect on the PHA's payment standard schedule, or may reduce the payment standard to another amount that is higher than the normally applicable amount on the schedule. OHFA may also establish different policies for designated areas within their jurisdiction (e.g., different zip code areas).

In any case, OHFA must provide the family with at least 12 months' notice that the payment standard is being reduced before the effective date of the change. OHFA's policy on decreases in the payment standard during the term of the HAP contract apply to all families under HAP contract at the time of the effective date of the decrease in the payment standard within the designated area.

If the amount on the payment standard schedule is decreased during the term of the HAP contract, the lower payment standard generally will be used beginning at the effective date of the family's second regular reexamination following the effective date of the decrease in the payment standard. OHFA will determine the payment standard for the family as follows:

**Step 1:** At the first regular reexamination following the decrease in the payment standard, OHFA will determine the payment standard for the family using the lower of the payment standard for the family unit size or the size of the dwelling unit rented by the family.

**Step 2:** OHFA will compare the payment standard from step 1 to the payment standard last used to calculate the monthly housing assistance payment for the family. The payment standard used by OHFA at the first regular reexamination following the decrease in the payment standard will be the higher of these two payment standards. OHFA will advise the family that the application of the lower payment standard will be deferred until the second regular reexamination following the effective date of the decrease in the payment standard.

**Step 3:** At the second regular reexamination following the decrease in the payment standard, the lower payment standard will be used to calculate the monthly housing assistance payment for the family unless OHFA has subsequently increased the payment standard, in which case the payment standard will be determined in accordance with procedures for increases in payment standards described below.

OHFA will not establish different policies for decreases in the payment standard for designated areas within their jurisdiction.

### ***Increases***

If the payment standard is increased during the term of the HAP contract, the increased payment standard will be used to calculate the monthly housing assistance payment for the family beginning on the effective date of the family's first regular reexamination on or after the effective date of the increase in the payment standard.

Families requiring or requesting interim reexaminations will not have their HAP payments calculated using the higher payment standard until their next annual reexamination [HCV GB, p. 7-8].

### ***Changes in Family Unit Size***

Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size must be used to determine the payment standard for the family beginning at the family's first regular reexamination following the change in family unit size.

## **Reasonable Accommodation**

If a family requires a higher payment standard as a reasonable accommodation for a family member who is a person with disabilities, OHFA is allowed to establish a higher payment standard for the family of not more than 120 percent of the published Fair Market Rents (FMRs).

### **6-III.D. APPLYING UTILITY ALLOWANCES [24 CFR 982.517]**

#### **Overview**

An OHFA-established utility allowance schedule is used in determining family share and OHFA's subsidy. OHFA must use the utility allowance for the unit size selected by the family or the voucher bedroom size that the family qualifies for under OHFA's subsidy standards, whichever is lower. See Chapter 5 for information on OHFA's subsidy standards.

For example, a family qualifies for a 2-bedroom voucher but decides to lease a 3-bedroom unit; OHFA must use the 2-bedroom utility allowance. OHFA may make exceptions as a reasonable accommodation for a family that includes a person with disabilities, if necessary.

For policies on establishing and updating utility allowances, see Chapter 16.

#### **Reasonable Accommodation**

See Chapter 2 for policies regarding the request and approval of reasonable accommodations.

#### **Utility Allowance Revisions**

At reexamination, OHFA must use OHFA's current utility allowance schedule [24 CFR 982.517(d)(2)].

Revised utility allowances will be applied to a family's rent and subsidy calculations at the first annual reexamination that is effective after the allowance is adopted.

### **6-III.E. PRORATED ASSISTANCE FOR MIXED FAMILIES [24 CFR 5.520]**

HUD regulations prohibit assistance to ineligible family members. A *mixed family* is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. OHFA must prorate the assistance provided to a mixed family. OHFA will first determine assistance as if all family members were eligible and then prorate the assistance based upon the percentage of family members that actually are eligible. For example, if OHFA's subsidy for a family is calculated at \$500 and two of four family members are ineligible, OHFA's subsidy would be reduced to \$250.

## EXHIBIT 6-1: ANNUAL INCOME INCLUSIONS

### 24 CFR 5.609

*(a) Annual income means all amounts, monetary or not, which:*

- (1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
- (2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- (3) Which are not specifically excluded in paragraph (c) of this section.
- (4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

*(b) Annual income includes, but is not limited to:*

- (1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;
- (2) The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in

income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;

(3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;

(4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);

(5) Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except as provided in paragraph (c)(3) of this section);

(6) Welfare assistance payments.

(i) Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

(A) Qualify as assistance under the TANF program definition at 45 CFR 260.31<sup>1</sup>; and

(B) Are not otherwise excluded under paragraph (c) of this section.

(ii) If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

(A) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(B) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage.

(7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

---

<sup>1</sup> Text of 45 CFR 260.31 follows.

(8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section)

(9) For section 8 programs only and as provided in 24 CFR 5.612, any financial assistance, in excess of amounts received for tuition and any other required fees and charges, that an individual receives under the Higher Education Act of 1965 (20 U.S.C. 1001 et seq.), from private sources, or from an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for persons over the age of 23 with dependent children. For purposes of this paragraph, "financial assistance" does not include loan proceeds for the purpose of determining income.

<b>HHS DEFINITION OF ASSISTANCE"</b>
--------------------------------------

**45 CFR: GENERAL TEMPORARY ASSISTANCE FOR NEEDY FAMILIES**

**260.31 What does the term "assistance" mean?**

(a)(1) The term "assistance" includes cash, payments, vouchers, and other forms of benefits designed to meet a family's ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses).

(2) It includes such benefits even when they are:

(i) Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and

(ii) Conditioned on participation in work experience or community service (or any other work activity under 261.30 of this chapter).

(3) Except where excluded under paragraph (b) of this section, it also includes supportive services such as transportation and child care provided to families who are not employed.

(b) [The definition of “assistance”] excludes: (1) Nonrecurrent, short-term benefits that:

(i) Are designed to deal with a specific crisis situation or episode of need;

(ii) Are not intended to meet recurrent or ongoing needs; and

(iii) Will not extend beyond four months.

(2) Work subsidies (i.e., payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training);

(3) Supportive services such as child care and transportation provided to families who are employed;

(4) Refundable earned income tax credits;

(5) Contributions to, and distributions from, Individual Development Accounts;

(6) Services such as counseling, case management, peer support, child care information and referral, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support; and

(7) Transportation benefits provided under a Job Access or Reverse Commute project, pursuant to section 404(k) of [the Social Security] Act, to an individual who is not otherwise receiving assistance.

## EXHIBIT 6-2: ANNUAL INCOME EXCLUSIONS<sup>2</sup>

### 24 CFR 5.609

*(c) Annual income does not include the following:*

(1) Income from employment of children (including foster children) under the age of 18 years;

(2) Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);

(3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses (except as provided in paragraph (b)(5) of this section);

(4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;

(5) Income of a live-in aide, as defined in Sec. 5.403;

(6) Subject to paragraph (b)(9) of this section, the full amount of student financial assistance paid directly to the student or to the educational institution;

(7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;

(8) (i) Amounts received under training programs funded by HUD;

(ii) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);

(iii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;

---

<sup>2</sup> FR Notice 11/24/08 makes note of pending revisions to this regulation, namely the exclusion of any deferred disability benefits received in lump-sum or prospective monthly amounts from the Department of Veterans Affairs (VA). At the time of publication, 24 CFR 5.609 had yet to be updated.

(iv) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time;

(v) Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program;

(9) Temporary, nonrecurring or sporadic income (including gifts);

(10) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

(11) Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);

(12) Adoption assistance payments in excess of \$480 per adopted child;

(13) [Reserved]

(14) Deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts, or any deferred Department of Veterans Affairs disability benefits that are received in a lump sum amount or prospective monthly amounts.

(15) Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

(16) Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

(17) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(c) apply. A notice will be published in the Federal Register and distributed to PHAs and housing owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary. [See the following chart for a list of benefits that qualify for this exclusion.]

Sources of Income Excluded by Federal Statute from Consideration as Income for Purposes of Determining Eligibility or Benefits – Revised based upon notice in the Federal Register on May 20, 2014

- (i) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017(b));

(xvii) Any amount of crime victim compensation (under the Victims of Crime Act) received through crime victim assistance (or payment or reimbursement of the cost of such assistance) as determined under the Victims of Crime Act because of the commission of a crime against the applicant under the Victims of Crime Act (42 U.S.C. 10602(c));

(xviii) Allowances, earnings, and payments to individuals participating in programs under the Workforce Investment Act of 1998 (29 U.S.C. 2931(a)(2));

(xix) Any amount received under the Richard B. Russell School Lunch Act (42 U.S.C. 1760(e)) and the Child Nutrition Act of 1966 (42 U.S.C. 1780(b)), including reduced-price lunches and food under the Special Supplemental Food Program for Women, Infants, and Children (WIC);

(xx) Payments, funds, or distributions authorized, established, or directed by the

Seneca Nation Settlement Act of 1990 (25 U.S.C. 1774f(b));

(xxi) Payments from any deferred U.S. Department of Veterans Affairs disability benefits that are received in a lump sum amount or in prospective monthly amounts (42 U.S.C. § 1437a(b)(4));

(xxii) Compensation received by or on behalf of a veteran for service-connected disability, death, dependency, or indemnity compensation as provided by an amendment by the Indian Veterans Housing Opportunity Act of 2010 (Pub. L. 111-269; 25 U.S.C. 4103(9)) to the definition of income applicable to programs authorized under the Native American Housing Assistance and Self-Determination Act (NAHASDA) (25 U.S.C. 4101 et seq.) and administered by the Office of Native American Programs;

(xxiii) A lump sum or a periodic payment received by an individual Indian pursuant to the Class Action Settlement Agreement in the case entitled Elouise Cobell et al. v. Ken Salazar et al., 816 F.Supp.2d 10 (Oct. 5, 2011 D.D.C.), for a period of one year from the time of receipt of that payment as provided in the Claims Resolution Act of 2010 (Pub. L. 111-291);

(xxiv) Any amounts in an “individual development account” as provided by the Assets for Independence Act, as amended in 2002 (Pub. L. 107-110, 42 U.S.C. 604(h)(4));

(xxv) Per capita payments made from the proceeds of Indian Tribal Trust Cases as described in PIH Notice 2013-30 “Exclusion from Income of Payments under Recent Tribal Trust Settlements” (25 U.S.C. 117b(a)); and

(xxvi) Major disaster and emergency assistance received by individuals and families under the Robert T. Stafford Disaster Relief

and Emergency Assistance Act (Pub. L. 93–288, as amended) and comparable disaster assistance provided by States, local governments, and disaster assistance organizations (42 U.S.C. 5155(d)).

## EXHIBIT 6-3: TREATMENT OF FAMILY ASSETS

### 24 CFR 5.603(b) Net Family Assets

(1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

(2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under Sec. 5.609.

(3) In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

(4) For purposes of determining annual income under Sec. 5.609, the term "net family assets" does not include the value of a home currently being purchased with assistance under part 982, subpart M of this title. This exclusion is limited to the first 10 years after the purchase date of the home.

**EXHIBIT 6-4: EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES**

**24 CFR 5.617 Self-sufficiency incentives for persons with disabilities—Disallowance of increase in annual income.**

*(a) Applicable programs.* The disallowance of earned income provided by this section is applicable only to the following programs: HOME Investment Partnerships Program (24 CFR part 92); Housing Opportunities for Persons with AIDS (24 CFR part 574); Supportive Housing Program (24 CFR part 583); and the Housing Choice Voucher Program (24 CFR part 982).

*(b) Definitions.* The following definitions apply for purposes of this section.

*Baseline income.* The annual income immediately prior to implementation of the disallowance described in paragraph (c)(1) of this section of a person with disabilities (who is a member of a qualified family).

*Disallowance.* Exclusion from annual income.

*Previously unemployed* includes a person with disabilities who has earned, in the twelve months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

*Qualified family.* A family residing in housing assisted under one of the programs listed in paragraph (a) of this section or receiving tenant-based rental assistance under one of the programs listed in paragraph (a) of this section.

(1) Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;

(2) Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or

(3) Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance-- provided that the total amount over a six-month period is at least \$500.

*(c) Disallowance of increase in annual income—*

(1) Initial twelve month exclusion. During the 12-month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income (as defined in the regulations governing the applicable program listed in paragraph (a) of this section) of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over prior income of that family member.

(2) Second twelve month exclusion and phase-in. Upon expiration of the 12-month period defined in paragraph (c)(1) of this section and for the subsequent 12-month period, the responsible entity must exclude from annual income of a qualified family at least 50 percent of any increase in income of such family member as a result of employment over the family member's baseline income.

(3) Maximum two year disallowance. The disallowance of increased income of an individual family member who is a person with disabilities as provided in paragraph (c)(1) or (c)(2) of this section is limited to a lifetime 24-month period. The disallowance applies for a maximum of 12 months for disallowance under paragraph (c)(1) of this section and a maximum of 12 months for disallowance under paragraph (c)(2) of this section, during the 24- month period starting from the initial exclusion under paragraph (c)(1) of this section.

(4) Effect of changes on currently participating families. Families eligible for and participating in the disallowance of earned income under this section prior to *May 9, 2016* will continue to be governed by this section in effect as it existed immediately prior to that date (see 24 CFR parts 0 to 199, revised as of April 1, 2016).

*(d) Inapplicability to admission.* The disallowance of increases in income as a result of employment of persons with disabilities under this section does not apply for purposes of admission to the program (including the determination of income eligibility or any income targeting that may be applicable).

## EXHIBIT 6-5: THE EFFECT OF WELFARE BENEFIT REDUCTION

### 24 CFR 5.615

#### **Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.**

(a) *Applicability.* This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) *Definitions.* The following definitions apply for purposes of this section:

*Covered families.* Families who receive welfare assistance or other public assistance benefits ("welfare benefits") from a State or other public agency ("welfare agency") under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

*Economic self-sufficiency program.* See definition at Sec. 5.603.

*Imputed welfare income.* The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

*Specified welfare benefit reduction.*

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a

welfare agency requirement to participate in an economic self-sufficiency program.

(2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

(c) *Imputed welfare income.*

(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.

(2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare

benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the PHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).

(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed

(5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

*(d) Review of PHA decision.*

(1) Public housing. If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent

attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.

(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the PHA determination, the family may request an informal hearing on the determination under the PHA hearing procedure.

*(e) PHA relation with welfare agency.*

(1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the

opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall be entitled to rely on the welfare agency notice to the PHA of the welfare agency's determination of a specified welfare benefits reduction.

## Chapter 7

### VERIFICATION

[24 CFR 982.516, 24 CFR 982.551, 24 CFR 5.230, Notice PIH 2018-18]

#### INTRODUCTION

Oklahoma Housing Finance Agency (OHFA) must verify all information that is used to establish the family's eligibility and level of assistance and is required to obtain the family's consent to collect the information. Applicants and program participants must cooperate with the verification process as a condition of receiving assistance. OHFA must not pass on the cost of verification to the family.

OHFA will follow the verification guidance provided by the U.S. Department of Housing and Urban Development (HUD) in Notice PIH 2018-18 and any subsequent guidance issued by HUD. This chapter summarizes those requirements and provides supplementary OHFA policies.

Part I: General Verification Requirements

Part II: Verifying Family Information

Part III: Verifying Income and Assets

Part IV: Verifying Mandatory Deductions

Verification policies, rules and procedures will be modified as needed to accommodate persons with disabilities. All information obtained through the verification process will be handled in accordance with the records management policies of OHFA.

## **PART I: GENERAL VERIFICATION REQUIREMENTS**

### **7-I.A. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 982.516 AND 982.551, 24 CFR 5.230]**

The family must supply any information that OHFA or HUD determines is necessary to the administration of the program and must consent to OHFA verification of that information [24 CFR 982.551].

#### **Consent Forms**

It is required that all adult applicants and participants sign form HUD-9886, Authorization for Release of Information. The purpose of form HUD-9886 is to facilitate automated data collection and computer matching from specific sources and provides the family's consent only for the specific purposes listed on the form. HUD and OHFA may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA). Adult family members must sign other consent forms as needed to collect information relevant to the family's eligibility and level of assistance.

#### **Penalties for Failing to Consent [24 CFR 5.232]**

If any family member who is required to sign a consent form fails to do so, OHFA will deny admission to applicants and terminate assistance of participants. The family may request an informal review (applicants) or informal hearing (participants) in accordance with OHFA's procedures.

### **7-I.B. OVERVIEW OF VERIFICATION REQUIREMENTS**

#### **HUD's Verification Hierarchy [Notice PIH 2018-18]**

HUD authorizes OHFA to use six methods to verify family information and specifies the circumstances in which each method will be used. In general, HUD requires OHFA to use the most reliable form of verification that is available and to document the reasons when OHFA uses a lesser form of verification.

In order of priority, the forms of verification that OHFA will use are:

- Up-front Income Verification (UIV) using HUD's Enterprise Income Verification (EIV) system
- Up-front Income Verification (UIV) using a non-HUD system
- Written Third-Party Verification (may be provided by applicant or participant)

- Written Third-party Verification Form
- Oral Third-party Verification
- Tenant Declaration (Self-Certification)

Each of the verification methods is discussed in subsequent sections below.

### **Requirements for Acceptable Documents**

Any documents used for verification must be the original (not photocopies) and generally must be dated within 60 days of OHFA's interview/determination or request date. The documents must not be damaged, altered or in any way illegible.

Printouts from Web pages may be considered original documents.

The OHFA staff member who views the original document must make a photocopy, if it is a driver's license or photo ID write the date of birth (DOB) on the copy and initial. If it is a Social Security (SS) card, write the SS number on the copy and initial.

Any family self-certifications must be made in a format acceptable to OHFA.

### **File Documentation**

OHFA must document in the file how the figures used in income and rent calculations were determined. All verification attempts, information obtained, and decisions reached during the verification process will be recorded in the family's file in sufficient detail to demonstrate that OHFA has followed all of the verification policies set forth in this plan. The record should be sufficient to enable a staff member or HUD reviewer to understand the process followed and conclusions reached.

OHFA will document, in the family file, the following:

Reported family annual income

Value of assets

Expenses related to deductions from annual income

Other factors influencing the adjusted income or income-based rent determination

When OHFA is unable to obtain third-party verification, OHFA will document in the family file the reason that third-party verification was not available [24 CFR 960.259(c)(1); Notice PIH 2018-18].

### **7-I.C. UP-FRONT INCOME VERIFICATION (UIV)**

Up-front income verification (UIV) refers to OHFA's use of the verification tools available from independent sources that maintain computerized information about earnings and benefits. UIV will be used to the extent that these systems are available to OHFA.

There may be legitimate differences between the information provided by the family and UIV-generated information. If the family disputes the accuracy of UIV data, no adverse action can be taken until OHFA has independently verified the UIV information and the family has been granted an opportunity to contest any adverse findings through the informal review/hearing process of OHFA.

See Chapter 6 for OHFA's policy on the use of UIV/EIV to project annual income.

#### **Upfront Income Verification Using HUD's Enterprise Income Verification (EIV) System (Mandatory)**

HUD's EIV system contains data showing earned income, unemployment benefits, social security benefits, and SSI benefits for participant families. HUD requires OHFA to use the EIV system in its entirety. The following policies apply to the use of HUD's EIV system.

##### ***EIV Income and IVT Reports***

The data shown on income and income validation tool (IVT) reports is updated quarterly. Data may be between three and six months old at the time reports are generated.

OHFA will obtain income reports for annual reexaminations on a monthly basis. Reports will be generated as part of the regular reexamination process.

Income and IVT reports will be compared to family-provided information as part of the annual reexamination process. Income reports may be used in the calculation of annual income, as described in Chapter 6-I.C. Income reports may also be used to meet the regulatory requirement for third party verification, as described above. Policies for resolving discrepancies between income reports and family-provided information will be resolved as described in Chapter 6-I.C. and in this chapter.

Income and IVT reports will be used in interim reexaminations to identify any discrepancies between reported income and income shown in the EIV system, and as necessary to verify earned income, and to verify and calculate unemployment benefits, Social Security and/or SSI benefits. EIV will also be used to verify that families claiming zero income are not receiving income from any of these sources.

Income and IVT reports will be retained in participant files with the applicable annual or interim reexamination documents.

When OHFA determines through EIV reports and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.

### ***EIV Discrepancy Reports***

The EIV discrepancy report is a tool for identifying families who may have concealed or under-reported income. Data in the discrepancy report represents income for past reporting periods and may be between 6 months and 30 months old at the time reports are generated.

Families who have not concealed or under-reported income may appear on the discrepancy report in some circumstances, such as loss of a job or addition of new family members.

Income discrepancies may be identified through use of the EIV “Income Discrepancy Report” or by review of the discrepancy tab for the individual family.

When OHFA determines that a participant appearing on the Income Discrepancy Report has not concealed or under-reported income, the participant’s name will be placed on a list of “false positive” reviews. To avoid multiple reviews in this situation, participants appearing on this list will be eliminated from discrepancy processing until a subsequent interim or annual reexamination has been completed.

OHFA will review the EIV discrepancy tab during processing of annual and interim reexaminations.

When it appears that a family may have concealed or under-reported income, OHFA will request written third-party verification of the income in question.

When OHFA determines through file review and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.

### ***EIV Identity Verification***

The EIV system verifies tenant identities against SSA records. These records are compared to PIC data for a match on social security number, name, and date of birth.

OHFA is required to use EIV’s *Identity Verification Report* on a monthly basis to improve the availability of income information in EIV [Notice PIH 2018-24].

When identity verification for a participant fails, a message will be displayed within the EIV system and no income information will be displayed.

OHFA will identify participants whose identity verification has failed by reviewing EIV’s *Identity Verification Report* on a monthly basis.

OHFA will attempt to resolve PIC/SSA discrepancies by obtaining appropriate documentation from the participant. When OHFA determines that discrepancies exist due to OHFA errors such as spelling errors or incorrect birth dates, the errors will be corrected promptly.

### **Upfront Income Verification Using Non-HUD Systems (Optional)**

In addition to mandatory use of the EIV system, HUD encourages PHAs to utilize other upfront verification sources.

OHFA will inform all applicants and participants of its use of the following UIV resources during the admission and reexamination process:

HUD's EIV system

Oklahoma Department of Human Services (DHS) data

Oklahoma Employment Security Commission (OESC) data

### **7-I.D. THIRD-PARTY WRITTEN AND ORAL VERIFICATION**

HUD's current verification hierarchy defines two types of written third-party verification. The more preferable form, "written third-party verification," consists of an original document generated by a third-party source, which may be received directly from a third-party source or provided to OHFA by the family. If written third-party verification is not available, OHFA must attempt to obtain a "written third-party verification form." This is a standardized form used to collect information from a third party.

#### **Written Third-Party Verification [Notice PIH 2018-18]**

Written third-party verification documents must be original and authentic and may be supplied by the family or received from a third-party source.

Examples of acceptable tenant-provided documents include, but are not limited to: pay stubs, payroll summary reports, employer notice, or letters of hire and termination, SSA benefit verification letters, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

OHFA is required to obtain, at minimum, two current and consecutive pay stubs for determining annual income from wages.

OHFA may reject documentation provided by the family if the document is not an original, if the document appears to be forged, or if the document is altered, mutilated, or illegible.

Third-party documents provided by the family must be dated within 60 days of OHFA's request date or the interview date.

If OHFA determines that third-party documents provided by the family are not acceptable, OHFA will explain the reason to the family and request additional documentation.

As verification of earned income, OHFA will request two current consecutive pay stubs dated within the last 60 days prior to OHFA's request or the interview date. For new income sources or when two pay stubs are not available, OHFA will project income based on information from a traditional written third party verification form or the best available information.

### **Written Third-Party Verification Form**

When upfront verification is not available and the family is unable to provide written third-party documents, OHFA must request a written third-party verification form. HUD's position is that this traditional third-party verification method presents administrative burdens and risks, which may be reduced through the use of family-provided third-party documents.

A written third-party verification form is mandatory when there is an unreported source of income or a substantial difference in reported income (\$2400 annually or more) and there is no UIV or tenant-provided documentation to support the income discrepancy.

OHFA may mail, fax, or e-mail third-party written verification form requests to third-party sources.

OHFA will send third-party verification forms directly to the third party.

Third-party verification forms will be sent when third-party verification documents are unavailable or are rejected by OHFA.

### **Oral Third-Party Verification [Notice PIH 2018-18]**

For third-party oral verification, PHAs contact sources, identified by UIV techniques or by the family, by telephone or in person.

Oral third-party verification is mandatory if neither form of written third-party verification is available.

Third-party oral verification may be used when requests for written third-party verification forms have not been returned within a reasonable time—e.g., 14 days.

OHFA should document in the file the date and time of the telephone call or visit, the name of the person contacted, the telephone number, as well as the information confirmed.

In collecting third-party oral verification, OHFA staff will record in the family's file the name and title of the person contacted, the date and time of the conversation (or attempt), the telephone number used, and the facts provided.

When any source responds verbally to the initial written request for verification OHFA will accept the verbal response as oral verification but will also request that the source complete and return any verification forms that were provided.

### **When Third-Party Verification is Not Required [Notice PIH 2018-18]**

Third-party verification may not be available in all situations. HUD has acknowledged that it may not be cost-effective or reasonable to obtain third-party verification of income, assets, or expenses when these items would have a minimal impact on the family's total tenant payment.

If the family cannot provide original documents, OHFA will pay the service charge required to obtain third-party verification, unless it is not cost effective in which case a self-certification will be acceptable as the only means of verification. The cost of verification will not be passed on to the family.

The cost of postage and envelopes to obtain third-party verification of income, assets, and expenses is not an unreasonable cost [VG, p. 18].

### ***Primary Documents***

Third-party verification is not required when legal documents are the primary source, such as a birth certificate or other legal documentation of birth.

### ***Imputed Assets***

HUD permits OHFA to accept a self-certification from a family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28].

OHFA will accept a self-certification from a family as verification of assets disposed of for less than fair market value.

### ***Value of Assets and Asset Income [24 CFR 982.516(a)]***

For families with net assets totaling \$5,000 or less, OHFA may accept the family's declaration of asset value and anticipated asset income. However, OHFA is required to obtain third-party verification of all assets regardless of the amount during the intake process and at least every three years thereafter.

For families with net assets totaling \$5,000 or less, OHFA will accept the family's self-certification of the value of family assets and anticipated asset income when applicable. The family's declaration must show each asset and the amount of income expected from that asset. All family members 18 years of age and older must sign the family's declaration.

OHFA will use third-party documentation for assets as part of the intake process, whenever a family member is added to verify the individual's assets, and every three years thereafter.

### **7-I.E. SELF-CERTIFICATION**

When HUD requires third-party verification, self-certification, or "tenant declaration," is used as a last resort when OHFA is unable to obtain third-party verification.

Self-certification, however, is an acceptable form of verification when:

- A source of income is fully excluded
- Net family assets total \$5,000 or less and OHFA has adopted a policy to accept self-certification at annual recertification, when applicable

When OHFA was required to obtain third-party verification but instead relies on a tenant declaration for verification of income, assets, or expenses, the family's file must be documented to explain why third-party verification was not available.

When information cannot be verified by a third-party or by review of documents, family members will be required to submit self-certifications attesting to the accuracy of the information they have provided to OHFA.

OHFA may require a family to certify that a family member does not receive a particular type of income or benefit.

The self-certification must be made in a format acceptable to OHFA and must be signed by the family member whose information or status is being verified.

**PART II: VERIFYING FAMILY INFORMATION**

**7-II.A. VERIFICATION OF LEGAL IDENTITY**

OHFA will require families to furnish verification of legal identity for each household member.

<b>Verification of Legal Identity for Adults</b>	<b>Verification of Legal Identity for Children</b>
Certificate of birth, naturalization papers  Church issued baptismal certificate  Current, valid driver's license or Department of Motor Vehicles identification card  U.S. military discharge (DD 214)  Current U.S. passport	Certificate of birth  Adoption papers  Custody agreement  Health and Human Services ID  School records

If a document submitted by a family is illegible or otherwise questionable, more than one of these documents may be required.

If none of these documents can be provided and at OHFA’s discretion, a third party who knows the person may attest to the person’s identity. The certification must be provided in a format acceptable to OHFA and be signed in the presence of an OHFA representative or OHFA notary public.

Legal identity will be verified on an as needed basis.

**7-II.B. SOCIAL SECURITY NUMBERS [24 CFR 5.216, Notice PIH 2018-24]**

The family must provide documentation of a valid social security number (SSN) for each member of the household, with the exception of individuals who do not contend eligible immigration status. Exemptions also include, existing program participants who were at least 62 years of age as of January 31, 2010, and had not previously disclosed an SSN.

Note that an individual who previously declared to have eligible immigration status may not change his or her declaration for the purpose of avoiding compliance with the SSN disclosure and documentation requirements or penalties associated with noncompliance with these requirements. Nor may the head of household opt to remove a household member from the family composition for this purpose.

OHFA must accept the following documentation as acceptable evidence of the social security number:

- An original SSN card issued by the Social Security Administration (SSA)
- An original SSA-issued document, which contains the name and SSN of the individual
- An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

OHFA may only reject documentation of an SSN provided by an applicant or participant if the document is not an original document, if the original document has been altered, mutilated, or is not legible, or if the document appears to be forged.

OHFA will explain to the applicant or participant the reasons the document is not acceptable and request that the individual obtain and submit acceptable documentation of the SSN to OHFA within 90 days.

In the case of Moderate Rehabilitation Single Room Occupancy (SRO) individuals, the required documentation must be provided within 90 calendar days from the date of admission into the program. OHFA must grant one additional 90-day extension if it determines that the applicant's failure to comply was due to circumstances that were beyond the applicant's control and could not have been reasonably foreseen.

OHFA will grant one additional 90-day extension if needed for reasons beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency. If the individual fails to comply with SSN disclosure and documentation requirements upon expiration of the provided time period, OHFA will terminate the individual's assistance.

If an applicant family includes a child under 6 years of age who joined the household within the 6 months prior to the date of voucher issuance, an otherwise eligible family may be admitted to the program, and the family must provide documentation of the child's SSN within 90 days of the effective date of the initial HAP contract. A 90-day extension will be granted if the PHA determines that the participant's failure to comply was due to unforeseen circumstances and was outside of the participant's control.

OHFA will grant one additional 90-day extension if needed for reasons beyond the applicant's control, such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

When the participant requests to add a new household member who is at least 6 years of age, or who is under the age of 6 and has an SSN, the participant must provide the complete and

accurate SSN assigned to each new member at the time of reexamination or recertification, in addition to the documentation required to verify it. OHFA may not add the new household member until such documentation is provided.

When a participant requests to add a new household member who is under the age of 6 and has not been assigned an SSN, the participant must provide the SSN assigned to each new child and the required documentation within 90 calendar days of the child being added to the household. A 90-day extension will be granted if OHFA determines that the participant's failure to comply was due to unforeseen circumstances and was outside of the participant's control. During the period OHFA is awaiting documentation of the SSN, the child will be counted as part of the assisted household.

OHFA will grant one additional 90-day extension if needed for reasons beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

Social security numbers must be verified only once during continuously-assisted occupancy.

OHFA will verify each disclosed SSN by:

Obtaining documentation from applicants and participants that is acceptable as evidence of social security numbers

Making a copy of the original documentation submitted, returning it to the individual, and retaining a copy in the file folder

Once the individual's verification status is classified as "verified," OHFA may, at its discretion, remove and destroy copies of documentation accepted as evidence of social security numbers. The retention of the EIV Summary Report or Income Report is adequate documentation of an individual's SSN.

Once an individual's status is classified as "verified" in HUD's EIV system, OHFA retains documentation accepted as evidence of social security numbers.

### **7-II.C. DOCUMENTATION OF AGE**

A birth certificate or other official record of birth is the preferred form of age verification for all family members. For elderly family members an original document that provides evidence of the receipt of social security retirement benefits is acceptable.

If an official record of birth or evidence of social security retirement benefits cannot be provided, OHFA will require the family to submit other documents that support the reported age of the family member (e.g., school records, driver's license if birth year is recorded) and to provide a self-certification.

Age must be verified only once during continuously-assisted occupancy.

## **7-II.D. FAMILY RELATIONSHIPS**

Applicants and program participants are required to identify the relationship of each household member to the head of household. Definitions of the primary household relationships are provided in the Eligibility chapter.

Family relationships are verified only to the extent necessary to determine a family's eligibility and level of assistance. Certification by the head of household normally is sufficient verification of family relationships.

### **Marriage**

Certification by the head of household is normally sufficient verification. If OHFA has reasonable doubts about a marital relationship, OHFA will require the family to document the marriage.

A marriage certificate generally is required to verify that a couple is married.

In the case of a common law marriage, the couple must demonstrate that they hold themselves to be married (e.g., by telling the community they are married, calling each other husband and wife, using the same last name, filing joint income tax returns).

### **Separation or Divorce**

Certification by the head of household is normally sufficient verification. If OHFA has reasonable doubts about a separation or divorce, OHFA will require the family to document the divorce, or separation.

A certified copy of a divorce decree, signed by a court officer, is required to document that a couple is divorced.

A copy of a court-ordered maintenance or other court record is required to document a separation.

If no court document is available, documentation from a community-based agency will be accepted.

### **Absence of Adult Member**

If an adult member who was formerly a member of the household is reported to be permanently absent, the family must provide evidence to support that the person is no longer a member of the family (e.g., documentation of another address at which the person resides such as a lease or utility bill).

## **Foster Children and Foster Adults**

Third-party verification from the state or local government agency responsible for the placement of the individual with the family is required.

## **7-II.E. VERIFICATION OF STUDENT STATUS**

### **General Requirements**

OHFA requires families to provide information about the student status of all students who are 18 years of age or older. This information will be verified only if:

The family reports full-time student status for an adult other than the head, spouse, or cohead.

The family reports childcare expenses to enable a family member to further his or her education.

The family includes a student enrolled in an *institution of higher education*.

### **Restrictions on Assistance to Students Enrolled in Institutions of Higher Education**

This section applies only to students who are seeking assistance on their own, separately from their parents. It does not apply to students residing with parents who are seeking or receiving HCV assistance.

In accordance with the verification hierarchy described in section 7-1.B, OHFA will determine whether the student is exempt from the restrictions in 24 CFR 5.612 by verifying any one of the following exemption criteria:

The student is enrolled at an educational institution that does not meet the definition of *institution of higher education* in the Higher Education Act of 1965 (see section Exhibit 3-2).

The student is at least 24 years old.

The student is a veteran, as defined in section 3-II.E.

The student is married.

The student has at least one dependent child, as defined in section 3-II.E.

The student is a person with disabilities, as defined in section 3-II.E, and was receiving assistance prior to November 30, 2005.

If OHFA cannot verify at least one of these exemption criteria, OHFA will conclude that the student is subject to the restrictions on assistance at 24 CFR 5.612. In addition to

verifying the student's income eligibility, OHFA will then proceed to verify either the student's parents' income eligibility (see section 7-III.J) or the student's independence from his/her parents (see below).

### ***Independent Student***

OHFA will verify a student's independence from his/her parents to determine that the parents' income is not relevant for determining the student's eligibility by doing all of the following:

Both reviewing and verifying previous address information to determine whether the student has established a household separate from his/her parents for at least one year or reviewing and verifying documentation relevant to determining whether the student meets the U.S. Department of Education's definition of *independent student* (see section 3-II.E)

Reviewing the student's prior year income tax returns to verify the student is independent or verifying the student meets the U.S. Department of Education's definition of *independent student* (see section 3-II.E)

Requesting and obtaining written certification directly from the student's parents identifying the amount of support they will be providing to the student, even if the amount of support is \$0, except in cases in which OHFA determines that the student is a *vulnerable youth* (see section 3-II.E)

### **7-II.F. DOCUMENTATION OF DISABILITY**

OHFA must verify the existence of a disability in order to allow certain income disallowances and deductions from income. OHFA is not permitted to inquire about the nature or extent of a person's disability [24 CFR 100.202(c)]. OHFA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. Under no circumstances will OHFA request a participant's medical record(s). For more information on health care privacy laws, see the Department of Health and Human Services' website at [www.os.dhhs.gov](http://www.os.dhhs.gov).

The above-cited regulation does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they are persons with disabilities [VG, p. 24]:

- Inquiry into an applicant's ability to meet the requirements of ownership or tenancy
- Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability
- Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with disabilities or to persons with a particular type of disability

- Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance
- Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance

### **Family Members Receiving SSA Disability Benefits**

Verification of the receipt of disability benefits from the Social Security Administration (SSA) is sufficient verification of disability for the purpose of qualifying for waiting list preferences (if applicable) or certain income disallowances and deductions [VG, p. 23].

For family members claiming disability who receive disability benefits from the SSA, OHFA will attempt to obtain information about disability benefits through the HUD Enterprise Income Verification (EIV) system. If documentation from HUD's EIV System is not available, OHFA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member claiming disability status. If the family is unable to provide the document(s), OHFA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from [www.ssa.gov](http://www.ssa.gov). Once the applicant or participant receives the benefit verification letter they will be required to provide it to OHFA.

### **Family Members Not Receiving SSA Disability Benefits**

Receipt of veteran's disability benefits, worker's compensation, or other non-SSA benefits based on the individual's claimed disability are not sufficient verification that the individual meets HUD's definition of disability in 24 CFR 5.403.

For family members claiming disability who do not receive disability benefits from the SSA, a knowledgeable professional must provide third-party verification that the family member meets the HUD definition of disability. See the Eligibility chapter for the HUD definition of disability. The knowledgeable professional will verify whether the family member does or does not meet the HUD definition.

## **7-II.G. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5.508]**

### **Overview**

Housing assistance is not available to persons who are not citizens, nationals, or eligible immigrants. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. A detailed discussion of eligibility requirements is in the Eligibility chapter. This verifications chapter discusses HUD and OHFA verification requirements related to citizenship status.

The family must provide a certification that identifies each family member as a U.S. citizen, a U.S. national, an eligible noncitizen or an ineligible noncitizen and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual, it need not be collected or verified again during continuously-assisted occupancy. [24 CFR 5.508(g)(5)]

### **U.S. Citizens and Nationals**

HUD requires a declaration for each family member who claims to be a U.S. citizen or national. The declaration must be signed personally by any family member 18 or older and by a guardian for minors.

OHFA may request verification of the declaration by requiring presentation of a birth certificate, United States passport or other appropriate documentation.

Family members who claim U.S. citizenship or national status will not be required to provide additional documentation unless OHFA receives information indicating that an individual's declaration may not be accurate.

### **Eligible Immigrants**

#### ***Documents Required***

All family members claiming eligible immigration status must declare their status in the same manner as U.S. citizens and nationals.

The documentation required for eligible noncitizens varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, age, and the date on which the family began receiving HUD-funded assistance. Exhibit 7-1 at the end of this chapter summarizes documents family members must provide.

#### ***PHA Verification*** [HCV GB, pp. 5-3 and 5-7]

For family members age 62 or older who claim to be eligible immigrants, proof of age is required in the manner described in 7-II.C. of this plan. No further verification of eligible immigration status is required.

For family members under the age of 62 who claim to be eligible immigrants, OHFA must verify immigration status with the United States Citizenship and Immigration Services (USCIS).

OHFA will follow all USCIS protocols for verification of eligible immigration status.

### **7-II.H. VERIFICATION OF PREFERENCE STATUS**

OHFA must verify any preferences claimed by an applicant that determined placement on the waiting list.

OHFA will offer a preference to any family that has been terminated from its HCV program due to insufficient program funding. OHFA will verify this preference using OHFA's termination records.

## **PART III: VERIFYING INCOME AND ASSETS**

Chapter 6, Part I of this plan describes in detail the types of income that are included and excluded and how assets and income from assets are handled. Any assets and income reported by the family must be verified. This part provides OHFA policies that supplement the general verification procedures specified in Part I of this chapter.

### **7-III.A. EARNED INCOME**

#### **Tips**

Unless tip income is included in a family member's W-2 by the employer, persons who work in industries where tips are standard will be required to sign a certified estimate of tips received for the prior year and tips anticipated to be received in the coming year.

### **7-III.B. BUSINESS AND SELF-EMPLOYMENT INCOME**

Business owners and self-employed persons will be required to provide:

An audited financial statement for the previous fiscal year if an audit was conducted. If an audit was not conducted, a statement of income and expenses must be submitted and the business owner or self-employed person must certify to its accuracy.

All schedules completed for filing federal and local taxes in the preceding year.

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

OHFA will provide a format for any person who is unable to provide such a statement to record income and expenses for the coming year. The business owner/self-employed person will be required to submit the information requested and to certify to its accuracy at all future reexaminations.

At any reexamination, OHFA may request documents that support submitted financial statements such as manifests, appointment books, cashbooks, or bank statements.

If a family member is self-employed, OHFA will accept the family member's certified estimate of income. If the family member has been self-employed for three (3) to twelve (12) months or more, OHFA may require the family to provide documentation of income and expenses for the review period and use that information to project income.

### **7-III.C. PERIODIC PAYMENTS AND PAYMENTS IN LIEU OF EARNINGS**

For policies governing streamlined income determinations for fixed sources of income, please see Chapter 11.

#### **Social Security/SSI Benefits**

To verify the SS/SSI benefits of applicants, OHFA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s), OHFA will help the applicant request a benefit verification letter from SSA's Web site at [www.socialsecurity.gov](http://www.socialsecurity.gov) or ask the family to request one by calling SSA at 1-800-772-1213. Once the applicant has received the benefit verification letter they will be required to provide it to OHFA.

To verify the SS/SSI benefits of participants, OHFA will obtain information about social security/SSI benefits through the HUD EIV System, and confirm with the participant(s) that the current listed benefit amount is correct. If the participant disputes the EIV-reported benefit amount, or if benefit information is not available in HUD systems, OHFA will request a current SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s) OHFA will help the participant request a benefit verification letter from SSA's Web site at [www.socialsecurity.gov](http://www.socialsecurity.gov) or ask the family to request one by calling SSA at 1-800-772-1213. Once the participant has received the benefit verification letter they will be required to provide it to OHFA.

### **7-III.D. ALIMONY OR CHILD SUPPORT**

The way OHFA will seek verification for alimony and child support differs depending on whether the family declares that it receives regular payments.

If the family declares that it *receives regular payments*, verification will be sought in the following order.

Third-party verification form from the state or local child support enforcement agency

Third-party verification form from the person paying the support

Family's self-certification of amount received and of the likelihood of support payments being received in the future, or that support payments are not being received.

If the family declares that it *receives irregular or no payments*, in addition to the verification process listed above, the family must provide evidence that it has taken all reasonable efforts to collect amounts due. This may include:

A statement from any agency responsible for enforcing payment that shows the family has requested enforcement and is cooperating with all enforcement efforts

If the family has made independent efforts at collection, a written statement from the attorney or other collection entity that has assisted the family in these efforts

*Note:* Families are not required to undertake independent enforcement action.

### **7-III.E. ASSETS AND INCOME FROM ASSETS**

#### **Assets Disposed of for Less than Fair Market Value**

The family must certify whether any assets have been disposed of for less than fair market value in the preceding two years. OHFA needs to verify only those certifications that warrant documentation [HCV GB, p. 5-28].

OHFA will verify the value of assets disposed of only if:

OHFA does not already have a reasonable estimation of its value from previously collected information, or

The amount reported by the family in the certification appears obviously in error.

Example 1: An elderly participant reported a \$10,000 certificate of deposit at the last annual reexamination and the PHA verified this amount. Now the person reports that she has given this \$10,000 to her son. The PHA has a reasonable estimate of the value of the asset; therefore, reverification of the value of the asset is not necessary.

Example 2: A family member has disposed of its 1/4 share of real property located in a desirable area and has valued her share at approximately \$5,000. Based upon market conditions, this declaration does not seem realistic. Therefore, the PHA will verify the value of this asset.

### **7-III.F. NET INCOME FROM RENTAL PROPERTY**

The family must provide:

A current executed lease for the property that shows the rental amount or certification from the current tenant

A self-certification from the family members engaged in the rental of property providing an estimate of expenses for the coming year and the most recent IRS Form 1040 with Schedule E (Rental Income). If schedule E was not prepared, OHFA will require the family members involved in the rental of property to provide a self-certification of income and expenses for the previous year and may request documentation to support the statement including: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.

### **7-III.G. RETIREMENT ACCOUNTS**

OHFA will accept written third-party documents supplied by the family as evidence of the status of retirement accounts.

### **7-III.H. INCOME FROM EXCLUDED SOURCES**

A detailed discussion of excluded income is provided in Chapter 6, Part I.

OHFA must obtain verification for income exclusions only if, without verification, OHFA would not be able to determine whether the income is to be excluded. For example: If a family's 16 year old has a job at a fast food restaurant, OHFA will confirm that OHFA's records verify the child's age but will not require third-party verification of the amount earned. However, if a family claims the earned income disallowance for a source of income, both the source and the income must be verified.

OHFA will reconcile differences in amounts reported by the third party and the family only when the excluded amount is used to calculate the family share (as is the case with the earned income disallowance). In all other cases, OHFA will report the amount to be excluded as indicated on documents provided by the family.

### **7-III.I. ZERO ANNUAL INCOME STATUS**

OHFA will check UIV sources and/or request information from third-party sources to verify that certain forms of income such as unemployment benefits, TANF, SSI, etc., are not being received by families claiming to have zero annual income.

### **7-III.J. STUDENT FINANCIAL ASSISTANCE**

Any financial assistance, in excess of amounts received for tuition and any other required fees and charges, that a person attending an institution of higher education receives under the Higher Education Act of 1965, from private sources, or from an institution of higher education must be considered income unless the student is over the age of 23 with dependent children or is residing with parents who are seeking or receiving HCV assistance [24 CFR 5.609(b)(9) and FR 4/10/06].

For students over the age of 23 with dependent children or students residing with parents who are seeking or receiving HCV assistance, the full amount of student financial assistance is excluded from annual income [24 CFR 5.609(c)(6)]. The full amount of student financial assistance is also excluded for students attending schools that do not qualify as institutions of higher education (as defined in Exhibit 3-2). Excluded amounts are verified only if, without verification, OHFA would not be able to determine whether or to what extent the income is to be excluded (see section 7-III.H).

For a student subject to having a portion of his/her student financial assistance included in annual income in accordance with 24 CFR 5.609(b)(9), OHFA will request written third-party verification of both the source and the amount. Family-provided documents from the educational institution attended by the student will be requested, as well as documents generated by any other person or entity providing such assistance, as reported by the student.

In addition, OHFA will request written verification of the student's tuition amount.

If OHFA is unable to obtain third-party written verification of the requested information, OHFA will pursue other forms of verification following the verification hierarchy in section 7-I.B.

### **7-III.K. PARENTAL INCOME OF STUDENTS SUBJECT TO ELIGIBILITY RESTRICTIONS**

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the income of the student's parents must be considered when determining income eligibility, unless the student is determined independent from his or her parents or a vulnerable youth in accordance with OHFA policy [24 CFR 5.612, FR 4/10/06, p. 18146, and FR Notice 9/21/16].

This provision does not apply to students residing with parents who are seeking or receiving HCV assistance. It is limited to students who are seeking or receiving assistance on their own, separately from their parents.

If OHFA is required to determine the income eligibility of a student's parents, OHFA will request an income declaration and certification of income from the appropriate parent(s) (as determined in section 3-II.E). OHFA will send the request directly to the parents, who will be required to certify to their income under penalty of perjury. The parents will be required to submit the information directly to OHFA. The required information must be submitted within 14 days of the date of OHFA's request or within any extended timeframe approved by OHFA.

OHFA reserves the right to request and review supporting documentation at any time if it questions the declaration or certification. Supporting documentation may include, but is not limited to, Internal Revenue Service (IRS) tax returns, consecutive and original pay stubs, bank statements, pension benefit statements, benefit award letters, and other official and authentic documents from a federal, state, or local agency.

## **PART IV: VERIFYING MANDATORY DEDUCTIONS**

### **7-IV.A. DEPENDENT AND ELDERLY/DISABLED HOUSEHOLD DEDUCTIONS**

The dependent and elderly/disabled family deductions require only that OHFA verify that the family members identified as dependents or elderly/disabled persons meet the statutory definitions. No further verifications are required.

#### **Dependent Deduction**

See Chapter 6 (6-II.B.) for a full discussion of this deduction. OHFA must verify that:

- Any person under the age of 18 for whom the dependent deduction is claimed is not the head, spouse, or cohead of the family and is not a foster child
- Any person age 18 or older for whom the dependent deduction is claimed is not a foster adult or live-in aide, and is a person with a disability or a full time student

#### **Elderly/Disabled Family Deduction**

See Eligibility chapter for a definition of elderly and disabled families and Chapter 6 (6-II.C.) for a discussion of the deduction. OHFA must verify that the head, spouse, or cohead is 62 years of age or older or a person with disabilities.

### **7-IV.B. MEDICAL EXPENSE DEDUCTION**

Policies related to medical expenses are found in 6-II.D. The amount of the deduction will be verified following the standard verification procedures described in Part I.

#### **Amount of Expense**

Medical expenses will be verified through:

Written third-party documents provided by the family, such as pharmacy printouts or receipts.

OHFA will make a best effort to determine what expenses from the past are likely to continue to occur in the future. OHFA will also accept evidence of monthly payments or total payments that will be due for medical expenses during the upcoming 12 months.

Written third-party verification forms, if the family is unable to provide acceptable documentation.

If third-party or document review is not possible, written family certification as to costs anticipated to be incurred during the upcoming 12 months.

In addition, OHFA must verify that:

- The household is eligible for the deduction.
- The costs to be deducted are qualified medical expenses.
- The expenses are not paid for or reimbursed by any other source.
- Costs incurred in past years are counted only once.

### **Eligible Household**

The medical expense deduction is permitted only for households in which the head, spouse, or cohead is at least 62, or a person with disabilities. OHFA must verify that the family meets the definition of an elderly or disabled family provided in the Eligibility chapter and as described in Chapter 7 (7-IV.A.) of this plan.

### **Qualified Expenses**

To be eligible for the medical expenses deduction, the costs must qualify as medical expenses. See Chapter 6 (6-II.D.) for OHFA's policy on what counts as a medical expense.

### **Unreimbursed Expenses**

To be eligible for the medical expenses deduction, the costs must not be reimbursed by another source.

The family will be required to certify that the medical expenses are not paid or reimbursed to the family from any source.

### **Expenses Incurred in Past Years**

When anticipated costs are related to on-going payment of medical bills incurred in past years, OHFA will verify:

The anticipated repayment schedule

The amounts paid in the past, and

Whether the amounts to be repaid have been deducted from the family's annual income in past years

### **7-IV.C. DISABILITY ASSISTANCE EXPENSES**

Policies related to disability assistance expenses are found in 6-II.E. The amount of the deduction will be verified following the standard verification procedures described in Part I.

## **Amount of Expense**

### ***Attendant Care***

OHFA will accept written third-party documents provided by the family.

If family-provided documents are not available, OHFA will provide a third-party verification form directly to the care provider requesting the needed information.

Expenses for attendant care will be verified through:

Written third-party documents provided by the family, such as receipts or cancelled checks.

Third-party verification form signed by the provider, if family-provided documents are not available.

If third-party verification is not possible, written family certification as to costs anticipated to be incurred for the upcoming 12 months.

### ***Auxiliary Apparatus***

Expenses for auxiliary apparatus will be verified through:

Written third-party documents provided by the family, such as billing statements for purchase of auxiliary apparatus, or other evidence of monthly payments or total payments that will be due for the apparatus during the upcoming 12 months.

Third-party verification form signed by the provider, if family-provided documents are not available.

If third-party verification is not possible, written family certification of estimated apparatus costs for the upcoming 12 months.

In addition, OHFA must verify that:

- The family member for whom the expense is incurred is a person with disabilities (as described in 7-II.F above).
- The expense permits a family member, or members, to work (as described in 6-II.E.).
- The expense is not reimbursed from another source (as described in 6-II.E.).

### **Family Member is a Person with Disabilities**

To be eligible for the disability assistance expense deduction, the costs must be incurred for attendant care or auxiliary apparatus expense associated with a person with disabilities. OHFA will verify that the expense is incurred for a person with disabilities (See 7-II.F.).

### **Family Member(s) Permitted to Work**

OHFA must verify that the expenses claimed actually enable a family member, or members, (including the person with disabilities) to work.

OHFA will request third-party verification from a rehabilitation agency or knowledgeable medical professional indicating that the person with disabilities requires attendant care or an auxiliary apparatus to be employed, or that the attendant care or auxiliary apparatus enables another family member, or members, to work (See 6-II.E.). This documentation may be provided by the family.

If third-party verification has been attempted and is either unavailable or proves unsuccessful, the family must certify that the disability assistance expense frees a family member, or members (possibly including the family member receiving the assistance), to work.

### **Unreimbursed Expenses**

To be eligible for the disability expenses deduction, the costs must not be reimbursed by another source.

The family will be required to certify that attendant care or auxiliary apparatus expenses are not paid by or reimbursed to the family from any source.

### **7-IV.D. CHILD CARE EXPENSES**

Policies related to childcare expenses are found in Chapter 6 (6-II.F). The amount of the deduction will be verified following the standard verification procedures described in Part I of this chapter. In addition, OHFA must verify that:

- The child is eligible for care.
- The costs claimed are not reimbursed.
- The costs enable a family member to pursue an eligible activity.
- The costs are for an allowable type of childcare.
- The costs are reasonable.

## **Eligible Child**

To be eligible for the childcare deduction, the costs must be incurred for the care of a child under the age of 13. OHFA will verify that the child being cared for (including foster children) is under the age of 13 (See 7-II.C.).

## **Unreimbursed Expense**

To be eligible for the childcare deduction, the costs must not be reimbursed by another source.

The family will be required to certify that the childcare expenses are not paid by or reimbursed to the family from any source.

## **Pursuing an Eligible Activity**

OHFA must verify that the family member(s) that the family has identified as being enabled to seek work, pursue education, or be gainfully employed, are actually pursuing those activities.

### *Information to be Gathered*

OHFA will verify information about how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the time required for study (for students), the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

### *Seeking Work*

Whenever possible OHFA will use documentation from a state or local agency that monitors work-related requirements (e.g., welfare or unemployment). In such cases, OHFA will request family-provided verification from the agency of the member's job seeking efforts to date, and require the family to submit to OHFA any reports provided to the other agency.

In the event third-party verification is not available, OHFA will provide the family with a form on which the family member must record job search efforts. OHFA will review the information at each subsequent reexamination for which this deduction is claimed.

### *Furthering Education*

OHFA will request third-party documentation to verify that the person permitted to further his or her education by the childcare is enrolled and provide information about the timing of classes for which the person is registered. The documentation may be provided by the family.

### *Gainful Employment*

OHFA will seek third-party verification of the work schedule of the person who is permitted to work by the childcare. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family.

### **Allowable Type of Child Care**

The type of care to be provided is determined by the family, but must fall within certain guidelines, as discussed in Chapter 6.

OHFA will verify that the type of childcare selected by the family is allowable, as described in Chapter 6 (6-II.F).

OHFA will verify that the fees paid to the child care provider cover only child care costs (e.g., no housekeeping services or personal services) and are paid only for the care of an eligible child (e.g., prorate costs if some of the care is provided for ineligible family members).

OHFA will verify that the childcare provider is not an assisted family member. Verification will be made through the head of household's declaration of family members who are expected to reside in the unit.

### **Reasonableness of Expenses**

Only reasonable childcare costs can be deducted.

The actual costs the family incurs will be compared with OHFA's established standards of reasonableness for the type of care in the locality to ensure that the costs are reasonable.

If the family presents a justification for costs that exceed typical costs in the area, OHFA will request additional documentation, as required, to support a determination that the higher cost is appropriate.

**EXHIBIT 7-1: SUMMARY OF DOCUMENTATION REQUIREMENTS  
FOR NONCITIZENS [HCV GB, pp. 5-9 and 5-10]**

- All noncitizens claiming eligible status must sign a declaration of eligible immigrant status on a form acceptable to OHFA.
- Except for persons 62 or older, all noncitizens must sign a verification consent form
- Additional documents are required based upon the person's status.

**Elderly Noncitizens**

- A person 62 years of age or older who claims eligible immigration status also must provide proof of age such as birth certificate, passport, or documents showing receipt of SS old-age benefits.

**All other Noncitizens**

- Noncitizens that claim eligible immigration status also must present the applicable USCIS document. Acceptable USCIS documents are listed below.

<ul style="list-style-type: none"> <li>• Form I-551 Alien Registration Receipt Card (for permanent resident aliens)</li> <li>• Form I-94 Arrival-Departure Record annotated with one of the following: <ul style="list-style-type: none"> <li>• “Admitted as a Refugee Pursuant to Section 207”</li> <li>• “Section 208” or “Asylum”</li> <li>• “Section 243(h)” or “Deportation stayed by Attorney General”</li> <li>• “Paroled Pursuant to Section 221 (d)(5) of the USCIS”</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>• Form I-94 Arrival-Departure Record with no annotation accompanied by: <ul style="list-style-type: none"> <li>• A final court decision granting asylum (but only if no appeal is taken);</li> <li>• A letter from a USCIS asylum officer granting asylum (if application is filed on or after 10/1/90) or from a USCIS district director granting asylum (application filed before 10/1/90);</li> <li>• A court decision granting withholding of deportation; or</li> <li>• A letter from an asylum officer granting withholding or deportation (if application filed on or after 10/1/90).</li> </ul> </li> </ul>
<ul style="list-style-type: none"> <li>• Form I-688 Temporary Resident Card annotated “Section 245A” or Section 210”.</li> </ul>	<p>Form I-688B Employment Authorization Card annotated “Provision of Law 274a. 12(11)” or “Provision of Law 274a.12”.</p>

- A receipt issued by the USCIS indicating that an application for issuance of a replacement document in one of the above listed categories has been made and the applicant's entitlement to the document has been verified; or
- Other acceptable evidence. If other documents are determined by the USCIS to constitute acceptable evidence of eligible immigration status, they will be announced by notice published in the *Federal Register*

## Chapter 8

# HOUSING QUALITY STANDARDS AND RENT REASONABLENESS DETERMINATIONS

[24 CFR 982 Subpart I and 24 CFR 982.507]

## INTRODUCTION

The U.S. Department of Housing and Urban Development (HUD) requires that all units occupied by families receiving Housing Choice Voucher (HCV) assistance meet HUD's Housing Quality Standards (HQS) and permits Oklahoma Housing Finance Agency (OHFA) to establish additional requirements. The use of the term "HQS" in this plan refers to the combination of both HUD and OHFA-established requirements.

All units must pass an HQS inspection prior to the approval of a lease and at least once every 24 months during the term of the contract, and at other times as needed, to determine that the unit meets HQS.

HUD also requires OHFA to determine that units rented by families assisted under the HCV program have rents that are reasonable when compared to comparable unassisted units in the market area.

This chapter explains HUD and OHFA requirements related to housing quality and rent reasonableness as follows:

Part I. Physical Standards. This part discusses the physical standards required of units occupied by HCV-assisted families and identifies decisions about the acceptability of the unit that may be made by the family based upon the family's preference. It also identifies life-threatening conditions that must be addressed on an expedited basis.

Part II. The Inspection Process. This part describes the types of inspections OHFA will make and the steps that will be taken when units do not meet HQS.

Part III. Rent Reasonableness Determinations. This part discusses the policies OHFA will use to make rent reasonableness determinations.

Special HQS requirements for homeownership, manufactured homes, and other special housing types are discussed in Chapter 15 to the extent that they apply in this jurisdiction.

## **PART I: PHYSICAL STANDARDS**

### **8-I.A. GENERAL HUD REQUIREMENTS**

#### **HUD Performance and Acceptability Standards**

HUD's performance and acceptability standards for HCV-assisted housing are provided in 24 CFR 982.401. These standards cover the following areas:

- Sanitary facilities
- Food preparation and refuse disposal
- Space and Security
- Thermal Environment
- Illumination and electricity
- Structure and materials
- Interior Air Quality
- Water Supply
- Lead-based paint
- Access
- Site and neighborhood
- Sanitary condition
- Smoke Detectors
- Hazards and Health/Safety

A summary of HUD performance criteria is provided in Exhibit 8-1. Additional guidance on these requirements is found in the following HUD resources:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)
- HUD Notice 2003-31, Accessibility Notice: Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; the Architectural Barriers Act of 1968 and the Fair Housing Act of 1988.

#### **Tenant Preference Items**

HUD requires OHFA to enforce minimum HQS but also requires that certain judgments about acceptability be left to the family. For example, OHFA must ensure that the unit contains the required sanitary facilities, but the family decides whether the cosmetic condition of the facilities is acceptable. Exhibit 8-2 summarizes those items that are considered tenant preferences.

## **Modifications to Provide Accessibility**

Under the Fair Housing Act of 1988, an owner must not refuse the request of a family that contains a person with a disability to make necessary and reasonable modifications to the unit. Such modifications are at the family's expense. The owner may require restoration of the unit to its original condition if the modification would interfere with the owner or next occupant's full enjoyment of the premises. The owner may not increase a customarily required security deposit. However, the landlord may negotiate a restoration agreement that requires the family to restore the unit and, if necessary to ensure the likelihood of restoration, may require the tenant to pay a reasonable amount into an interest bearing escrow account over a reasonable period of time. The interest in any such account accrues to the benefit of the tenant. The owner may also require reasonable assurances that the quality of the work will be acceptable and that any required building permits will be obtained. [24 CFR 100.203; Notice 2003-31].

Modifications to units to provide access for a person with a disability must meet all applicable HQS requirements and conform to the design, construction, or alteration of facilities contained in the UFAS and the ADA Accessibility Guidelines (ADAAG) [28 CFR 35.151(c) and Notice 2003-31] See Chapter 2 of this plan for additional information on reasonable accommodations for persons with disabilities.

## **8-I.B. ADDITIONAL LOCAL REQUIREMENTS**

OHFA may impose additional quality standards as long as the additional criteria are not likely to adversely affect the health or safety of participant families or severely restrict housing choice. HUD approval is required if more stringent standards are imposed. HUD approval is not required if OHFA additions are clarifications of HUD's acceptability criteria or performance standards [24 CFR 982.401(a)(4)].

### **Thermal Environment [HCV GB p. 10-7]**

OHFA must define a “healthy living environment” for the local climate. This may be done by establishing a temperature that the heating system must be capable of maintaining, that is appropriate for the local climate.

The heating system must be capable of maintaining an interior temperature of 65 degrees Fahrenheit between October 1 and May 1.

## Clarifications of HUD Requirements

As permitted by HUD, OHFA has adopted the following specific requirements that elaborate on HUD standards.

### *Walls*

In areas where plaster or drywall is sagging, severely cracked, or otherwise damaged, it must be repaired or replaced.

Any exterior or interior surfaces with deteriorated paint (e.g., peeling, chipping, flaking or cracking) must be repaired. In addition, if the unit was built before January 1, 1978, any applicable HUD lead-based paint regulations must be observed.

### *Windows*

Window sashes must be in good condition, solid and intact, and properly fitted to the window frame. Damaged or deteriorated sashes must be replaced.

Windows must be weather-stripped as needed to ensure a weather-tight seal.

Window screens must be in good condition (applies only if screens are present).

Any room for sleeping must have a window.

### *Doors*

All exterior doors must be weather-tight to avoid any air or water infiltration, be lockable, have no holes, have all trim intact, and have a threshold.

All interior doors must have no holes, have all trim intact, and be openable without the use of a key.

### *Floors*

All wood floors must be sanded to a smooth surface and sealed. Any loose or warped boards must be resecured and made level. If they cannot be leveled, they must be replaced.

All floors must be in a finished state (**no plywood**). Raw wood or unsealed concrete is not permitted.

All floors should have some type of baseshoe, trim, or sealing for a "finished look." Vinyl baseshoe is permitted.

### ***Sinks***

All sinks and commode water lines must have shut off valves, unless faucets are wall mounted.

All sinks must have functioning stoppers.

### ***Toilets***

All worn or cracked toilet seats and tank lids must be replaced and toilet tank lid must fit properly.

### ***Security***

If window security bars or security screens are present on emergency exit windows, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the quick release system.

### ***Bedrooms***

A bedroom located in a basement or attic must have adequate ventilation and emergency exit capability.

### ***Modifications***

Modifications or adaptations to a unit due to a disability must meet all applicable HQS and building codes.

OHFA will allow execution of the HAP contract if unit meets all requirements and the modifications do not affect the livability of the unit.

## **8-I.C. LIFE-THREATENING CONDITIONS [24 CFR 982.404(a)]**

HUD requires OHFA to define life-threatening conditions and to notify the owner or the family (whichever is responsible) of the corrections required. The responsible party must correct life-threatening conditions within 24 hours of OHFA notification.

The following are considered life-threatening conditions:

Any condition that jeopardizes the security of the unit

Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling

Natural or LP gas or fuel oil leaks

Any electrical problem or condition that could result in shock or fire

Absence of a working heating system when outside temperature is below 60 degrees Fahrenheit.

Utilities not in service, including no running hot water

Conditions that present the imminent possibility of injury

Obstacles that prevent safe entrance or exit from the unit

Absence of a functioning toilet in the unit

Inoperable or missing smoke detectors

Stove/oven burners that do not ignite

Gas hot water tanks must be vented properly at all sections of vent pipe above the hot water tank. Without proper ventilation, carbon monoxide can be released into the unit.

Effective August 1, 2019, inoperable or missing carbon monoxide detection devices in any dwelling that contains a fuel-burning appliance (e.g., furnace, water heater, stove/oven, fireplace, ventilation, or cooling system) that burns solid, liquid, oil, or gas fuel or has an attached garage.

If an owner fails to correct life-threatening conditions as required by OHFA, the housing assistance payment will be abated and the HAP contract will be terminated. See 8-II-G.

If a family fails to correct a family caused life-threatening condition as required by OHFA, OHFA may terminate the family's assistance. See 8-II.H.

The owner will be required to repair an inoperable smoke detector unless OHFA determines that the family has intentionally disconnected it (by removing batteries or other means). In this case, the family will be required to repair the smoke detector within 24 hours. The owner is responsible for replacing a missing smoke detector even if the family removes the smoke detector, it may be considered a lease violation (owner must document it as a lease violation) and the owner may move to evict the family for tampering.

## **8-I.D. OWNER AND FAMILY RESPONSIBILITIES [24 CFR 982.404]**

### **Family Responsibilities**

The family is responsible for correcting the following HQS deficiencies:

- Tenant-paid utilities not in service
- Failure to provide or maintain family-supplied appliances
- Damage to the unit or premises caused by a household member or guest beyond normal wear and tear. "Normal wear and tear" is defined as items that could not be charged against the tenant's security deposit under state law or court practice.

### **Owner Responsibilities**

The owner is **typically** responsible for all HQS violations not listed as a family responsibility above, even if the violation is caused by the family's living habits (e.g., vermin infestation). **The owner is responsible for vermin infestation in multi-family units, (apartments, duplexes, etc.), and vermin infestation in single-family units at initial lease-up, even if caused by the family's living habits.** However, if the family's actions constitute a serious or repeated lease violation the owner may take legal action to evict the family.

## **8-I.E. SPECIAL REQUIREMENTS FOR CHILDREN WITH ELEVATED BLOOD LEAD LEVEL [24 CFR 35.1225; FR Notice 1/13/17]**

If OHFA is notified by a public health department or other medical health care provider, or verifies information from a source other than a public health department or medical health care provider, that a child of less than 6 years of age, living in an HCV-assisted unit has been identified as having an elevated blood lead level, an environmental investigation of the dwelling

unit will be required within 15 calendar days. The environmental investigation must be completed in accordance with program requirements, and the results must be provided to the owner of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information must be provided to the owner.

Within 30 days after receiving the environmental investigation report from OHFA, or the evaluation from the public health department, the owner is required to complete the reduction of identified lead-based paint hazards in accordance with the lead-based paint regulations [24 CFR 35.1325 and 35.1330]. If the owner does not complete the “hazard reduction” as required, the dwelling unit is in violation of HQS and OHFA will take action in accordance with Section 8-II.G.

OHFA reporting requirements, and data collection and record keeping responsibilities related to children with an elevated blood lead level are discussed in Chapter 16.

#### **8-I.F. VIOLATION OF HQS SPACE STANDARDS [24 CFR 982.401, 24 CFR 982.403]**

A dwelling unit must:

- Provide adequate space and security for the family
- Have at least one bedroom or living/sleeping room for each two persons

A unit that does not meet these HQS space standards is defined as overcrowded.

A living room may be used as sleeping (bedroom) space, but no more than two persons may occupy the space [HCV GB p. 10-6]. A bedroom or living/sleeping room must have at least:

- One window
- Two electrical outlets in proper operating condition (permanent overhead or wall-mounted light fixtures may count as one of the required electrical outlets)

If OHFA determines that a unit does not meet the HQS space standards because of an increase in family size or a change in family composition, OHFA must issue the family a new voucher, and the family and OHFA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, OHFA must terminate the HAP contract in accordance with its terms.

## PART II: THE INSPECTION PROCESS

### 8-II.A. OVERVIEW [24 CFR 982.405]

#### Types of Inspections

OHFA conducts the following types of inspections as needed. Each type of inspection is discussed in the paragraphs that follow.

- *Initial Inspections.* OHFA conducts initial inspections in response to a request from the family to approve a unit for participation in the HCV program. The unit must pass the HQS inspection before the effective date of the HAP Contract.
- *Annual/Biennial Inspections.* HUD requires OHFA to inspect each unit under lease at least annually or biennially (every two years), subject to OHFA's policy, to confirm that the unit still meets HQS. The inspection may be conducted in conjunction with the family's annual reexamination but also may be conducted separately.
- *Tenant Request Inspections.* A tenant request inspection may be requested by the tenant or a rental assistance specialist as a result of problems identified with a unit between biennial inspections.
- *Quality Control Inspections.* HUD requires that a sample of units be reinspected by a supervisor or other qualified individual to ensure that HQS are being enforced correctly and uniformly by all inspectors.

#### Inspection Costs [Notice PIH 2016-05]

OHFA may not charge the family for unit inspections [24 CFR 982.405(e)]. In the case of inspections of PHA-owned units, OHFA may compensate the independent agency from ongoing administrative fee for inspections performed. OHFA and the independent agency may not charge the family any fee or charge for the inspection [24 CFR.982.352(b)].

OHFA may not charge the owner for the inspection of the unit prior to the initial term of the lease or for a first inspection during assisted occupancy of the unit. However, OHFA may charge a reasonable fee to owners for reinspections in two situations: when the owner notifies the OHFA that a repair has been made but the deficiency has not been corrected, and when the time for repairs has elapsed and the deficiency has not been corrected. Fees may not be imposed for tenant-caused damages, for cases in which the inspector could not gain access to the unit, or for new deficiencies discovered during a reinspection.

The owner may not pass the cost of a reinspection fee to the family. Reinspection fees must be added to OHFA's administrative fee reserves and may only be used for activities related to the provision of tenant-based assistance.

OHFA will not charge a fee for failed reinspections.

### **Notice and Scheduling**

The family must allow OHFA to inspect the unit at reasonable times with reasonable notice [24 CFR 982.551(d)].

Both the family and the owner will be given reasonable notice of all inspections in a manner that is time efficient and indicative of good customer service. Except in the case of a life-threatening emergency, in the case of a life-threatening emergency, OHFA will give as much notice as possible, given the nature of the emergency.

### **Owner and Family Inspection Attendance**

HUD permits OHFA to set policy regarding family and owner presence at the time of inspection [HCV GB p. 10-27].

When a family occupies the unit at the time of inspection, the head of household or spouse/cohead must be present for the inspection. The presence of the owner or the owner's representative is encouraged but is not required.

At initial inspection of a vacant unit, OHFA will inspect the unit in the presence of the owner or owner's representative and the family, both are required.

## **8-II.B. INITIAL HQS INSPECTION [24 CFR 982.401(a)]**

### **Initial Inspections [FR Notice 1/18/17]**

OHFA may, but is not required to, approve assisted tenancy and start HAP if the unit fails HQS inspection, but only if the deficiencies identified are non-life-threatening. Further, OHFA may, but is not required to, authorize occupancy if a unit passed an alternative inspection in the last 24 months.

OHFA still requires that the unit must pass the HQS inspection on or before the effective date of the HAP contract.

OHFA will not rely on alternative inspections and will conduct an HQS inspection for each unit prior to executing a HAP contract with the owner.

### **Timing of Initial Inspections**

HUD requires PHAs with fewer than 1,250 budgeted units to complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 days of submission of a request for approval of the tenancy.

For PHAs with 1,250 or more budgeted units, within a reasonable time after the family submits a request for approval of the tenancy. To the extent practicable, such inspection and determination must be completed within fifteen days after the family and the owner submit a request for approval of the tenancy. The 15-day period is suspended for any period during which the unit is not available for inspection [982.305(b)(2)].

OHFA will complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within a reasonable time after submission of the Scheduling Appointment Request Form for review and approval. OHFA requests the date when the unit is available for inspection to assist in scheduling.

### **Inspection Results and Reinspections**

If any HQS violations are identified, the owner will be notified of the deficiencies and be given a time frame to correct them. If requested by the owner, the time frame for correcting the deficiencies may be extended by OHFA for good cause. OHFA will automatically reschedule the reinspection and will send a scheduling letter to notify the owner and family.

If the time period for correcting the deficiencies (or any OHFA-approved extension) has elapsed, or the unit fails HQS at the time of the reinspection, OHFA will notify the owner and the family that the unit has been rejected and that the family must search for another unit. OHFA may agree to conduct a second reinspection, for good cause, at the request of the family and owner.

Following a failed reinspection, the family may submit a new Scheduling Appointment Request Form for review and approval for the unit if the family has not found another unit by the time the owner completes all repairs and the family continues to wish to live in the unit.

### **Utilities**

Generally, at initial lease-up the owner is responsible for demonstrating that all utilities are in working order including those utilities that the family will be responsible for paying.

All utilities must be in service prior to the inspection. If the utilities are not in service at the time of inspection, the inspector will notify the tenant or owner (whomever is responsible for the utilities) to have the utilities turned on and to contact the office to schedule a reinspection.

## **Appliances [Form HUD-52580]**

If the family is responsible for supplying the stove and/or refrigerator, the stove and refrigerator must be in the unit for the inspection. The required appliances must be in place before the HAP contract is executed by OHFA.

## **8-II.C. ANNUAL/BIENNIAL HQS INSPECTIONS [24 CFR 982.405 and 982.406; Notice PIH 2016-05]**

Each unit under HAP contract must be inspected annually within 24 months of the last full HQS inspection.

OHFA reserves the right to require annual inspections of any owner at any time.

OHFA will not rely on alternative inspection standards.

### **Scheduling the Inspection**

Effective July 1, 2014, Section 220 of the 2014 Appropriations Act allows each unit under HAP contract to have an inspection no less than biennially after the most recent inspection. Therefore, units may be inspected annually or biennially according to OHFA's policies.

If the head of household or spouse/cohead cannot be present on the scheduled date, the family should request that OHFA reschedule the inspection.

If the family misses the first scheduled appointment without requesting a new inspection date, OHFA will automatically schedule a second inspection. If the family misses two scheduled inspections without OHFA approval, OHFA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance with Chapter 12.

## **8-II.D. SPECIAL INSPECTIONS [24 CFR 982.405(g)]**

If a participant family or government official reports a life-threatening condition, OHFA will require the owner to make the repair within no more than 24 hours in accordance with §982.404(a)(3)). OHFA will immediately notify the parties by telephone, facsimile, or email. If the reported condition is not life-threatening, OHFA must inspect the unit and require the owner to make the repair within no more than 30 calendar days (or any OHFA approved extension) in accordance with §982.404(a)(3)). In the event of extraordinary circumstances, such as if a unit is within a Presidentially declared disaster area, HUD may waive the inspection requirements until such time as an inspection is feasible.

During a special inspection, OHFA generally will inspect only those deficiencies that were reported. However, the inspector will record any additional HQS deficiencies that are observed and will require the responsible party to make the necessary repairs.

If the annual/biennial inspection has been scheduled or is due within **120** days of the date the special inspection is scheduled, OHFA may elect to conduct a full inspection.

## **8-II.E. QUALITY CONTROL INSPECTIONS [24 CFR 982.405(b); HCV GB, p. 10-32]**

HUD requires an OHFA supervisor or other qualified person to conduct quality control inspections of a sample of units to ensure that each inspector is conducting accurate and complete inspections and that there is consistency in the application of the HQS.

The unit sample must include only units that have been inspected within the preceding 3 months. The selected sample will include (1) each type of inspection (initial, annual or biennial, and special), (2) inspections completed by each inspector, and (3) units from a cross-section of neighborhoods.

## **8-II.F. INSPECTION RESULTS AND REINSPECTIONS FOR UNITS UNDER HAP CONTRACT**

### **Notification of Corrective Actions**

The owner and the family will be notified in writing of the results of all inspections. When an inspection identifies HQS failures, OHFA will determine (1) whether or not the failure is a life-threatening condition and (2) whether the family or owner is responsible.

When life-threatening conditions are identified, OHFA will send a life-threatening notice to both parties, as applicable. The notice will specify who is responsible for correcting the violation. The corrective actions must be taken within 24 hours of OHFA's notice.

When failures that are not life-threatening are identified, OHFA will send the owner and the family a notification of the inspection results promptly. The notice will specify who is

responsible for correcting the violation. Non-life threatening deficiencies must be corrected within 30 calendar days. If OHFA is unable to complete the reinspection within 30 calendar days, OHFA will grant an automatic 90 calendar day extension, as long as the reinspection delay was not unreasonably caused by the owner or family. Other extensions may be granted for good cause upon request.

The notice of inspection results will inform the owner that if life-threatening conditions are not corrected within 24 hours, and non-life-threatening conditions are not corrected within the specified time frame (or any OHFA-approved extension), the owner's HAP will be abated in accordance with OHFA policy (see 8-II.G.). Likewise, in the case of family caused deficiencies, the notice will inform the family that if corrections are not made within the specified time frame (or any OHFA-approved extension, if applicable) the family's assistance will be terminated in accordance with OHFA policy (see Chapter 12).

## **Extensions**

For conditions that are life-threatening, OHFA cannot grant an extension to the 24-hour corrective action period. For conditions that are not life-threatening, OHFA may grant an exception to the required time frames for correcting the violation, if OHFA determines that an extension is appropriate [24 CFR 982.404].

Other extensions may be granted in cases where OHFA has determined that the owner has made a good faith effort to correct the deficiencies and is unable to for reasons beyond the owner's control. Reasons may include, but are not limited to:

A repair cannot be completed because required parts or services are not available.

A repair cannot be completed because of weather conditions.

A reasonable accommodation is needed because the family includes a person with disabilities.

The length of the extension will be determined on a case-by-case basis, but will not exceed 60 days, except in the case of delays caused by weather conditions. In the case of weather conditions, extensions may be continued until the weather has improved sufficiently to make repairs possible. The necessary repairs must be made within 15 calendar days, once the weather conditions have subsided.

## **Reinspections**

OHFA will conduct a reinspection, as applicable.

OHFA will conduct a reinspection, as applicable. At OHFA's discretion, OHFA may send a Housing Quality Standards (HQS) Repair Self-Certification form as a substitute for a reinspection. The form will be used by the owner/landlord and/or family to certify that all of the HQS deficiencies listed on the previously provided inspection fail letter(s) **and/or the inspection summary** have been corrected. OHFA may accept the self-certification, pass the unit if the responsible party certifies repairs are complete, and continue rental assistance. OHFA reserves the exclusive right to accept or deny usage of the self-certification process.

If OHFA decides to conduct a reinspection, the family and owner will be given reasonable notice of the reinspection appointment. If the deficiencies have not been corrected by the time of the reinspection, OHFA will send a notice of abatement to the owner, or in the case of family caused violations, a notice of termination to the family, in accordance with OHFA's policies. If OHFA is unable to gain entry to the unit in order to conduct the scheduled reinspection, OHFA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance with Chapter 12.

## **8-II.G. ENFORCING OWNER COMPLIANCE**

If the owner fails to maintain the dwelling unit in accordance with HQS, OHFA must take prompt and vigorous action to enforce the owner obligations.

### **HAP Abatement**

If an owner fails to correct HQS deficiencies by the time specified by OHFA, HUD requires OHFA to abate housing assistance payments no later than the first of the month following the specified correction period (including any approved extension) [24 CFR 985.3(f)]. No retroactive payments will be made to the owner for the period of time the rent was abated.

OHFA will make all HAP abatements effective the first of the month following the expiration of OHFA's specified correction period (including any extension).

OHFA will inspect abated units promptly after owner's notification that the work has been completed. Payment will resume beginning the first of the month after the unit passes inspection.

During any abatement period, the family continues to be responsible for its share of the rent. The owner must not seek payment from the family for abated amounts and may not use the abatement as cause for eviction.

## **HAP Contract Termination**

OHFA must decide how long any abatement period will continue before the HAP contract will be terminated. OHFA should not terminate the contract until the family finds another unit, provided the family does so in a reasonable time [HCV GB p. 10-29] and must give the owner reasonable notice of the termination. OHFA will issue a voucher to permit the family to move to another unit as described in Chapter 10.

The maximum length of time that HAP may be abated is 90 days. However, if the owner completes corrections and notifies OHFA before the termination date of the HAP contract, OHFA may rescind the termination notice if (1) the family still resides in the unit and wishes to remain in the unit and (2) the unit passes inspection.

Reasonable notice of HAP contract termination by OHFA is 30 days.

## **8-II.H. ENFORCING FAMILY COMPLIANCE WITH HQS [24 CFR 982.404(b)]**

Families are responsible for correcting any HQS violations listed in paragraph 8.I.D. If the family fails to correct a violation within the period allowed by OHFA (and any extensions), OHFA will terminate the family's assistance, according to the policies described in Chapter 12.

If the owner carries out a repair for which the family is responsible under the lease, the owner may bill the family for the cost of the repair.

## **PART III: RENT REASONABLENESS [24 CFR 982.507]**

### **8-III.A. OVERVIEW**

No HAP contract can be approved until OHFA has determined that the rent for the unit is reasonable. The purpose of the rent reasonableness test is to ensure that a fair rent is paid for each unit rented under the HCV program.

HUD regulations define a reasonable rent as one that does not exceed the rent charged for comparable, unassisted units in the same market area. HUD also requires that owners not charge more for assisted units than for comparable units on the premises. This part explains the method used to determine whether a unit's rent is reasonable.

### **8-III.B. WHEN RENT REASONABLENESS DETERMINATIONS ARE REQUIRED**

#### **Owner-Initiated Rent Determinations**

OHFA must make a rent reasonableness determination at initial occupancy and whenever the owner requests a rent adjustment.

The owner and family first negotiate the rent for a unit. OHFA (or independent agency in the case of PHA-owned units) will assist the family with the negotiations upon request. At initial occupancy, OHFA must determine whether the proposed rent is reasonable before a HAP Contract is signed. The owner must not change the rent during the initial lease term. Subsequent requests for rent adjustments must be consistent with the lease between the owner and the family. Rent increases will not be approved unless any failed items identified by the most recent HQS inspection have been corrected.

After the initial occupancy period, the owner may request a rent adjustment in accordance with the owner's lease. For rent increase requests after initial lease-up, OHFA may request owners to provide information about the rents charged for other units on the premises, if the premises include more than four units. In evaluating the proposed rents in comparison to other units on the premises, OHFA will consider unit size and length of tenancy in the other units.

OHFA will determine whether the requested increase is reasonable. The owner will be notified of the determination in writing.

All rents adjustments will be effective the first of the month following 60 days after OHFA's receipt of the owner's request or on the date specified by the owner, whichever is later.

## **OHFA and HUD-Initiated Rent Reasonableness Determinations**

HUD requires OHFA to make a determination of rent reasonableness (even if the owner has not requested a change) if there is a 10 percent decrease in the Fair Market Rent that goes into effect at least 60 days before the contract anniversary date. HUD also may direct OHFA to make a determination at any other time. OHFA may decide that a new determination of rent reasonableness is needed at any time.

In addition to the instances described above, OHFA will make a determination of rent reasonableness at any time after the initial occupancy period if: (1) OHFA determines that the initial rent reasonableness determination was in error or (2) OHFA determines that the information provided by the owner about the unit or other units on the same premises was incorrect.

## **LIHTC and HOME-Assisted Units [24 CFR 982.507(c)]**

For units receiving low-income housing tax credits (LIHTCs) or units assisted under HUD's HOME Investment Partnerships (HOME) Program, a rent comparison with unassisted units is not required if the voucher rent does not exceed the rent for other LIHTC or HOME-assisted units in the project that are not occupied by families with tenant-based assistance.

For LIHTCs, if the rent requested by the owner does exceed the LIHTC rents for non-voucher families, OHFA must perform a rent comparability study in accordance with program regulations. In such cases, the rent shall not exceed the lesser of: (1) the reasonable rent as determined from the rent comparability study; or (2) the payment standard established by OHFA for the unit size involved.

## **8-III.C. HOW COMPARABILITY IS ESTABLISHED**

### **Factors to Consider**

HUD requires OHFA to take into consideration the factors listed below when determining rent comparability. OHFA may use these factors to make upward or downward adjustments to the rents of comparison units when the units are not identical to the HCV-assisted unit.

- Location and age
- Unit size including the number of rooms and square footage of rooms
- The type of unit including construction type (e.g., single family, duplex, garden, low-rise, high-rise)
- The quality of the units including the quality of the original construction, maintenance and improvements made
- Amenities, services, and utilities included in the rent

## **Units that Must Not be Used as Comparables**

Comparable units must represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions cannot be considered comparable units. These include units assisted by HUD through any of the following programs: Section 8 project-based assistance, Section 236 and Section 221(d)(3) Below Market Interest Rate (BMIR) projects, HOME or Community Development Block Grant (CDBG) program-assisted units in which the rents are subsidized; units subsidized through federal, state, or local tax credits; units subsidized by the Department of Agriculture rural housing programs, and units that are rent-controlled by local ordinance [Notice PIH 2002-22, Notice PIH 2005-20 and Notice PIH 2011-46].

*Note:* Notice PIH 2011-46, issued August 17, 2011, provides further guidance on the issue of what constitutes an assisted unit.

## **Rents Charged for Other Units on the Premises**

By accepting OHFA's payment each month the owner certifies that the rent is not more than the rent charged for comparable unassisted units on the premises. If asked to do so, the owner must give OHFA information regarding rents charged for other units on the premises.

## **8-III.D. PHA RENT REASONABLENESS METHODOLOGY**

### **How Market Data is Collected**

OHFA will collect and maintain data on market rents in OHFA's jurisdiction. Information sources include newspapers, realtors, market surveys, inquiries of owners and other available sources. The data will be maintained by bedroom size and market areas. Market areas may be defined by zip codes, census tract, neighborhood, and identifiable natural or man-made boundaries. The data will be updated on an ongoing basis and rent information that is more than 12 months old will be eliminated from the database.

OHFA utilizes [www.gosection8.com](http://www.gosection8.com) to maintain and process rent reasonableness determinations to meet HUD requirements.

### **How Rents are Determined**

The rent for a unit proposed for HCV assistance will be compared to the rent charged for comparable units in the same market area. OHFA will develop a range of prices for comparable units by bedroom size within defined market areas. Units proposed for HCV assistance will be compared to the units within this rent range. Because units may be

similar, but not exactly like the unit proposed for HCV assistance, OHFA may make adjustments to the range of prices to account for these differences.

The adjustment must reflect the local market. Not all differences in units require adjustments (e.g., the presence or absence of a garbage disposal may not affect the rent in some market areas).

Adjustments may vary by unit type (e.g., a second bathroom may be more valuable in a three-bedroom unit than in a two-bedroom).

The adjustment must reflect the rental value of the difference—not its construction costs (e.g., it might cost \$20,000 to put on a new roof, but the new roof might not make any difference in what a tenant would be willing to pay because rental units are presumed to have functioning roofs).

OHFA will notify the owner of the rent OHFA can approve based upon its analysis of rents for comparable units.

## **EXHIBIT 8-1: OVERVIEW OF HUD HOUSING QUALITY STANDARDS**

Note: This document provides an overview of HQS. For more detailed information, see the following documents:

- 24 CFR 982.401, Housing Quality Standards (HQS)
- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (4/2015) and Inspection Checklist, form HUD-52580-A (04/15)

### **Sanitary Facilities**

The dwelling unit must include sanitary facilities within the unit. The sanitary facilities must be usable in privacy and must be in proper operating condition and adequate for personal cleanliness and disposal of human waste.

### **Food Preparation and Refuse Disposal**

The dwelling unit must have space and equipment suitable for the family to store, prepare, and serve food in a sanitary manner.

### **Space and Security**

The dwelling unit must provide adequate space and security for the family. This includes having at least one bedroom or living/sleeping room for each two persons.

### **Thermal Environment**

The unit must have a safe system for heating the dwelling unit. Air conditioning is not required but if provided must be in proper operating condition. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Portable electric room heaters or kitchen stoves with built-in heating units are not acceptable as a primary source of heat for units located in climatic areas where permanent heat systems are required.

### **Illumination and Electricity**

Each room must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of occupants. The dwelling unit must have sufficient electrical sources so occupants can use essential electrical appliances. Minimum standards are set for different types of rooms. Once the minimum standards are met, the number, type, and location of electrical sources are a matter of tenant preference.

## **Structure and Materials**

The dwelling unit must be structurally sound. Handrails are required when four or more steps (risers) are present, and protective railings are required when porches, balconies, and stoops are thirty inches or more off the ground. The elevator servicing the unit must be working [if there is one]. Manufactured homes must have proper tie-down devices capable of surviving wind loads common to the area.

## **Interior Air Quality**

The dwelling unit must be free of air pollutant levels that threaten the occupants' health. There must be adequate air circulation in the dwelling unit. Bathroom areas must have one openable window or other adequate ventilation. Any sleeping room must have at least one window. If a window was designed to be opened, it must be in proper working order.

## **Water Supply**

The dwelling unit must be served by an approved public or private water supply that is sanitary and free from contamination. Plumbing fixtures and pipes must be free of leaks and threats to health and safety.

## **Lead-Based Paint**

Lead-based paint requirements apply to dwelling units built prior to 1978 that are occupied or can be occupied by families with children under six years of age, excluding zero bedroom dwellings. Owners must:

- Disclose known lead-based paint hazards to prospective tenants before the lease is signed,
- provide all prospective families with "Protect Your Family from Lead in Your Home",
- Stabilize deteriorated painted surfaces and conduct hazard reduction activities when identified by OHFA
- Notify tenants each time such an activity is performed
- Conduct all work in accordance with HUD safe practices
- As part of ongoing maintenance, ask each family to report deteriorated paint.

For units occupied by elevated blood lead level (lead poisoned) children under six years of age, an environmental investigation must be conducted. If lead hazards are identified during the environmental investigation, the owner must complete hazard reduction activities.

See HCV GB p. 10-15 for a detailed description of these requirements. For additional information on lead-based paint requirements see 24 CFR 35, Subparts A, B, M, and R.

**Access**

Use and maintenance of the unit must be possible without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire.

**Site and Neighborhood**

The site and neighborhood must be reasonably free from disturbing noises and reverberations, excessive trash or vermin, or other dangers to the health, safety, and general welfare of the occupants.

**Sanitary Condition**

The dwelling unit and its equipment must be in sanitary condition and free of vermin and rodent infestation. The unit must have adequate barriers to prevent infestation.

**Smoke Detectors**

Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any person with a hearing impairment, smoke detectors must have an appropriate alarm system as specified in NFPA 74 (or successor standards).

**Hazards and Health/Safety**

The unit, interior and exterior common areas accessible to the family, the site, and the surrounding neighborhood must be free of hazards to the family's health and safety.

<b>EXHIBIT 8-2: SUMMARY OF TENANT PREFERENCE AREAS RELATED TO HOUSING QUALITY</b>
---

Note: This document provides an overview of unit and site characteristics and conditions for which the family determines acceptability. For more detailed information, see the following documents:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Provided the minimum housing quality standards have been met, HUD permits the family to determine whether the unit is acceptable with regard to the following characteristics.

1. *Sanitary Facilities.* The family may determine the adequacy of the cosmetic condition and quality of the sanitary facilities, including the size of the lavatory, tub, or shower; the location of the sanitary facilities within the unit; and the adequacy of the water heater.
2. *Food Preparation and Refuse Disposal.* The family selects size and type of equipment it finds acceptable. When the family is responsible for supplying cooking appliances, the family may choose to use a microwave oven in place of a conventional oven, stove, or range. When the owner is responsible for providing cooking appliances, the owner may offer a microwave oven in place of an oven, stove, or range only if other subsidized and unsubsidized units on the premises are furnished with microwave ovens only. The adequacy of the amount and type of storage space, the cosmetic conditions of all equipment, and the size and location of the kitchen are all determined by the family.
3. *Space and Security.* The family may determine the adequacy of room sizes and room locations. The family is also responsible for deciding the acceptability of the type of door and window locks.
4. *Energy conservation items.* The family may determine whether the amount of insulation, presence of absence of storm doors and windows and other energy conservation items are acceptable.
5. *Illumination and Electricity.* The family may determine whether the location and the number of outlets and fixtures (over and above those required to meet HQS standards) are acceptable or if the amount of electrical service is adequate for the use of appliances, computers, or stereo equipment.

6. *Structure and Materials. Families may determine whether minor defects, such as lack of paint, or worn flooring or carpeting will affect the livability of the unit.*
7. *Indoor Air. Families may determine whether window and door screens, filters, fans, or other devices for proper ventilation are adequate to meet the family's needs. However, if screens are present they must be in good condition.*
8. *Sanitary Conditions. The family determines whether the sanitary conditions in the unit, including minor infestations, are acceptable.*
9. *Neighborhood conditions. Families may determine whether neighborhood conditions such as the presence of drug activity, commercial enterprises, and convenience to shopping will affect the livability of the unit.*

Families have no discretion with respect to lead-based paint standards and smoke detectors.

## Chapter 9

### GENERAL LEASING POLICIES

#### INTRODUCTION

Chapter 9 covers the lease-up process from the family's submission of a Scheduling Appointment Request Form (SARF) to execution of the Housing Assistance Payments (HAP) contract.

In order for Oklahoma Housing Finance Agency (OHFA) to assist a family in a particular dwelling unit, or execute a HAP contract with the owner of a dwelling unit, OHFA must determine that all the following program requirements are met:

- The unit itself must qualify as an eligible unit [24 CFR 982.305(a)]
- The unit must be inspected by OHFA and meet the Housing Quality Standards (HQS) [24 CFR 982.305(a)]
- The lease offered by the owner must be approvable and must include the required Tenancy Addendum [24 CFR 982.305(a)]
- The rent to be charged by the owner for the unit must be reasonable [24 CFR 982.305(a)]
- The owner must be an eligible owner, approvable by OHFA, with no conflicts of interest [24 CFR 982.306]
- For families initially leasing a unit only: Where the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family cannot exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]

## **9-I.A. TENANT SCREENING**

OHFA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy [24 CFR 982.307(a)(1)].

OHFA may elect to screen applicants for family behavior or suitability for tenancy. See Chapter 3 for a discussion of OHFA's policies with regard to screening applicant families for program eligibility [24 CFR 982.307(a)(1)].

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before OHFA approval of the tenancy, OHFA must inform the owner that screening and selection for tenancy is the responsibility of the owner [24 CFR 982.307(a)(2)]. OHFA must also inform the owner or manager of his/her rights and obligations under the Violence against Women Act of 2013 (VAWA) [24 CFR 5.2005(a)(2)].

OHFA must provide the owner with the family's current and prior address (as shown in OHFA's records) and the name and address (if known to OHFA) of the landlord at the family's current and prior address [24 CFR 982.307(b)(1)].

OHFA is permitted, but not required, to offer the owner other information in OHFA's possession about the family's tenancy [24 CFR 982.307(b)(2)].

OHFA's policy on providing information to the owner must be included in the family's briefing packet [24 CFR 982.307(b)(3)].

OHFA may not disclose to the owner any confidential information provided in response to a PHA request for documentation of domestic violence, dating violence, sexual assault or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(b)(4)].

OHFA will not screen applicants for family behavior or suitability for tenancy.

OHFA will not provide additional screening information to the owner.

## **9-I.B. REQUESTING TENANCY APPROVAL [Form HUD-52517]**

After the family is issued a voucher, the family must locate an eligible unit, with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request OHFA to approve the assisted tenancy in the selected unit.

The family must submit a Scheduling Appointment Request Form (SARF) to OHFA no later than the expiration date stated on the voucher.

The SARF contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, and utilities included in the rent, necessary for OHFA to determine whether to approve the assisted tenancy in this unit.

Completed SARF must be submitted as hard copies, in-person, by mail, or by fax.

The family may not submit, and OHFA will not process, more than one (1) SARF at a time.

When the family submits the SARF, OHFA will review the SARF for completeness. If the SARF is incomplete, OHFA will notify the family and/or the owner of the deficiencies.

Because of the time sensitive nature of the tenancy approval process, OHFA will attempt to communicate with the owner and family by phone, fax, or email. OHFA will use mail when the parties cannot be reached by phone, fax, or email.

If OHFA determines that the request cannot be approved for any reason, the family will be notified in writing. OHFA will instruct the family on the steps that are necessary to approve the request.

The family has until the expiration date of the voucher to submit an approvable SARF.

When, for any reason, an SARF is not approved, OHFA will furnish another SARF to the family, upon the family's request, so that the family can continue to search for eligible housing.

### **9-I.C. OWNER PARTICIPATION**

OHFA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where OHFA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)]

See Chapter 13 for a full discussion of owner qualification to participate in the HCV program.

## **9-I.D. ELIGIBLE UNITS**

There are a number of criteria that a dwelling unit must meet in order to be eligible for assistance under the voucher program. Generally, a voucher-holder family may choose any available rental dwelling unit on the market in OHFA's jurisdiction. This includes the dwelling unit they are currently occupying.

### **Ineligible Units [24 CFR 982.352(a)]**

OHFA may not assist a unit under the voucher program if the unit is a public housing or Indian housing unit; a unit receiving project-based assistance under Section 8 of the 1937 Act (42 U.S.C. 1437f); nursing homes, board and care homes, or facilities providing continual psychiatric, medical, or nursing services; college or other school dormitories; units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions; a unit occupied by its owner or by a person with any interest in the unit.

### **PHA-Owned Units [24 CFR 982.352(b)]**

Otherwise eligible units that are owned or substantially controlled by the PHA issuing the voucher may also be leased in the voucher program. In order for a PHA-owned unit to be leased under the voucher program, the unit must not be ineligible housing and OHFA must inform the family, both orally and in writing, that the family has the right to select any eligible unit available for lease and that the family is free to select a PHA-owned unit without any pressure or steering by OHFA.

OHFA does not have any eligible PHA-owned units available for leasing under the voucher program.

### **Special Housing Types [24 CFR 982 Subpart M]**

The U.S. Department of Housing and Urban Development (HUD) regulations permit, but do not generally require, OHFA to permit families to use voucher assistance in a number of special housing types in accordance with the specific requirements applicable to those programs. These special housing types include single room occupancy (SRO) housing, congregate housing, group home, shared housing, manufactured home space (where the family owns the manufactured home and leases only the space), cooperative housing and homeownership option. See Chapter 15 for specific information and policies on any of these housing types that OHFA has chosen to allow.

The regulations do require OHFA to permit use of any special housing type if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

### **Duplicative Assistance [24 CFR 982.352(c)]**

A family may not receive the benefit of HCV tenant-based assistance while receiving the benefit of any of the following forms of other housing subsidy, for the same unit or for a different unit:

- Public or Indian housing assistance;
- Other Section 8 assistance (including other tenant-based assistance);
- Assistance under former Section 23 of the United States Housing Act of 1937 (before amendment by the Housing and Community Development Act of 1974);
- Section 101 rent supplements;
- Section 236 rental assistance payments;
- Tenant-based assistance under the HOME Program;
- Rental assistance payments under Section 521 of the Housing Act of 1949 (a program of the Rural Development Administration);
- Any local or State rent subsidy;
- Section 202 supportive housing for the elderly;
- Section 811 supportive housing for persons with disabilities; (11) Section 202 projects for non-elderly persons with disabilities (Section 162 assistance); or
- Any other duplicative federal, State, or local housing subsidy, as determined by HUD. For this purpose, 'housing subsidy' does not include the housing component of a welfare payment, a social security payment received by the family, or a rent reduction because of a tax credit.

### **Housing Quality Standards (HQS) [24 CFR 982.305 and 24 CFR 982.401]**

In order to be eligible, the dwelling unit must be in decent, safe, and sanitary condition. This determination is made using HUD's Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD. See Chapter 8 for a full discussion of the HQS standards, as well as the process for HQS inspection at initial lease-up.

### **Unit Size**

In order to be eligible, the dwelling unit must be appropriate for the number of persons in the household. A family must be allowed to lease an otherwise acceptable dwelling unit with fewer bedrooms than the number of bedrooms stated on the voucher issued to the family, provided the unit meets the applicable HQS space requirements [24 CFR 982.402(d)]. The family must be allowed to lease an otherwise acceptable dwelling unit with more bedrooms than the number of bedrooms stated on the voucher issued to the family. See Chapter 5 for a full discussion of subsidy standards.

## **Rent Reasonableness [24 CFR 982.305 and 24 CFR 982.507]**

In order to be eligible, the dwelling unit must have a reasonable rent. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See Chapter 8 for a full discussion of rent reasonableness and the rent reasonableness determination process.

## **Rent Burden [24 CFR 982.508]**

Where a family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the dwelling unit rent must be at a level where the family's share of rent does not exceed 40 percent of the family's monthly-adjusted income. See Chapter 6 for a discussion of calculation of gross rent, the use of payment standards, and calculation of family income, family share of rent and HAP.

## **9-I.E. LEASE AND TENANCY ADDENDUM**

The family and the owner must execute and enter into a written dwelling lease for the assisted unit. This written lease is a contract between the tenant family and the owner; OHFA is not a party to this contract.

The tenant must have legal capacity to enter a lease under State and local law. 'Legal capacity' means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner [24 CFR 982.308(a)]

## **Lease Form and Tenancy Addendum [24 CFR 982.308]**

If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form. If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease. The HAP contract prescribed by HUD contains the owner's certification that if the owner uses a standard lease form for rental to unassisted tenants, the lease is in such standard form.

All provisions in the HUD-required Tenancy Addendum must also be added word-for-word to the owner's standard lease form, for use with the assisted family. The Tenancy Addendum includes the tenancy requirements for the program and the composition of the household as approved by OHFA. As a part of the lease, the tenant shall have the right to enforce the Tenancy Addendum against the owner and the terms of the Tenancy Addendum shall prevail over any other provisions of the lease.

House Rules may be attached to the lease as an addendum and may not violate fair housing provisions or conflict with the tenancy addendum.

OHFA does not provide a model or standard dwelling lease for owners to use in the HCV program.

### **Lease Information [24 CFR 982.308(d)]**

The assisted dwelling lease must contain all of the required information as listed below:

- The names of the owner and the tenant:
- The unit rented (address, apartment number, and any other information needed to identify the contract unit)
- The term of the lease (initial term and any provisions for renewal)
- The amount of the monthly rent to owner
- A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family

### **Term of Assisted Tenancy**

The initial term of the assisted dwelling lease must be for at least one year [24 CFR 982.309]. The initial lease term is also stated in the HAP contract.

The HUD program regulations permit OHFA to approve a shorter initial lease term if certain conditions are met.

OHFA will not approve an initial lease term of less than one (1) year.

During the initial term of the lease, the owner may not raise the rent to owner [24 CFR 982.309].

Any provisions for renewal of the dwelling lease will be stated in the dwelling lease [HCV Guidebook, pg. 8-22]. There are no HUD requirements regarding any renewal extension terms, except that they must be in the dwelling lease if they exist.

OHFA may execute the HAP contract even if there is less than one year remaining from the beginning of the initial lease term to the end of the last expiring funding increment under the consolidated ACC. [24 CFR 982.309(b)].

## **Security Deposit [24 CFR 982.313 (a) and (b)]**

The owner may collect a security deposit from the tenant. OHFA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

OHFA prohibits the owner from collecting a security deposit in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

## **Separate Non-Lease Agreements between Owner and Tenant**

Owners may not demand or accept any rent payment from the family in excess of the rent to the owner minus OHFA's housing assistance payments to the owner [24 CFR 982.451(b)(4)].

The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)].

OHFA permits owners and families to execute separate, non-lease agreements for services, appliances (other than range and refrigerator) and other items that are not included in the lease.

Any items, appliances, or other services that are customarily provided to unassisted families as part of the dwelling lease with those families, or are permanently installed in the dwelling unit must be included in the dwelling lease for the assisted family. These items, appliances, or services cannot be placed under a separate non-lease agreement between the owner and family. Side payments for additional rent, or for items, appliances or services customarily provided to unassisted families as part of the dwelling lease for those families, are prohibited.

Any items, appliances, or other services that are not customarily provided to unassisted families as part of the dwelling lease with those families, are not permanently installed in the dwelling unit and where the family has the sole option of not utilizing the item, appliance or service, may be included in a separate non-lease agreement between the owner and the family.

The family is not liable and cannot be held responsible under the terms of the assisted dwelling lease for any charges pursuant to a separate non-lease agreement between the owner and the family. Non-payment of any charges pursuant to a separate non-lease agreement between the owner and the family cannot be a cause for eviction or termination of tenancy under the terms of the assisted dwelling lease.

Separate non-lease agreements that involve additional items, appliances or other services may be considered amenities offered by the owner and may be taken into consideration when determining the reasonableness of the rent for the property.

### **OHFA Review of Lease**

OHFA will review the dwelling lease for compliance with all applicable requirements.

If the dwelling lease is incomplete or incorrect, OHFA will notify the family and the owner of the deficiencies. Missing and corrected lease information will only be accepted as hard copies, in-person, by mail, electronically, or by fax. OHFA will not accept missing and corrected information over the phone

Because the initial leasing process is time-sensitive, OHFA will attempt to communicate with the owner and family by phone, fax, or electronically. OHFA will use mail when the parties cannot be reached by phone, fax, or electronically.

OHFA is permitted, but is not required, to review the lease to determine if the lease complies with State and local law and is permitted to decline to approve the tenancy if OHFA determines that the lease does not comply with State or local law [24 CFR 982.308(c)]

OHFA will not review the owner's lease for compliance with state/local law.

### **9-I.F. TENANCY APPROVAL [24 CFR 982.305]**

After receiving the family's Scheduling Appointment Request Form, OHFA must promptly notify the family and owner whether the assisted tenancy is approved.

Prior to approving the assisted tenancy and execution of a HAP contract, OHFA must ensure that all required actions and determinations, discussed in Part I of this chapter have been completed.

These actions include ensuring that the unit is eligible; the unit has been inspected by OHFA and meets the Housing Quality Standards (HQS); the lease offered by the owner is approvable and includes the required Tenancy Addendum; the rent to be charged by the owner for the unit is reasonable; where the family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]; the owner is an eligible owner, not disapproved by OHFA, with no conflicts of interest [24 CFR 982.306]; the family and the owner have executed the lease, including the Tenancy Addendum, and the lead-based paint disclosure information [24 CFR 982.305(b)].

OHFA will complete its determination promptly after receiving all required information.

If OHFA determines that the tenancy cannot be approved for any reason, the owner and the family will be notified in writing and given the opportunity to address any reasons for disapproval. OHFA will instruct the owner and family of the steps that are necessary to approve the tenancy.

Where the tenancy is not approvable because the unit is not approvable, the family must continue to search for eligible housing within the timeframe of the issued voucher.

If the tenancy is not approvable due to rent affordability (including rent burden and rent reasonableness), OHFA will attempt to negotiate the rent with the owner. If a new, approvable rent is negotiated, the tenancy will be approved. If the owner is not willing to negotiate an approvable rent, the family must continue to search for eligible housing within the timeframe of the issued voucher.

#### **9-I.G. HAP CONTRACT EXECUTION [24 CFR 982.305]**

The HAP contract is a written agreement between OHFA and the owner of the dwelling unit occupied by a housing choice voucher assisted family. Under the HAP contract, OHFA agrees to make housing assistance payments to the owner on behalf of a specific family occupying a specific unit and obliges the owner to comply with all program requirements.

The HAP contract format is prescribed by HUD.

If OHFA has given approval for the family of the assisted tenancy, the owner and OHFA execute the HAP contract.

The term of the HAP contract must be the same as the term of the lease [24 CFR 982.451(a)(2)].

OHFA may not pay any housing assistance payment to the owner until the HAP contract has been executed after the unit has passed the Housing Quality Standards (HQS) inspection.

The owner and the assisted family will execute the dwelling lease and the owner must provide a copy to OHFA and the assisted family.

The owner and OHFA will execute the HAP contract. OHFA will not execute the HAP contract until the owner has submitted IRS form W-9. OHFA will ensure that the owner receives a copy of the executed HAP contract.

The following OHFA Rental Assistance (RA) representatives are authorized to execute a HAP contract on behalf of OHFA: Managers/Supervisors; Field Agents; Team Coordinators; FSS/Homeownership Coordinators; and Specialists.

See Chapter 13 for a discussion of the HAP contract and contract provisions.

### **9-I.H. CHANGES IN LEASE OR RENT [24 CFR 982.308]**

If the tenant and the owner agree to any changes in the lease, such changes must be in writing, and the owner must immediately give OHFA a copy of such changes. The lease, including any changes, must remain in accordance with the requirements of this chapter.

Generally, OHFA approval of tenancy and execution of a new HAP contract are not required for changes in the lease. However, under certain circumstances, voucher assistance in the unit shall not be continued unless OHFA has approved a new tenancy in accordance with program requirements and has executed a new HAP contract with the owner. These circumstances include:

- Changes in lease requirements governing tenant or owner responsibilities for utilities or appliances
- Changes in lease provisions governing the term of the lease
- The family moves to a new unit, even if the unit is in the same building or complex

In these cases, if the HCV assistance is to continue, the family must submit a new Scheduling Appointment Request Form for processing. A new tenancy must then be approved in accordance with this chapter.

Where the owner is changing the amount of rent, the owner must notify OHFA of any changes in the amount of the rent to owner at least 60 days before any such changes go into effect [24 CFR 982.308(g)(4)]. OHFA requires the owner to submit a Rent Increase Request Form at least 60 days in advance of the requested effective date. OHFA will agree to such an increase only if the amount of the rent to owner is considered reasonable according to the rent reasonableness standards discussed in Chapter 8. If the requested rent is not found to be reasonable, the owner must either reduce the requested rent increase, or give the family notice in accordance with the terms of the lease.

No rent increase is permitted during the initial term of the lease [24 CFR 982.309(a)(3)].

Where the owner is requesting a rent increase, OHFA will determine whether the requested increase is reasonable promptly. The owner will be notified of the determination in writing.

Rent increases will go into effect on the first of the month following the 60-day period after the owner notifies OHFA of the rent change and OHFA approves the rent increase or on the date specified by the owner, whichever is later.

## Chapter 10

### MOVING WITH CONTINUED ASSISTANCE AND PORTABILITY

#### INTRODUCTION

Freedom of choice is a hallmark of the housing choice voucher (HCV) program. In general, therefore, the U.S. Department of Housing and Urban Development (HUD) regulations impose few restrictions on where families may live or move with HCV assistance. This chapter sets forth HUD regulations and Oklahoma Housing Finance Agency's (OHFA) policies governing moves within or outside OHFA's jurisdiction in two parts:

Part I: Moving with Continued Assistance. This part covers the general rules that apply to all moves by a family assisted under OHFA's HCV program, whether the family moves to another unit within OHFA's jurisdiction or to a unit outside OHFA's jurisdiction under portability.

Part II: Portability. This part covers the special rules that apply to moves by a family under portability, whether the family moves out of or into OHFA's jurisdiction. This part also covers the special responsibilities that OHFA has under portability regulations and procedures.

## **PART I: MOVING WITH CONTINUED ASSISTANCE**

### **10-I.A. ALLOWABLE MOVES**

HUD lists six regulatory conditions under which an assisted family is allowed to move to a new unit with continued assistance. Permission to move is subject to the restrictions set forth in section 10-I.B.

- The family has a right to terminate the lease on notice to the owner (for the owner's breach or otherwise) and has given a notice of termination to the owner in accordance with the lease [24 CFR 982.354(b)(3)]. If the family terminates the lease on notice to the owner, the family must give OHFA a copy of the notice at the same time [24 CFR 982.354(d)(1)].
- The lease for the family's unit has been terminated by mutual agreement of the owner and the family [24 CFR 982.354(b)(1)(ii)].

If the family and the owner mutually agree to terminate the lease for the family's unit, the family must give OHFA a copy of the termination agreement.

- The owner has given the family a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the family [24 CFR 982.354(b)(2)]. The family must give OHFA a copy of any owner eviction notice [24 CFR 982.551(g)].
- The family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault or stalking and the move is needed to protect the health or safety of the family or family member [24 CFR 982.354(b)(4)]. This condition applies even when the family has moved out of its unit in violation of the lease, with or without prior notification to OHFA, if the family or family member who is the victim reasonably believed that he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.354(b)(4), 24 CFR 982.353(b)]. OHFA must adopt an emergency transfer plan (ETP) as required by regulations at 24 CFR 5.2007(e).

If a family requests permission to move with continued assistance based on a claim that the move is necessary to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault or stalking, OHFA will request documentation in accordance with section 16-IX.D of this plan.

OHFA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the family or family member will suffice. In such cases, OHFA will document the family's file.

OHFA may choose to provide a voucher to facilitate an emergency transfer of the victim without first terminating the assistance of the perpetrator.

Before granting an emergency transfer, OHFA will ensure the victim is eligible to receive continued assistance based on the citizenship or immigration status of the victim.

OHFA has adopted an emergency transfer plan, which is included as Exhibit 16-3 to this plan.

- OHFA has terminated the HAP Contract for the family's unit for the owner's breach [24 CFR 982.354(b)(1)(i)].
- OHFA determines that the family's current unit does not meet the HQS space standards because of an increase in family size or a change in family composition. In such cases, OHFA must issue the family a new voucher, and the family and OHFA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for the family, OHFA must terminate the HAP contract for the family's old unit in accordance with the HAP contract terms and must notify both the family and the owner of the termination. The HAP contract terminates at the end of the calendar month that follows the calendar month in which OHFA gives notice to the owner. [24 CFR 982.403(a) and (c)]

#### **10-I.B. RESTRICTIONS ON MOVES**

A family's right to move is generally contingent upon the family's compliance with program requirements [24 CFR 982.1(b)(2)]. HUD specifies two conditions under which OHFA may deny a family permission to move and two ways in which OHFA may restrict moves by a family.

##### **Denial of Moves**

HUD regulations permit OHFA to deny a family permission to move under the following conditions:

##### ***Insufficient Funding***

OHFA may deny a family permission to move either within or outside OHFA's jurisdiction if OHFA does not have sufficient funding for continued assistance [24 CFR 982.314(e)(1)]. However, Notice PIH 2016-09 significantly restricts the ability of PHAs to deny permission to move due to insufficient funding and places further requirements on PHAs regarding moves denied due to lack of funding. The requirements found in this notice are mandatory.

OHFA will deny a family permission to move on grounds that OHFA does not have sufficient funding for continued assistance if (a) the move is initiated by the family, not the owner or OHFA; (b) OHFA can demonstrate that the move will, in fact, result in

higher subsidy costs; (c) OHFA can demonstrate, in accordance with the policies in Part VIII of Chapter 16, that it does not have sufficient funding in its annual budget to accommodate the higher subsidy costs; and (d) for portability moves, the receiving PHA is not absorbing the voucher.

If the OHFA does not have sufficient funding for continued assistance, but the family must move from their unit (e.g., the unit failed HQS), the family may move to a higher cost unit if the move is within OHFA's jurisdiction. OHFA, however, will not allow the family to move under portability in this situation if the family wishes to move to a higher cost area.

For both moves within OHFA's jurisdiction and outside under portability, OHFA will not deny a move due to insufficient funding if OHFA previously approved the move and subsequently experienced a funding shortfall if the family cannot remain in their current unit. OHFA will rescind the voucher in this situation if the family will be allowed to remain in their current unit.

OHFA will create a list of families whose moves have been denied due to insufficient funding. OHFA will keep the family's request open indefinitely, and when funds become available, the families on this list will take precedence over families on the waiting list. OHFA will use the same procedures for notifying families with open requests to move when funds become available as it uses for notifying families on the waiting list (see section 4-III.D).

OHFA will inform the family of its policy regarding moves denied due to insufficient funding in a letter to the family at the time the move is denied.

### ***Grounds for Denial or Termination of Assistance***

OHFA may deny a family permission to move if it has grounds for denying or terminating the family's assistance [24 CFR 982.354(e)(2)].

If OHFA has grounds for denying or terminating a family's assistance, OHFA may act on those grounds in accordance with the regulations and policies set forth in Chapters 3 and 12, respectively.

### **Restrictions on Elective Moves [24 CFR 982.354(c)]**

HUD regulations permit OHFA to prohibit any elective move by a participant family during the family's initial lease term. They also permit OHFA to prohibit more than one elective move by a participant family during any 12-month period. However, such prohibitions, if adopted, do not apply when the family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault or stalking and the move is needed to protect the health or safety

of the family or family member. (For the policy on documentation of abuse, see section 10-I.A.) In addition, the PHA may not establish a policy permitting moves only at reexamination [Notice PIH 2016-09].

OHFA will deny a family permission to make an elective move during the family's initial lease term. This policy applies to moves within OHFA's jurisdiction or outside it under portability.

OHFA will consider exceptions to this policy for the following reasons: to protect the health or safety of a family member (e.g., lead-based paint hazards, domestic violence, witness protection programs), or to address an emergency situation over which a family has no control.

A supervisor may make exceptions to these restrictions for a valid documented reason and the family and the owner mutually agree to terminate the lease for the family's unit, the family must give OHFA a copy of the termination agreement.

In addition, OHFA will allow exceptions to these policies for purposes of reasonable accommodation of a family member who is a person with disabilities (see Chapter 2).

OHFA may restrict families to one move per year after a family's initial lease term has been fulfilled.

## **10-I.C. MOVING PROCESS**

### **Notification**

If a family wishes to move to a new unit, the family must notify OHFA and the owner before moving out of the old unit or terminating the lease on notice to the owner [24 CFR 982.354(d)(2)]. If the family wishes to move to a unit outside OHFA's jurisdiction under portability, the notice to OHFA must specify the area where the family wishes to move [24 CFR 982.354(d)(2)]. The notices must be in writing [24 CFR 982.5].

### **Approval**

Upon receipt of a family's notification that it wishes to move, OHFA will determine whether the move is approvable in accordance with the regulations and policies set forth in sections 10-I.A and 10-I.B. OHFA will notify the family in writing of its determination promptly following receipt of the family's notification.

### **Reexamination of Family Income and Composition**

For families approved to move to a new unit within OHFA's jurisdiction, OHFA may perform a reexamination, as applicable, in accordance with the policies set forth in Chapter 11 of this plan.

For families moving into or families approved to move out of OHFA's jurisdiction under portability, OHFA will follow the policies set forth in Part II of this chapter.

### **Voucher Issuance and Briefing**

For families approved to move to a new unit within OHFA's jurisdiction, OHFA will issue a new voucher within 14 days of OHFA's written approval to move. No briefing is required for these families. OHFA will follow the policies set forth in Chapter 5 on voucher term, extension, and expiration. If a family does not locate a new unit within the term of the voucher and any extensions, the family may remain in its current unit with continued voucher assistance if the owner agrees and OHFA approves. Otherwise, the family will lose its assistance.

For families moving into or families approved to move out of OHFA's jurisdiction under portability, OHFA will follow the policies set forth in Part II of this chapter.

## **Housing Assistance Payments [24 CFR 982.311(d)]**

When a family moves out of an assisted unit, OHFA may not make any housing assistance payment to the owner for any month **after** the month the family moves out. The owner may keep the housing assistance payment for the month when the family moves out of the unit.

If a participant family moves from an assisted unit with continued tenant-based assistance, the term of the assisted lease for the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of the last housing assistance payment (for the month when the family moves out of the old unit) and the first assistance payment for the new unit, is not considered to constitute a duplicative housing subsidy.

A move within the same building, to a new building or project owned by the same owner will be processed like other moves.

## **Zero HAP Families Who Wish to Move [24 CFR 982.455]**

A participant who is not receiving any subsidy, but whose HAP contract is still in force, may request a voucher to move to a different unit. OHFA must issue a voucher to move unless it has grounds to deny assistance under the program regulations. However, if OHFA determines no subsidy would be paid at the new unit, OHFA may refuse to enter into a HAP contract on behalf of the family.

If a zero HAP family requests to move to a new unit, the family may request a voucher to move. However, if no subsidy will be paid at the unit to which the family requests to move, OHFA will not enter into a HAP contract on behalf of the family for the new unit.

## **PART II: PORTABILITY**

### **10-II.A. OVERVIEW**

Within the limitations of the regulations and this plan, a participant family or an applicant family that has been issued a voucher has the right to use tenant-based voucher assistance to lease a unit anywhere in the United States providing that the unit is located within the jurisdiction of a PHA administering a tenant-based voucher program [24 CFR 982.353(b)]. The process by which a family obtains a voucher from one PHA and uses it to lease a unit in the jurisdiction of another PHA is known as portability. The first PHA is called the **initial PHA**. The second is called the **receiving PHA**.

The receiving PHA has the option of administering the family's voucher for the initial PHA or absorbing the family into its own program. Under the first option, the receiving PHA bills the initial PHA for the family's housing assistance payments and the fees for administering the

family's voucher. Under the second option, the receiving PHA pays for the family's assistance out of its own program funds, and the initial PHA has no further relationship with the family. The initial PHA must contact the receiving PHA via email or other confirmed delivery method to determine whether the receiving PHA will administer or absorb the initial PHA's voucher. Based on the receiving PHA's response, the initial PHA must determine whether they will approve or deny the portability request [Notice PIH 2016-09].

PHAs commonly act as both the initial and receiving PHA because families may move into or out of their jurisdiction under portability. Each role involves different responsibilities. The PHA will follow the rules and policies in section 10-II.B when it is acting as the initial PHA for a family. It will follow the rules and policies in section 10-II.C when it is acting as the receiving PHA for a family.

In administering portability, the initial PHA and the receiving PHA must comply with financial procedures required by HUD, including the use of HUD-required forms [24 CFR 982.355(e)(5)].

PHAs must also comply with billing and payment deadlines. HUD may reduce an administrative fee to an initial or receiving PHA if the PHA does not comply with HUD portability requirements [24 CFR 982.355(e)(7)].

## **10-II.B. INITIAL PHA ROLE**

### **Allowable Moves under Portability**

A family may move with voucher assistance only to an area where there is at least one PHA administering a voucher program [24 CFR 982.353(b)]. If there is more than one PHA in the area, the initial PHA provides the family with the contact information for the receiving PHAs that serve the area, and the family selects the receiving PHA. The family must inform the initial PHA which PHA it has selected. If the family prefers not to select the receiving PHA, the initial PHA will select the receiving PHA on behalf of the family (24 CFR 982.255(b)).

Applicant families that have been issued vouchers as well as participant families may qualify to lease a unit outside OHFA's jurisdiction under portability. The initial PHA, in accordance with HUD regulations and OHFA policy, determines whether a family qualifies.

### ***Applicant Families***

Under HUD regulations, most applicant families qualify to lease a unit outside OHFA's jurisdiction under portability. However, HUD gives OHFA discretion to deny a portability move by an applicant family for the same two reasons that it may deny any move by a participant family: insufficient funding and grounds for denial or termination of assistance. If a PHA intends to deny a family permission to move under portability due to insufficient funding, the PHA must

notify HUD within 10 business days of the determination to deny the move [24 CFR 982.355(e)].

In determining whether or not to deny an applicant family permission to move under portability because OHFA lacks sufficient funding or has grounds for denying assistance to the family, the initial PHA will follow the policies established in section 10-I.B of this chapter. If the PHA does deny the move due to insufficient funding, the PHA will notify HUD in writing within 10 business days of the PHA's determination to deny the move.

In addition, OHFA may establish a policy denying the right to portability to nonresident applicants during the first 12 months after they are admitted to the program [24 CFR 982.353(c)].

If neither the head of household nor the spouse/cohead of an applicant family had a domicile (legal residence) in OHFA's jurisdiction at the time the family's application for assistance was submitted, the family must live in OHFA's jurisdiction with voucher assistance for at least 12 months before requesting portability.

OHFA will consider exceptions to this policy for purposes of reasonable accommodation (see Chapter 2) or reasons related to domestic violence, dating violence, sexual assault or stalking.

### ***Participant Families***

The initial PHA must not provide portable assistance for a participant if a family has moved out of its assisted unit in violation of the lease [24 CFR 982.353(b)]. The Violence Against Women Act of 2013 (VAWA) creates an exception to this prohibition for families who are otherwise in compliance with program obligations but have moved to protect the health or safety of a family member who is or has been a victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.353(b)].

OHFA will determine whether a participant family may move out of OHFA's jurisdiction with continued assistance in accordance with the regulations and policies set forth here and in sections 10-I.A and 10-I.B of this chapter. OHFA will notify the family of its determination in accordance with the approval policy set forth in section 10-I.C of this chapter.

## **Determining Income Eligibility**

### ***Applicant Families***

An applicant family may lease a unit in a particular area under portability only if the family is income eligible for admission to the voucher program in that area [24 CFR 982.353(d)(1)]. The family must specify the area to which the family wishes to move [CFR 982.355(c)(1)].

The initial PHA is responsible for determining whether the family is income eligible in the area to which the family wishes to move [24 CFR 982.353(d)(1), 24 CFR 982.355(9)]. If the applicant family is not income eligible in that area, OHFA must inform the family that it may not move there and receive voucher assistance [Notice PIH 2016-09].

### ***Participant Families***

The income eligibility of a participant family is not redetermined if the family moves to a new jurisdiction under portability [24 CFR 982.353(d)(2)].

### **Reexamination of Family Income and Composition**

No new reexamination of family income and composition is required for an applicant family.

For a participant family approved to move out of its jurisdiction under portability, OHFA generally will conduct a reexamination of family income and composition only if the family's annual reexamination must be completed on or before the initial billing deadline specified on form HUD-52665, Family Portability Information.

OHFA will make any exceptions to this policy necessary to remain in compliance with HUD regulations.

### **Briefing**

The regulations and policies on briefings set forth in Chapter 5 of this plan require OHFA to provide information on portability to all applicant families that qualify to lease a unit outside OHFA's jurisdiction under the portability procedures. Therefore, no special briefing is required for these families.

No formal briefing will be required for a participant family wishing to move outside OHFA's jurisdiction under portability. However, OHFA will provide the family with the same oral and written explanation of portability that it provides to applicant families selected for admission to the program.

OHFA will provide the name, address, and phone of the contact for the PHAs in the jurisdiction to which they wish to move. If there is more than one PHA with jurisdiction over the area to which the family wishes to move, OHFA will advise the family that the family selects the receiving PHA and notify OHFA of which receiving PHA was

selected. OHFA will provide the family with contact information for all of the receiving PHAs that serve the area. The PHA will not provide any additional information about receiving PHAs in the area. OHFA will further inform the family that if the family prefers not to select the receiving PHA, OHFA will select the receiving PHA on behalf of the family. In this case, OHFA will not provide the family with information for all receiving PHAs in the area.

OHFA will advise the family that they will be under the receiving PHA's policies and procedures, including screening, subsidy standards, voucher extension policies, and payment standards.

### **Voucher Issuance and Term**

An applicant family has no right to portability until after the family has been issued a voucher [24 CFR 982.353(b)]. In issuing vouchers to applicant families, OHFA will follow the regulations and procedures set forth in Chapter 5.

For families approved to move under portability, OHFA will issue a new voucher within 14 days of OHFA's written approval to move.

The initial term of the voucher will be 60 days.

### **Voucher Extensions and Expiration**

OHFA will approve **no** extensions to a voucher issued to an applicant or participant family porting out of OHFA's jurisdiction except under the following circumstances: (a) the initial term of the voucher will expire before the portable family will be issued a voucher by the receiving PHA, (b) the family decides to return to the initial PHA's jurisdiction and search for a unit there, or (c) the family decides to search for a unit in a third PHA's jurisdiction. In such cases, the policies on voucher extensions set forth in Chapter 5, section 5-II.E, of this plan will apply, including the requirement that the family apply for an extension in writing prior to the expiration of the initial voucher term.

To receive or continue receiving assistance under the initial PHA's voucher program, a family that moves to another PHA's jurisdiction under portability must be under HAP contract in the receiving PHA's jurisdiction within 60 days following the expiration date of the initial PHA's voucher term (including any extensions). (See below under "Initial Billing Deadline" for one exception to this policy.)

### **Preapproval Contact with the Receiving PHA**

Prior to approving a family's request to move under portability, the initial PHA must contact the receiving PHA to determine whether the receiving PHA will administer or absorb the family's

voucher. Based on the receiving PHA's response, the initial PHA must determine whether it will approve or deny the move [24 CFR 982.355(c)(3)].

OHFA will contact the receiving PHA regarding whether the receiving PHA will administer or absorb the family's voucher.

### **Initial Notification to the Receiving PHA**

After approving a family's request to move under portability, the initial PHA must promptly notify the receiving PHA via email or other confirmed delivery method to expect the family [24 CFR 982.355(c)(3), 24 CFR 982.355(c)(7)]. The initial PHA must also advise the family how to contact and request assistance from the receiving PHA [24 CFR 982.355(c)(6)].

Because the portability process is time-sensitive, OHFA will notify the receiving PHA by phone, fax, regular mail, or e-mail to expect the family. The initial PHA will also ask the receiving PHA to provide any information the family may need upon arrival, including the name, fax, email, and telephone number of the staff person responsible for business with incoming portable families and procedures related to appointments for voucher issuance. OHFA will pass this information along to the family. OHFA will also ask for the name, address, telephone number, fax, and email of the person responsible for processing the billing information.

### **Sending Documentation to the Receiving PHA**

The initial PHA is required to send the receiving PHA the following documents:

- Form HUD-52665, Family Portability Information, with Part I filled out [Notice PIH 2016-09]
- A copy of the family's voucher [Notice PIH 2016-09]
- A copy of the family's most recent form HUD-50058, Family Report, or, if necessary in the case of an applicant family, family and income information in a format similar to that of form HUD-50058 [24 CFR 982.355(c)(7), Notice PIH 2016-09]
- Copies of the income verifications backing up the form HUD-50058, including a copy of the family's current EIV data [24 CFR 982.355(c)(7), Notice PIH 2016-09]

In addition to these documents, OHFA will provide the following information, if available, to the receiving PHA:

Documentation of participation in the earned income disallowance (EID) benefit

Documentation of participation in a family self-sufficiency (FSS) program

### **Initial Billing Deadline [Notice PIH 2016-09]**

The deadline is 90 days following the expiration date of the voucher issued to the family by the initial PHA. In cases where suspension of the voucher delays the initial billing submission, the receiving PHA must notify the initial PHA of delayed billing before the billing deadline and document the delay is due to the suspension. In this case, the initial PHA must extend the billing deadline by 30 days.

If the initial PHA does not receive a billing notice by the deadline and does not intend to honor a late billing submission, it must notify the initial PHA in writing. The initial PHA may report to HUD the receiving PHA's failure to comply with the deadline. If the initial PHA will honor the late billing, no action is required.

If OHFA has not received an initial billing notice from the receiving PHA within the billing deadline, it will contact the receiving PHA to inform them that it will not honor a late billing submission and will return any subsequent billings that it receives on behalf of the family. OHFA will send the receiving PHA a written confirmation of its decision by mail.

OHFA will allow an exception to this policy if the family includes a person with disabilities and the late billing is a result of a reasonable accommodation granted to the family by the receiving PHA.

### **Monthly Billing Payments [24 CFR 982.355(e), Notice PIH 2016-09]**

If the receiving PHA is administering the family's voucher, the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. When reimbursing for administrative fees, the initial PHA must promptly reimburse the receiving PHA for the lesser of 80 percent of the initial PHA ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill [24 CFR 982.355(e)(2)].

The initial PHA is responsible for making billing payments in a timely manner. The first billing amount is due within 30 calendar days after the initial PHA receives Part II of form HUD-52665 from the receiving PHA. Subsequent payments must be **received** by the receiving PHA no later than the fifth business day of each month. The payments must be provided in a form and manner that the receiving PHA is able and willing to accept.

The initial PHA may not terminate or delay making payments under existing portability billing arrangements as a result of overleasing or funding shortfalls. OHFA must manage its tenant-based program in a manner that ensures that it has the financial ability to provide assistance for families that move out of its jurisdiction under portability and are not absorbed by receiving PHAs as well as for families that remain within its jurisdiction.

The initial PHA will utilize direct deposit to ensure that the payment is received by the deadline unless the receiving PHA notifies the initial PHA that direct deposit is not acceptable to them. If the initial PHA extends the term of the voucher, the receiving PHA's voucher will expire 30 calendar days from the new expiration date of the initial PHA's voucher.

### **Annual Updates of Form HUD-50058**

If the initial PHA is being billed on behalf of a portable family, it should receive an updated form HUD-50058 each year from the receiving PHA. If the initial PHA fails to receive an updated 50058 by the family's annual reexamination date, the initial PHA should contact the receiving PHA to verify the status of the family. The initial PHA must continue paying the receiving PHA based on the last form HUD-50058 received, unless instructed otherwise by HUD. The initial PHA may seek absorption of the vouchers by following steps outlined in Notice PIH 2016-09.

### **Denial or Termination of Assistance [24 CFR 982.355(c)(9)]**

At any time, either the initial PHA or the receiving PHA may make a determination to deny or terminate assistance with the family in accordance with 24 CFR 982.552 and 24 CFR 982.553. (For OHFA's policies on denial and termination, see Chapters 3 and 12, respectively.)

### **10-II.C. RECEIVING PHA ROLE**

If a family has a right to lease a unit in the receiving PHA's jurisdiction under portability, the receiving PHA must provide assistance for the family [24 CFR 982.355(10)]. HUD may determine in certain instances that a PHA is not required to accept incoming portable families, such as a PHA in a declared disaster area. However, the PHA must have approval in writing from HUD before refusing any incoming portable families [24 CFR 982.355(b)].

Administration of the voucher must be in accordance with the receiving PHA's policies. This requirement also applies to policies of Moving to Work agencies. The receiving PHA procedures and preferences for selection among eligible applicants do not apply to the family, and the receiving PHA waiting list is not used [24 CFR 982.355(c)(10)]. The family's unit, or voucher, size is determined in accordance with the subsidy standards of the receiving PHA [24 CFR 982.355(c)(12)], and the PHA's policies on extensions of the voucher term apply [24 CFR 982.355(c)(14)].

## **Responding to Initial PHA's Request [24 CFR 982.355(c)]**

The receiving PHA must respond to the initial PHA's inquiry to determine whether the family's voucher will be billed or absorbed [24 CFR 982.355(c)(3)]. If the receiving PHA informs the initial PHA that it will be absorbing the voucher, the receiving PHA cannot reverse its decision at a later date without consent of the initial PHA [24 CFR 982.355(c)(4)].

OHFA will notify the initial PHA whether it will administer or absorb the family's voucher.

## **Initial Contact with Family**

When a family moves into OHFA's jurisdiction under portability, the family is responsible for promptly contacting OHFA and complying with OHFA's procedures for incoming portable families. The family's failure to comply may result in denial or termination of the receiving PHA's voucher [24 CFR 982.355(c)(8)].

If the voucher issued to the family by the initial PHA has expired, the receiving PHA must contact the initial PHA to determine if it will extend the voucher [24 CFR 982.355(c)(13)]. An informal hearing is not required when a voucher has expired without the family leasing a unit.

If for any reason the receiving PHA refuses to process or provide assistance to a family under the portability procedures, the family must be given the opportunity for an informal review or hearing [Notice PIH 2016-09]. (For more on this topic, see later under "Denial or Termination of Assistance.")

## **Briefing**

HUD allows the receiving PHA to require a briefing for an incoming portable family as long as the requirement does not unduly delay the family's search [Notice PIH 2016-09].

OHFA will not require the family to attend a briefing. OHFA will provide the family with a briefing packet (as described in Chapter 5) with OHFA's payment and subsidy standards, procedures for requesting approval of a unit, the unit inspection process, and the leasing process.

## **Income Eligibility and Reexamination**

The receiving PHA does not redetermine eligibility for a portable family that was already receiving assistance in the initial PHA's voucher program [24 CFR 982.355(c)(9)]. If the receiving PHA opts to conduct a new reexamination for a current participant family, the

receiving PHA may not delay issuing the family a voucher or otherwise delay approval of a unit [24 CFR 982.355(c)(11)].

For any family moving into its jurisdiction under portability, OHFA will conduct a new reexamination of family income and composition. However, OHFA will not delay issuing the family a voucher for this reason. Nor will OHFA delay approving a unit for the family until the reexamination process is complete unless the family is an applicant and OHFA cannot otherwise confirm that the family is income eligible for admission to the program in the area where the unit is located.

In conducting its own reexamination, OHFA will rely upon any verifications provided by the initial PHA to the extent that they (a) accurately reflect the family's current circumstances and (b) were obtained within the last 120 days. Any new information may be verified by documents provided by the family and adjusted, if necessary, when third party verification is received. The annual recertification date will be changed to coincide with the new lease-up date.

### **Voucher Issuance**

When a family moves into its jurisdiction under portability, the receiving PHA is required to issue the family a voucher [24 CFR 982.355(c)(13)]. The family must submit a request for tenancy approval to the receiving PHA during the term of the receiving PHA's voucher [24 CFR 982.355(c)(15)].

### ***Timing of Voucher Issuance***

HUD expects the receiving PHA to issue the voucher within two weeks after receiving the family's paperwork from the initial PHA if the information is in order, the family has contacted the receiving PHA, and the family complies with the receiving PHA's procedures [Notice PIH 2016-09].

When a family ports into its jurisdiction, OHFA will issue the family a voucher based on the paperwork provided by the initial PHA unless the family's paperwork from the initial PHA is incomplete, the family's voucher from the initial PHA has expired, or the family does not comply with OHFA's procedures. OHFA will update the family's information when verification has been completed.

### ***Voucher Term***

The term of the receiving PHA's voucher may not expire before 30 calendar days from the expiration of the initial PHA's voucher [24 CFR 982.355(c)(13)]. If the initial PHA extends the

term of the voucher, the receiving PHA's voucher may not expire before 30 days from the new expiration date of the initial PHA's voucher [Notice PIH 2016-09].

The receiving PHA's voucher will expire 30 calendar days from the expiration date of the initial PHA's voucher. If the initial PHA extends the term of the voucher, the receiving PHA's voucher will expire 30 calendar days from the new expiration date of the initial PHA's voucher.

### ***Voucher Extensions [24 CFR 982.355(c)(6), Notice 2016-09]***

Once the receiving PHA issues the portable family a voucher, the receiving PHA's policies on extensions of the voucher term apply. The receiving PHA must inform the initial PHA of any extension granted to the term of the voucher. It must also bear in mind the billing deadline provided by the initial PHA. Unless willing and able to absorb the family, the receiving PHA should ensure that any voucher expiration date would leave sufficient time to process a request for tenancy approval, execute a HAP contract, and deliver the initial billing to the initial PHA.

OHFA generally will not extend the term of the voucher that it issues to an incoming portable family unless OHFA plans to absorb the family into its own program, in which case it will follow the policies on voucher extension set forth in section 5-II.E.

OHFA will consider an exception to this policy as a reasonable accommodation to a person with disabilities (see Chapter 2).

### ***Voucher Suspensions [24 CFR 982.303, 24 CFR 982.355(c)(15)]***

If the family submits a request for tenancy approval during the term of the receiving PHA's voucher, the PHA must suspend the term of that voucher. The term of the voucher stops from the date that the family submits a request for PHA approval of the tenancy until the date the PHA notifies the family in writing whether the request has been approved or denied [24 CFR 982.4(b)] (see Section 5-II.E).

### **Notifying the Initial PHA**

The receiving PHA must promptly notify the initial PHA if the family has leased an eligible unit under the program or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the receiving PHA's voucher [24 CFR 982.355(c)(16)]. The receiving PHA is required to use Part II of form HUD-52665, Family Portability Information, for this purpose [Notice PIH 2016-09]. (For more on this topic and the deadline for notification, see below under "Administering a Portable Family's Voucher.")

If an incoming portable family ultimately decides not to lease in the jurisdiction of the receiving PHA but instead wishes to return to the initial PHA's jurisdiction or to search in another jurisdiction, the receiving PHA must refer the family back to the initial PHA. In such a case, the voucher of record for the family is once again the voucher originally issued by the initial PHA. Any extension of search time provided by the receiving PHA's voucher is only valid for the family's search in the receiving PHA's jurisdiction [Notice PIH 2016-09].

## **Administering a Portable Family's Voucher**

### ***Portability Billing [24 CFR 982.355(e)]***

To cover assistance for a portable family that was not absorbed, the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. The amount of the housing assistance payment for a portable family in the receiving PHA's program is determined in the same manner as for other families in the receiving PHA's program.

The receiving PHA may bill the initial PHA for the lesser of 80 percent of the initial PHA's ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill (i.e., the receiving PHA may bill for the lesser of 80 percent of the initial PHA's prorated ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee). If both PHAs agree, the PHAs may negotiate a different amount of reimbursement. Unless the PHA negotiates a different amount of reimbursement with the initial PHA, the PHA will bill the initial PHA the maximum amount of administrative fees allowed, ensuring any administrative fee proration has been properly applied.

### ***Initial Billing Deadline***

If a portable family's search for a unit is successful and the receiving PHA intends to administer the family's voucher, the receiving PHA must submit its initial billing notice (Part II of form HUD-52665) in time that the notice will be **received** no later than 60 days following the expiration date of the family's voucher issued by the initial PHA [Notice PIH 2016-09]. This deadline may be extended for 30 additional days if the delay is due to suspension of the voucher's term (see Initial Billing Section). A copy of the family's form HUD-50058, Family Report, completed by the receiving PHA must be attached to the initial billing notice. The receiving PHA may send these documents by mail, fax, or e-mail.

OHFA will send its initial billing notice by fax or e-mail, if necessary, to meet the billing deadline but may also send the notice by regular mail.

If the receiving PHA fails to send the initial billing by the deadline, it is required to absorb the family into its own program unless (a) the initial PHA is willing to accept the late submission or (b) HUD requires the initial PHA to honor the late submission (e.g., because the receiving PHA is over leased) [Notice PIH 2016-09].

### ***Ongoing Notification Responsibilities [Notice PIH 2016-09, HUD-52665]***

**Annual Reexamination.** The receiving PHA must send the initial PHA a copy of a portable family's updated form HUD-50058 after each annual reexamination for the duration of time the receiving PHA is billing the initial PHA on behalf of the family, regardless of whether there is a change in the billing amount.

OHFA will send a copy of the updated HUD-50058 no later than 10 business days after the effective date of the reexamination.

**Change in Billing Amount.** The receiving PHA is required to notify the initial PHA, using form HUD-52665, of any change in the billing amount for the family as a result of:

- A change in the HAP amount (because of a reexamination, a change in the applicable payment standard, a move to another unit, etc.)
- An abatement or subsequent resumption of the HAP payments
- Termination of the HAP contract
- Payment of a damage/vacancy loss claim for the family
- Termination of the family from the program

The timing of the notice of the change in the billing amount should correspond with the notification to the owner and the family in order to provide the initial PHA with advance notice of the change. Under no circumstances should the notification be later than 10 business days following the effective date of the change in the billing amount. If the receiving PHA fails to send Form HUD-52665 within 10 days of effective date of billing changes, the initial PHA is not responsible for any increase prior to notification. If the change resulted in a decrease in the monthly billing amount, the initial PHA will offset future monthly payments until the difference is reconciled.

### ***Late Payments [Notice PIH 2016-09]***

If the initial PHA fails to make a monthly payment for a portable family by the fifth business day of the month, the receiving PHA must promptly notify the initial PHA in writing of the deficiency. The notice must identify the family, the amount of the billing payment, the date the billing payment was due, and the date the billing payment was received (if it arrived late). The receiving PHA must send a copy of the notification to the Office of Public Housing (OPH) in the

HUD area office with jurisdiction over the receiving PHA. If the initial PHA fails to correct the problem by the second month following the notification, the receiving PHA may request by memorandum to the director of the OPH with jurisdiction over the receiving PHA that HUD transfer the unit in question. A copy of the initial notification and any subsequent correspondence between the PHAs on the matter must be attached. The receiving PHA must send a copy of the memorandum to the initial PHA. If the OPH decides to grant the transfer, the billing arrangement on behalf of the family ceases with the transfer, but the initial PHA is still responsible for any outstanding payments due to the receiving PHA.

### ***Overpayments [Notice PIH 2016-09]***

In all cases where the receiving PHA has received billing payments for billing arrangements no longer in effect, the receiving PHA is responsible for returning the full amount of the overpayment (including the portion provided for administrative fees) to the initial PHA.

In the event that HUD determines billing payments have continued for at least three months because the receiving PHA failed to notify the initial PHA that the billing arrangement was terminated, the receiving PHA must take the following steps:

- Return the full amount of the overpayment, including the portion provided for administrative fees, to the initial PHA.
- Once full payment has been returned, notify the Office of Public Housing in the HUD area office with jurisdiction over the receiving PHA of the date and the amount of reimbursement to the initial PHA.

At HUD's discretion, the receiving PHA will be subject to the sanctions spelled out in Notice PIH 2016-09.

### ***Denial or Termination of Assistance***

At any time, the receiving PHA may make a determination to deny or terminate assistance to a portable family for family action or inaction [24 CFR 982.355(c)(17)].

In the case of a termination, OHFA should provide adequate notice of the effective date to the initial PHA to avoid having to return a payment. In no event should the receiving PHA fail to notify the initial PHA later than 10 business days following the effective date of the termination of the billing arrangement [HUD-52665, Notice PIH 2016-09].

If OHFA elects to deny or terminate assistance for a portable family, OHFA will notify the initial PHA within 10 business days after the informal review or hearing if the denial or termination is upheld. OHFA will base its denial or termination decision on the

policies set forth in Chapter 3 or Chapter 12, respectively. The informal review or hearing will be held in accordance with the policies in Chapter 16. The receiving PHA will furnish the initial PHA with a copy of the review or hearing decision.

### **Absorbing a Portable Family**

The receiving PHA may absorb an incoming portable family into its own program when OHFA executes a HAP contract on behalf of the family or at any time thereafter providing that OHFA has funding available under its annual contributions contract (ACC) [24 CFR 982.355(d)(1), Notice PIH 2016-09].

If the receiving PHA absorbs a family from the point of admission, the admission will be counted against the income targeting obligation of the receiving PHA [24 CFR 982.201(b)(2)(vii)].

If the receiving PHA absorbs a family after providing assistance for the family under a billing arrangement with the initial PHA, the receiving PHA must send an updated form HUD-52665 to the initial PHA no later than 10 business days following the effective date of the termination of the billing arrangement. [Notice PIH 2016-09].

If OHFA decides to absorb a portable family upon the execution of a HAP contract on behalf of the family, OHFA will notify the initial PHA by the initial billing deadline specified on form HUD-52665. The effective date of the HAP contract will be the effective date of the absorption.

If OHFA decides to absorb a family after that, it will provide the initial PHA with advance notice, but no later than 10 business days following the effective date of the termination of the billing arrangement.

Following the absorption of an incoming portable family, the family is assisted with funds available under the consolidated ACC for the receiving PHA's voucher program [24 CFR 982.355(d)], and the receiving PHA becomes the initial PHA in any subsequent moves by the family under portability [24 CFR 982.355(e)(4)].

## Chapter 11

### REEXAMINATIONS

#### INTRODUCTION

Oklahoma Housing Finance Agency (OHFA) is required to reexamine each family's income and composition at least annually, and to adjust the family's level of assistance accordingly. Interim reexaminations are also needed in certain situations. This chapter discusses both annual and interim reexaminations, and the recalculation of family share and subsidy that occurs as a result. The U.S. Department of Housing and Urban Development (HUD) regulations and OHFA policies concerning reexaminations are presented in three parts:

Part I: Annual Reexaminations. This part discusses the process for conducting annual reexaminations.

Part II: Interim Reexaminations. This part details the requirements for families to report changes in family income and composition between annual reexaminations.

Part III: Recalculating Family Share and Subsidy Amount. This part discusses the recalculation of family share and subsidy amounts based on the results of annual and interim reexaminations.

Policies governing reasonable accommodation, family privacy, required family cooperation, and program abuse, as described elsewhere in this plan, apply to both annual and interim reexaminations.

## **PART I: ANNUAL REEXAMINATIONS [24 CFR 982.516]**

### **11-I.A. OVERVIEW**

OHFA must conduct a reexamination of family income and composition at least annually. This includes gathering and verifying current information about family composition, income, and expenses. Based on this updated information, the family's income and rent must be recalculated. This part discusses the schedule for annual reexaminations, the information to be collected and verified, and annual reexamination effective dates.

### **11-I.B STREAMLINED ANNUAL REEXAMINATIONS [24 CFR 982.516(b)]**

HUD permits PHAs to streamline the income determination process for family members with fixed sources of income. While third-party verification of all income sources must be obtained during the intake process and every three years thereafter, in the intervening years the PHA may determine income from fixed sources by applying a verified cost of living adjustment (COLA) or rate of interest. However, OHFA may obtain third-party verification of all income, regardless of the source. Further, upon request of the family, OHFA must perform third-party verification of all income sources.

Fixed sources of income include Social Security and SSI benefits, pensions, annuities, disability or death benefits, and other sources of income subject to a COLA or rate of interest. The determination of fixed income may be streamlined even if the family also receives income from other non-fixed sources.

OHFA will continue to obtain third-party verification of fixed sources of income annually.

### **11-I.C. SCHEDULING ANNUAL REEXAMINATIONS**

OHFA must establish a policy to ensure that the annual reexamination for each family is completed *within* a 12-month period, and may require reexaminations more frequently [HCV GB p. 12-1].

OHFA will begin the annual reexamination process 120 days in advance of its scheduled effective date. Generally, OHFA will schedule annual reexamination effective dates to coincide with the family's anniversary date.

*Anniversary date* is defined as 12 months from the effective date of the family's last annual reexamination or, during a family's first year in the program, from the effective date of the family's initial examination (admission).

OHFA also may schedule an annual reexamination for completion prior to the anniversary date for administrative purposes.

## **Notification of and Participation in the Annual Reexamination Process**

OHFA is required to obtain the information needed to conduct annual reexaminations. How that information will be collected is left to the discretion of OHFA. However, OHFA should give tenants who were not provided the opportunity the option to complete Form HUD-92006 at this time [Notice PIH 2009-36].

Families generally are required to participate in an annual reexamination interview, which must be attended by the head of household, spouse, or cohead and all adults, which includes anyone who will be 18 years of age on or before the annual reexamination effective date. If participation in an in-person interview poses a hardship because of a family member's disability, the family should contact OHFA to request a reasonable accommodation (see Chapter 2).

Notification of annual reexamination interviews will be sent by first-class mail and will contain the date, time, and location of the interview. In addition, it will inform the family of the information and documentation that must be brought to the interview.

If the family is unable to attend a scheduled interview, the family should contact OHFA in advance of the interview to schedule a new appointment. If a family does not attend the scheduled interview, OHFA will send a second notification with a new interview appointment time.

If a family fails to attend two scheduled interviews without OHFA approval, or if the notice is returned by the post office with no forwarding address, a notice of termination (see Chapter 12) will be sent to the family's address of record, and to any alternate address provided in the family's file.

An advocate, interpreter, or other assistant may assist the family in the interview process.

### **11-I.D. CONDUCTING ANNUAL REEXAMINATIONS**

As part of the annual reexamination process, families are required to provide updated information to OHFA regarding the family's income, expenses, and composition [24 CFR 982.551(b)].

Families will be asked to bring all required information (as described in the reexamination notice) to the reexamination appointment. The required information will include an OHFA-designated reexamination form, an Authorization for the Release of Information/Privacy Act Notice, as well as supporting documentation related to the family's income, expenses, and family composition.

Any required documents or information that the family is unable to provide at the time of the interview must be provided within 14 days of the interview. If the family is unable to

obtain the information or materials within the required time frame, the family may request an extension.

If the family does not provide the required documents or information within the required time frame (plus any extensions), the family will be sent a notice of termination (See Chapter 12).

Additionally, HUD recommends that at annual reexaminations PHAs ask whether the tenant, or any member of the tenant's household, is subject to a lifetime sex offender registration requirement in any state [Notice PIH 2012-28].

At the annual reexamination, OHFA will ask whether the tenant, or any member of the tenant's household, is subject to a lifetime sex offender registration requirement in any state. OHFA uses the Dru Sjodin National Sex Offender database to verify the information provided by the tenant.

If OHFA proposes to terminate assistance based on lifetime sex offender registration information, OHFA must notify the household of the proposed action and must provide the subject of the record and the tenant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to termination. [24 CFR 5.903(f) and 5.905(d)]. (See Chapter 12.)

The information provided by the family generally must be verified in accordance with the policies in Chapter 7. Unless the family reports a change, or the agency has reason to believe a change has occurred in information previously reported by the family, certain types of information that are verified at admission typically do not need to be re-verified on an annual basis. These include:

- Legal identity
- Age
- Social security numbers
- A person's disability status
- Citizenship or immigration status

If adding a new family member to the unit causes overcrowding according to the Housing Quality Standards (HQS) (see Chapter 8), OHFA must issue the family a new voucher, and the family and OHFA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, OHFA must terminate the HAP contract in accordance with its terms [24 CFR 982.403].

## **11-I.E. DETERMINING ONGOING ELIGIBILITY OF CERTAIN STUDENTS [24 CFR 982.552(b)(5)]**

Section 327 of Public Law 109-115 established new restrictions on the ongoing eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled in an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be reexamined along with the income eligibility of the student's parents on an annual basis. In these cases, both the student and the student's parents must be income eligible for the student to continue to receive HCV assistance. If, however, a student in these circumstances is determined independent from his or her parents or is considered a vulnerable youth in accordance with OHFA policy, the income of the student's parents will not be considered in determining the student's ongoing eligibility.

Students who reside with parents in an HCV assisted unit are not subject to this provision. It is limited to students who are receiving assistance on their own, separately from their parents.

During the annual reexamination process, OHFA will determine the ongoing eligibility of each student who is subject to the eligibility restrictions in 24 CFR 5.612 by reviewing the student's individual income as well as the income of the student's parents. If the student has been determined "independent" from his/her parents or is considered a vulnerable youth based on the policies in Sections 3-II.E and 7-II.E, the parents' income will not be reviewed.

If the student is no longer income eligible based on his/her own income or the income of his/her parents, the student's assistance will be terminated in accordance with the policies in Section 12-I.D.

If the student continues to be income eligible based on his/her own income and the income of his/her parents (if applicable), OHFA will process a reexamination in accordance with the policies in this chapter.

## **11-I.F. EFFECTIVE DATES**

OHFA must establish policies concerning the effective date of changes that result from an annual reexamination [24 CFR 982.516].

In general, an *increase* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date, and the family will be notified at least 30 days in advance.

If less than 30 days remain before the scheduled effective date, the increase will take effect on the first of the month following the end of the 30-day notice period.

If a family moves to a new unit, the increase will take effect on the effective date of the new lease and HAP contract, and no 30-day notice is required.

If OHFA chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by OHFA, but will always allow for the 30-day notice period.

If the family causes a delay in processing the annual reexamination, *increases* in the family share of the rent will be applied retroactively, to the scheduled effective date of the annual reexamination. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

In general, a *decrease* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date.

If a family moves to a new unit, the decrease will take effect on the effective date of the new lease and HAP contract.

If OHFA chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by OHFA.

If the family causes a delay in processing the annual reexamination, *decreases* in the family share of the rent will be applied prospectively, from the first day of the month following completion of the reexamination processing.

Delays in reexamination processing are considered to be caused by the family if the family fails to provide information requested by OHFA by the date specified, and this delay prevents OHFA from completing the reexamination as scheduled.

## **PART II: INTERIM REEXAMINATIONS [24 CFR 982.516]**

### **11-II.A. OVERVIEW**

Family circumstances may change throughout the period between annual reexaminations. HUD and OHFA policies dictate what kinds of information about changes in family circumstances must be reported, and under what circumstances OHFA must process interim reexaminations to reflect those changes. HUD regulations also permit OHFA to conduct interim reexaminations of income or family composition at any time. When an interim reexamination is conducted, only those factors that have changed are verified and adjusted [HCV GB, p. 12-10].

In addition to specifying what information the family must report, HUD regulations permit the family to request an interim determination if other aspects of the family's income or composition changes. OHFA must complete the interim reexamination within a reasonable time after the family's request.

This part includes HUD and OHFA policies describing what changes families are required to report, what changes families may choose to report, and how OHFA will process both OHFA and family-initiated interim reexaminations.

### **11-II.B. CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION**

The family is required to report all changes in family composition. OHFA must adopt policies prescribing when and under what conditions the family must report changes in family composition. However, due to family obligations under the program, OHFA has limited discretion in this area.

OHFA will conduct interim reexaminations to account for any changes in household composition that occur between annual reexaminations.

#### **New Family Members Not Requiring Approval**

The addition of a family member as a result of birth, adoption, or court-awarded custody does not require OHFA approval. However, the family is required to promptly notify OHFA of the addition [24 CFR 982.551(h)(2)].

The family must inform OHFA of any household composition change within 30 calendar days.

#### **New Family and Household Members Requiring Approval**

With the exception of children who join the family as a result of birth, adoption, or court-awarded custody, a family must request OHFA approval to add a new family member [24 CFR 982.551(h)(2)] or other household member (live-in aide or foster child) [24 CFR 982.551(h)(4)].

When any new family member is added, OHFA must make appropriate adjustments in the family share of the rent and the HAP payment at the effective date of either the annual or interim reexamination [24 CFR 982.516(e)(2)].

If a change in family size causes a violation of Housing Quality Standards (HQS) space standards (see Chapter 8), OHFA must issue the family a new voucher, and the family and OHFA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, OHFA must terminate the family's HAP contract in accordance with its terms [24 CFR 982.403].

Families must request OHFA approval to add a new family member, live-in aide, foster child, or foster adult. This includes any person not on the lease who is expected to stay in the unit for more than 30 consecutive days. Requests must be made in writing and approved by OHFA prior to the individual moving into the unit.

OHFA will not approve the addition of a new family or household member unless the individual meets OHFA's eligibility criteria (see Chapter 3) and documentation requirements (see Chapter 7, Part II).

OHFA will not approve the addition of a foster child or foster adult if it will cause a violation of HQS space standards.

If OHFA determines an individual meets OHFA's eligibility criteria and documentation requirements, OHFA will provide written approval to the family. If the approval of a new family member or live-in aide will cause overcrowding according to HQS standards, the approval letter will explain that the family will be issued a voucher and will be required to move.

If OHFA determines that an individual does not meet OHFA's eligibility criteria or documentation requirements, OHFA will notify the family in writing of its decision to deny approval of the new family or household member and the reasons for the denial.

### **Departure of a Family or Household Member**

Families must promptly notify OHFA if any family member no longer lives in the unit [24 CFR 982.551(h)(3)]. Because household members are considered when determining the family unit (voucher) size [24 CFR 982.402], OHFA also needs to know when any live-in aide, foster child, or foster adult ceases to reside in the unit.

If a household member ceases to reside in the unit, the family must inform OHFA within 30 calendar days. This requirement also applies to a family member who has been considered temporarily absent at the point that the family concludes the individual is permanently absent.

If a live-in aide, foster child, or foster adult ceases to reside in the unit, the family must inform OHFA within 30 calendar days.

### **11-II.C. CHANGES AFFECTING INCOME OR EXPENSES**

Interim reexaminations can be scheduled either because OHFA has reason to believe that changes in income or expenses may have occurred, or because the family reports a change. When a family reports a change, OHFA may take different actions depending on whether the family reported the change voluntarily, or because it was required to do so.

#### **OHFA-Initiated Interim Reexaminations**

OHFA-initiated interim reexaminations are those that are scheduled based on circumstances or criteria defined by OHFA. They are not scheduled because of changes reported by the family.

OHFA may conduct interim reexaminations in each of the following instances:

For families receiving the Earned Income Disallowance (EID), OHFA may conduct an interim reexamination at the start and conclusion of the 24-month eligibility period.

If at the time of the annual reexamination, tenant-provided documents were used on a provisional basis due to the lack of third-party verification, and third-party verification becomes available, OHFA may conduct an interim reexamination.

OHFA may conduct an interim reexamination at any time in order to correct an error in a previous reexamination, or to investigate a tenant fraud complaint.

## **Family-Initiated Interim Reexaminations**

OHFA must adopt policies prescribing when and under what conditions the family must report changes in family income or expenses [24 CFR 982.516(d)]. In addition, HUD regulations require that the family be permitted to obtain an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(c)(2)].

### ***Required Reporting***

HUD regulations give OHFA the freedom to determine the circumstances under which families will be required to report changes affecting income.

Families are not required to report increases in income, including new employment, and/or increases in assets between annual reexaminations unless the increase is the result of a family composition change. These changes must be reported within 30 calendar days.

OHFA will conduct interim reexaminations for families that qualify for the earned income disallowance (EID), and only when the EID family's share of rent will change as a result of the increase. In other cases depending on the circumstances, OHFA will note the information in the tenant file, but may not conduct an interim reexamination.

Families are not required to report any other changes in income or expenses.

If a household member ceases to reside in the unit, OHFA may require an interim reexamination. The family must notify OHFA in writing within 30 days, if any family member no longer lives in the unit.

If a minor is removed from the household and they had no income, OHFA will conduct an interim reexamination for the family composition only. If the voucher size is affected, OHFA will not decrease the voucher size until the next annual reexamination or voucher issuance.

If an adult is removed from the household and they were the only source of income and there is a remaining adult family member, OHFA will require the family to complete an expense worksheet and provide supporting documentation of how the family will meet their personal living expenses and process an interim reexamination.

### ***Optional Reporting***

The family may request an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(c)(2)]. OHFA must process the request if the family reports a change that will result in a reduced family income [HCV GB, p. 12-9].

If a family reports a decrease in income from the loss of welfare benefits due to fraud or non-compliance with a welfare agency requirement to participate in an economic self-sufficiency program, the family's share of the rent will not be reduced [24 CFR 5.615]. For more information regarding the requirement to impute welfare income, see Chapter 6.

If a family reports a change that it was not required to report and that would result in an increase in the family share of the rent, OHFA will note the information in the tenant file, but will not conduct an interim reexamination.

If a family reports a change that it was not required to report and that would result in a decrease in the family share of rent, OHFA will conduct an interim reexamination. See Section 11-II.D. for effective dates.

Families may report changes in income or expenses at any time.

## **11-II.D. PROCESSING THE INTERIM REEXAMINATION**

### **Method of Reporting**

The family must notify OHFA of changes in writing.

Generally, the family will not be required to attend an interview for an interim reexamination. However, if OHFA determines that an interview is warranted, the family may be required to attend.

Based on the type of change reported, OHFA will determine the documentation the family will be required to submit. The family must submit any required information or documents within 14 days of the request from OHFA. This time frame may be extended for good cause with OHFA approval. OHFA will accept required documentation by mail, by fax, electronically, or in person.

### **Effective Dates**

OHFA must establish the time frames in which any changes that result from an interim reexamination will take effect [24 CFR 982.516(e)]. The changes may be applied either retroactively or prospectively, depending on whether there is to be an increase or a decrease in the family share of the rent, and whether the family reported any required information within the required time frames [HCV GB, p. 12-10].

If the family share of the rent is to *increase*:

The increase generally will be effective on the first of the month following 30 days' notice to the family.

If a family fails to report a change within the required time frames, or fails to provide all required information within the required time frames, the increase will be applied

retroactively, to the date it would have been effective had the information been provided on a timely basis. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

If the family share of the rent is to *decrease*:

Decreases in the tenant rent are effective the first of the month following the month in which the change is verified.

The change will not be made until third-party verification is received.

For Coronavirus (COVID-19) affected families, OHFA may make the effective date of an interim reexamination retroactive to the first of the month following when the change is reported and/or verified.

### **PART III: RECALCULATING FAMILY SHARE AND SUBSIDY AMOUNT**

#### **11-III.A. OVERVIEW**

After gathering and verifying required information for an annual or interim reexamination, OHFA must recalculate the family share of the rent and the subsidy amount, and notify the family and owner of the changes [24 CFR 982.516(e)(2), HCV 12-6 and 12-10]. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

#### **11-III.B. CHANGES IN PAYMENT STANDARDS AND UTILITY ALLOWANCES**

In order to calculate the family share of the rent and HAP amount correctly, changes in payment standards, subsidy standards, or utility allowances may need to be updated and included in OHFA's calculations.

Specific policies governing how subsidy standards, payment standards, and utility allowances are applied are discussed below.

##### **Payment Standards [24 CFR 982.505]**

The family share of the rent and HAP calculations must use the correct payment standard for the family, taking into consideration the family unit size, the size of unit, and the area in which the unit is located [HCV GB, p. 12-5]. See Chapter 6 for information on how to select the appropriate payment standard.

When OHFA changes its payment standards or the family's situation changes, new payment standards are applied at the following times:

- If OHFA’s payment standard amount changes during the term of the HAP contract, the date on which the new standard is applied depends on whether the standard has increased or decreased:
  - If the payment standard amount has *increased*, the increased payment standard will be applied at the *first annual* reexamination following the effective date of the increase in the payment standard.
  - If the payment standard amount has *decreased*, during the term of a HAP contract, OHFA is not required to reduce the payment standard as the HAP contract remains in effect. At the family’s *second annual* reexamination, OHFA may, but is not required to, apply the decreased payment standard or may gradually implement the reduced payment standard (See Chapter 6 for OHFA’s policy on decreases in the payment standard).
- If the family moves to a new unit, or a new HAP contract is executed due to changes in the lease (even if the family remains in place) the current payment standard applicable to the family will be used when the new HAP contract is processed.

**Subsidy Standards [24 CFR 982.505(c)(4)]**

If there is a change in the family unit size that would apply to a family during the HAP contract term, either due to a change in family composition, or a change in OHFA’s subsidy standards (see Chapter 5), the new family unit size must be used to determine the payment standard amount for the family at the family’s *first annual* reexamination following the change in family unit size. The payment standard is limited to the lower of:

The payment standard amount for the family voucher size; or

The payment standard amount for the unit size rented by the family.

**Utility Allowances [24 CFR 982.517(d)]**

The family share of the rent and HAP calculations must reflect any changes in the family’s utility arrangement with the owner, or in OHFA’s utility allowance schedule [HCV GB, p. 12-5]. Chapter 16 discusses how utility allowance schedules are established.

When there are changes in the utility arrangement with the owner, OHFA must use the utility allowances in effect at the time the new lease and HAP contract are executed.

At reexamination, OHFA must use the current utility allowance schedule [24 CFR 982.517(d)(2)].

Revised utility allowances will be applied to a family’s rent and subsidy calculations at the first annual reexamination after the allowance is adopted. The utility allowance used to calculate the gross rent is based on the actual size of the unit the family selects or the

voucher bedroom size that the family qualifies for under OHFA's subsidy standards, whichever is lower.

### **11-III.C. NOTIFICATION OF NEW FAMILY SHARE AND HAP AMOUNT**

OHFA must notify the owner and family of any changes in the amount of the HAP payment [HUD-52641, HAP Contract]. The notice must include the following information [HCV GB, p. 12-6]:

- The amount and effective date of the new HAP payment
- The amount and effective date of the new family share of the rent
- The amount and effective date of the new tenant rent to owner

The family must be given an opportunity for an informal hearing regarding OHFA's determination of their annual or adjusted income, and the use of such income to compute the housing assistance payment [24 CFR 982.555(a)(1)(i)] (see Chapter 16).

The notice to the family will include the annual and adjusted income amounts that were used to calculate the family share of the rent and the housing assistance payment. The notice also will state the procedures for requesting an informal hearing.

### **11-III.D. DISCREPANCIES**

During an annual or interim reexamination, OHFA may discover that information previously reported by the family was in error, or that the family intentionally misrepresented information. In addition, OHFA may discover errors made by OHFA. When errors resulting in the overpayment or underpayment of subsidy are discovered, corrections will be made in accordance with the policies in Chapter 14.

## Chapter 12

### TERMINATION OF ASSISTANCE AND TENANCY

The U.S. Department of Housing and Urban Development (HUD) regulations specify the reasons for which Oklahoma Housing Finance Agency (OHFA) can terminate a family's assistance, and the ways in which such terminations must take place. They also dictate the circumstances under which an owner may terminate the tenancy of an assisted family. This chapter presents the policies that govern voluntary and involuntary terminations of assistance, and termination of tenancy by the owner. It is presented in three parts:

Part I: Grounds for Termination of Assistance. This part discusses various reasons that a family's assistance may be terminated, including voluntary termination by the family, termination because the family no longer qualifies to receive subsidy, and termination by OHFA based on the family's behavior.

Part II: Approach to Termination of Assistance. This part describes the policies that govern how an involuntary termination takes place. It specifies the alternatives that OHFA may consider in lieu of termination, the criteria OHFA must use when deciding what action to take, and the steps OHFA must take when terminating a family's assistance.

Part III: Termination of Tenancy by the Owner. This part presents the policies that govern the owner's right to terminate an assisted tenancy.

## **PART I: GROUNDS FOR TERMINATION OF ASSISTANCE**

### **12-I.A. OVERVIEW**

HUD requires OHFA to terminate assistance for certain offenses and when the family no longer requires assistance. HUD permits OHFA to terminate assistance for certain other actions family members take or fail to take. In addition, a family may decide to stop receiving HCV assistance at any time by notifying OHFA.

### **12-I.B. FAMILY NO LONGER REQUIRES ASSISTANCE [24 CFR 982.455]**

As a family's income increases, the amount of OHFA subsidy goes down. If the amount of HCV assistance provided by OHFA drops to zero and remains at zero for 180 consecutive calendar days the family's assistance terminates automatically.

If a participating family, receiving zero assistance experiences a change in circumstances that would cause the HAP payment to rise above zero, the family must notify OHFA of the changed circumstances and request an interim reexamination before the expiration of the 180-day period.

### **12-I.C. FAMILY CHOOSES TO TERMINATE ASSISTANCE**

The family may request that OHFA terminate the family's assistance at any time.

The request to terminate assistance should be made in writing and signed by the head of household, spouse, or cohead. Before terminating the family's assistance, the PHA will follow the notice requirements in Section 12-II.F.

### **12-I.D. MANDATORY TERMINATION OF ASSISTANCE**

HUD requires OHFA to terminate assistance in the following circumstances.

#### **Eviction [24 CFR 982.552(b)(2), 24 CFR 5.2005(c)(1)]**

OHFA must terminate assistance whenever a family is evicted from a unit assisted under the HCV program for a serious or repeated violation of the lease. As discussed further in section 12-II.E, incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking may not be construed as serious or repeated violations of the lease by the victim or threatened victim of such violence or stalking.

A family will be considered *evicted* if the family moves after a legal eviction order has been issued, whether or not physical enforcement of the order was necessary.

If a family moves after the owner has given the family an eviction notice for serious or repeated lease violations but before a legal eviction order has been issued, termination of assistance is not mandatory. In such cases, OHFA will determine whether the family has committed serious or repeated violations of the lease based on available evidence and may terminate assistance or take any of the alternative measures described in section 12-II.C. In making its decision, OHFA will consider the factors described in sections 12-II.D and 12-II.E. Upon consideration of such factors, OHFA may, on a case-by-case basis, choose not to terminate assistance.

*Serious and repeated lease violations* will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests.

#### **Failure to Provide Consent [24 CFR 982.552(b)(3)]**

OHFA must terminate assistance if any family member fails to sign and submit any consent form they are required to sign for a reexamination. See Chapter 7 for a complete discussion of consent requirements.

#### **Failure to Document Citizenship [24 CFR 982.552(b)(4) and [24 CFR 5.514(c)]**

OHFA must terminate assistance if (1) a family fails to submit required documentation within the required timeframe concerning any family member's citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family; or (3) a family member, as determined by OHFA, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit.

For (3) above, such termination must be for a period of at least 24 months. This does not apply to ineligible noncitizens already in the household where the family's assistance has been prorated. See Chapter 7 for a complete discussion of documentation requirements.

#### **Failure to Disclose and Document Social Security Numbers [24 CFR 5.218(c), Notice PIH 2018-24]**

OHFA must terminate assistance if a participant family fails to disclose the complete and accurate social security numbers of each household member and the documentation necessary to verify each social security number.

However, if the family is otherwise eligible for continued program assistance, and OHFA determines that the family's failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside of the family's control, OHFA may defer the family's termination and provide the opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date OHFA determined the family to be noncompliant.

OHFA will defer the family's termination and provide the family with the opportunity to comply with the requirement for a period of 90 calendar days for circumstances beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency, if there is a reasonable likelihood that the participant will be able to disclose an SSN by the deadline.

#### **Methamphetamine Manufacture or Production [24 CFR 982.553(b)(1)(ii)]**

OHFA must terminate assistance if any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally-assisted housing.

#### **Failure of Students to Meet Ongoing Eligibility Requirements [24 CFR 982.552(b)(5) and FR 4/10/06]**

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have dependent children, is not residing with his/her parents in an HCV assisted household, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, OHFA must terminate the student's assistance if, at the time of reexamination, either the student's income or the income of the student's parents (if applicable) exceeds the applicable income limit.

If a participant household consists of both eligible and ineligible students, the eligible students shall not be terminated, but must be issued a voucher to move with continued assistance in accordance with program regulations and OHFA policies, or must be given the opportunity to lease in place if the terminated ineligible student members elect to move out of the assisted unit.

#### **Death of the Sole Family Member [24 CFR 982.311(d) and Notice PIH 2010-9]**

OHFA must immediately terminate program assistance for deceased single member households.

## 12-I.E. MANDATORY POLICIES AND OTHER AUTHORIZED TERMINATIONS

**Mandatory Policies [24 CFR 982.553(b), 982.551(i), HUD Memorandum from Sandra B. Henriquez February 10, 2011, and HUD Memorandum from Helen R. Kanovsky January 20, 2011]**

HUD requires OHFA to establish policies that permit OHFA to terminate assistance if OHFA determines that:

- Any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member has violated the family's obligation not to engage in any drug-related criminal activity
- Any household member has violated the family's obligation not to engage in violent criminal activity

### *Use of Illegal Drugs and Alcohol Abuse*

HUD indicates that OHFA has discretion to determine, on a case-by-case basis, the appropriateness of program termination of existing residents for the use of medical marijuana. OHFA may consider all relevant circumstances such as the extent of participation or culpability of individual family members, mitigating circumstances related to the disability of a family member, and the effects of denial or termination of assistance on other family members.

OHFA may determine that a current participant is using marijuana for medicinal purposes as recommended by an Oklahoma physician and verified by a medical marijuana patient license issued by the Oklahoma Medical Marijuana Authority and may decide not to terminate assistance. The license will be in the form of an identification card that can be used to prove an individual is a license holder. OHFA may consider continued assistance for current participants of OHFA's HCV program under the following conditions: (1) Participant has a current medical marijuana license; and (2) Participant's license can be validated through the Oklahoma Medical Marijuana Authority (<http://omma.ok.gov/>); and (3) No growing or distribution will be permitted, even with a valid license; and (4) No out-of-state medical marijuana licenses are acceptable.

OHFA's decision to not terminate assistance for medical marijuana use does not prevent a property owner/landlord from establishing a policy prohibiting the use of medical marijuana and evicting a family.

OHFA will terminate a family's assistance if any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

*Currently engaged in* is defined as any use of illegal drugs during the previous twelve months.

OHFA will terminate assistance if any household member's abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

OHFA will consider all credible evidence, including but not limited to, any record of arrests, convictions, or eviction of household members related to the use of illegal drugs or abuse of alcohol.

OHFA will not use a record of arrest(s) as the only basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, OHFA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, OHFA may, on a case-by-case basis, choose not to terminate assistance.

### ***Drug-Related and Violent Criminal Activity [24 CFR 5.100]***

*Drug* means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

*Drug-related criminal activity* is defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute, or use the drug.

*Violent criminal activity* means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

OHFA will terminate a family's assistance if any household member has violated the family's obligation not to engage in any drug-related activity (includes possession of drug

paraphernalia); however, OHFA may use its discretion to determine, on a case-by-case basis, the appropriateness of program termination or continued occupancy of existing residents for the use of medical marijuana under Oklahoma state law or violent criminal activity during participation in the HCV program.

OHFA will consider all credible evidence, including but not limited to, any record of arrests and/or convictions of household members related to drug-related or violent criminal activity, and any eviction or notice to evict based on drug-related or violent criminal activity.

OHFA will not use a record of arrest(s) as the only basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, OHFA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, OHFA may, on a case-by-case basis, choose not to terminate assistance.

#### **Other Authorized Reasons for Termination of Assistance [24 CFR 982.552(c), 24 CFR 5.2005(c)]**

HUD permits OHFA to terminate assistance under a number of other circumstances. It is left to the discretion of OHFA whether such circumstances in general warrant consideration for the termination of assistance. As discussed further in section 12-II.E, the Violence Against Women Act of 2013 explicitly prohibits OHFA from considering incidents of, or criminal activity directly related to, domestic violence, dating violence, sexual assault or stalking as reasons for terminating the assistance of a victim of such abuse.

Additionally, per the alternative requirements listed in the Federal Register notice dated December 29, 2014, PHAs are no longer permitted to terminate assistance to a family due to the family's failure to meet its obligations under the Family Self-Sufficiency (FSS) contract of participation [FR Notice 12/29/14].

OHFA will terminate a family's assistance if:

The family has failed to comply with any family obligations under the program. See Exhibit 12-1 for a listing of family obligations and related OHFA policies.

Any family member has been evicted from federally-assisted housing in the last three years.

Any PHA has ever terminated assistance under the program for any member of the family.

Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family currently owes rent or other amounts to any PHA in connection with Section 8 or public housing assistance under the 1937 Act.

The family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.

The family has breached the terms of a repayment agreement entered into with OHFA.

A family member has engaged in or threatened violent or abusive behavior toward OHFA personnel.

*Abusive or violent behavior towards OHFA personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

*Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

Is a sex offender, not subject to lifetime registration. Assistance will be denied for a period of 10 years from the date of the charge/arrest/conviction or the period of required registration as a sex offender, whichever is greater.

If any household member has been charged/arrested/convicted for possession/using/distributing/ manufacturing methamphetamine, assistance will be terminated or denied for a period of 10 years from the date of the charge/arrest/conviction, whichever is most recent.

In making its decision to terminate assistance, OHFA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, OHFA may, on a case-by-case basis, choose not to terminate assistance.

### ***Family Absence from the Unit [24 CFR 982.312]***

The family may be absent from the unit for brief periods. OHFA must establish a policy on how long the family may be absent from the assisted unit. However, the family may not be absent from the unit for a period of more than 180 consecutive calendar days for any reason. Absence in this context means that no member of the family is residing in the unit.

If the family is absent from the unit for more than 180 consecutive calendar days, the family's assistance will be terminated. The family must reapply for assistance and is subject to the eligibility policies in Chapter 3. Notice of termination will be sent in accordance with Section 12-II.F.

### ***Insufficient Funding [24 CFR 982.454]***

OHFA may terminate HAP contracts if OHFA determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

OHFA will determine whether there is sufficient funding to pay for currently assisted families according to the policies in Part VIII of Chapter 16. If OHFA determines there is a shortage of funding, prior to terminating any HAP contracts, OHFA will determine if any other actions can be taken to reduce program costs.

In the event that OHFA decides to stop issuing vouchers as a result of a funding shortfall, and OHFA is not assisting the required number of special purpose vouchers (NED families, HUD-Veterans Affairs Supportive Housing (VASH) families, and family unification program (FUP) families), when OHFA resumes issuing vouchers, OHFA will issue vouchers first to the special purpose voucher families on its waiting list until it has reached the required number of special purpose vouchers, when applicable.

If after implementing all reasonable cost cutting measures there is not enough funding available to provide continued assistance for current participants, OHFA will terminate HAP contracts as a last resort.

Prior to terminating any HAP contracts, OHFA will inform the local HUD field office. OHFA will terminate the minimum number needed in order to reduce HAP costs to a level within OHFA's annual budget authority.

If OHFA must terminate HAP contracts due to insufficient funding, OHFA will do so in accordance with the following criteria and instructions:

OHFA will terminate families based on the date of admission to the HCV program. Families admitted last will be terminated first, beginning with non-elderly and non-disabled participants.

Families terminated from the program due to insufficient funding will be placed back on the waiting list by their original date of application. When funding is available, these families will be selected from the waiting list ahead of other waiting list applicants.

## **PART II: APPROACH TO TERMINATION OF ASSISTANCE**

### **12-II.A. OVERVIEW**

OHFA is required by regulation to terminate a family's assistance if certain program rules are violated. For other types of offenses, the regulations give OHFA the discretion either to terminate the family's assistance or to take another action. This part discusses the various actions OHFA may choose to take when it has discretion, and outlines the criteria OHFA will use to make its decision about whether or not to terminate assistance. It also specifies the requirements for the notice that must be provided before terminating assistance.

### **12-II.B. METHOD OF TERMINATION [24 CFR 982.552(a)(3)]**

The way in which OHFA terminates assistance depends upon individual circumstances. HUD permits OHFA to terminate assistance by:

- Terminating housing assistance payments under a current HAP contract,
- Refusing to approve a request for tenancy or to enter into a new HAP contract, or
- Refusing to process a request for or to provide assistance under portability procedures.

## **12-II.C. ALTERNATIVES TO TERMINATION OF ASSISTANCE**

### **Change in Household Composition**

As a condition of continued assistance, OHFA may require that any household member who participated in or was responsible for an offense no longer resides in the unit [24 CFR 982.552(c)(2)(ii)].

As a condition of continued assistance, the head of household must certify that the culpable family member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former family member's current address upon OHFA request.

### **Repayment of Family Debts**

If a family owes amounts to OHFA, as a condition of continued assistance, OHFA will require the family to repay the full amount or to enter into a repayment agreement, within 30 days of receiving notice from OHFA of the amount owed. See Chapter 16 for policies on repayment agreements.

## **12-II.D. CRITERIA FOR DECIDING TO TERMINATE ASSISTANCE**

### **Evidence**

For criminal activity, HUD permits OHFA to terminate assistance if a *preponderance of the evidence* indicates that a household member has engaged in the activity, regardless of whether the household member has been arrested or convicted [24 CFR 982.553(c)].

OHFA will use the concept of the preponderance of the evidence as the standard for making all termination decisions.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

### **Consideration of Circumstances [24 CFR 982.552(c)(2)(i)]**

OHFA is permitted, but not required, to consider all relevant circumstances when determining whether a family's assistance should be terminated.

OHFA will consider the following factors when making its decision to terminate assistance:

The seriousness of the case, especially with respect to how it would affect other residents' safety or property

The effects that termination of assistance may have on other members of the family who were not involved in the action or failure to act

The extent of participation or culpability of individual family members, including a person with disabilities or (as discussed further in section 12-II.E) a victim of domestic violence, dating violence, sexual assault or stalking

The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history and the likelihood of favorable conduct in the future

While a record of arrest(s) will not be used as the basis for termination, an arrest may, however, trigger an investigation to determine whether the participant actually engaged in disqualifying criminal activity. As part of its investigation, OHFA may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. OHFA may also consider:

Any statements made by witnesses or the participant not included in the police report

Whether criminal charges were filed

Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal

Any other evidence relevant to determining whether or not the participant engaged in disqualifying activity

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

OHFA will require the participant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully. However, if assistance is continued and the participant fails to complete the supervised drug or alcohol rehabilitation program or other recommended rehabilitation program, it may result in termination of the family's assistance.

In the case of program abuse, the dollar amount of the overpaid assistance and whether or not a false certification was signed by the family

### **Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]**

If the family includes a person with disabilities, OHFA's decision to terminate the family's assistance is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of assistance, OHFA will determine whether the behavior is related to the disability. If so, upon the family's request, OHFA will determine whether alternative measures are appropriate as a reasonable accommodation. OHFA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed termination of assistance. See Chapter 2 for a discussion of reasonable accommodation.

### **12-II.E. TERMINATIONS RELATED TO DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING**

This section addresses the protections against termination of assistance that the Violence Against Women Act of 2013 (VAWA) provides for victims of domestic violence, dating violence, sexual assault and stalking. For general VAWA requirements and OHFA policies pertaining to notification, documentation, and confidentiality, see section 16-IX of this plan, where definitions of key VAWA terms are also located.

#### **VAWA Protections Against Termination**

VAWA provides four specific protections against termination of HCV assistance for victims of domestic violence, dating violence, sexual assault or stalking. (*Note:* The second, third, and fourth protections also apply to terminations of tenancy or occupancy by owners participating in the HCV program. So do the limitations discussed under the next heading.)

First, VAWA provides that OHFA may not terminate assistance to a family that moves out of an assisted unit in violation of the lease, with or without prior notification to OHFA, if the move occurred to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.354(b)(4)].

Second, it provides that an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking may not be construed either as a serious or repeated lease violation by the victim or as good cause to terminate the assistance of the victim [24 CFR 5.2005(c)(1)].

Third, it provides that criminal activity directly related to domestic violence, dating violence, or stalking may not be construed as cause for terminating the assistance of a tenant if a member of the tenant's household, a guest, or another person under the tenant's control is the one engaging in the criminal activity and the tenant or an affiliated individual of the tenant is the actual or threatened victim of the domestic violence, dating violence, sexual assault or stalking [24 CFR 5.2005(c)(2)].

Fourth, it gives OHFA the authority to terminate assistance to any tenant or lawful occupant who engages in criminal acts of physical violence against family members or others without terminating assistance to, or otherwise penalizing, the victim of the violence [24 CFR 5.2009(a)].

#### **Limitations on VAWA Protections [24 CFR 5.2005(d) and (e)]**

VAWA does not limit the authority of OHFA to terminate the assistance of a victim of abuse for reasons unrelated to domestic violence, dating violence, sexual assault or stalking so long as OHFA does not subject the victim to a more demanding standard than it applies to other program participants [24 CFR 5.2005(d)(1)].

Likewise, VAWA does not limit the authority of OHFA to terminate the assistance of a victim of domestic violence, dating violence, sexual assault or stalking if OHFA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the assisted property if the victim is not terminated from assistance [24 CFR 5.2005(d)(2)].

HUD regulations define *actual and imminent threat* to mean words, gestures, actions, or other indicators of a physical threat that (a) is real, (b) would occur within an immediate time frame, and (c) could result in death or serious bodily harm [24 CFR 5.2005(d)(2) and (e)]. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk
- The nature and severity of the potential harm
- The likelihood that the potential harm will occur
- The length of time before the potential harm would occur [24 CFR 5.2005(e)]

In order to demonstrate an actual and imminent threat, the PHA must have objective evidence of words, gestures, actions, or other indicators. Even when a victim poses an actual and imminent threat, however, HUD regulations authorize OHFA to terminate the victim’s assistance “only when there are no other actions that could be taken to reduce or eliminate the threat” [24 CFR 5.2005(d)(3)].

In determining whether a program participant who is a victim of domestic violence, dating violence, or stalking is an actual and imminent threat to other tenants or those employed at or providing service to a property, OHFA will consider the following, and any other relevant, factors:

Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, sexual assault or stalking

Whether the threat is a physical danger beyond a speculative threat

Whether the threat is likely to happen within an immediate time frame

Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location or seeking a legal remedy to prevent the perpetrator from acting on the threat

If the participant wishes to contest OHFA’s determination that he or she is an actual and imminent threat to other tenants or employees, the participant may do so as part of the informal hearing.

### **Documentation of Abuse [24 CFR 5.2007]**

When an individual facing termination of assistance for reasons related to domestic violence, dating violence, sexual assault or stalking claims protection under VAWA, OHFA will request that the individual provide documentation supporting the claim in accordance with the policies in section 16-IX.D of this plan.

OHFA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. In such cases, OHFA will document the waiver in the individual’s file.

## **Terminating the Assistance of a Domestic Violence Perpetrator**

Although VAWA provides protection against termination of assistance for victims of domestic violence, it does not provide such protection for perpetrators. VAWA gives OHFA the explicit authority to “terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others” without terminating assistance to “or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant” [24 CFR 5.2009(a)]. This authority is not dependent on a bifurcated lease or other eviction action by an owner against an individual family member. Further, this authority supersedes any local, state, or other federal law to the contrary. However, if OHFA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law regarding termination of assistance. This means that OHFA must follow the same rules when terminating assistance to an individual as it would when terminating the assistance of an entire family [3/16/07 *Federal Register* notice on the applicability of VAWA to HUD programs].

If the perpetrator remains in the unit, OHFA continues to pay the owner until OHFA terminates the perpetrator from the program. OHFA must not stop paying HAP until 30 days after the owner bifurcates the lease to evict the perpetrator. OHFA may pay HAP for the full month if the 30-day period will end mid-month [Notice PIH 2017-08].

If the perpetrator is the only participant eligible to receive assistance, OHFA will provide any remaining participant a chance to establish eligibility for the program. If the remaining participant cannot do so, the PHA will provide them with 30 days to establish eligibility for another housing program prior to termination of the HAP contract.

OHFA will terminate assistance to a family member if OHFA determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the assistance of the remaining, nonculpable family members.

In making its decision, OHFA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-5382) or other documentation of abuse submitted to OHFA by the victim in accordance with this section and section 16-IX.D. OHFA will also consider the factors in section 12-II.D. Upon such consideration, OHFA may, on a case-by-case basis, choose not to terminate the assistance of the culpable family member.

If OHFA does terminate the assistance of the culpable family member, it will do so in accordance with applicable law, HUD regulations, and the policies in this plan.

## **12-II.F. TERMINATION NOTICE**

HUD regulations require OHFA to provide written notice of termination of assistance to a family only when the family is entitled to an informal hearing. However, since the family's HAP contract and lease will also terminate when the family's assistance terminates [form HUD-52641], it is a good business practice to provide written notification to both owner and family anytime assistance will be terminated, whether voluntarily or involuntarily.

Whenever a family's assistance will be terminated, OHFA will send a written notice of termination to the family and to the owner. OHFA will also send a VAWA Notice of Occupancy Rights and form HUD-5382 to the family with the termination notice. The notice will state the date on which the termination will become effective. This date generally will be at least 30 calendar days following the date of the termination notice, but exceptions will be made whenever HUD rules, other OHFA policies, or the circumstances surrounding the termination require.

When OHFA notifies an owner that a family's assistance will be terminated, OHFA will, if appropriate, advise the owner of his/her right to offer the family a separate, unassisted lease.

If a family whose assistance is being terminated is entitled to an informal hearing, the notice of termination that OHFA sends to the family must meet the additional HUD and OHFA notice requirements discussed in section 16-III.C of this plan. VAWA 2013 expands notification requirements to require OHFA to provide notice of VAWA rights and the HUD-5382 form when OHFA terminates a household's housing benefits.

Whenever OHFA decides to terminate a family's assistance because of the family's action or failure to act, OHFA will include in its termination notice the VAWA Notice of Occupancy Rights and a form HUD-5382. OHFA will request in writing that a family member wishing to claim protection under VAWA notify OHFA within 14 business days.

Still other notice requirements apply in two situations:

- If a criminal record is the basis of a family's termination, a copy of the record must accompany (or precede) the termination notice, and a copy of the record must also be provided to the subject of the record [24 CFR 982.553(d)].
- If immigration status is the basis of a family's termination, as discussed in section 12-I.D, the special notice requirements in section 16-III.D must be followed.

## **PART III: TERMINATION OF TENANCY BY THE OWNER**

### **12-III.A. OVERVIEW**

Termination of an assisted tenancy is a matter between the owner and the family; OHFA is not directly involved. However, the owner is under some constraints when terminating an assisted tenancy, and the reasons for which a tenancy is terminated dictate whether assistance also will be terminated.

### **12-III.B. GROUNDS FOR OWNER TERMINATION OF TENANCY [24 CFR 982.310, 24 CFR 5.2005(c), and Form HUD-52641-A, Tenancy Addendum]**

During the term of the lease, the owner is not permitted to terminate the tenancy except for serious or repeated violations of the lease, certain violations of state or local law, or other good cause.

#### **Serious or Repeated Lease Violations**

The owner is permitted to terminate the family's tenancy for serious or repeated violations of the terms and conditions of the lease, except when the violations are related to incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking and the victim is protected from eviction by the Violence Against Women Act of 2013 (see section 12-II.E). A serious lease violation includes failure to pay rent or other amounts due under the lease. However, OHFA's failure to make a HAP payment to the owner is not a violation of the lease between the family and the owner.

#### **Violation of Federal, State, or Local Law**

The owner is permitted to terminate the tenancy if a family member violates federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.

#### **Criminal Activity or Alcohol Abuse**

The owner may terminate tenancy during the term of the lease if any *covered person*—meaning any member of the household, a guest, or another person under the tenant's control—commits any of the following types of criminal activity (for applicable definitions see 24 CFR 5.100):

- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises)
- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises

- Any violent criminal activity on or near the premises
- Any drug-related criminal activity on or near the premises

However, in the case of criminal activity directly related to domestic violence, dating violence, sexual assault or stalking, if the tenant or an affiliated individual is the victim, the criminal activity may not be construed as cause for terminating the victim's tenancy (see section 12-II.E).

The owner may terminate tenancy during the term of the lease if any member of the household is:

- Fleeing to avoid prosecution, custody, or confinement after conviction for a crime or an attempt to commit a crime that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or
- Violating a condition of probation or parole imposed under federal or state law.

The owner may terminate tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

### ***Evidence of Criminal Activity***

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person if the owner determines the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction. This is the case except in certain incidents where the criminal activity directly relates to domestic violence, dating violence, sexual assault, or stalking, and the tenant or an affiliated individual is the victim or threatened victim of the domestic violence, dating violence, sexual assault, or stalking.

### **Other Good Cause**

During the initial lease term, the owner may not terminate the tenancy for "other good cause" unless the owner is terminating the tenancy because of something the family did or failed to do. During the initial lease term or during any extension term, other good cause includes the disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises.

After the initial lease term, "other good cause" for termination of tenancy by the owner includes:

- Failure by the family to accept the offer of a new lease or revision

- The owner’s desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit
- A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, or desire to lease the unit at a higher rent)

After the initial lease term, the owner may give the family notice at any time, in accordance with the terms of the lease.

**12-III.C. EVICTION [24 CFR 982.310(e) and (f) and Form HUD-52641-A, Tenancy Addendum]**

The owner must give the tenant a written notice that specifies the grounds for termination of tenancy during the term of the lease. The tenancy does not terminate before the owner has given this notice, and the notice must be given at or before commencement of the eviction action.

The notice of grounds may be included in, or may be combined with, any owner eviction notice to the tenant.

Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. The owner may only evict the tenant from the unit by instituting a court action. The owner must give OHFA a copy of any eviction notice at the same time the owner notifies the family. The family is also required to give OHFA a copy of any eviction notice (see Chapter 5).

If the eviction action is finalized in court, the owner must provide OHFA with documentation related to the eviction, including notice of the eviction date, as soon as possible, but no later than five business days following the court-ordered eviction.

**12-III.D. DECIDING WHETHER TO TERMINATE TENANCY [24 CFR 982.310(h), 24 CFR 982.310(h)(4)]**

An owner who has grounds to terminate a tenancy is not required to do so, and may consider all of the circumstances relevant to a particular case before making a decision. These might include:

- The nature of the offending action
- The seriousness of the offending action;
- The effect on the community of the termination, or of the owner’s failure to terminate the tenancy;
- The extent of participation by the leaseholder in the offending action;
- The effect of termination of tenancy on household members not involved in the offending activity;

- The demand for assisted housing by families who will adhere to lease responsibilities;
- The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- The effect of the owner's action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the owner may require the tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of tenancy actions must be consistent with the fair housing and equal opportunity provisions in 24 CFR 5.105.

An owner's decision to terminate tenancy for incidents related to domestic violence, dating violence, sexual assault or stalking is limited by the Violence Against Women Act of 2013 (VAWA) and the conforming regulations in 24 CFR Part 5, Subpart L. (See section 12-II.E.)

### **12-III.E. EFFECT OF TENANCY TERMINATION ON THE FAMILY'S ASSISTANCE**

If a termination is not due to a serious or repeated violation of the lease, and if OHFA has no other grounds for termination of assistance, OHFA may issue a new voucher so that the family can move with continued assistance (see Chapter 10).

## EXHIBIT 12-1: STATEMENT OF FAMILY OBLIGATIONS

Following is a listing of a participant family's obligations under the HCV program:

- The family must supply any information that OHFA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by OHFA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

Damages beyond normal wear and tear will be considered to be damages that could be assessed against the security deposit.

- The family must allow OHFA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.
- The family must not commit any serious or repeated violation of the lease.

OHFA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner's notice to evict.

*Serious and repeated lease violations* will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, living, or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault or stalking will not be construed as serious or repeated lease violations by the victim [24 CFR 5.2005(c)(1)].

- The family must notify OHFA and the owner before moving out of the unit or terminating the lease.

The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to OHFA at the same time the owner is notified.

- The family must promptly give OHFA a copy of any owner eviction notice.
- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
- The composition of the assisted family residing in the unit must be approved by OHFA. The family must promptly notify OHFA in writing of the birth, adoption, or court-awarded custody of a child. The family must request OHFA approval to add any other family member as an occupant of the unit.

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. OHFA will determine eligibility of the new member in accordance with the policies in Chapter 3.

- The family must promptly notify OHFA in writing if any family member no longer lives in the unit.
- If OHFA has given approval, a foster child or a live-in aide may reside in the unit. OHFA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when OHFA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

- The family must supply any information requested by OHFA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify OHFA when the family is absent from the unit.

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to OHFA at the start of the extended absence.

- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).

- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety, or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and OHFA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety, or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and OHFA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state, or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless OHFA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. ## Chapter 13

### OWNERS

#### INTRODUCTION

Owners play a central role in the Housing Choice Voucher (HCV) program by supplying decent, safe, and sanitary housing for participating families.

The term “owner” refers to any person or entity with the legal right to lease or sublease a unit to a participant in the HCV program [24 CFR 982.4(b)]. The term “owner” includes a principal or other interested party [24 CFR 982.453; 24 CFR 982.306(f)], such as a designated agent of the owner.

Owners have numerous responsibilities under the program, including screening and leasing to families, maintaining the dwelling unit, enforcing the lease, and complying with various contractual obligations. However, this chapter is not meant to be an overview of all aspects of owner participation in the HCV program.

The chapter is organized in two parts:

Part I: Owners in the HCV Program. This part discusses the role of an owner in the Oklahoma Housing Finance Agency’s (OHFA) HCV program and highlights key owner rights and responsibilities.

Part II: HAP Contracts. This part explains provisions of the HAP contract and the relationship between the OHFA and the owner as expressed in the HAP contract.

For detailed information about HCV program responsibilities and processes, including OHFA policies in key areas, owners will need to refer to several other chapters in this plan. Where appropriate, Chapter 13 will reference the other chapters.

## **PART I. OWNERS IN THE HCV PROGRAM**

### **13-I.A. OWNER RECRUITMENT AND RETENTION [HCV GB, pp. 2-4 to 2-6]**

#### **Recruitment**

OHFA is responsible for ensuring that very low-income families have access to all types and ranges of affordable housing in OHFA's jurisdiction, particularly housing outside areas of poverty or minority concentration. A critical element in fulfilling this responsibility is for OHFA to ensure that a sufficient number of owners, representing all types and ranges of affordable housing in OHFA's jurisdiction, are willing to participate in the HCV program.

OHFA will conduct owner outreach to ensure that owners are familiar with the program and its advantages. OHFA will actively recruit property owners with property located outside areas of poverty and minority concentration. These outreach strategies will include:

Distributing printed material about the program to property owners and managers

Contacting property owners and managers by phone or in-person

Holding owner information meetings at least once a year

Participating in community based organizations comprised of private property and apartment owners and managers, when invited to do so

Developing working relationships with owners and real estate brokers associations

Partner with organizations to provide fair housing training at owner information meetings

OHFA utilizes [www.gosection8.com](http://www.gosection8.com) to maintain a list of interested landlords for the Section 8 Program. This listing may be accessed by the public. A printed list of available units will be provided to applicants at initial briefings and upon request to current participants.

Outreach strategies will be monitored for effectiveness, and adapted accordingly.

## **Retention**

OHFA will also provide the kind of customer service that will encourage participating owners to remain active in the program.

All OHFA activities that may affect an owner's ability to lease a unit will be processed as rapidly as possible, in order to minimize vacancy losses for owners.

OHFA will provide owners with a handbook that explains the program, including U.S. Department of Housing and Urban Development (HUD) and OHFA policies and procedures, in easy-to-understand language.

OHFA will help new owners succeed through activities such as:

Coordinating inspection and leasing activities between OHFA, the owner, and the family.

Explain the inspection process, and provide resource material about HUD housing quality standards.

Providing other written information about how the program operates

Posting relevant HCV program guidance and information on OHFA's Website at: [www.ohfa.org](http://www.ohfa.org)

Additional services may be undertaken on an as-needed basis, and as resources permit.

### **13-I.B. BASIC HCV PROGRAM REQUIREMENTS**

HUD requires OHFA to aid families in their housing search by providing the family with a list of landlords or other parties known to OHFA who may be willing to lease a unit to the family, or to help the family find a unit. Although OHFA cannot maintain a list of owners that are pre-qualified to participate in the program, owners may indicate to OHFA their willingness to lease a unit to an eligible HCV family, or to help the HCV family find a unit [24 CFR 982.301(b)(11)].

Owners that wish to indicate their willingness to lease a unit to an eligible HCV family will be instructed to list their available property on goSection8.com. OHFA will maintain a listing of such properties and provide this listing to the HCV family as part of the informational briefing packet.

When a family approaches an owner to apply for tenancy, the owner is responsible for screening the family and deciding whether to lease to the family, just as the owner would with any

potential tenant. OHFA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy. See chapters 3 and 9 for more detail on tenant family screening policies and process.

If the owner is willing, the family and the owner must jointly complete a Scheduling Appointment Request Form (SARF) to request tenancy approval. When submitted to OHFA, this document is the first step in the process of obtaining approval for the family to receive the financial assistance it will need in order to occupy the unit. A Request for Tenancy Approval (RFTA, Form HUD 52517) must be completed at the time the lease and HAP contract are executed, which documents the family's request for assistance in the specified unit, and which documents the owner's willingness to lease to the family and to follow the program's requirements. The owner's lease must include the HUD-required Tenancy Addendum (Form HUD-52641-A) language or must be a lease attachment. See Chapter 9 for more detail on request for tenancy approval policies and process.

HUD regulations stipulate that an assisted tenancy can be approved only under certain conditions.

The owner must be qualified to participate in the program [24 CFR 982.306]. Some owners are precluded from participating in the program, or from renting to a particular family, either because of their past history with this or another federal housing program, or because of certain conflicts of interest. Owner qualifications are discussed later in this chapter.

The selected unit must be of a type that is eligible for the program [24 CFR 982.305(a)]. Certain types of dwelling units cannot be assisted under the HCV program. Other types may be assisted under certain conditions. In addition, the owner must document legal ownership of the specified unit. See chapter 9 for more detail on unit eligibility policies and process.

The selected unit must meet HUD's Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD [24 CFR 982.305(a)]. OHFA will inspect the owner's dwelling unit at various stages of HCV program participation, to ensure that the unit continues to meet HQS requirements. See chapter 8 for a discussion of the HQS standards, as well as the process for HQS inspections at initial lease-up and throughout the family's tenancy.

OHFA must determine that the cost of the unit is reasonable [24 CFR 982.305(a)]. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See chapter 8 for a discussion of requirements and policies on rent reasonableness, rent comparability and the rent reasonableness determination process.

At initial lease-up of a unit, OHFA must determine that the share of rent to be paid by the family does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]. See chapter 6 for a discussion of the calculation of family income, family share of rent and HAP.

The dwelling lease must comply with all program requirements [24 CFR 982.308]. Owners are encouraged to use their standard leases when renting to an assisted family. However, the HCV program requires that the Tenancy Addendum, which helps standardize the tenancy requirements for all assisted families, be added word-for-word to that lease. See chapter 9 for a discussion of the dwelling lease and tenancy addendum, including lease terms and provisions. OHFA and the owner enter into a formal contractual relationship by executing the Housing Assistance Payment (HAP) Contract (Form HUD-52641). The HAP contract format is prescribed by HUD. See chapter 9 for a discussion of the HAP contract execution process. Specific HAP contract provisions and responsibilities are discussed in Part II of Chapter 13.

### **13-I.C. OWNER RESPONSIBILITIES [24 CFR 982.452]**

The basic owner responsibilities in the HCV program are outlined in the regulations as follows:

- Complying with all of the owner's obligations under the housing assistance payments (HAP) contract and the lease
- Performing all management and rental functions for the assisted unit, including selecting a voucher-holder to lease the unit, and deciding if the family is suitable for tenancy of the unit
- Maintaining the unit in accordance with the Housing Quality Standards (HQS), including performance of ordinary and extraordinary maintenance
- Complying with equal opportunity requirements
- Preparing and furnishing to OHFA information required under the HAP contract
- Collecting from the family any security deposit, the tenant's contribution to rent (that part of rent to owner not covered by the housing assistance payment from OHFA), and any charges for unit damage by the family.
- Enforcing tenant obligations under the dwelling lease
- Paying for utilities and services (unless paid by the family under the lease)
- Allowing modifications to a dwelling unit occupied or to be occupied by a disabled person [24 CFR 100.203]
- Complying with the Violence Against Women Reauthorization Act of 2013 (VAWA) when screening prospective HCV tenants or terminating the tenancy of an HCV family (see 24 CFR Part 5, Subpart L; 24 CFR 982.310(h)(4); and 24 CFR 982.452(b)(1))

### **13-I.D. OWNER QUALIFICATIONS**

OHFA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where OHFA may deny approval of an assisted tenancy based on past

owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)].

### **Owners Barred from Participation [24 CFR 982.306(a) and (b)]**

OHFA must not approve the assisted tenancy if OHFA has been informed that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24. HUD may direct OHFA not to approve a tenancy request if a court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements, or if such an action is pending.

### **Leasing to Relatives [24 CFR 982.306(d), HCV GB p. 11-2]**

OHFA must not approve an RFTA if the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family. OHFA may make an exception as a reasonable accommodation for a family member with a disability. The owner is required to certify that no such relationship exists. This restriction applies at the time that the family receives assistance under the HCV program for occupancy of a particular unit. Current contracts on behalf of owners and families that are related may continue, but any new leases or contracts for these families may not be approved.

### **Conflict of Interest [24 CFR 982.161; HCV GB p. 8-19]**

OHFA must not approve a tenancy in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one year thereafter:

- Any present or former member or officer of OHFA (except a participant commissioner)
- Any employee of OHFA, or any contractor, subcontractor or agent of OHFA, who formulates policy or who influences decisions with respect to the programs
- Any public official, member of a governing body, or State or local legislator, who exercises functions or responsibilities with respect to the programs
- Any member of the Congress of the United States

To avoid any appearance of impropriety, no employee of OHFA can participate in the HCV Program administered by OHFA as either a landlord or the recipient of rental assistance, unless a waiver is requested from, and approved by, HUD. This prohibition also extends to the immediate family members of all OHFA supervisors as defined above. The determination of whether to seek a waiver will be made by the Executive Director in consultation with the employee. Please note that participation in an HCV Program administered by another PHA is not prohibited.

Any employee participating in OHFA's HCV Program or who has an immediate family member participating in OHFA's HCV Program must immediately disclose this information, in writing, to

their Department Director, the Director of Human Resources, and the Executive Director. An employee is strictly prohibited from accessing and handling the file of a family member.

HUD may waive the conflict of interest requirements, except for members of Congress, for good cause. OHFA must submit a waiver request to the appropriate HUD Field Office for determination.

Any waiver request submitted by OHFA must include [HCV Guidebook pp. 11-2 and 11-3]:

- Complete statement of the facts of the case;
- Analysis of the specific conflict of interest provision of the HAP contract and justification as to why the provision should be waived;
- Analysis of and statement of consistency with state and local laws. The local HUD office, OHFA, or both parties may conduct this analysis. Where appropriate, an opinion by the state's attorney general should be obtained;
- Opinion by the local HUD office as to whether there would be an appearance of impropriety if the waiver were granted;
- Statement regarding alternative existing housing available for lease under the HCV program or other assisted housing if the waiver is denied;
- If the case involves a hardship for a particular family, statement of the circumstances and discussion of possible alternatives;
- If the case involves a public official or member of the governing body, explanation of his/her duties under state or local law, including reference to any responsibilities involving the HCV program;
- If the case involves employment of a family member by OHFA or assistance under the HCV program for an eligible OHFA employee, explanation of the responsibilities and duties of the position, including any related to the HCV program;
- If the case involves an investment on the part of a member, officer, or employee of OHFA, description of the nature of the investment, including disclosure/divestiture plans.

Where OHFA has requested a conflict of interest waiver, OHFA may not execute the HAP contract until HUD has made a decision on the waiver request.

In considering whether to request a conflict of interest waiver from HUD, OHFA will consider factors the reasons for waiving the requirement; consistency with state and local laws; the existence of alternative housing available to families; the individual circumstances of a particular family; the specific duties of individuals whose positions present a possible conflict of interest; the nature of any financial investment in the property and plans for disclosure/divestiture; and the possible appearance of impropriety.

## **Owner Actions That May Result in Disapproval of a Tenancy Request [24 CFR 982.306(c)]**

HUD regulations permit OHFA, at OHFA's discretion, to refuse to approve a request for tenancy if the owner has committed any of a number of different actions.

If OHFA disapproves a request for tenancy because an owner is not qualified, it may not terminate the HAP contract for any assisted families that are already living in the owner's properties unless the owner has violated the HAP contract for those units [HCV GB p. 11-4].

OHFA will refuse to approve a request for tenancy if OHFA becomes aware that any of the following are true. Owner includes an authorized representative acting on behalf of the owner:

The owner has violated obligations under a HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f);

The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;

The owner has engaged in any drug-related criminal activity or any violent criminal activity;

The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs, or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program;

The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity engaged in by the tenant, any member of the household, a guest or another person under the control of any member of the household that: (i) Threatens the right to peaceful enjoyment of the premises by other residents; (ii) Threatens the health or safety of other residents, of employees of OHFA, or of owner employees or other persons engaged in management of the housing; (iii) Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or (iv) Is drug-related criminal activity or violent criminal activity;

The owner has a history or practice of renting units that fail to meet state or local housing codes; or

The owner has not paid state or local real estate taxes, fines, or assessment.

In considering whether to disapprove owners for any of the discretionary reasons listed above, OHFA will consider any mitigating factors. Such factors may include, but are not limited to, the seriousness of the violation in relation to program requirements, the impact on the ability of families to lease units under the program, health and safety of participating families, among others. Upon consideration of such circumstances, OHFA may, on a case-by-case basis, choose to approve an owner.

### **Legal Ownership of Unit**

The following represents OHFA's policy on legal ownership of a dwelling unit to be assisted under the HCV program.

OHFA will enter into a contractual relationship with the legal owner or an authorized representative of the legal owner of a qualified unit. OHFA may require proof of legal ownership (e.g. deed of trust, proof of taxes for most recent year, management agreement, etc.).

### **13-I.E. NON-DISCRIMINATION [HAP Contract – Form HUD-52641]**

The owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability, in connection with any actions or responsibilities under the HCV program and the HAP contract with OHFA.

The owner must cooperate with OHFA and with HUD in conducting any equal opportunity compliance reviews and complaint investigations in connection with the HCV program and the HAP contract with OHFA.

See Chapter 2 for a more thorough discussion of Fair Housing and Equal Opportunity requirements in the HCV program.

## **PART II. HAP CONTRACTS**

### **13-II.A. OVERVIEW**

The HAP contract represents a written agreement between OHFA and the owner of the dwelling unit occupied by a HCV assisted family. The contract spells out the owner's responsibilities under the program, as well as OHFA's obligations. Under the HAP contract, OHFA agrees to make housing assistance payments to the owner on behalf of a specific family occupying a specific unit.

The HAP contract is used for all HCV program tenancies except for assistance under the Section 8 homeownership program, and assistance to families that own a manufactured home

and lease the space. See chapter 15 for a discussion of any special housing types included in OHFA's HCV program.

If OHFA has given approval for the family of the assisted tenancy, the owner and OHFA execute the HAP contract. See chapter 9 for a discussion of the leasing process, including provisions for execution of the HAP contract.

### **13-II.B. HAP CONTRACT CONTENTS**

The HAP contract format is required by HUD, specifically Housing Assistance Payment (HAP) Contract, Form HUD-52641.

The HAP contract contains three parts.

Part A of the contract includes basic **contract information** about the name of the tenant family, address of the contract unit, names of all household members, first and last dates of initial lease term, amount of initial monthly rent to owner, amount of initial housing assistance payment, utilities and appliances to be supplied by owner and tenant, signatures of OHFA and owner [HCV Guidebook, pp. 11-10 and 11-11].

In general, the HAP contract cannot be modified. However, OHFA does have the discretion to add language to Part A of the HAP contract, which prohibits the owner from collecting a security deposit in excess of private market practices or in excess of amounts charged to unassisted tenants. OHFA's policy on the amount of security deposit an owner may collect is found in chapter 9.

In addition, OHFA has the discretion to define when the housing assistance payment by OHFA is deemed received by the owner.

OHFA will pay HAP by direct deposit each month. If an owner fails to register for direct deposit, OHFA will require the owner to provide OHFA with a self-addressed stamped envelope each month (prior to the scheduled check run) in order for OHFA to mail the payment.

OHFA considers the housing assistance payment received by the owner upon (1) mailing of the check (if the owner has provided OHFA with a self-addressed stamped envelope prior to the scheduled check run); (2) printing of the check (if the owner has not provided OHFA with a self-addressed stamped envelope prior to the scheduled check run); (3) posting date of the direct deposit payment by the bank.

Part B is the body of the contract. It describes in detail program requirements affecting the owner and owner roles and responsibilities under the HCV program. Most of the

requirements contained in Part B of the HAP contract are outlined elsewhere in this plan. Topics addressed in Part B include:

- Lease of Contract Unit
- Maintenance, Utilities, and Other Services
- Term of HAP Contract
- Provision and Payment of Utilities and Appliances
- Rent to Owner: Reasonable Rent
- OHFA Payment to Owner
- Prohibition of Discrimination
- Owner's Breach of HAP Contract
- OHFA and HUD Access to Premises and Owner's Records
- Exclusion of Third Party Rights
- Conflict of Interest
- Assignment of the HAP Contract
- Written Notices
- Entire Agreement Interpretation

Part C of the contract includes the Tenancy Addendum (Form HUD-52641-A). The addendum sets forth the tenancy requirements for the program and the composition of the household, as approved by OHFA. The owner must sign the HUD Tenancy Addendum with the prospective tenant, and the tenant has the right to enforce the Tenancy Addendum against the owner. The terms of the Tenancy Addendum prevail over any other provisions of the lease.

### **13-II.C. HAP CONTRACT PAYMENTS**

#### **General**

During the term of the HAP contract, and subject to the provisions of the HAP contract, OHFA must make monthly HAP payments to the owner on behalf of the family, usually at the beginning of each month but no sooner than when OHFA receives HAP funds from HUD. If a lease term begins after the first of the month, the HAP payment for the first month is prorated for a partial month.

The amount of the HAP payment is determined according to the policies described in Chapter 6, and is subject to change during the term of the HAP contract. OHFA must notify the owner and the family in writing of any changes in the HAP payment.

HAP payments can be made only during the lease term, and only while the family is residing in the unit.

The monthly HAP payment by OHFA is credited toward the monthly rent to owner under the family's lease. The total of the rent paid by the tenant, plus OHFA HAP payment, should be equal to the rent specified in the lease (the rent to owner).

The family is not responsible for payment of the HAP payment, and OHFA is not responsible for payment of the family share of rent.

The family's share of the rent cannot be more than the difference between the total rent to the owner and the HAP payment. The owner may not demand or accept any rent payment from the tenant in excess of this maximum [24 CFR 982.451(b)(4)]. The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)]. See chapter 9 for a discussion of separate, non-lease agreements for services, appliances and other items that are not included in the lease.

If the owner receives any excess HAP from OHFA, the excess amount must be returned immediately. If OHFA determines that the owner is not entitled to all or a portion of the HAP, OHFA may deduct the amount of overpayment from any amounts due to the owner, including amounts due under any other Section 8 HCV contract. See Chapter 16 for additional detail on owner reimbursement of HAP overpayments.

### **Owner Certification of Compliance**

Unless the owner complies with all provisions of the HAP contract, the owner is not entitled to receive housing assistance payments under the HAP contract [HAP Contract – Form HUD-52641].

By endorsing the monthly check or accepting the monthly direct deposit from OHFA, the owner certifies to compliance with the terms of the HAP contract. This includes certification that the owner is maintaining the unit and premises in accordance with HQS; that the contract unit is leased to the tenant family and, to the best of the owner's knowledge, the family resides in the unit as the family's only residence; the rent to owner does not exceed rents charged by the owner for comparable unassisted units on the premises; and that the owner does not receive (other than rent to owner) any additional payments or other consideration for rent of the contract unit during the HAP term.

### **Late HAP Payments [24 CFR 982.451(a)(5)]**

OHFA is responsible for making HAP payments promptly when due to the owner, in accordance with the terms of the HAP contract. After the first two calendar months of the HAP contract term, the HAP contract provides for penalties if OHFA fails to make the HAP payment on time.

Penalties for late HAP payments can only be imposed if 1) the penalties are in accordance with generally accepted local rental market practices and law governing penalties for late payment by tenants; 2) it is the owner's normal business practice to charge late payment penalties for both assisted and unassisted families; and 3) the owner charges the assisted family for late payment of the family's share of the rent.

OHFA is not required to pay a late payment penalty if HUD determines that the payment is late for reasons beyond OHFA's control. In addition, late payment penalties are not required if OHFA intentionally delays or denies payment as a remedy to an owner breach of the HAP contract [HCV Guidebook p. 11-7].

### **Termination of HAP Payments [24 CFR 982.311(b)]**

OHFA must continue making housing assistance payments to the owner in accordance with the HAP contract as long as the tenant continues to occupy the unit and the HAP contract is not violated.

HAP payments terminate when the HAP contract terminates or when the tenancy is terminated in accordance with the terms of the lease.

If the owner has initiated eviction proceedings against the family and the family continues to reside in the unit, OHFA must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

The owner must inform OHFA when the owner has initiated eviction proceedings against the family and the family continues to reside in the unit.

The owner must inform OHFA when the owner has obtained a court judgment or other process allowing the owner to evict the tenant, and provide OHFA with a copy of such judgment or determination.

After the owner has obtained a court judgment or other process allowing the owner to evict the tenant, OHFA will continue to make HAP payments to the owner until the family actually moves from the unit or until the family is physically evicted from the unit, whichever is earlier. The owner must inform OHFA of the date when the family actually moves from the unit or the family is physically evicted from the unit.

### **13-II.D. BREACH OF HAP CONTRACT [24 CFR 982.453]**

Any of the following actions by the owner constitutes a breach of the HAP contract. Owner includes an authorized representative acting on behalf of the owner:

- If the owner violates any obligations under the HAP contract including failure to maintain the unit in accordance with HQS
- If the owner has violated any obligation under any other HAP contract under Section 8
- If the owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program
- For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulations for the applicable program; or if the owner has committed fraud, bribery or any other corrupt or criminal act in connection with the mortgage or loan
- If the owner has engaged in drug-related criminal activity
- If the owner has committed any violent criminal activity

If OHFA determines that a breach of the HAP contract has occurred, it may exercise any of its rights and remedies under the HAP contract.

OHFA rights and remedies against the owner under the HAP contract include recovery of any HAP overpayment, suspension of housing assistance payments, abatement, or reduction of the housing assistance payment, termination of the payment or termination the HAP contract. OHFA may also obtain additional relief by judicial order or action.

OHFA must notify the owner of its determination and provide in writing the reasons for the determination. The notice may require the owner to take corrective action by an established deadline. OHFA must provide the owner with written notice of any reduction in housing assistance payments or the termination of the HAP contract.

Before OHFA invokes a remedy against an owner, OHFA will evaluate all information and documents available to determine if the contract has been breached.

If relevant, OHFA will conduct an audit of the owner's records pertaining to the tenancy or unit.

If it is determined that the owner has breached the contract, OHFA may consider all of the relevant factors including the seriousness of the breach, the effect on the family, the owner's record of compliance and the number and seriousness of any prior HAP contract violations.

### **13-II.E. HAP CONTRACT TERM AND TERMINATIONS**

The term of the HAP contract runs concurrently with the term of the dwelling lease [24 CFR 982.451(a)(2)], beginning on the first day of the initial term of the lease and terminating on the last day of the term of the lease, including any lease term extensions.

The HAP contract and the housing assistance payments made under the HAP contract terminate if [HCV Guidebook pp. 11-4 and 11-5, pg. 15-3]:

- The owner or the family terminates the lease;
- The lease expires;
- OHFA terminates the HAP contract;
- OHFA terminates assistance for the family;
- The family moves from the assisted unit. In this situation, the owner is entitled to keep the housing assistance payment for the month when the family moves out of the unit.
- 180 calendar days have elapsed since OHFA made the last housing assistance payment to the owner;
- The family is absent from the unit for longer than the maximum period permitted by OHFA;
- The Annual Contributions Contract (ACC) between OHFA and HUD expires
- OHFA elects to terminate the HAP contract.

OHFA may elect to terminate the HAP contract in each of the following situations:

Available program funding is not sufficient to support continued assistance for families in the program [24 CFR 982.454];

The unit does not meet HQS size requirements due to change in family composition [24 CFR 982.403] – see chapter 8;

The unit does not meet HQS [24 CFR 982.404] – see chapter 8;

The family breaks up [HUD Form 52641] – see chapter 3; or

The owner breaches the HAP contract [24 CFR 982.453(b)] – see Section 13-II.D.

If OHFA terminates the HAP contract, OHFA must give the owner and the family written notice. The notice must specify the reasons for the termination and the effective date of the termination. Once a HAP contract is terminated, no further HAP payments may be made under that contract [HCV Guidebook pg.15-4].

The HAP contract terminates at the end of the calendar month that follows the calendar month in which OHFA gives written notice to the owner. The owner is not entitled to any housing assistance payment after this period, and must return to OHFA any housing assistance payment received after this period.

If the family moves from the assisted unit into a new unit, even if the new unit is in the same building or complex as the assisted unit, the HAP contract for the assisted unit terminates. A new HAP contract would be required [HCV GB, p. 11-17].

When the family moves from an assisted unit into a new unit, the term of the HAP contract for the new unit may begin in the same month in which the family moves out of its old unit. This is not considered a duplicative subsidy [HCV GB, p. 8-22].

### **13-II.F. CHANGE IN OWNERSHIP / ASSIGNMENT OF THE HAP CONTRACT [HUD-52641]**

The HAP contract cannot be assigned to a new owner without the prior written consent of OHFA.

An owner under a HAP contract must notify OHFA in writing prior to a change in the legal ownership of the unit. The owner must supply all information as requested by OHFA.

Prior to approval of assignment to a new owner, the new owner must agree to be bound by and comply with the HAP contract. The agreement between the new owner and the former owner must be in writing and in a form that OHFA finds acceptable. The new owner must provide OHFA with a copy of the executed agreement.

Assignment of the HAP contract will be approved only if the new owner is qualified to become an owner under the HCV program according to the policies in Section 13-I.D. of this chapter.

OHFA must receive a signed, written request from the existing owner stating the name and address of the new HAP payee and the effective date of the assignment in order to change the HAP payee under an outstanding HAP contract.

Within 14 days of receiving the owner's request, OHFA will inform the current owner in writing whether the assignment may take place.

The new owner must provide a written certification to OHFA that includes:

A copy of the escrow statement or other document showing the transfer of title and recorded deed;

A copy of the owner's IRS Form W-9, Request for Taxpayer Identification Number and Certification, or the social security number of the new owner;

The effective date of the HAP contract assignment;

A written agreement to comply with the terms of the HAP contract; and

Confirmation that the new owner is not a prohibited relative.

If the new owner does not agree to an assignment of the HAP contract, or fails to provide the necessary documents, OHFA will terminate the HAP contract with the old owner. If the new owner wants to offer the family a new lease, and the family elects to stay with continued assistance, OHFA will process the leasing in accordance with the policies in Chapter 9.

## Chapter 14

### PROGRAM INTEGRITY

#### INTRODUCTION

Oklahoma Housing Finance Agency (OHFA) is committed to ensuring that subsidy funds made available to OHFA are spent in accordance with U.S. Department of Housing and Urban Development (HUD) requirements.

This chapter covers HUD and OHFA policies designed to prevent, detect, investigate, and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents OHFA's policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures OHFA must and may take when errors or program abuses are found.

## **PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE**

### **14-I.A. PREVENTING ERRORS AND PROGRAM ABUSE**

HUD created the Enterprise Income Verification (EIV) system to provide PHAs with a powerful tool for preventing errors and program abuse. OHFA is required to use the EIV system in its entirety in accordance with HUD administrative guidance [24 CFR 5.233]. OHFA is further required to:

- Provide applicants and participants with form HUD-52675, “Debts Owed to PHAs and Terminations”
- Require all adult members of an applicant or participant family to acknowledge receipt of form HUD-52675 by signing a copy of the form for retention in the family file

OHFA anticipates that the vast majority of families, owners, and OHFA employees intend to and will comply with program requirements and make reasonable efforts to avoid errors.

To ensure that OHFA’s HCV program is administered effectively and according to the highest ethical and legal standards, OHFA will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

OHFA will discuss program compliance and integrity issues during the voucher briefing sessions described in Chapter 5.

OHFA will provide each applicant and participant with a copy of “Is Fraud Worth It?” (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse.

OHFA will provide each applicant and participant with a copy of “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2017-12.

OHFA staff will be required to review and explain the contents of all HUD- and OHFA-required forms prior to requesting family member signatures.

OHFA will provide each OHFA employee with the necessary training on program rules and the organization’s standards of conduct and ethics.

For purposes of this chapter, the term *error* refers to an unintentional error or omission. *Program abuse or fraud* refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive or mislead.

#### **14-I.B. DETECTING ERRORS AND PROGRAM ABUSE**

In addition to taking steps to prevent errors and program abuse, OHFA will use a variety of activities to detect errors and program abuse.

##### **Quality Control and Analysis of Data**

Under the Section 8 Management Assessment Program (SEMAP), HUD requires OHFA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure HQS compliance [24 CFR, Part 985]. (See Chapter 16 for additional information about SEMAP requirements).

In addition to the SEMAP quality control requirements, OHFA will employ a variety of methods to detect errors and program abuse.

OHFA routinely will use available sources of up-front income verification, including HUD's EIV system, to compare with family-provided information.

At each annual reexamination, current information provided by the family will be compared to information provided at the last annual reexamination to identify inconsistencies and incomplete information.

OHFA will compare family-reported income and expenditures to detect possible unreported income.

##### **Independent Audits and HUD Monitoring**

OMB Circular A-133 requires all PHAs that expend \$500,000 or more in federal awards annually to have an independent audit (IPA). In addition, HUD conducts periodic on-site and automated monitoring of OHFA activities and notifies OHFA of errors and potential cases of program abuse.

OHFA will use the results reported in any IPA or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of OHFA's error detection and abuse prevention efforts.

## **Individual Reporting of Possible Errors and Program Abuse**

OHFA will encourage staff, program participants, and the public to report possible program abuse.

### **14-I.C. INVESTIGATING ERRORS AND PROGRAM ABUSE**

#### **When OHFA Will Investigate**

OHFA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for OHFA to investigate, the allegation must contain at least one independently verifiable item of information, such as the name of an employer or the name of an unauthorized household member.

OHFA will investigate inconsistent information related to the family that is identified through file reviews and the verification process.

#### **Consent to Release of Information [24 CFR 982.516]**

OHFA may investigate possible instances of error or abuse using all available OHFA and public records. If necessary, OHFA will require HCV families to give consent to the release of additional information.

#### **Analysis and Findings**

OHFA will base its evaluation on a preponderance of the evidence collected during its investigation.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

For each investigation, OHFA will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed OHFA, and (3) what corrective measures or penalties will be assessed.

## **Consideration of Remedies**

All errors and instances of program abuse must be corrected prospectively. Whether OHFA will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

In the case of family-caused errors or program abuse, OHFA will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.

In the case of owner-caused errors or program abuse, OHFA will take into consideration (1) the seriousness of the offense, (2) the length of time since the violation has occurred, and (3) the effects of a particular remedy on family members who were not involved in the offense.

## **Notice and Appeals**

OHFA will inform the relevant party in writing of its findings and remedies within 14 days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which OHFA determined the error or program abuses, (3) the remedies to be employed, and (4) the family's right to appeal the results through the informal review or hearing process, if applicable (see Chapter 16).

## **PART II: CORRECTIVE MEASURES AND PENALTIES**

### **14-II.A. SUBSIDY UNDER OR OVERPAYMENTS**

A subsidy under- or overpayment includes (1) an incorrect housing assistance payment to the owner, (2) an incorrect family share established for the family, and (3) an incorrect utility reimbursement to a family.

#### **Corrections**

Whether the incorrect subsidy determination is an overpayment or underpayment of subsidy, Oklahoma Housing Finance Agency (OHFA) must promptly correct the HAP, family share, and any utility reimbursement prospectively.

Increases in the family share will be implemented only after the family has received 30 days notice.

Any decreases in family share will become effective the first of the month following the discovery of the error.

## **Reimbursement**

Whether the family or owner is required to reimburse OHFA or OHFA is required to make retroactive subsidy payments to the owner or family depends upon which party is responsible for the incorrect subsidy payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.

### **14-II.B. FAMILY-CAUSED ERRORS AND PROGRAM ABUSE**

Family obligations and general administrative requirements for participating in the program are discussed throughout this plan. This section deals specifically with errors and program abuse by family members.

An incorrect subsidy determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in which the family knowingly allows OHFA to use incorrect information provided by a third party.

#### **Family Reimbursement to OHFA [HCV GB pp. 22-12 to 22-13]**

In the case of family-caused errors or program abuse, the family will be required to repay any excess subsidy received. OHFA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, OHFA will terminate the family's assistance in accordance with the policies in Chapter 12.

#### **OHFA Reimbursement to Family [HCV GB p. 22-12]**

OHFA will not reimburse the family for any underpayment of assistance when the underpayment clearly is caused by the family.

## **Prohibited Actions**

An applicant or participant in the HCV program must not knowingly:

- Make a false statement to OHFA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.552(c)(iv)].

Any of the following will be considered evidence of family program abuse:

Payment to the owner in excess of amounts authorized by OHFA for rent, security deposit, and additional services

Offering bribes or illegal gratuities to OHFA Board of Trustees, employees, contractors, or other OHFA representatives

Offering payments or other incentives to the owner or a third party as an inducement for the third party to make false or misleading statements to OHFA on the family's behalf

Use of a false name or the use of falsified, forged, or altered documents

Intentional misreporting of family information or circumstances (e.g. income, family composition)

Omitted facts that were obviously known by a family member (e.g., not reporting employment income)

Admission of program abuse by an adult family member

OHFA may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

### **Penalties for Program Abuse**

In the case of program abuse caused by a family OHFA may, at its discretion, impose any of the following remedies.

- OHFA may require the family to repay excess subsidy amounts paid by OHFA, as described earlier in this section.
- OHFA may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 12 (for participants).
- OHFA may deny or terminate the family's assistance following the policies set forth in Chapter 3 and Chapter 12 respectively.
- OHFA may refer the family for state or federal criminal prosecution as described in section 14-II.E.

## **14-II.C. OWNER-CAUSED ERROR OR PROGRAM ABUSE**

Owner requirements that are part of the regular process of offering, leasing, and maintaining a unit (e.g., HQS compliance, fair housing) are addressed in the appropriate chapters of this plan. This section focuses on errors and program abuse by owners.

An incorrect subsidy determination caused by an owner generally would be the result of an incorrect owner statement about the characteristics of the assisted unit (e.g., the number of bedrooms, which utilities are paid by the family). It also includes accepting duplicate housing assistance payments for the same unit in the same month, or after a family no longer resides in the unit.

### **Owner Reimbursement to OHFA**

In all cases of overpayment of subsidy caused by the owner, the owner must repay to OHFA any excess subsidy received. OHFA may recover overpaid amounts by withholding housing assistance payments due for subsequent months, or if the debt is large, OHFA may allow the owner to pay in installments over a period of time [HCV GB p. 22-13].

In cases where the owner has received excess subsidy, OHFA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

### **Prohibited Owner Actions**

An owner participating in the HCV program must not:

- Make any false statement to OHFA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.453(a)(3)] including:

Any of the following will be considered evidence of owner program abuse:

Charging the family rent above or below the amount specified by OHFA

Charging a security deposit other than that specified in the family's lease

Charging the family for services that are provided to unassisted tenants at no extra charge

Knowingly accepting housing assistance payments for any month(s) after the family has vacated the unit

Knowingly accepting incorrect or excess housing assistance payments

Offering bribes or illegal gratuities to OHFA Board of Trustees, employees, contractors, or other OHFA representatives

Offering payments or other incentives to an HCV family as an inducement for the family to make false or misleading statements to OHFA

Residing in the unit with an assisted family

Committing sexual or other harassment, either quid pro quo or hostile environment, based on the protected classes in Chapter 2

Retaliating against any applicant or participant reporting/alleging sexual or other harassment, either quid pro quo or hostile environment based on the protected classes defined in Chapter 2

## **Remedies and Penalties**

When OHFA determines that the owner has committed program abuse, OHFA may take any of the following actions:

- Require the owner to repay excess housing assistance payments, as discussed earlier in this section and in accordance with the policies in Chapter 16.
- Terminate the HAP contract (See Chapter 13).
- Bar the owner from future participation in any OHFA programs.
- Refer the case to state or federal officials for criminal prosecution as described in section 14-II.E.

### **14-II.D. OHFA-CAUSED ERRORS OR PROGRAM ABUSE**

The responsibilities and expectations of OHFA staff with respect to normal program administration are discussed throughout this plan. This section specifically addresses actions of an OHFA staff member that are considered errors or program abuse related to the HCV program. Additional standards of conduct may be provided in OHFA's personnel policy.

OHFA-caused incorrect subsidy determinations include (1) failing to correctly apply HCV rules regarding family composition, income, assets, and expenses, (2) assigning the incorrect voucher size to a family, and (3) errors in calculation.

## **Repayment to OHFA**

Neither a family nor an owner is required to repay an overpayment of subsidy if the error or program abuse is caused by OHFA staff [HCV GB. 22-12].

## **OHFA Reimbursement to Family or Owner**

OHFA must reimburse a family for any underpayment of subsidy, regardless of whether the underpayment was the result of staff-caused error or staff or owner program abuse. Funds for this reimbursement must come from OHFA's administrative fee reserves [HCV GB p. 22-12].

## **Prohibited Activities**

Any of the following will be considered evidence of program abuse by OHFA staff:

Failing to comply with any HCV program requirements for personal gain

Failing to comply with any HCV program requirements as a result of a conflict of interest relationship with any applicant, participant, or owner

Seeking or accepting anything of material value from applicants, participating families, vendors, owners, contractors, or other persons who provide services or materials to OHFA

Disclosing confidential or proprietary information to outside parties

Gaining profit as a result of insider knowledge of OHFA activities, policies, or practices

Misappropriating or misusing HCV funds

Destroying, concealing, removing, or inappropriately using any records related to the HCV program

Committing any other corrupt or criminal act in connection with any federal housing program

## **14-II.E. CRIMINAL PROSECUTION**

When OHFA determines that program abuse by an owner, family, or OHFA staff member has occurred and the amount of overpaid subsidy meets or exceeds the threshold for prosecution under local or state law, OHFA will refer the matter to the appropriate entity for prosecution.

When the amount of overpaid assistance meets or exceeds the federal threshold, the case will also be referred to the HUD Office of Inspector General (OIG).

Other criminal violations related to the HCV program will be referred to the appropriate local, state, or federal entity.

#### **14-II.F. FRAUD AND PROGRAM ABUSE RECOVERIES**

OHFA may retain a portion of program fraud losses that OHFA recovers from a family or owner through litigation, court order, or a repayment agreement [24 CFR 982.163].

OHFA must be the principal party initiating or sustaining the action to recover amounts due from tenants that are due as a result of fraud and abuse. 24 CFR 792.202 permits OHFA to retain the greater of:

- 50 percent of the amount it actually collects from a judgment, litigation (including settlement of a lawsuit) or an administrative repayment agreement, or
- Reasonable and necessary costs that OHFA incurs related to the collection including costs of investigation, legal fees, and agency collection fees.

The family must be afforded the opportunity for an informal hearing in accordance with requirements in 24 CFR 982.555.

If HUD incurs costs on behalf of OHFA related to the collection, these costs must be deducted from the amount retained by OHFA.

**RESERVED**

## Chapter 15

### SPECIAL HOUSING TYPES

[24 CFR 982 Subpart M]

#### INTRODUCTION

Oklahoma Housing Finance Agency (OHFA) is not required to permit families receiving assistance in its jurisdiction to use special housing types. However, may permit a family to use special housing types discussed in this chapter, if needed as a reasonable accommodation for a person with a disability. OHFA may also limit the number of families who receive housing choice voucher (HCV) assistance for any or all of the housing types discussed in this chapter. OHFA receives no special funding for special housing types.

OHFA may permit the following special housing types: Congregate Housing, Group Homes, Manufactured Homes, Homeownership.

This chapter consists of the following four parts. Each part contains a description of the housing type and any special requirements associated with it. Except as modified by this chapter, the general requirements of the HCV program apply to special housing types.

Part I: Congregate Housing

Part II: Group Homes

Part III: Manufactured Homes (OHFA will not provide assistance to families who own the Manufactured Home but leases the space)

Part IV: Homeownership

## **PART I: CONGREGATE HOUSING**

[24 CFR 982.606 through 982.609]

### **15-I.A. OVERVIEW**

Congregate housing is intended for use by elderly persons or persons with disabilities. A congregate housing facility contains a shared central kitchen and dining area and a private living area for the individual household that includes at least a living room, bedroom, and bathroom. Food service for residents must be provided.

If approved by OHFA, a family member or live-in aide may reside with the elderly person or person with disabilities. OHFA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in congregate housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

### **15-I.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION**

The payment standard for an individual unit in a congregate housing facility is based on the number of rooms in the private living area. If there is only one room in the unit (not including the bathroom or the kitchen, if a kitchen is provided), OHFA must use the payment standard for a 0-bedroom unit. If the unit has two or more rooms (other than the bathroom and the kitchen), OHFA must use the 1-bedroom payment standard.

The HAP for an assisted occupant in a congregate housing facility is the lower of the applicable payment standard minus the TTP or the gross rent for the unit minus the TTP.

The gross rent for the unit for the purpose of calculating HCV assistance is the shelter portion (including utilities) of the resident's monthly housing expense only. The residents' costs for food service should not be included in the rent for a congregate housing unit.

### **15-I.C. HOUSING QUALITY STANDARDS**

HQS requirements as described in Chapter 8 apply to congregate housing except for the requirements stated below.

Congregate housing must have (1) a refrigerator of appropriate size in the private living area of each resident; (2) a central kitchen and dining facilities located within the

premises and accessible to the residents, and (3) food service for the residents, that is not provided by the residents themselves.

The housing quality standards applicable to lead-based paint do not apply.

## **PART II: GROUP HOME**

[24 CFR 982.610 through 982.614 and HCV GB p. 7-4]

### **15-II.A. OVERVIEW**

A group home is a state-licensed facility intended for occupancy by elderly persons and/or persons with disabilities. Except for live-in aides, all persons living in a group home, whether assisted or not, must be elderly persons or persons with disabilities. Persons living in a group home must not require continuous medical or nursing care.

A group home consists of bedrooms for residents, which can be shared by no more than two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.

No more than 12 persons may reside in a group home including assisted and unassisted residents and any live-in aides.

If approved by OHFA, a live-in aide may live in the group home with a person with disabilities. OHFA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in a group home, a separate lease and HAP contract is executed for each assisted family, and the standard form of the HAP contract is used.

### **15-II.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION**

Unless there is a live-in aide, the family unit size for an assisted occupant of a group home must be 0- or 1-bedroom, depending on OHFA's subsidy standard. If there is a live-in aide, the aide must be counted in determining the household's unit size.

The payment standard used to calculate the HAP is the lower of the payment standard for the family unit size or the pro rata share of the payment standard for the group home size. The pro rata share is calculated by dividing the number of persons in the assisted household by the number of persons (assisted and unassisted) living in the group home.

The HAP for an assisted occupant in a group home is the lower of the payment standard minus the TTP or the gross rent minus the TTP.

The utility allowance for an assisted occupant in a group home is the pro rata share of the utility allowance for the group home.

The rents paid for participants residing in group homes are subject to generally applicable standards for rent reasonableness. The rent for an assisted person must not exceed the pro rata portion of the reasonable rent for the group home. In determining reasonable rent, OHFA should consider whether sanitary facilities and facilities for food preparation and service are common facilities or private facilities.

### **15-II.C. HOUSING QUALITY STANDARDS**

HQS requirements described in Chapter 8 apply to group homes except for the requirements stated below.

- *Sanitary Facilities:* A group home must have at least one bathroom in the facility, with a flush toilet that can be used in privacy, a fixed basin with hot and cold running water, and a shower or bathtub with hot and cold running water. A group home may contain private or common bathrooms. However, no more than four residents can be required to share a bathroom.
- *Food Preparation and Service:* Group home units must contain a kitchen and dining area with adequate space to store, prepare, and serve food. The facilities for food preparation and service may be private or may be shared by the residents. The kitchen must contain a range, an oven, a refrigerator, and a sink with hot and cold running water. The sink must drain into an approvable public or private disposal system.
- *Space and Security:* Group homes must contain at least one bedroom of appropriate size for every two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.
- *Structure and Material:* To avoid any threat to the health and safety of the residents, group homes must be structurally sound. Elevators must be in good condition. Group homes must be accessible to and usable by residents with disabilities.
- *Site and Neighborhood:* Group homes must be located in a residential setting. The site and neighborhood should be reasonably free from hazards to the health, safety, and general welfare of the residents, and should not be subject to serious adverse conditions, such as:
  - Dangerous walks or steps
  - Instability
  - Flooding, poor drainage
  - Septic tank back-ups

- Sewage hazards
- Mud slides
- Abnormal air pollution
- Smoke or dust
- Excessive noise
- Vibrations or vehicular traffic
- Excessive accumulations of trash
- Vermin or rodent infestation, and
- Fire hazards.

The housing quality standards applicable to lead-based paint do not apply.

### **PART III: MANUFACTURED HOMES**

[24 CFR 982.620 through 982.624]

#### **15-III.A. OVERVIEW**

A manufactured home is a manufactured structure, transportable in one or more parts, which is built on a permanent chassis, and designed for use as a principal place of residence. HCV-assisted families may occupy manufactured homes in two different ways.

(1) A family can choose to rent a manufactured home already installed on a space and OHFA must permit it. In this instance program rules are the same as when a family rents any other residential housing, except that there are special HQS requirements as provided in 15-III.B below.

(2) OHFA will not provide assistance to a family who owns a manufactured home but leases the space.

#### **15-III.B. HOUSING QUALITY STANDARDS**

The manufactured home must meet all HQS performance requirements and acceptability criteria discussed in Chapter 8 of this plan. In addition, the following requirement applies:

##### ***Manufactured Home Tie-Down***

A manufactured home must be placed on the site in a stable manner, and must be free from hazards such as sliding or wind damage. The home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist overturning and sliding.

## **PART IV: HOMEOWNERSHIP**

[24 CFR 982.625 through 982.643]

### **15-IV.A. OVERVIEW [24 CFR 982.625]**

The homeownership option is used to assist a family residing in a home purchased and owned by one or more members of the family. A family assisted under this option may be newly admitted or an existing participant in the HCV program. OHFA must have the capacity to operate a successful HCV homeownership program as defined by the regulations.

There are two forms of homeownership assistance. Monthly homeownership assistance payments or a single down payment assistance grant. OHFA will only offer monthly homeownership assistance payments.

It is the sole responsibility of OHFA to determine whether it is reasonable to implement a homeownership program as a reasonable accommodation. OHFA must determine what is reasonable based on the specific circumstances and individual needs of the person with a disability. OHFA may determine that it is not reasonable to offer homeownership assistance as a reasonable accommodation in cases where OHFA has otherwise opted not to implement a homeownership program.

OHFA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

### **15-IV.B. FAMILY ELIGIBILITY [24 CFR 982.627]**

The family must meet all of the requirements listed below before the commencement of homeownership assistance. OHFA may also establish additional initial requirements as long as they are described in OHFA's administrative plan.

- The family must have been admitted to the Housing Choice Voucher program.
- The family must qualify as a first-time homeowner, or may be a cooperative member.
- The family must meet the Federal minimum income requirement. The family must have a gross annual income equal to the Federal minimum wage multiplied by 2000, based on the income of adult family members who will own the home. OHFA may establish a higher income standard for families. However, a family that meets the federal minimum income requirement (but not OHFA's requirement) will be considered to meet the minimum income requirement if it can demonstrate that it has been pre-qualified or pre-approved for financing that is sufficient to purchase an eligible unit.

- For disabled families, the minimum income requirement is equal to the current SSI monthly payment for an individual living alone, multiplied by 12.
- For elderly or disabled families, welfare assistance payments for adult family members who will own the home will be included in determining whether the family meets the minimum income requirement. It will not be included for other families.
- The family must satisfy the employment requirements by demonstrating that one or more adult members of the family who will own the home at commencement of homeownership assistance is currently employed on a full-time basis (the term 'full-time employment' means not less than an average of 30 hours per week); and has been continuously so employed during the year before commencement of homeownership assistance for the family.
- The employment requirement does not apply to elderly and disabled families. In addition, if a family, other than an elderly or disabled family includes a person with disabilities, OHFA must grant an exemption from the employment requirement if OHFA determines that it is needed as a reasonable accommodation.
- The family has not defaulted on a mortgage securing debt to purchase a home under the homeownership option
- Except for cooperative members who have acquired cooperative membership shares prior to commencement of homeownership assistance, no family member has a present ownership interest in a residence at the commencement of homeownership assistance for the purchase of any home.
- Except for cooperative members who have acquired cooperative membership shares prior to the commencement of homeownership assistance, the family has entered a contract of sale in accordance with 24 CFR 982.631(c).

#### **15-IV.C. SELECTION OF FAMILIES [24 CFR 982.626]**

Unless otherwise provided (under the homeownership option), OHFA may limit homeownership assistance to families or purposes defined by OHFA, and may prescribe additional requirements for commencement of homeownership assistance for a family. Any such limits or additional requirements must be described in OHFA's administrative plan.

Applicants on OHFA's Section 8 HCV waiting list will not be allowed to move directly from the waiting list into homeownership. Applicants will be required to participate in OHFA's Section 8 HCV program for a minimum of one year before they are eligible to apply for the homeownership program.

A family within the initial 1-year period of a lease and HAP contract will not be allowed to participate in the homeownership program until the expiration of the lease or the family obtains a release from their obligations under the lease from the current property owner/landlord.

A family with an outstanding debt to OHFA or another PHA will not be allowed to participate in the homeownership program.

Families applying for assistance under OHFA's homeownership program must:

- Be currently enrolled in OHFA's Family Self-Sufficiency (FSS) Program and in compliance with the FSS contract; or
- The Individual Training and Service Plan (ITSP) goals *must* include homeownership and employment.

If OHFA limits the number of families that may participate in the homeownership option, OHFA must establish a system by which to select families to participate.

OHFA limits homeownership participation to a maximum of 600 families at any given time. Families are selected for participation on a first-come, first-served basis.

#### **15-IV.D. ELIGIBLE UNITS [24 CFR 982.628]**

In order for a unit to be eligible, OHFA must determine that the unit satisfies all of the following requirements:

- The unit must meet HUD's "eligible housing" requirements. The unit may not be any of the following:
  - A public housing or Indian housing unit;
  - A unit receiving Section 8 project-based assistance;
  - A nursing home, board and care home, or facility providing continual psychiatric, medical or nursing services;
  - A college or other school dormitory;
  - On the grounds of penal, reformatory, medical, mental, or similar public or private institutions.
- The unit must be under construction or already exist at the time the family enters into the contract of sale.
- The unit must be a one-unit property or a single dwelling unit in a cooperative or condominium.
- The unit must have been inspected by OHFA and by an independent inspector designated by the family.
- The unit must meet Housing Quality Standards (see Chapter 8).

- For a unit where the family will not own fee title to the real property (such as a manufactured home), the home must have a permanent foundation and the family must have the right to occupy the site for at least 40 years.

OHFA must not approve the unit if OHFA has been informed that the seller is debarred, suspended, or subject to a limited denial of participation.

#### **15-IV.E. ADDITIONAL REQUIREMENTS FOR SEARCH AND PURCHASE [24 CFR 982.629]**

It is the family's responsibility to find a home that meets the criteria for voucher homeownership assistance. OHFA may establish the maximum time that will be allowed for a family to locate and purchase a home, and may require the family to report on their progress in finding and purchasing a home. If the family is unable to purchase a home within the maximum time established by OHFA, OHFA may issue the family a voucher to lease a unit or place the family's name on the waiting list for a voucher, if the family remains eligible.

The family's deadline date for locating a home to purchase will be 12 months from the date the family's eligibility for the homeownership option is determined. If the family wishes to receive another homeownership voucher, the family must complete another Homebuyer Education class.

OHFA will require periodic reports on the family's progress in finding and purchasing a home. Such reports will be provided by the family every 90 days.

#### **15-IV.F. HOMEOWNERSHIP COUNSELING [24 CFR 982.630]**

Before commencement of homeownership assistance for a family, the family must attend and satisfactorily complete the pre-assistance homeownership and housing counseling program required by OHFA. HUD suggests the following topics for OHFA-required pre-assistance counseling:

- Home maintenance (including care of the grounds);
- Budgeting and money management;
- Credit counseling;
- How to negotiate the purchase price of a home;
- How to obtain homeownership financing and loan pre-approvals, including a description of types of financing that may be available, and the pros and cons of different types of financing;

- How to find a home, including information about homeownership opportunities, schools, and transportation in OHFA's jurisdiction;
- Advantages of purchasing a home in an area that does not have a high concentration of low-income families and how to locate homes in such areas;
- Information on fair housing, including fair housing lending and local fair housing enforcement agencies; and
- Information about the Real Estate Settlement Procedures Act (12 U.S.C. 2601 et seq.) (RESPA), state and Federal truth-in-lending laws, and how to identify and avoid loans with oppressive terms and conditions.

OHFA may adapt the subjects covered in pre-assistance counseling (as listed) to local circumstances and the needs of individual families.

OHFA may offer additional counseling after commencement of homeownership assistance (ongoing counseling). If OHFA offers a program of ongoing counseling for participants in the homeownership option, OHFA shall have discretion to determine whether the family is required to participate in the ongoing counseling.

OHFA will use a HUD-approved housing counseling agency to provide the counseling.

#### **15-IV.G. HOME INSPECTIONS, CONTRACT OF SALE, AND PHA DISAPPROVAL OF SELLER [24 CFR 982.631]**

##### **Home Inspections**

OHFA may not commence monthly homeownership assistance payments or provide down payment assistance grants for a family until OHFA has inspected the unit and has determined that the unit passes HQS.

An independent professional inspector selected by and paid for by the family must also inspect the unit. The independent inspection must cover major building systems and components, including foundation and structure, housing interior and exterior, and the roofing, plumbing, electrical, and heating systems. The independent inspector must be qualified to report on property conditions, including major building systems and components.

OHFA may not require the family to use an independent inspector selected by OHFA. The independent inspector may not be an OHFA employee or contractor, or other person under control of OHFA. OHFA requires that independent inspectors meet FHA qualifications.

Copies of the independent inspection report will be provided to the family and OHFA. Based on the information in this report, the family and OHFA will determine whether any pre-purchase repairs are necessary.

OHFA may disapprove a unit for assistance based on information in the independent inspector's report, even if the unit was found to comply with HQS.

### **Contract of Sale**

Before commencement of monthly homeownership assistance payments or receipt of a down payment assistance grant, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give OHFA a copy of the contract of sale. The contract of sale must:

- Specify the price and other terms of sale by the seller to the purchaser;
- Provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent inspector selected by the purchaser;
- Provide that the purchaser is not obligated to purchase the unit unless the inspection is satisfactory to the purchaser;
- Provide that the purchaser is not obligated to pay for any necessary repairs; and
- Contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial of participation under CFR part 24.

### **Disapproval of a Seller**

In its administrative discretion, OHFA may deny approval of a seller for the same reasons OHFA may disapprove an owner under the regular HCV program [see 24 CFR 982.306(c)].

### **15-IV.H. FINANCING [24 CFR 982.625, 24 CFR 982.632]**

OHFA may establish requirements for financing purchase of a home under the homeownership option. This may include requirements concerning qualification of lenders, terms of financing, restrictions concerning debt secured by the home, lender qualifications, loan terms, and affordability of the debt. OHFA must establish policies describing these requirements in the administrative plan.

OHFA may not require that families acquire financing from one or more specified lenders, thereby restricting the family's ability to secure favorable financing terms.

The family is responsible for securing financing. OHFA has established financing requirements that are listed below and may disapprove proposed financing if OHFA

determines that the debt is unaffordable. OHFA requires that financing for purchase of a home under its Section 8 homeownership program:

- (i) Be provided, insured, or guaranteed by the state or Federal government;
- (ii) Comply with secondary mortgage market underwriting requirements; or
- (iii) Comply with generally accepted private sector underwriting standards.

OHFA will prohibit the following forms of financing:

- balloon payment mortgages
- variable interest rate loans
- loans with an interest rate above 10%

OHFA will require a minimum homeowner down payment requirement of 3 percent of the purchase price that includes a minimum cash down payment of 1percent to be paid from the family's own resources.

Families purchasing a home through the HCV Homeownership Program will be encouraged to purchase Mortgage Cancellation Insurance (Credit Life Insurance) or a term life insurance policy to pay the balance of the mortgage in the event of the homeowner's death.

Families will be required to purchase a homeowner's warranty.

#### **15-IV.I. CONTINUED ASSISTANCE REQUIREMENTS; FAMILY OBLIGATIONS [24 CFR 982.633]**

Homeownership assistance may only be paid while the family is residing in the home. If the family moves out of the home, OHFA may not continue homeownership assistance after the month when the family moves out. The family or lender is not required to refund to OHFA the homeownership assistance for the month when the family moves out.

Before commencement of homeownership assistance, the family must execute a statement in which the family agrees to comply with all family obligations under the homeownership option.

The family must comply with the following obligations:

- The family must comply with the terms of the mortgage securing debt incurred to purchase the home, or any refinancing of such debt.

- The family may not convey or transfer ownership of the home, except for purposes of financing, refinancing, or pending settlement of the estate of a deceased family member. Use and occupancy of the home are subject to 24 CFR 982.551 (h) and (i).
- The family must supply information to OHFA or HUD as specified in 24 CFR 982.551(b). The family must further supply any information required by OHFA or HUD concerning mortgage financing or refinancing, sale, or transfer of any interest in the home, or homeownership expenses.
- The family must notify OHFA before moving out of the home.
- The family must notify OHFA if the family defaults on the mortgage used to purchase the home.
- No family member may have any ownership interest in any other residential property.
- The family must attend and complete ongoing homeownership counseling.
- The home must pass a HUD Housing Quality Standards inspection prior to commencement of the homeownership contract.
- The family may obtain a second mortgage on the home.
- The family must supply required information to OHFA.
- The family must comply with the obligations of a participant family described in 24 CFR 982.551, except for the following provisions which do not apply to assistance under the homeownership option: 24 CFR 982.551(c), (d), (e), (f), (g) and (j).

#### **15-IV.J. MAXIMUM TERM OF HOMEOWNER ASSISTANCE [24 CFR 982.634]**

Except in the case of a family that qualifies as an elderly or disabled family, other family members (described below) shall not receive homeownership assistance for more than:

- Fifteen years, if the initial mortgage incurred to finance purchase of the home has a term of 20 years or longer; or
- Ten years, in all other cases.

The maximum term described above applies to any member of the family who:

- Has an ownership interest in the unit during the time that homeownership payments are made; or
- Is the spouse of any member of the household who has an ownership interest in the unit during the time homeownership payments are made.

In the case of an elderly family, the exception only applies if the family qualifies as an elderly family at the start of homeownership assistance. In the case of a disabled family, the exception applies if at any time during receipt of homeownership assistance the family qualifies as a disabled family.

If, during the course of homeownership assistance, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date homeownership assistance commenced. However, such a family must be provided at least 6 months of homeownership assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive homeownership assistance).

If the family has received such assistance for different homes, or from different PHAs, the total of such assistance terms is subject to the maximum term described in this part.

#### **15-IV.K. HOMEOWNERSHIP ASSISTANCE PAYMENTS AND HOMEOWNERSHIP EXPENSES [24 CFR 982.635]**

The monthly homeownership assistance payment is the lower of: the voucher payment standard minus the total tenant payment, or the monthly homeownership expenses minus the total tenant payment.

In determining the amount of the homeownership assistance payment, OHFA will use the same payment standard schedule, payment standard amounts, and subsidy standards as those described elsewhere in this plan for the Housing Choice Voucher program.

OHFA may pay the homeownership assistance payments directly to the family, or at OHFA's discretion, to a lender on behalf of the family. If the assistance payment exceeds the amount due to the lender, OHFA must pay the excess directly to the family.

Homeownership assistance for a family terminates automatically 180 calendar days after the last homeownership assistance payment on behalf of the family. However, OHFA may grant relief from this requirement in those cases where automatic termination would result in extreme hardship for the family.

OHFA must adopt policies for determining the amount of homeownership expenses to be allowed by OHFA in accordance with HUD requirements.

Homeownership expenses (not including cooperatives) only include amounts allowed by OHFA to cover:

- Principal and interest on initial mortgage debt, any refinancing of such debt, and any mortgage insurance premium incurred to finance purchase of the home;
- Real estate taxes and public assessments on the home;
- Home insurance;
- OHFA allowance for maintenance expenses; (1% of the purchase price, applied annually)

- OHFA allowance for costs of major repairs and replacements; (1% of the purchase price, applied annually)
- OHFA utility allowance for the home;
- Principal and interest on mortgage debt incurred to finance costs for major repairs, replacements, or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if OHFA determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person;
- Land lease payments where a family does not own fee title to the real property on which the home is located; [see 24 CFR 982.628(b)].
- For a condominium unit, condominium operating charges or maintenance fees assessed by the condominium homeowner association.

Homeownership expenses for a cooperative member may only include amounts allowed by OHFA to cover:

- The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home;
- Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt;
- Home insurance;
- OHFA allowance for maintenance expenses;
- OHFA allowance for costs of major repairs and replacements;
- OHFA utility allowance for the home; and
- Principal and interest on debt incurred to finance major repairs, replacements, or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if OHFA determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.
- Cooperative operating charges or maintenance fees assessed by the cooperative homeowner association.

#### **15-IV.L. PORTABILITY [24 CFR 982.636, 982.637, 982.353(b) and (c), 982.552, 982.553]**

Subject to the restrictions on portability included in HUD regulations and OHFA policies, a family may exercise portability if the receiving PHA is administering a voucher homeownership program and accepting new homeownership families. The receiving PHA may absorb the family into its voucher program, or bill the initial PHA.

The family must attend the briefing and counseling sessions required by the receiving PHA. The receiving PHA will determine whether the financing for, and the physical condition of the unit, are acceptable. The receiving PHA must promptly notify the initial PHA if the family has purchased an eligible unit under the program, or if the family is unable to purchase a home within the maximum time established by OHFA.

#### **15-IV.M. MOVING WITH CONTINUED ASSISTANCE [24 CFR 982.637]**

A family receiving homeownership assistance may move with continued tenant-based assistance. The family may move with voucher rental assistance or with voucher homeownership assistance. Continued tenant-based assistance for a new unit cannot begin so long as any family member holds title to the prior home.

OHFA may deny permission to move to a new unit with continued voucher assistance as follows:

- Lack of funding to provide continued assistance.
- At any time, OHFA may deny permission to move with continued rental or homeownership assistance in accordance with 24 CFR 982.638, regarding denial or termination of assistance.
- In accordance with OHFA's policy regarding number of moves within a 12-month period.

OHFA must deny the family permission to move to a new unit with continued voucher rental assistance if:

- The family defaulted on an FHA-insured mortgage; and
- The family fails to demonstrate that the family has conveyed, or will convey, title to the home, as required by HUD, to HUD or HUD's designee; and the family has moved, or will move, from the home within the period established or approved by HUD.

#### **15-IV.N. DENIAL OR TERMINATION OF ASSISTANCE [24 CFR 982.638]**

At any time, OHFA may deny or terminate homeownership assistance in accordance with HCV program requirements in 24 CFR 982.552 (Grounds for denial or termination of assistance) or 24 CFR 982.553 (Crime by family members).

OHFA may also deny or terminate assistance for violation of participant obligations described in 24 CFR Parts 982.551 or 982.633 and in accordance with its own policy, with the exception of failure to meet obligations under the Family Self-Sufficiency program as prohibited under the alternative requirements set forth in FR Notice 12/29/14.

OHFA must terminate voucher homeownership assistance for any member of family receiving homeownership assistance that is dispossessed from the home pursuant to a judgment or order of

foreclosure on any mortgage (whether FHA insured or non-FHA) securing debt incurred to purchase the home, or any refinancing of such debt. OHFA will not permit such a family to move with continued voucher rental assistance.

## Chapter 16

### PROGRAM ADMINISTRATION

#### INTRODUCTION

This chapter discusses Oklahoma Housing Finance Agency's (OHFA) administrative policies and practices that are relevant to the activities covered in this plan. The policies are discussed in seven parts as described below:

Part I: Administrative Fee Reserve. This part describes OHFA's policies with regard to oversight of expenditures from its administrative fee reserve.

Part II: Setting Program Standards and Schedules. This part describes what payment standards are, and how they are updated, as well as how utility allowances are established and revised.

Part III: Informal Reviews and Hearings. This part outlines the requirements and procedures for informal reviews, remote and in office hearings, and for informal hearings regarding citizenship status.

Part IV: Owner or Family Debts to OHFA. This part describes policies for recovery of monies that OHFA has overpaid on behalf of families, or to owners, and describes the circumstances under which OHFA will offer repayment agreements to owners and families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part V: Section 8 Management Assessment Program (SEMAP). This part describes what the SEMAP scores represent, how they are established, and how those scores affect OHFA.

Part VI: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies OHFA will follow.

Part VII: Reporting and Record Keeping for Children with Elevated Blood Lead Level. This part describes OHFA's responsibilities for reporting, data collection, and record keeping relative to children with elevated blood lead levels that are less than six years of age, and are receiving HCV assistance.

Part VIII: Determination of Insufficient Funding. This part describes OHFA's policies for determining if there is sufficient funding to issue vouchers, to approve moves to higher cost units or areas, and to continue assistance for all participant families.

Part IX: Violence Against Women Act (VAWA): Notification, Documentation, Confidentiality. This part contains key terms used in VAWA and describes requirements related to notifying families and owners about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, sexual assault and stalking; and maintaining the confidentiality of information obtained from victims.

## **PART I: ADMINISTRATIVE FEE RESERVE [24 CFR 982.155]**

OHFA will maintain administrative fee reserves, or unrestricted net position (UNP) formerly called unrestricted net assets (UNA) for the program to pay program administrative expenses in excess of administrative fees paid by HUD for OHFA'S fiscal year. HUD appropriations acts beginning with FFY 2004 have specified that administrative fee funding may be used only for activities related to the provision of HCV assistance, including related development activities. Notice PIH 2012-9 cites two examples of related development activities: unit modification for accessibility purposes and development of project-based voucher units. The notice makes clear that other activities may also qualify as related development activities. Administrative fees that remain in the UNP account from funding provided prior to 2004 may be used for "other housing purposes permitted by state and local law," in accordance with 24 CFR 982.155(b)(1).

If OHFA has not adequately administered its HCV program, HUD may prohibit use of funds in the UNP Account and may direct OHFA to use funds in that account to improve administration of the program, for HCV HAP expenses, or to reimburse ineligible expenses in accordance with the regulation at 24 CFR 982.155(b)(3).

HUD requires OHFA's Board of Trustees or other authorized officials to establish the maximum amount that may be charged against the UNP account without specific approval.

Expenditures from the UNP account will be made in accordance with all applicable federal requirements. Expenditures will not exceed \$25,000 per occurrence without the prior approval of OHFA's Board of Trustees.

## **PART II: SETTING PROGRAM STANDARDS AND SCHEDULES**

### **16-II.A. OVERVIEW**

Although many of the program's requirements are established centrally by HUD, the HCV program's regulations recognize that some flexibility is required to allow OHFA to adapt the program to local conditions. This part discusses how OHFA establishes and updates certain schedules and standards that are used to administer the program locally. Details about how these schedules are applied to individual families are provided in other chapters. The schedules and standards discussed here include:

- Payment Standards, which dictate the maximum subsidy a family can receive (application of the payment standards is discussed in Chapter 6); and
- Utility Allowances, which specify how a family's payment should be adjusted to account for tenant-paid utilities (application of utility allowances is discussed in Chapter 6).

Copies of the payment standard and utility allowance schedules are available for review at OHFA's website [www.ohfa.org](http://www.ohfa.org) or in OHFA's offices during normal business hours.

OHFA will maintain documentation to support its annual review of payment standards and utility allowance schedules. This documentation will be retained for at least 3 years.

Establishing and updating OHFA's passbook rate, which is used to calculate imputed income from assets, is covered in Chapter 6 (see Section 6-I.G.).

## **16-II.B. PAYMENT STANDARDS [24 CFR 982.503; HCV GB, Chapter 7]**

The payment standard sets the maximum subsidy payment a family can receive from OHFA each month [24 CFR 982.505(a)]. Payment standards are based on fair market rents (FMRs) published annually by HUD. FMRs are set at a percentile within the rent distribution of standard quality rental housing units in each FMR area. For most jurisdictions, FMRs are set at the 40th percentile of rents in the market area.

OHFA must establish a payment standard schedule that establishes payment standard amounts for each FMR area within OHFA's jurisdiction, and for each unit size within each of the FMR areas. For each unit size, OHFA may establish a single payment standard amount for the whole FMR area, or may set different payment standards for different parts of the FMR area. Unless HUD grants an exception, OHFA is required to establish a payment standard within a "basic range" established by HUD – between 90 and 110 percent of the published FMR for each unit size.

### **Updating Payment Standards**

When HUD updates its FMRs, OHFA must update its payment standards if the standards are no longer within the basic range. OHFA must revise the payment standard amount no later than 3 months following the effective date of the published FMR if a change is necessary to stay within the basic range [24 CFR 982.503(b)]. HUD may require OHFA to make further adjustments if it determines that rent burdens for assisted families in OHFA's jurisdiction are unacceptably high [24 CFR 982.503(g)].

OHFA will review the appropriateness of the payment standards on an annual basis when the new FMR is published, and at other times as determined necessary. In addition to ensuring the payment standards are always within the "basic range" OHFA may consider some of the following factors when determining whether an adjustment should be made to the payment standard schedule:

**Funding Availability:** OHFA may review the budget to determine the impact projected subsidy adjustments will have on funding available for the program and

the number of families served. OHFA may compare the number of families who could be served under revised payment standard amounts with the number assisted under current payment standard amounts.

**Rent Burden of Participating Families:** Rent burden will be determined by identifying the percentage of families, for each unit size, that are paying more than 30 percent of their monthly-adjusted income as the family share. When 40 percent or more of families, for any given unit size, are paying more than 30 percent of adjusted monthly income as the family share, OHFA may consider increasing the payment standard. In evaluating rent burdens, OHFA will not include families renting a larger unit than their family unit size.

**Quality of Units Selected:** OHFA may review the quality of units selected by participant families when making the determination of the percent of income families are paying for housing, to ensure that payment standard increases are only made when needed to reach the mid-range of the market.

**Changes in Rent to Owner:** OHFA may review a sample of the units to determine how often owners are increasing or decreasing rents and the average percent of increases/decreases by bedroom size.

**Unit Availability:** OHFA may review the availability of units for each unit size, particularly in areas with low concentrations of poor and minority families.

**Rent Comparables:** OHFA may review standard rental housing comparable units to determinate current rental market rates to ensure payment standards are similar.

**Lease-up Time and Success Rate:** OHFA may consider the percentage of families that are unable to locate suitable housing before the voucher expires and whether families are leaving the jurisdiction to find affordable housing.

### **Exception Payment Standards [24 CFR 982.503(c)]**

OHFA must request HUD approval to establish payment standards that are higher than the basic range. At HUD's sole discretion, HUD may approve a payment standard amount that is higher than the basic range for a designated part of the FMR area. HUD may approve an exception payment standard amount (in accordance with program requirements) for all units, or for all units of a given size, leased by program families in the exception area. Any PHA with jurisdiction in the exception area may use the HUD-approved exception payment standard amount. The total

population of all HUD-approved exception areas in an FMR area may not include more than 50 percent of the population of the FMR area.

#### Voluntary Use of Small Area FMRs [24 CFR 982.503, Notice PIH 2018-01]

OHFA administers voucher in a metropolitan area where the adoption of small area FMRs (SAFMRs) is not required may request approval from HUD to voluntarily adopt SAFMRs. SAFMRs may be voluntarily adopted for one or more zip code areas.

#### OHFA Policy

OHFA will not voluntarily adopt the use of SAFMRs.

#### Unit-by-Unit Exceptions [24 CFR 982.503, 24 CFR 982.505(d), Notice PIH 2010-26]

Unit-by-unit exceptions to OHFA's payment standards generally are not permitted. However, an exception may be made as a reasonable accommodation for a family that includes a person with disabilities. (See Chapter 2 for a discussion of reasonable accommodations.) This type of exception does not affect OHFA's payment standard schedule.

When needed as a reasonable accommodation, OHFA may make an exception to the payment standard without HUD approval, if the exception amount does not exceed the current HUD allowed percentage of the applicable FMR for the unit size [CFR 982.503(b)(1)(v)]. OHFA may request HUD approval for an exception to the payment standard for a particular family, if the required amount exceeds the current allowed percentage of the FMR that OHFA is allowed to approve [CFR 982.503(b)(1)(vi)].

A family that requires a reasonable accommodation may request a higher payment standard at the time the Scheduling Appointment Request Form (SARF) is submitted. The family must document the need for the exception. In order to approve an exception, or request an exception from HUD, OHFA must determine that:

The family will be occupying a unit that is not larger than the approved size;

There is a shortage of affordable units that would be appropriate for the family;

The family's TTP would otherwise exceed 40 percent of adjusted monthly income; and

The rent for the unit is reasonable.

#### "Success Rate" Payment Standard Amounts [24 CFR 982.503(e)]

If a substantial percentage of families have difficulty finding a suitable unit, OHFA may request a “success rate payment standard” that applies to the entire jurisdiction. If approved by HUD, a success rate payment standard allows OHFA to set its payment standards at 90-110 percent of a higher FMR (the 50<sup>th</sup>, rather than the 40<sup>th</sup> percentile FMR). To support the request, OHFA must demonstrate that during the most recent 6-month period for which information is available:

- Fewer than 75 percent of families who were issued vouchers became participants;
- OHFA had established payment standards for all unit sizes, and for the entire jurisdiction, at 110 percent of the published FMR; and
- OHFA had a policy of allowing voucher holders who made sustained efforts to locate units at least 90 days to search for a unit.

Although HUD approves the success rate payment standard for all unit sizes in the FMR area, OHFA may choose to adjust the payment standard for only some unit sizes in all, or a designated part, of OHFA’s jurisdiction within the FMR area.

#### **Decreases in the Payment Standard below the Basic Range [24 CFR 982.503(d)]**

OHFA must request HUD approval to establish a payment standard amount that is lower than the basic range. At HUD’s sole discretion, HUD may approve establishment of a payment standard lower than the basic range. HUD will not approve a lower payment standard if the family share for more than 40 percent of program participants exceeds 30 percent of adjusted monthly income.

#### **16-II.C. UTILITY ALLOWANCES [24 CFR 982.517]**

An OHFA-established utility allowance schedule is used in determining family share and OHFA’s subsidy. OHFA must maintain a utility allowance schedule for (1) all tenant-paid utilities, (2) the cost of tenant-supplied refrigerators and ranges, and (3) other tenant-paid housing services such as trash collection.

The utility allowance schedule must be determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, OHFA must use normal patterns of consumption for the community as a whole, and current utility rates.

The utility allowance must include the utilities and services that are necessary in the locality to provide housing that complies with housing quality standards. Costs for telephone, cable/satellite television, and internet services are not included in the utility allowance schedule.

In the utility allowance schedule, OHFA must classify utilities and other housing services according to the following general categories: space heating; air conditioning; cooking; water heating; water; sewer; trash collection; other electric; cost of tenant-supplied refrigerator; cost of tenant-supplied range; and other specified housing services.

The cost of each utility and housing service must be stated separately by unit size and type. Chapter 18 of the HCV Guidebook provides detailed guidance to OHFA about establishing utility allowance schedules.

### **Air Conditioning**

An allowance for air-conditioning must be provided when the majority of housing units in the market have central air-conditioning or are wired for tenant-installed air conditioners.

OHFA has included an allowance for air-conditioning in its schedule. Central air-conditioning or a portable air conditioner must be present in a unit before OHFA will apply this allowance to a family's rent and subsidy calculations.

### **Reasonable Accommodation**

See Chapter 2 for policies regarding the request and approval of reasonable accommodations.

### **Utility Allowance Revisions**

OHFA must review its schedule of utility allowances each year, and must revise the schedule if there has been a change of 10 percent or more in any utility rate since the last time the allowance for that utility was revised.

OHFA must maintain information supporting its annual review of utility allowance and any revisions made in its utility allowance schedule.

## **PART III: INFORMAL REVIEWS AND HEARINGS**

### **16-III.A. OVERVIEW**

Both applicants and participants have the right to disagree with, and appeal, certain decisions of OHFA that may adversely affect them. OHFA decisions that may be appealed by applicants and participants are discussed in this section.

The process for applicant appeals of OHFA decisions is called the "informal review." For participants (or applicants denied admission because of citizenship issues), the appeal process is called an "informal hearing." OHFA is required to include informal review procedures for

applicants and informal hearing procedures for participants in their administrative plans [24 CFR 982.54(d)(12) and (13)].

### **16-III.B. INFORMAL REVIEWS**

Informal reviews are provided for program applicants. An applicant is someone who has applied for admission to the program, but is not yet a participant in the program. Informal reviews are intended to provide a “minimum hearing requirement” [24 CFR 982.554], and need not be as elaborate as the informal hearing requirements [Federal Register 60, no. 127 (3 July 1995): 34690].

#### **Decisions Subject to Informal Review**

OHFA must give an applicant the opportunity for an informal review of a decision denying assistance [24 CFR 982.554(a)]. Denial of assistance may include any or all of the following [24 CFR 982.552(a)(2)]:

- Denying listing on OHFA’s waiting list
- Denying or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a lease
- Refusing to process or provide assistance under portability procedures

Informal reviews are not required for the following reasons [24 CFR 982.554(c)]:

- Discretionary administrative determinations by OHFA
- General policy issues or class grievances
- A determination of the family unit size under OHFA subsidy standards
- OHFA determination not to approve an extension or suspension of a voucher term
- OHFA determination not to grant approval of the tenancy
- OHFA determination that the unit is not in compliance with the HQS
- OHFA determination that the unit is not in accordance with the HQS due to family size or composition

OHFA will only offer an informal review to applicants for whom assistance is being denied. Denial of assistance includes: denying listing on OHFA’s waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; refusing to process or provide assistance under portability procedures.

#### **Notice to the Applicant [24 CFR 982.554(a)]**

OHFA must give an applicant prompt notice of a decision denying assistance. The notice must contain a brief statement of the reasons for OHFA's decision, and must also state that the applicant may request an informal review of the decision. The notice must describe how to obtain the informal review.

### **Scheduling an Informal Review**

A request for an informal review must be made in writing and delivered to OHFA either in person, electronically or by first class mail, by the close of the business day, no later than 14 days from the date of OHFA's denial of assistance.

OHFA will schedule and send written notice of the informal review to the family within 30 days of the family's request (OHFA makes every reasonable attempt to schedule informal reviews within 30 days, however, delays may occur).

Informal review will be scheduled for an in-office or remote hearing to be conducted by the hearing officer.

### **Informal Review Procedures [24 CFR 982.554(b)]**

The informal review must be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant must be provided an opportunity to present written or oral objections to the decision of OHFA.

### **Informal Review Decision [24 CFR 982.554(b)]**

OHFA must notify the applicant of OHFA's final decision, including a brief statement of the reasons for the final decision.

In rendering a decision, OHFA will evaluate the following matters:

Whether the grounds for denial were stated factually in the notice to the family.

The validity of the grounds for denial of assistance. If the grounds for denial are not specified in the regulations or OHFA policy, the decision to deny assistance will be overturned.

The validity of the evidence. OHFA will evaluate whether the facts presented prove the grounds for denial of assistance. If the facts prove that there are grounds

for denial, and the denial is required by HUD, the hearing officer will uphold the decision to deny assistance.

If the facts prove the grounds for denial, and the denial is discretionary, OHFA will consider the recommendation of the person conducting the informal review in making the final decision whether to deny assistance.

OHFA will notify the applicant of the final decision within 14 days of concluding the informal review.

If the decision to deny is overturned as a result of the informal review, processing for admission will resume.

### **16-III.C. INFORMAL HEARINGS FOR PARTICIPANTS [24 CFR 982.555]**

OHFA must offer an informal hearing for certain OHFA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to OHFA's HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether OHFA's decisions related to the family's circumstances are in accordance with the law, HUD regulations, and OHFA policies.

OHFA is not permitted to terminate a family's assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed. Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

#### **Decisions Subject to Informal Hearing**

Circumstances for which OHFA must give a participant family an opportunity for an informal hearing are as follows:

- A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment
- A determination of the appropriate utility allowance (if any) for tenant-paid utilities from OHFA's utility allowance schedule
- A determination of the family unit size under OHFA's subsidy standards
- A determination to terminate assistance for a participant family because of the family's actions or failure to act

- A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under OHFA policy and HUD rules
- A determination to terminate a family's Family Self Sufficiency contract, withhold supportive services, or propose forfeiture of the family's escrow account [24 CFR 984.303(i)]Circumstances for which an informal hearing is not required are as follows:
  - Discretionary administrative determinations by OHFA
  - General policy issues or class grievances
  - Establishment of OHFA's schedule of utility allowances for families in the program
  - OHFA determination not to approve an extension or suspension of a voucher term
  - OHFA determination not to approve a unit or tenancy
  - OHFA determination that a unit selected by the applicant is not in compliance with the HQS
  - OHFA determination that the unit is not in accordance with HQS because of family size
  - A determination by OHFA to exercise or not to exercise any right or remedy against an owner under a HAP contract

OHFA will only offer participants the opportunity for an informal hearing when required to do so by the regulations.

## **Informal Hearing Procedures**

### **Notice to the Family [24 CFR 982.555(c)]**

When OHFA makes a decision that is subject to informal hearing procedures, OHFA must inform the family of its right to an informal hearing at the same time that it informs the family of the decision.

For decisions related to the family's annual or adjusted income, the determination of the appropriate utility allowance, and the determination of the family unit size, OHFA must notify the family that they may ask for an explanation of the basis of the determination, and that if they do not agree with the decision, they may request an informal hearing on the decision.

For decisions related to the termination of the family's assistance, or the denial of a family's request for an exception to OHFA's subsidy standards, the notice must contain a brief statement of the reasons for the decision, a statement that if the family does not agree with the decision, the family may request an informal hearing on the decision, and a statement of the deadline for the family to request an informal hearing.

In cases where OHFA makes a decision for which an informal hearing must be offered, the notice to the family will include all of the following:

The proposed action or decision of OHFA.

A brief statement of the reasons for the decision.

The date the proposed action will take place.

A statement of the family's right to an explanation of the basis for OHFA's decision.

A statement that if the family does not agree with the decision the family may request an informal hearing of the decision.

A deadline for the family to request the informal hearing.

### **Scheduling an Informal Hearing [24 CFR 982.555(d)]**

When an informal hearing is required, OHFA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

A request for an informal hearing must be made in writing and delivered to OHFA either in person or by first class mail, by the close of the business day, no later than 14 days from the date of OHFA's decision or notice to terminate assistance.

OHFA will schedule and send written notice of the informal hearing to the family within 30 days of the family's request (OHFA makes every reasonable attempt to schedule informal hearings within 30 days, however, delays may occur). The informal hearing may be scheduled for an in-office appointment or remote hearing to be conducted by the hearing officer. The family may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict, which seriously affects the health, safety, or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, OHFA may request documentation of the "good cause" prior to rescheduling the hearing.

If the family does not appear at the scheduled time, and was unable to reschedule the hearing in advance due to the nature of the conflict, the family must contact OHFA within 24 hours of the scheduled hearing date, excluding weekends and holidays. OHFA will reschedule the hearing only if the family can show good cause for the failure to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

### **Pre-Hearing Right to Discovery [24 CFR 982.555(e)]**

Participants and OHFA are permitted pre-hearing discovery rights. The family must be given the opportunity to examine before the hearing any OHFA documents that are directly relevant to the hearing. The family must be allowed to copy any such documents at their own expense (OHFA will not allow the family to leave OHFA's offices with any requested documents to make copies). If OHFA does not make the documents available for examination on request of the family, OHFA may not rely on the documents at the hearing.

OHFA hearing procedures may provide that OHFA must be given the opportunity to examine at OHFA offices before the hearing, any family documents that are directly relevant to the hearing. OHFA must be allowed to copy any such document at OHFA's expense. If the family does not make the document available for examination on request of OHFA, the family may not rely on the document at the hearing.

For the purpose of informal hearings, documents include records and regulations.

The family will be allowed to copy any documents related to the hearing at a cost of \$.25 cents per page. The family must request discovery of OHFA documents no later than two business days prior to the scheduled hearing date

OHFA must be given an opportunity to examine at OHFA's offices before the hearing any family documents that are directly relevant to the hearing. As applicable, OHFA may send a written request for a copy of all documents that the participant intends to present or utilize at the hearing. The participant must make the documents available no later than two business days prior to the scheduled hearing date.

### **Participant's Right to Bring Counsel [24 CFR 982.555(e)(3)]**

At its own expense, the family may be represented by a lawyer or other representative at the informal hearing.

### **Informal Hearing Officer [24 CFR 982.555(e)(4)]**

Informal hearings will be conducted by a person or persons approved by OHFA, other than the person who made or approved the decision or a subordinate of the person who made or approved the decision.

### **Attendance at the Informal Hearing**

Hearings may be attended by a hearing officer and the following applicable persons:

OHFA representative(s) and any witnesses for OHFA

The participant and any witnesses for the participant

The participant's counsel or other representative

Any other person approved by OHFA as a reasonable accommodation for a person with a disability

### **Conduct at Hearings**

The person who conducts the hearing may regulate the conduct of the hearing in accordance with OHFA's hearing procedures [24 CFR 982.555(e)(4)(ii)].

The hearing officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the hearing officer and guidelines for conduct. Any person demonstrating disruptive, abusive, or otherwise inappropriate behavior will be excused from the hearing at the discretion of the hearing officer.

### **Evidence [24 CFR 982.555(e)(5)]**

OHFA and the family must be given the opportunity to present evidence and question any witnesses. In general, all evidence is admissible at an informal hearing. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

**Oral evidence:** the testimony of witnesses

**Documentary evidence:** a writing, which is relevant to the case, for example, a letter written to OHFA. Writings include all forms of recorded communication or representation, including letters, words, pictures, sounds, videotapes, symbols, or combinations thereof.

**Demonstrative evidence:** Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart, or other diagram.

**Real evidence:** A tangible item relating directly to the case.

Hearsay Evidence is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter. Even though evidence, including hearsay, is generally admissible, hearsay evidence alone cannot be used as the sole basis for the hearing officer's decision.

If either OHFA or the family fail to comply with the discovery requirements described above, the hearing officer may refuse to admit such evidence.

Other than the failure of a party to comply with discovery, the hearing officer has the authority to overrule any objections to evidence.

### ***Procedures for Rehearing or Further Hearing***

The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of the PHA will take effect and another hearing will not be granted.

### **Issuance of Decision [24 CFR 982.555(e)(6)]**

The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing.

In rendering a decision, the hearing officer will consider the following matters:

**OHFA Notice to the Family:** The hearing officer will determine if the reasons for OHFA's decision are factually stated in the Notice.

**Discovery:** The hearing officer will determine if OHFA and the family were given the opportunity to examine any relevant documents in accordance with OHFA policy.

**OHFA Evidence to Support OHFA's Decision:** The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support OHFA's conclusion.

**Validity of Grounds for Termination of Assistance (when applicable):** The hearing officer will determine if the termination of assistance is for one of the grounds specified in the HUD regulations and OHFA policies. If the grounds for termination are not specified in the regulations or in compliance with OHFA policies, then the decision of OHFA will be overturned.

The hearing officer will issue a written decision to the family and OHFA no later than 14 days after the hearing.

The hearing officer's conclusion to uphold or overturn OHFA's decision will be derived from the facts that were found to be true by a preponderance of the evidence. Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

#### **Effect of Final Decision [24 CFR 982.555(f)]**

OHFA is not bound by the decision of the hearing officer for matters in which OHFA is not required to provide an opportunity for a hearing, decisions that exceed the authority of the hearing officer, decisions that conflict with or contradict HUD regulations, requirements, or are otherwise contrary to federal, state, or local laws.

If OHFA determines it is not bound by the hearing officer's decision in accordance with HUD regulations, OHFA must promptly notify the family of the determination and the reason for the determination.

OHFA will send a letter to the participant or their representative explaining the final decision by mail or electronic delivery

#### **16-III.D. HEARING AND APPEAL PROVISIONS FOR NONCITIZENS [24 CFR 5.514]**

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. Applicants who are denied assistance due to immigration status are entitled to an informal hearing, not an informal review.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while OHFA's hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or OHFA's informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

## **Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]**

The notice of denial or termination of assistance for noncitizens must advise the family:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for proration of assistance.
- In the case of a participant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with OHFA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

## **USCIS Appeal Process [24 CFR 5.514(e)]**

When OHFA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, OHFA must notify the family of the results of the USCIS verification. The family will have 14 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide OHFA with a copy of the written request for appeal and the proof of mailing.

OHFA will notify the family in writing of the results of the USCIS secondary verification within 14 days of receiving the results.

The family must provide OHFA with a copy of the written request for appeal and proof of mailing within 14 days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to OHFA, of its decision. When the USCIS notifies OHFA of the decision, OHFA must notify the family of its right to request an informal hearing.

OHFA will send written notice to the family of its right to request an informal hearing within 14 days of receiving notice of the USCIS decision regarding the family's immigration status.

### **Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that OHFA provide a hearing. The request for a hearing must be made either within 14 days of OHFA's notice of denial, or within 14 days of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

### **Informal Hearing Officer**

OHFA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision. See Section 16-III.C.

### **Evidence**

The family must be provided the opportunity to examine and copy at the family's expense, at a reasonable time in advance of the hearing, any documents in the possession of OHFA pertaining to the family's eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing. The family will not be allowed to leave OHFA offices to make copies of documents.

The family will be allowed to copy any documents related to the hearing at a cost of \$.25 cents per page. The family must request discovery of OHFA documents no later than two business days prior to the hearing.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by OHFA, and to confront and cross-examine all witnesses on whose testimony or information OHFA relies.

### **Representation and Interpretive Services**

The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled to request an interpreter. Upon request, OHFA will provide competent interpretation services, free of charge.

### **Recording of the Hearing**

The family is entitled to have the hearing recorded by audiotape. OHFA may, but is not required to provide a transcript of the hearing.

OHFA will not provide a transcript of an audiotaped hearing.

### **Hearing Decision**

OHFA must provide the family with a written final decision, based solely on the facts presented at the hearing, within 14 calendar days of the date of the informal hearing. The decision must state the basis for the decision.

### **Informal Hearing Procedures for Residents [24 CFR 5.514(f)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that OHFA provide a hearing. The request for a hearing must be made either within 14 days of receipt of OHFA's notice of termination, or within 14 days of receipt of the USCIS appeal decision.

For the informal hearing procedures that apply to participant families whose assistance is being terminated based on immigration status, see Section 16-III.C.

### **Retention of Documents [24 CFR 5.514(h)]**

OHFA must retain for a minimum of 5 years the following documents that may have been submitted to OHFA by the family, or provided to OHFA as part of the USCIS appeal or OHFA's informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

## **PART IV: OWNER OR FAMILY DEBTS TO OHFA**

### **16-IV.A. OVERVIEW**

OHFA is required to include in the administrative plan, policies concerning repayment by a family of amounts owed to OHFA [24 CFR 982.54]. This part describes OHFA's policies for recovery of monies owed to OHFA by families or owners.

When an action or inaction of an owner or participant results in the overpayment of housing assistance, OHFA holds the owner or participant liable to return any overpayments to OHFA.

OHFA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments.

When an owner or participant refuses to repay monies owed to OHFA, OHFA may utilize other available collection alternatives including, but not limited to, the following:

Collection agencies

Small claims court

Civil law suit

State income tax offset program

### **16-IV.B. REPAYMENT POLICY**

#### **Owner Debts to OHFA**

Any amount due to OHFA by an owner must be repaid by the owner within 30 days of OHFA's determination of the debt.

If the owner fails to repay the debt within the required time frame and is entitled to future HAP payments, OHFA will reduce the future HAP payments by the amount owed until the debt is paid in full.

If the owner is not entitled to future HAP payments OHFA may, in its sole discretion, offer to enter into a repayment agreement on terms prescribed by OHFA.

If the owner refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, OHFA will ban the owner from future participation in the program and pursue other modes of collection.

### **Family Debts to OHFA**

Any amount owed to OHFA by an HCV family must be repaid by the family. If the family is unable to repay the debt within 30 days, OHFA will offer to enter into a repayment agreement in accordance with the policies below.

If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, OHFA will terminate assistance in accordance with the policies in Chapter 12 and pursue other modes of collection.

### **Repayment Agreement [24 CFR 792.103]**

The term repayment agreement refers to a formal written document signed by a tenant or owner and provided to OHFA in which a tenant or owner acknowledges a debt in a specific amount and agrees to repay the amount due at specific time periods.

OHFA will prescribe the terms of the payment agreement, including determining whether to enter into a payment agreement with the family based on the circumstances surrounding the debt to OHFA.

### **General Repayment Agreement Guidelines for Families**

The repayment agreement must be executed by OHFA's internal investigator or their designee.

Payments may only be made by money order or cashier's check.

The family's assistance will be terminated unless OHFA receives the balance of the payment agreement in full within 30 calendar days of the termination notice.

Monthly payments may be decreased in cases of family hardship and if requested with reasonable notice from the family, verification of the hardship, and the approval of a supervisor.

### **Payment Thresholds**

OHFA has the discretion to establish "thresholds and policies" for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].

## **Execution of the Agreement**

Any repayment agreement between OHFA and a family must be signed and dated by OHFA and the head of household and spouse/cohead (if applicable).

The repayment agreement must be executed by OHFA internal investigator or their designee.

## **Late or Missed Payments**

If a payment is not received by the end of the business day on the date due, and prior approval for the missed payment has not been given by OHFA, the agreement may be considered in default. Appropriate collection actions will be taken in accordance with applicable requirements and state laws for delinquent accounts.

If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

This will be considered a breach of the agreement and OHFA will terminate assistance in accordance with the policies in Chapter 12.

## **No Offer of Repayment Agreement**

OHFA generally will not enter into a repayment agreement with a family if there is already a repayment agreement in place with the family or if OHFA determines the family committed program fraud.

## **Repayment Agreements Involving Improper Payments**

Notice PIH 2017-12 requires certain provisions to be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:

- A reference to the items in the family briefing packet that state the family's obligation to provide true and complete information at every reexamination and the grounds on which OHFA may terminate assistance because of a family's action or failure to act
- A statement clarifying that each month the family not only must pay to OHFA the monthly payment amount specified in the agreement but must also pay to the owner the family's monthly share of the rent to owner
- A statement that the terms of the repayment agreement may be renegotiated if the family's income decreases or increases
- A statement that late or missed payments constitute default of the repayment agreement and may result in termination of assistance

## **WRITING OFF DEBTS**

Debts will be written off if:

- The debtor's whereabouts are unknown and the debt is more than 5 years old.
- A determination is made that the debtor is judgment proof.
- The debtor is deceased.
- The debtor is confined to an institution indefinitely

## **PART V: SECTION 8 MANAGEMENT ASSESSMENT PROGRAM (SEMAP)**

### **16-V.A. OVERVIEW**

The Section 8 Management Assessment Program (SEMAP) is a tool that allows HUD to measure OHFA performance in key areas to ensure program integrity and accountability. SEMAP scores translate into a rating for OHFA as high performing, standard, or troubled. Scores on individual SEMAP indicators, as well as overall SEMAP ratings, can affect OHFA in several ways.

- High-performing PHAs can be given a competitive advantage under notices of funding availability [24 CFR 985.103].
- PHAs with deficiencies on one or more indicators are required to correct the deficiencies and report to HUD [24 CFR 985.106].
- PHAs with an overall rating of “troubled” are subject to additional HUD oversight, including on-site reviews by HUD staff, a requirement to develop a corrective action plan, and monitoring to ensure the successful implementation of the corrective action plan. In addition, PHAs that are designated “troubled” may not use any part of the administrative fee reserve for other housing purposes [24 CFR 985.107].
- HUD may determine that OHFA's failure to correct identified SEMAP deficiencies or to prepare and implement a corrective action plan required by HUD constitutes a default under the ACC [24 CFR 985.109].

### **16-V.B. SEMAP CERTIFICATION [24 CFR 985.101]**

OHFA must submit the HUD-required SEMAP certification form within 60 calendar days after the end of its fiscal year. The certification must be approved by OHFA board resolution and signed by OHFA’s executive director or designee. If OHFA is a unit of local government or a state, a resolution approving the certification is not required, and the certification must be executed by the Section 8 Rental Programs Director.

Failure of OHFA to submit its SEMAP certification within the required time frame will result in an overall performance rating of “troubled.”

OHFA's SEMAP certification is subject to HUD verification by an on-site confirmatory review at any time.

Upon receipt of OHFA's SEMAP certification, HUD will rate OHFA's performance under each SEMAP indicator in accordance with program requirements.

### **HUD Verification Method**

Several of the SEMAP indicators are scored based on a review of a quality control sample selected for this purpose. OHFA or the Independent Auditor must select an unbiased sample that provides an adequate representation of the types of information to be assessed, in accordance with SEMAP requirements [24 CFR 985.2].

If the HUD verification method for the indicator relies on data in the Form-50058 module (formerly known as MTCS) in the PIH Information Center (PIC), and HUD determines that those data are insufficient to verify OHFA's certification on the indicator due to OHFA's failure to adequately report family data, HUD will assign a zero rating for the indicator [24 CFR 985.3].

## **PART VI: RECORD KEEPING**

### **16-VI.A. OVERVIEW**

OHFA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, OHFA must ensure that all applicant and participant files are maintained in a way that protects an individual's privacy rights.

### **16-VI.B. RECORD RETENTION [24 CFR 982.158]**

During the term of each assisted lease, and for at least three years thereafter, OHFA must keep:

- A copy of the executed lease;
- The HAP contract; and
- The application from the family.

In addition, OHFA must keep the following records for at least three years:

- Records that provide income, racial, ethnic, gender, and disability status data on program applicants and participants;

- An application from each ineligible family and notice that the applicant is not eligible;
- HUD-required reports;
- Unit inspection reports;
- Lead-based paint records as required by 24 CFR 35, Subpart B;
- Accounts and other records supporting OHFA's budget and financial statements for the program;
- Records to document the basis for OHFA's determination that rent to owner is a reasonable rent (initially and during the term of a HAP contract); and
- Other records specified by HUD.
- Notice PIH 2014-20 requires PHAs to keep records of all complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act or the equal access final rule.

If an informal hearing to establish a family's citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 16-III.D., Retention of Documents.

## **16-VI.C. RECORDS MANAGEMENT**

OHFA must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

All applicant and participant information will be kept in a secure location and access will be limited to authorized OHFA staff.

OHFA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

### **Privacy Act Requirements [24 CFR 5.212 and Form-9886]**

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or OHFA may release the information collected.

## **Upfront Income Verification (UIV) Records**

PHAs that access UIV data through HUD's Enterprise Income Verification (EIV) System are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with Federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in the HUD issued document, Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification data.

Prior to utilizing HUD's EIV system, OHFA will adopt and implement EIV security procedures required by HUD.

## **Criminal Records**

OHFA may only disclose the criminal conviction records which OHFA receives from a law enforcement agency to officers or employees of OHFA, or to authorized representatives of OHFA who have a job-related need to have access to the information [24 CFR 5.903(e)].

OHFA must establish and implement a system of records management that ensures that any criminal record received by OHFA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to OHFA's action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

OHFA must establish and implement a system of records management that ensures that any sex offender registration information received by OHFA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to OHFA's action without institution of a challenge or final disposition of any such litigation. However, a record of the screening, including the type of screening and the date performed must be retained [Notice PIH 2012-28]. This requirement does not apply to information that is public information, or is obtained by OHFA other than under 24 CFR 5.905.

## **Medical/Disability Records**

OHFA is not permitted to inquire about the nature or extent of a person's disability. OHFA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition.

## **Documentation of Domestic Violence, Dating Violence, Sexual Assault, or Stalking**

For requirements and OHFA policies related to management of documentation obtained from victims of domestic violence, dating violence, sexual assault or stalking, see section 16-IX.E.

### **PART VII: REPORTING AND RECORD KEEPING FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL**

#### **16-VII.A. OVERVIEW**

OHFA has certain responsibilities relative to children with elevated blood lead levels that are receiving HCV assistance. HUD has defined an “elevated blood lead level” (EBLL) in children under the age of six (6), in accordance with Centers for Disease Control and Prevention (CDC) guidance. An “elevated blood lead level” means a confirmed concentration of lead in whole blood of a child under age 6 equal to or greater than the concentration in the most recent guidance published by the U.S. Department of Health and Human Services (HHS) on recommending that an environmental intervention be conducted. (When HHS changes the value, HUD will publish a notice in the **Federal Register**, with the opportunity for public comment, on its intent to apply the changed value to this part, and, after considering comments, publish a notice on its applying the changed value to this part.) Currently, CDC’s reference range value is 5 µg/dL (5 micrograms of lead per deciliter of blood). Some of the notification, verification, and hazard reduction requirements are discussed in Chapter 8. This part deals with the reporting requirements, and data collection and record keeping responsibilities that OHFA is subject to.

#### **16-VII.B. REPORTING REQUIREMENT [24 CFR 35.1225(e)]**

##### **Notification**

A medical health care provider, public health department, the family, owner, or outside source may notify OHFA of an elevated blood lead level child living in a program unit.

When information regarding an elevated blood lead level child under age six is received from the family, owner, or other sources not associated with the medical health community, OHFA must immediately verify the information with a public health department or other medical health care provider.

If either the public health department or a private medical health agency provides verification that the child has an environmental intervention blood lead level, OHFA will proceed to complete an environmental investigation of the unit, common areas and exterior surfaces. This requirement does not apply if the public health department has already conducted an evaluation between the date the child’s blood was last sampled and the receipt of notification of the child’s condition.

When OHFA receives a report of an elevated blood lead level child from any source other than the public health department, OHFA will notify the health department within five (5) business days.

### **Environmental Investigation**

Within 15 days of notification by a public health department or medical health care provider, OHFA will schedule an environmental investigation of the dwelling unit, including common areas servicing the dwelling unit, if the child lived in the unit at the time the child's blood was sampled. In most cases, the local health department will complete the environmental investigation free of charge. If this is not possible, OHFA will hire and pay for a certified risk assessor or other qualified lead-based paint specialist. Upon completion of the environmental investigation, OHFA will provide the report to the owner.

The owner must notify the building residents of the results of the environmental investigation within 15 days of receipt from OHFA.

### **Hazard Reduction**

The owner must complete reduction of identified lead-based paint hazards in accordance with 24 CFR 35.1325 or 35.1330 as identified in the environmental investigation within 30 days (or date specified by OHFA if an extension is granted for exterior surfaces). Hazard reduction activities may include paint stabilization, abatement, interim controls, or dust and soil contamination control. The appropriate method of correction should be identified in the environmental investigation.

Hazard reduction is considered complete when a clearance examination has been completed and the report indicates that all identified hazards have been treated and clearance has been achieved, or when the public health department certifies that the hazard reduction is complete. The owner must notify all building residents of any hazard reduction activities within 15 days of completion of activities.

Failure to complete hazard reduction activities (including clearance) within 30 days (or later if OHFA grants an extension for exterior surfaces) of notification constitutes a violation of HQS, and appropriate action against the owner will be taken if a program family occupies the unit. If the unit is vacant when OHFA notifies the owner, the unit may not be re-occupied by another assisted family, regardless of the ages of children in the family, until compliance with the lead-based paint requirement.

## **16-VII.C. DATA COLLECTION AND RECORD KEEPING [24 CFR 35.1225(f)]**

Quarterly, OHFA will attempt to obtain from the state health department the names and addresses of children under age six with an identified environmental intervention blood lead level. OHFA will match information received from the health department with information about program families. If a match occurs, OHFA will follow all procedures for notifying owners and conducting environmental investigations as stated above.

Quarterly, OHFA will report a list of addresses of units occupied by children under age six, receiving assistance to the public health department, unless the health department indicates that such a report is not necessary or wanted.

Risk assessors and public health departments conducting environmental investigation and/or risk assessments involving elevated blood lead level children will issue a report on any needed corrections and appropriate methods to correct lead hazards. The PHA must notify the owner of the deadline for completing the corrections.

## **PART VIII: DETERMINATION OF INSUFFICIENT FUNDING**

### **16-VIII.A. OVERVIEW**

The HCV regulations allow OHFA to deny families permission to move and to terminate Housing Assistance Payments (HAP) contracts if funding under the consolidated ACC is insufficient to support continued assistance [24 CFR 982.354(e)(1) and 982.454]. If a PHA denies a family a portability move based on insufficient funding, the PHA is required to notify the local HUD office within 10 business days [24 CFR 982.354]. Insufficient funding may also affect OHFA's ability to issue vouchers to families on the waiting list. This part discusses the methodology OHFA will use to determine whether OHFA has sufficient funding to issue vouchers, approve moves, and to continue subsidizing all families currently under a HAP contract.

### **16-VIII.B. METHODOLOGY**

OHFA will determine whether there is adequate funding to issue vouchers, approve moves to higher cost units and areas, and continue subsidizing all current participants by comparing OHFA's annual budget authority to the annual total HAP needs on a monthly basis. The total HAP needs for the calendar year will be projected by establishing the actual HAP costs year to date. To that figure, OHFA will add anticipated HAP expenditures for the remainder of the calendar year. Projected HAP expenditures will be calculated by multiplying the projected number of units leased per remaining months by the most current month's average HAP. The projected number of units leased per month

will take into account the average monthly turnover of participant families. If the total annual HAP needs equal or exceed the annual budget authority, or if OHFA cannot support the cost of the proposed subsidy commitment (voucher issuance or move) based on the funding analysis, OHFA will be considered to have insufficient funding.

## **PART IX: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, CONFIDENTIALITY**

### **16-IX.A. OVERVIEW**

The Violence Against Women Act of 2013 (VAWA) provides special protections for victims of domestic violence, dating violence, sexual assault and stalking who are applying for or receiving assistance under the housing choice voucher (HCV) program. If your state or local laws provide greater protection for such victims, those laws apply in conjunction with VAWA.

In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and OHFA policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and OHFA policies are located primarily in the following sections: 3-I.C, “Family Breakup and Remaining Member of Tenant Family”; 3-III.G, “Prohibition Against Denial of Assistance to Victims of Domestic Violence, Dating Violence, Sexual Assault and Stalking”; 10-I.A, “Allowable Moves”; 10-I.B, “Restrictions on Moves”; 12-II.E, “Terminations Related to Domestic Violence, Dating Violence, Sexual Assault or Stalking;” and 12-II.F, “Termination Notice.”

### **16-IX.B. DEFINITIONS [24 CFR 5.2003, 42 USC 13925]**

As used in VAWA:

- The term bifurcate means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.
- The term dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - The length of the relationship
  - The type of relationship
  - The frequency of interaction between the persons involved in the relationship
- The term domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

The term affiliated individual means, with respect to a person:

- A spouse, parent, brother or sister, or child of that individual, or an individual to whom that individual stands in the position or place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual); or
  - Any other individual, tenant, or lawful occupant living in the household of the victim of domestic violence, dating violence, sexual assault or stalking.
- The term sexual assault means:
    - Any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks the capacity to consent
  - The term stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
    - Fear for the person's individual safety or the safety of others; or
    - Suffer substantial emotional distress.

#### **16-IX.C. NOTIFICATION OF VAWA PROTECTIONS [24 CFR 5.2005(a)]**

##### **Notification of Occupancy Rights Under VAWA and Certification Form**

OHFA must provide to each of its applicants and to each of its tenants the notice of occupancy rights and the certification form as described in this section:

- (i) A "Notice of Occupancy Rights under the Violence Against Women Act," as prescribed and in accordance with directions provided by HUD, that explains the VAWA protections under this subpart, including the right to confidentiality, and any limitations on those protections; and
- (ii) A certification form, in a form approved by HUD, to be completed by the victim to document an incident of domestic violence, dating violence, sexual assault or stalking.

## **Notification to Program Applicants and Participants [24 CFR 5.2005(a)(2)]**

OHFA is required to inform program applicants and participants of their rights under VAWA, including their right to confidentiality and the limits thereof, when they are denied assistance or admission, when they are provided assistance or admission to the program, and when they are notified of an eviction or termination of housing benefits.

OHFA will include information about VAWA in its briefing packet, on its website, and as prescribed and in accordance with directions provided by HUD that includes the HUD provided notice, VAWA certification, and other forms, as applicable. OHFA will provide the HUD tenancy addendum that contains VAWA protections to program participants and landlords.

OHFA will use the HUD provided VAWA forms to communicate and document VAWA incidents and acceptable alternate documentation for those who are or have been victims of domestic violence, dating violence, sexual assault, or stalking, as applicable, for applicants, participants, and landlords. Please see the following list:

1. Notice of Occupancy Rights (Form HUD-5380, see Exhibit 16-1)
2. Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation (Form HUD-5382, see Exhibit 16-2)
3. OHFA's Emergency Transfer Plan (see Exhibit 16-3)
4. Emergency Transfer Request form for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, Form HUD-5383 (see Exhibit 16-4)

For additional assistance, please contact The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY) and see the contact information for some local victim advocacy groups and/or service providers (included in Exhibit 16-1).

OHFA is not limited to providing VAWA information at the times specified in the above policy. If OHFA decides to provide VAWA information to a participant following an incident of domestic violence, Notice PIH 2017-08 cautions against sending the information by mail, since the abuser may be monitoring the mail. The notice recommends that in such cases OHFA make alternative delivery arrangements that will not put the victim at risk.

Whenever OHFA has reason to suspect that providing information about VAWA to a participant might place a victim of domestic violence at risk, it will attempt to deliver the information by hand directly to the victim or by having the victim come to an office or other space that may be safer for the individual, making reasonable accommodations as necessary. For example, the OHFA may decide not to send mail regarding VAWA protections to the victim's unit if OHFA believes the perpetrator may have access to the victim's mail, unless requested by the victim.

When discussing VAWA with the victim, OHFA will take reasonable precautions to ensure that no one can overhear the conversation, such as having conversations in a private room.

The victim may, but is not required to, designate an attorney, advocate, or other secure contact for communications regarding VAWA protections.

#### **16-IX.D. DOCUMENTATION [24 CFR 5.2007]**

If OHFA is presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, sexual assault, stalking, or criminal activity related to any of these forms of abuse, OHFA would request that the individual making the claim document the abuse. Documentation must be in writing and must be provided to OHFA within 14 business days after the VAWA claim is made. OHFA may extend this time period at its discretion [24 CFR 5.2007(a)(2)(ii)].

The individual may satisfy OHFA's request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

- (1) A completed and signed HUD-approved certification form (HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), which must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim. The form may be filled out and submitted on behalf of the victim.
- (2) A federal, state, tribal, territorial, or local police report or court record, or an administrative record.
- (3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; a mental health professional; or a medical professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

OHFA may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under "Conflicting Documentation," nor may it require certification in addition to third-party documentation [VAWA final rule].

Any request for documentation of domestic violence, dating violence, sexual assault or stalking will specify a deadline of 14 business days following receipt of the request and failure to submit the documentation means that OHFA does not need to grant any VAWA protections.

If you request an extension in writing OHFA may, in its discretion, determine whether to extend the deadline. OHFA will consider factors that may contribute to the victim's

inability to provide documentation in a timely manner, including cognitive limitations, disabilities, limited English proficiency, absence from the unit, administrative delays, the danger of further violence, and the victim's need to address health or safety issues.

Any extension granted by OHFA will be in writing. If you fail to submit the documentation by any extension date granted, OHFA does not need to grant any VAWA protections.

VAWA also protects the rights of certain noncitizens who are battered or subjected to extreme cruelty by a spouse or parent, who is a United States Citizen or lawful permanent resident (LPR), to apply for and receive assistance. HUD has determined that self-petitioners can indicate that they are in "satisfactory immigration status" when applying for assistance or continued assistance. Housing assistance and all other VAWA protections will be granted to the self-petitioner throughout the verification process until a final determination of LPR status is made [Notice PIH 2017-02].

### **Conflicting Documentation [24 CFR 5.2007(b)(2)]**

In cases where OHFA receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, OHFA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3) within 30 calendar days of the date of the request for third-party documentation. OHFA may also request third-party documentation when submitted documentation contains information that conflicts with existing information already available to OHFA. Individuals have 30 calendar days to return third-party verification to OHFA. If OHFA does not receive third-party documentation, and OHFA will deny or terminate assistance as a result, OHFA must hold separate hearings for the tenants [Notice PIH 2017-08].

OHFA must honor any court orders issued to protect the victim or to address the distribution of property.

If presented with conflicting certification documents from members of the same household, OHFA will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007 and by following any HUD guidance on how such determinations should be made. The family will have 30 calendar days from the date of request by OHFA to provide this documentation.

If OHFA does not receive third-party documentation within the required timeframe (and any extensions) OHFA will deny VAWA protections and will notify the applicant or tenant in writing of the denial. If, as a result, the applicant or tenant is denied or

terminated from the program, OHFA will hold separate hearings for the applicants or tenants.

**Discretion to Require No Formal Documentation [24 CFR 5.2007(b)(1)(iv)]**

OHFA has the discretion to provide benefits to an individual based solely on the individual's statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b)(1)(iv).

If OHFA accepts an individual's statement or other corroborating evidence of domestic violence, dating violence, sexual assault or stalking, OHFA will document acceptance of the statement or evidence in the individual's file.

**Failure to Provide Documentation [24 CFR 5.2007(a)(2)]**

In order to deny relief for protection under VAWA, OHFA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as OHFA may allow, OHFA may deny relief for protection under VAWA.

**16-IX.E. CONFIDENTIALITY [24 CFR 5.2007(c)]**

All information provided to OHFA regarding domestic violence, dating violence, sexual assault or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence. This means that OHFA (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

## EXHIBIT 16-1

NOTICE OF OCCUPANCY RIGHTS UNDER THE  
VIOLENCE AGAINST WOMEN ACT

U.S. Department of Housing and Urban Development  
OMB Approval No. 2577-0286  
Expires 6/30/2017

### **Oklahoma Housing Finance Agency (OHFA)<sup>1</sup> Notice of Occupancy Rights under the Violence Against Women Act<sup>2</sup>**

#### **To all Tenants and Applicants**

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation.<sup>3</sup> The U.S. Department of Housing and Urban Development (HUD) is the Federal agency that oversees that the Housing Choice Voucher (HCV) Program is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.”

#### **Protections for Applicants**

If you otherwise qualify for assistance under the Housing Choice Voucher (HCV) Program, you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

#### **Protections for Tenants**

If you are receiving assistance under the Housing Choice Voucher (HCV) Program, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under the Housing Choice Voucher (HCV) Program solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

notice uses HP for housing provider but the housing provider should insert its name where HP is used. HUD’s program-specific regulations identify the individual or entity responsible for providing the notice of occupancy rights.

<sup>2</sup> Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

<sup>3</sup> Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

### **Removing the Abuser or Perpetrator from the Household**

Oklahoma Housing Finance Agency (OHFA) may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If Oklahoma Housing Finance Agency (OHFA) chooses to remove the abuser or perpetrator, OHFA may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, OHFA must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, OHFA must follow Federal, State, and local eviction procedures. In order to divide a lease, OHFA may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

### **Moving to Another Unit**

Upon your request, OHFA may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, OHFA may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

- (1) **You are a victim of domestic violence, dating violence, sexual assault, or stalking.** If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.
- (2) **You expressly request the emergency transfer.** Your housing provider may choose to require that you submit a form, or may accept another written or oral request.
- (3) **You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

**OR**

**You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer.** If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

OHFA will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families.

The housing provider's emergency transfer plan provides further information on emergency transfers, and the housing provider must make a copy of its emergency transfer plan available to you if you ask to see it.

### **Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking**

OHFA can, but is not required to, ask you to provide documentation to “certify” that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from OHFA must be in writing, and OHFA must give you at least 14 business days (Saturdays, Sundays, and Federal holidays do not count) from the day you receive the request to provide the documentation. OHFA may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to OHFA as documentation. It is your choice which of the following to submit if OHFA asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by OHFA with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, “professional”) from whom you sought assistance in

addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.

- Any other statement or evidence that OHFA has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, OHFA does not have to provide you with the protections contained in this notice.

If OHFA receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), OHFA has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, OHFA does not have to provide you with the protections contained in this notice.

### **Confidentiality**

OHFA must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

OHFA must not allow any individual administering assistance or other services on behalf of OHFA (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

OHFA must not enter your information into any shared database or disclose your information to any other entity or individual. OHFA, however, may disclose the information provided if:

- You give written permission to OHFA to release the information on a time-limited basis.
- OHFA needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires OHFA or your landlord to release the information.

VAWA does not limit OHFA's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

## **Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated**

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, OHFA cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if OHFA can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

- 1) Would occur within an immediate time frame, and
- 2) Could result in death or serious bodily harm to other tenants or those who work on the property.

If OHFA can demonstrate the above, OHFA should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

### **Other Laws**

VAWA does not replace any Federal, State, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

### **Non-Compliance with The Requirements of This Notice**

You may report a covered housing provider's violations of these rights and seek additional assistance, if needed, by contacting or filing a complaint with the U.S. Department of Housing and Urban Development's (HUD) Oklahoma City Field Office, 301 NW 6th Street, Suite 200, Oklahoma City, OK 73102. Phone: (405) 609-8400 Fax: (405) 609-8982 TTY: (800) 877-8339 or the Tulsa Field Office, 110 West 7th Street, Suite 1110, Tulsa, OK 74119. ### CERTIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING, AND ALTERNATE DOCUMENTATION

U.S. Department of Housing  
and Urban Development

OMB Approval No. 2577-0286  
Exp. 06/30/2017

**Purpose of Form:** The Violence Against Women Act (“VAWA”) protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

**Use of This Optional Form:** If you are seeking VAWA protections from your housing provider, your housing provider may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

In response to this request, you or someone on your behalf may complete this optional form and submit it to your housing provider, or you may submit one of the following types of third-party documentation:

- (1) A document signed by you and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, “professional”) from whom you have sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of “domestic violence,” “dating violence,” “sexual assault,” or “stalking” in HUD’s regulations at 24 CFR 5.2003.
- (2) A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or
- (3) At the discretion of the housing provider, a statement or other evidence provided by the applicant or tenant.

**Submission of Documentation:** The time period to submit documentation is 14 business days from the date that you receive a written request from your housing provider asking that you provide documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking. Your housing provider may, but is not required to, extend the time period to submit the documentation, if you request an extension of the time period. If the requested information is not received within 14 business days of when you received the request for the documentation, or any extension of the date provided by your housing provider, your housing provider does not need to grant you any of the VAWA protections. Distribution or issuance of this form does not serve as a written request for certification.

**Confidentiality:** All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking shall be kept confidential and such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections to you, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

**TO BE COMPLETED BY OR ON BEHALF OF THE VICTIM OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING**

- 1. Date the written request is received by victim: \_\_\_\_\_
- 2. Name of victim: \_\_\_\_\_
- 3. Your name (if different from victim's): \_\_\_\_\_
- 4. Name(s) of other family member(s) listed on the lease: \_\_\_\_\_

- 5. Residence of victim: \_\_\_\_\_
- 6. Name of the accused perpetrator (if known and can be safely disclosed): \_\_\_\_\_  
\_\_\_\_\_
- 7. Relationship of the accused perpetrator to the victim: \_\_\_\_\_
- 8. Date(s) and times(s) of incident(s) (if known): \_\_\_\_\_  
\_\_\_\_\_
- 10. Location of incident(s): \_\_\_\_\_

In your own words, briefly describe the incident(s):

This is to certify that the information provided on this form is true and correct to the best of my knowledge and recollection, and that the individual named above in Item 2 is or has been a victim of domestic violence, dating violence, sexual assault, or stalking. I acknowledge that submission of false information could jeopardize program eligibility and could be the basis for denial of admission, termination of assistance, or eviction.

Signature\_Signed on (Date) \_\_\_\_\_

**Public Reporting Burden:** The public reporting burden for this collection of information is estimated to average 1 hour per response. This includes the time for collecting, reviewing, and reporting the data. The information provided is to be used by the housing provider to request certification that the applicant or tenant is a victim of domestic violence, dating violence, sexual assault, or stalking. The information is subject to the confidentiality requirements of VAWA. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid Office of Management and Budget control number.

MODEL EMERGENCY TRANSFER PLAN FOR  
VICTIMS OF DOMESTIC VIOLENCE, DATING  
VIOLENCE, SEXUAL ASSAULT, OR STALKING

U.S. Department of Housing and Urban Development  
OMB Approval No. 2577-0286  
Expires 06/30/2017

### Oklahoma Housing Finance Agency (OHFA)

#### Model Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

##### Emergency Transfers

Oklahoma Housing Finance Agency (OHFA) is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),<sup>1</sup> OHFA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.<sup>2</sup> The ability of OHFA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that the Housing Choice Voucher (HCV) Program complies with VAWA.

##### Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if: the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

---

<sup>1</sup> Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

<sup>2</sup> Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

## **Emergency Transfer Request Documentation**

To request an emergency transfer, OHFA requires submission of the Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking Form HUD-5383. OHFA will provide reasonable accommodations to this policy for individuals with disabilities.

### **Confidentiality**

OHFA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives OHFA written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence Against Women Act for more information about OHFA's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

### **Emergency Transfer Timing and Availability**

OHFA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. OHFA will act promptly to issue a Housing Choice Voucher to allow a family to move after receiving the necessary documentation that includes at a minimum the following:

1. Emergency Transfer Request For Certain Victims Of Domestic Violence, Dating Violence, Sexual Assault, And Stalking Form HUD-5383
2. Documentation that you are a victim

Transfers are also subject to the tenant locating an available and safe unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the new unit. OHFA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

OHFA will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, OHFA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are included in this plan.

## Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network's National Sexual Assault Hotline at 800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

## EXHIBIT 16-4

EMERGENCY TRANSFER  
REQUEST FOR CERTAIN  
VICTIMS OF DOMESTIC  
VIOLENCE, DATING VIOLENCE,  
SEXUAL ASSAULT, OR STALKING

U.S. Department of Housing  
and Urban Development

OMB Approval No. 2577-0286  
Exp. 06/30/2017

**Purpose of Form:** If you are a victim of domestic violence, dating violence, sexual assault, or stalking, and you are seeking an emergency transfer, you may use this form to request an emergency transfer and certify that you meet the requirements of eligibility for an emergency transfer under the Violence Against Women Act (VAWA). Although the statutory name references women, VAWA rights and protections apply to all victims of domestic violence, dating violence, sexual assault or stalking. Using this form does not necessarily mean that you will receive an emergency transfer. See your housing provider's emergency transfer plan for more information about the availability of emergency transfers.

### **The requirements you must meet are:**

**(1) You are a victim of domestic violence, dating violence, sexual assault, or stalking.**

If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation. In response, you may submit Form HUD-5382, or any one of the other types of documentation listed on that Form.

**(2) You expressly request the emergency transfer.** Submission of this form confirms that you have expressly requested a transfer. Your housing provider may choose to require that you submit this form, or may accept another written or oral request. Please see your housing provider's emergency transfer plan for more details.

**(3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

**OR**

**You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer.** If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you submit this form or otherwise expressly request the transfer.

**Submission of Documentation:** If you have third-party documentation that demonstrates why you are eligible for an emergency transfer, you should submit that documentation to your housing provider if it is safe for you to do so. Examples of third party documentation include, but are not limited to: a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom you have sought assistance; a current restraining order; a recent court order or other court records; a law enforcement report or records; communication records from the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts.

**Confidentiality:** All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking, and concerning your request for an emergency transfer shall be kept confidential. Such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections or an emergency transfer to you. Such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

**TO BE COMPLETED BY OR ON BEHALF OF THE PERSON REQUESTING A TRANSFER**

1. Name of victim requesting an emergency transfer: \_\_\_\_\_

2. Your name (if different from victim's) \_\_\_\_\_

3. Name(s) of other family member(s) listed on the lease: \_\_\_\_\_

\_\_\_\_\_

4. Name(s) of other family member(s) who would transfer with the victim: \_\_\_\_\_

\_\_\_\_\_

5. Address of location from which the victim seeks to transfer: \_\_\_\_\_

6. Address or phone number for contacting the victim: \_\_\_\_\_

7. Name of the accused perpetrator (if known and can be safely disclosed): \_\_\_\_\_

8. Relationship of the accused perpetrator to the victim: \_\_\_\_\_

9. Date(s), Time(s) and location(s) of incident(s): \_\_\_\_\_

\_\_\_\_\_

10. Is the person requesting the transfer a victim of a sexual assault that occurred in the past 90 days on the premises of the property from which the victim is seeking a transfer? If yes, skip question 11. If no, fill out question 11. \_\_\_\_\_

11. Describe why the victim believes they are threatened with imminent harm from further violence if they remain in their current unit.

\_\_\_\_\_

\_\_\_\_\_

12. If voluntarily provided, list any third-party documentation you are providing along with this notice: \_\_\_\_\_

This is to certify that the information provided on this form is true and correct to the best of my knowledge, and that the individual named above in Item 1 meets the requirement laid out on this form for an emergency transfer. I acknowledge that submission of false information could jeopardize program eligibility and could be the basis for denial of admission, termination of assistance, or eviction.

## Chapter 17

### FAMILY SELF SUFFICIENCY PROGRAM

[24 CFR 984]

#### INTRODUCTION

This chapter discusses the U.S. Department of Housing and Urban Development (HUD) regulations and Oklahoma Housing Finance Agency (OHFA) administrative policies and practices for the Family Self Sufficiency (FSS) program. The FSS program was established in 1990 by section 554 of the National Affordable Housing Act. It is a successor program to project self-sufficiency and operation bootstrap.

The purpose of the FSS program is to promote the development of local strategies to coordinate the use of housing assistance under the Housing Choice Voucher (HCV) program with public and private resources to enable families eligible to receive assistance under the HCV program to achieve economic independence and self-sufficiency.

The FSS policies are discussed in two parts as described below:

Part I: Services Provided and Eligible Families. This part describes the types of services provided and eligibility policies, and the maximum number of program participants.

Part II: Contract of Participation and Escrow Accounts. This part describes OHFA's requirements and policies with regard to each FSS family's rights and responsibilities to fulfill their obligations and escrow deposit information.

## **PART I: SERVICES PROVIDED AND ELIGIBLE FAMILIES**

### **17-I.A. OVERVIEW [24 CFR 984.101]**

The objective of the FSS program is to reduce the dependency of low-income families on welfare assistance. Under the FSS program, families are provided the opportunities for education, job training, counseling, and other forms of social service assistance, while living in assisted housing, so that they may obtain the education, employment, and business and social skills necessary to achieve self-sufficiency.

The FSS program offers participating families a way to build assets through establishment of an escrow account.

### **17-I.B. SERVICES PROVIDED [24 CFR 984]**

FSS program services may include, but are not limited to services for/referrals to:

- Childcare
- Transportation
- Education
- Job Training & Employment Counseling
- Substance/Alcohol Abuse Treatment or counseling
- Household Skills and Management
- Money Management
- Homeownership Counseling

### **17-I.C. ELIGIBLE FAMILIES [24 CFR 984.103]**

OHFA HCV participants in good standing are eligible to apply for the FSS program. Families living in OHFA's jurisdiction under a portability arrangement may also be eligible to apply under certain conditions. Participation in OHFA's FSS program is voluntary. However, families interested in participating in OHFA's HCV Homeownership program must participate in OHFA's FSS program.

OHFA will not allow more than 600 families to participate in the FSS program at any one time.

HCV participants who have previously participated in OHFA's FSS program are not eligible.

## **PART II: CONTRACT OF PARTICIPATION AND ESCROW ACCOUNTS**

### **17-II.A. CONTRACT OF PARTICIPATION [24 CFR 984.303]**

Each family that is selected to participate in the FSS program must enter into a Contract of Participation (COP) with OHFA. The FSS COP sets forth the terms and conditions governing participation in the FSS program, including the rights and responsibilities of the FSS family and the activities to be completed by the head of household and each adult member of the family who elects to participate in the program. The individual training and services plan, incorporated in the COP, shall establish specific interim and final goals, by which OHFA and the family, may measure the family's progress toward fulfilling its obligations under the COP and becoming self-sufficient. For each participating family that is a recipient of welfare assistance, OHFA will establish as an interim goal that the family become independent from welfare assistance and remain independent from welfare assistance at least one year before the expiration of the term of the COP, including any extension thereof. OHFA and the FSS family may mutually agree to modify the COP.

The COP shall provide that each FSS family will be required to fulfill those obligations to which the participating family has committed itself under the COP no later than 5 years after the effective date of the contract. OHFA may grant a contract extension to an FSS family, upon written request by the head of household, for good cause (circumstances beyond the control of the FSS family, as determined by OHFA, such as serious illness or involuntary loss of employment).

The COP is considered to be completed, and a family's participation in the FSS program is considered to be concluded when one of the following occurs:

- (1) The FSS family has fulfilled all of its obligations under the COP on or before the expiration of the contract term, including any extension thereof; or
- (2) 30 percent of the monthly-adjusted income of the FSS family equals or exceeds the published existing housing FMR for the size of the unit for which the FSS family qualifies based on OHFA's occupancy standards. The COP will be considered completed and the family's participation in the FSS program concluded on this basis even though the contract term, including any extension thereof, has not expired, and the family members who have individual training and services plans have not completed all the activities set forth in their plans.

The COP will automatically terminate for the following reasons:

- (1) If the family's HCV assistance is terminated in accordance with HUD requirements;
- (2) Mutual consent of OHFA and the family;
- (3) The failure of the FSS family to meet its obligations under the COP without good cause, including because the family moved outside OHFA's jurisdiction
- (4) Other acts deemed inconsistent with the purpose of the FSS program; or

(5) Operation of law.

#### **17-II.B. ESCROW ACCOUNT [24 CFR 984.103]**

An escrow account shall be established for each family who receives employment income. OHFA shall begin making monthly deposits to a participating family's escrow account when the family's employment income increases beyond the amount of employment income the family was receiving on the effective date of the COP. OHFA shall continue to make monthly deposits to a participating family's escrow account until (1) the family's employment income decreases below the amount of employment income the family was receiving on the effective date of the COP; or (2) the COP has been successfully completed; or (3) the COP is terminated.

Once a family successfully completes their COP, the family shall receive the accumulation of escrow funds, including interest. Upon the head of household's written request, OHFA may grant an interim withdrawal from an escrow account for good cause, as determined by OHFA. **Only one interim withdrawal may be granted during the term of the COP.**

A participating FSS family has no right to any of the funds in the escrow account until after successful completion of the COP. If a family fails to successfully complete their COP or if a family's HCV assistance is terminated for family non-compliance, all funds in the family's escrow account will be forfeited.

## **B. GLOSSARY OF SUBSIDIZED HOUSING TERMS**

***Absorption.*** In portability (under subpart H of this part 982): the point at which a receiving PHA stops billing the initial PHA for assistance on behalf of a portability family. The receiving PHA uses funds available under the receiving PHA consolidated ACC.

***Accessible.*** The facility or portion of the facility can be approached, entered, and used by persons with disabilities.

***Adjusted income.*** Annual income, less allowable HUD deductions and allowances.

***Administrative fee.*** Fee paid by HUD to the PHA for administration of the program. See §982.152.

***Administrative plan.*** The plan that describes PHA policies for administration of the tenant-based programs. The Administrative Plan and any revisions must be approved by the PHA's board and included as a supporting document to the PHA Plan. See §982.54.

***Admission.*** The point when the family becomes a participant in the program. The date used for this purpose is the effective date of the first HAP contract for a family (first day of initial lease term) in a tenant-based program.

***Affiliated individual.*** With respect to an individual, a spouse, parent, brother, sister, or child of that individual, or an individual to whom that individual stands in loco parentis (in the place of a parent), or any individual, tenant, or lawful occupant living in the household of that individual

***Amortization payment.*** In a manufactured home space rental: The monthly debt service payment by the family to amortize the purchase price of the manufactured home.

***Annual.*** Happening once a year.

***Annual contributions contract (ACC).*** The written contract between HUD and a PHA under which HUD agrees to provide funding for a program under the 1937 Act, and the PHA agrees to comply with HUD requirements for the program.

***Annual income.*** The anticipated total income of an eligible family from all sources for the 12-month period following the date of determination of income, computed in accordance with the regulations.

***Applicant (applicant family).*** A family that has applied for admission to a program but is not yet a participant in the program.

***Area exception rent.*** An amount that exceeds the published FMR. See 24 CFR 982.504(b).

***As-paid states.*** States where the welfare agency adjusts the shelter and utility component of the welfare grant in accordance with actual housing costs.

***Assets.*** (See *net family assets.*)

***Auxiliary aids.*** Services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities receiving federal financial assistance.

***Biennial inspections.*** Section 220 of the 2014 Appropriations Act allows PHAs to comply with the requirement to inspect assisted dwelling units during the term of a HAP contract by inspecting such units not less than biennially (every two years) instead of annually.

***Bifurcate.*** With respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members' lease and occupancy rights are allowed to remain intact.

***Budget authority.*** An amount authorized and appropriated by the Congress for payment to PHAs under the program. For each funding increment in a PHA program, budget authority is the maximum amount that may be paid by HUD to the PHA over the ACC term of the funding increment.

***Child.*** A member of the family other than the family head or spouse who is under 18 years of age.

***Child care expenses.*** Amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.

***Citizen.*** A citizen or national of the United States.

***Cohead.*** An individual in the household who is equally responsible for the lease with the head of household. A family may have a cohead or spouse but not both. A cohead never qualifies as a dependent. The cohead must have legal capacity to enter into a lease.

***Common space.*** In shared housing, the space available for use by the assisted family and other occupants of the unit.

***Computer match.*** The automated comparison of databases containing records about individuals.

***Confirmatory review.*** An on-site review performed by HUD to verify the management performance of a PHA.

***Consent form.*** Any consent form approved by HUD to be signed by assistance applicants and participants to obtain income information from employers and SWICAs; return information from the Social Security Administration (including wages, net earnings from self-employment, and retirement income); and return information for unearned income from the IRS. Consent forms expire after a certain time and may authorize the collection of other information to determine eligibility or level of benefits.

***Congregate housing.*** Housing for elderly persons or persons with disabilities that meets the HQS for congregate housing. A special housing type: see 24 CFR 982.606–609.

***Contiguous MSA.*** In portability (under subpart H of part 982): An MSA that shares a common boundary with the MSA in which the jurisdiction of the initial PHA is located.

***Continuously assisted.*** An applicant is continuously assisted under the 1937 Act if the family is already receiving assistance under any 1937 Housing Act program when the family is admitted to the voucher program.

***Contract authority.*** The maximum annual payment by HUD to a PHA for a funding increment.

**Cooperative** (term includes mutual housing). Housing owned by a nonprofit corporation or association, and where a member of the corporation or association has the right to reside in a particular apartment, and to participate in management of the housing. A special housing type (see 24 CFR 982.619).

**Covered families.** Statutory term for families who are required to participate in a welfare agency economic self-sufficiency program and who may be subject to a welfare benefit sanction for noncompliance with this obligation. Includes families who receive welfare assistance or other public assistance under a program for which federal, state or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for the assistance.

**Dating violence.** Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship

**Dependent.** A member of the family (except foster children and foster adults) other than the family head or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student.

**Dependent child.** In the context of the student eligibility restrictions, a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of *dependent* as specified above.

**Disability assistance expenses.** Reasonable expenses that are anticipated, during the period for which annual income is computed, for attendant care and auxiliary apparatus for a disabled family member, and that are necessary to enable a family member (including the disabled member) to be employed, provided that the expenses are neither paid to a member of the family nor reimbursed by an outside source.

**Disabled family.** A family whose head, cohead, spouse, or sole member is a person with disabilities; two or more persons with disabilities living together; or one or more persons with disabilities living with one or more live-in aides.

**Disabled person.** See *person with disabilities*.

**Disallowance.** Exclusion from annual income.

**Displaced family.** A family in which each member, or whose sole member, is a person displaced by governmental action, or a person whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to federal disaster relief laws.

**Domestic violence.** Felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

**Domicile.** The legal residence of the household head or spouse as determined in accordance with state and local law.

**Drug-related criminal activity.** The illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute, or use the drug.

**Economic self-sufficiency program.** Any program designed to encourage, assist, train, or facilitate the economic independence of assisted families, or to provide work for such families. Can include job training, employment counseling, work placement, basic skills training, education, English proficiency, Workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as treatment for drug abuse or mental health treatment). Includes any work activities as defined in the Social Security Act (42 U.S.C. 607(d)). Also see 24 CFR 5.603(c).

**Elderly family.** A family whose head, cohead, spouse, or sole member is a person who is at least 62 years of age; two or more persons who are at least 62 years of age living together; or one or more persons who are at least 62 years of age living with one or more live-in aides.

**Elderly person.** An individual who is at least 62 years of age.

**Eligible family.** A family that is income eligible and meets the other requirements of the 1937 Act and Part 5 of 24 CFR. See also *Family*.

**Employer identification number (EIN).** The nine-digit taxpayer identifying number that is assigned to an individual, trust, estate, partnership, association, company, or corporation.

**Evidence of citizenship or eligible status.** The documents that must be submitted as evidence of citizenship or eligible immigration status. See 24 CFR 5.508(b).

**Extremely low-income family.** A family whose annual income does not exceed the higher of the federal poverty level or 30 percent of the area median income, as determined by HUD, with adjustments for smaller and larger families. HUD may establish income ceilings higher or lower than 30 percent of the area median income if HUD finds such variations are necessary due to unusually high or low family incomes. See 24 CFR 5.603.

**Facility.** All or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock, or other real or personal property or interest in the property.

**Fair Housing Act.** Title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Amendments Act of 1988.

**Fair market rent (FMR).** The rent, including the cost of utilities (except telephone), as established by HUD for units of varying sizes (by number of bedrooms), that must be paid in the housing market area to rent privately owned, existing, decent, safe, and sanitary rental housing of modest (non-luxury) nature with suitable amenities. See periodic publications in the *Federal Register* in accordance with 24 CFR Part 888.

**Family.** Includes but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status, and can be further defined in PHA policy.

- A single person, who may be an elderly person, displaced person, disabled person, near-elderly person or any other single person; or
- A group of persons residing together and such group includes, but is not limited to:
  - o A family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family);
  - o An elderly family;
  - o A near-elderly family;
  - o A disabled family;
  - o A displaced family; and
  - o The remaining member of a tenant family.

**Family rent to owner.** In the voucher program, the portion of rent to owner paid by the family.

**Family self-sufficiency program (FSS program).** The program established by a PHA in accordance with 24 CFR part 984 to promote self-sufficiency of assisted families, including the coordination of supportive services (42 U.S.C. 1437u).

**Family share.** The portion of rent and utilities paid by the family. For calculation of family share, see 24 CFR 982.515(a).

**Family unit size.** The appropriate number of bedrooms for a family, as determined by the PHA under the PHA subsidy standards.

**Federal agency.** A department of the executive branch of the federal government.

**Foster child care payment.** A payment to eligible households by state, local, or private agencies appointed by the state to administer payments for the care of foster children.

**Full-time student.** A person who is attending school or vocational training on a full-time basis (carrying a subject load that is considered full-time for day students under the standards and practices of the educational institution attended). See 24 CFR 5.603.

**Funding increment.** Each commitment of budget authority by HUD to a PHA under the consolidated annual contributions contract for the PHA program.

**Gender identity.** Actual or perceived gender-related characteristics.

**Gross rent.** The sum of the rent to owner plus any utility allowance.

**Group home.** A dwelling unit that is licensed by a state as a group home for the exclusive residential use of two to twelve persons who are elderly or persons with disabilities (including any live-in aide). (A special housing type: see 24 CFR 982.610–614.)

**Handicap.** Any condition or characteristic that renders a person an individual with handicaps. (See *person with disabilities*.)

**HAP contract.** The housing assistance payments contract. A written contract between the PHA and an owner for the purpose of providing housing assistance payments to the owner on behalf of an eligible family.

**Head of household.** The adult member of the family who is the head of the household for purposes of determining income eligibility and rent.

**Household.** A household includes additional people other than the family who, with the PHA's permission, live in an assisted unit, such as live-in aides, foster children, and foster adults.

**Housing assistance payment.** The monthly assistance payment by a PHA, which includes: (1) A payment to the owner for rent to the owner under the family's lease; and (2) An additional payment to the family if the total assistance payment exceeds the rent to owner.

**Housing agency (HA).** See *public housing agency*.

**Housing quality standards (HQS).** The HUD minimum quality standards for housing assisted under the voucher program.

**HUD.** The U.S. Department of Housing and Urban Development.

**Imputed asset.** An asset disposed of for less than fair market value during the two years preceding examination or reexamination.

**Imputed asset income.** The PHA-established passbook rate multiplied by the total cash value of assets. The calculation is used when net family assets exceed \$5,000.

**Imputed welfare income.** An amount of annual income that is not actually received by a family as a result of a specified welfare benefit reduction, but is included in the family's annual income and therefore reflected in the family's rental contribution.

**Income.** Income from all sources of each member of the household, as determined in accordance with criteria established by HUD.

**Income for eligibility.** Annual income.

**Income information.** This means information relating to an individual's income, including:

- All employment income information known to current or previous employers or other income sources
- All information about wages, as defined in the state's unemployment compensation law, including any social security number; name of the employee; quarterly wages of the employee; and the name, full address, telephone number, and, when known, employer identification number of an employer reporting wages under a state unemployment compensation law

- Whether an individual is receiving, has received, or has applied for unemployment compensation, and the amount and the period received
- Unearned IRS income and self-employment, wages, and retirement income
- Wage, social security, and supplemental security income data obtained from the Social Security Administration.

**Individual with handicaps.** See *person with disabilities*.

**Initial PHA.** In portability, the term refers to both: (1) A PHA that originally selected a family that later decides to move out of the jurisdiction of the selecting PHA; and (2) A PHA that absorbed a family that later decides to move out of the jurisdiction of the absorbing PHA.

**Initial payment standard.** The payment standard at the beginning of the HAP contract term.

**Initial rent to owner.** The rent to owner at the beginning of the HAP contract term.

**Institution of higher education.** An institution of higher education as defined in 20 U.S.C. 1001 and 1002. See Exhibit 3-2 in this Administrative Plan.

**Jurisdiction.** The area in which the PHA has authority under state and local law to administer the program.

**Landlord.** Either the owner of the property or his/her representative, or the managing agent or his/her representative, as shall be designated by the owner.

**Lease.** A written agreement between an owner and a tenant for the leasing of a dwelling unit to the tenant. The lease establishes the conditions for occupancy of the dwelling unit by a family with housing assistance payments under a HAP contract between the owner and the PHA.

**Live-in aide.** A person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who:

- Is determined to be essential to the care and well-being of the persons;
- Is not obligated for the support of the persons; and
- Would not be living in the unit except to provide the necessary supportive services.

**Living/Sleeping Room.** A living room may be used as sleeping (bedroom) space, but no more than two persons may occupy the space. A bedroom or living/sleeping room must have at least one window and two electrical outlets in proper operating condition. See HCV GB p. 10-6 and 24 CFR 982.401.

**Local preference.** A preference used by the PHA to select among applicant families.

**Low-income family.** A family whose income does not exceed 80 percent of the median income for the area as determined by HUD with adjustments for smaller or larger families, except that HUD may establish income limits higher or lower than 80 percent for areas with unusually high or low incomes.

**Manufactured home.** A manufactured structure that is built on a permanent chassis, is designed for use as a principal place of residence, and meets the HQS. (A special housing type: see 24 CFR 982.620 and 982.621.)

**Manufactured home space.** In manufactured home space rental: A space leased by an owner to a family. A manufactured home owned and occupied by the family is located on the space. See 24 CFR 982.622 to 982.624.

**Medical expenses.** Medical expenses, including medical insurance premiums that are anticipated during the period for which annual income is computed, and that are not covered by insurance (a deduction for elderly or disabled families only). These allowances are given when calculating adjusted income for medical expenses in excess of 3 percent of annual income.

**Minor.** A member of the family household other than the family head or spouse, who is under 18 years of age.

**Mixed family.** A family whose members include those with citizenship or eligible immigration status, and those without citizenship or eligible immigration status.

**Monthly-adjusted income.** One twelfth of adjusted income.

**Monthly income.** One twelfth of annual income.

**Mutual housing.** Included in the definition of *cooperative*.

**National.** A person who owes permanent allegiance to the United States, for example, as a result of birth in a United States territory or possession.

**Near-elderly family.** A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62; or two or more persons, who are at least 50 years of age but below the age of 62, living together; or one or more persons who are at least 50 years of age but below the age of 62 living with one or more live-in aides.

**Net family assets.** (1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

- In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under §5.609.
- In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefore. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

**Noncitizen.** A person who is neither a citizen nor national of the United States.

**Notice of funding availability (NOFA).** For budget authority that HUD distributes by competitive process, the *Federal Register* document that invites applications for funding. This document explains how to apply for assistance and the criteria for awarding the funding.

**Office of General Counsel (OGC).** The General Counsel of HUD.

**Overcrowded.** A unit that does not meet the following HQS space standards: (1) Provide adequate space and security for the family; and (2) Have at least one bedroom or living/sleeping room for each two persons.

**Owner.** Any person or entity with the legal right to lease or sublease a unit to a participant.

**PHA Plan.** The annual plan and the 5-year plan as adopted by the PHA and approved by HUD.

**PHA's quality control sample.** An annual sample of files or records drawn in an unbiased manner and reviewed by a PHA supervisor (or by another qualified person other than the person who performed the original work) to determine if the work documented in the files or records conforms to program requirements. For minimum sample size, see CFR 985.3.

**Participant (participant family).** A family that has been admitted to the PHA program and is currently assisted in the program. The family becomes a participant on the effective date of the first HAP contract executed by the PHA for the family (first day of initial lease term).

**Payment standard.** The maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family).

**Person with disabilities.** *For the purposes of program eligibility.* A person who has a disability as defined under the Social Security Act or Developmental Disabilities Care Act, or a person who has a physical or mental impairment expected to be of long and indefinite duration and whose ability to live independently is substantially impeded by that impairment but could be improved by more suitable housing conditions. This includes persons with AIDS or conditions arising from AIDS but excludes persons whose disability is based solely on drug or alcohol dependence. *For the purposes of reasonable accommodation.* A person with a physical or mental impairment that substantially limits one or more major life activities, a person regarded as having such an impairment, or a person with a record of such an impairment.

**Portability.** Renting a dwelling unit with a Section 8 housing choice voucher outside the jurisdiction of the initial PHA.

**Premises.** The building or complex in which the dwelling unit is located, including common areas and grounds.

**Previously unemployed.** With regard to the earned income disallowance, a person with disabilities who has earned, in the 12 months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

**Private space.** In shared housing, the portion of a contract unit that is for the exclusive use of an assisted family.

**Processing entity.** The person or entity that, under any of the programs covered, is responsible for making eligibility and related determinations and any income reexamination. In the HCV program, the "processing entity" is the "responsible entity."

**Project owner.** The person or entity that owns the housing project containing the assisted dwelling unit.

**Public assistance.** Welfare or other payments to families or individuals, based on need, which are made under programs funded, separately or jointly, by federal, state, or local governments.

**Public housing agency (PHA).** Any state, county, municipality, or other governmental entity or public body, or agency or instrumentality of these entities, that is authorized to engage or assist in the development or operation of low-income housing under the 1937 Act.

**Qualified family** (under the earned income disallowance). A family participating in an applicable assisted housing program or receiving HCV assistance:

- Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;
- Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or
- Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance-- provided that the total amount over a six-month period is at least \$500.

**Qualified census tract.** With regard to certain tax credit units, any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI), or where the poverty rate is at least 25 percent, and where the census tract is designated as a qualified census tract by HUD.

**Reasonable accommodation.** A change, exception, or adjustment to a rule, policy, practice, or service to allow a person with disabilities to fully access the PHA's programs or services.

**Reasonable modification.** A structural change made to existing premises, occupied or to be occupied by a person with a disability, in order to afford such person full enjoyment of the premises. Reasonable modifications can include structural changes to interiors and exteriors of dwellings and to common and public use areas.

**Reasonable rent.** A rent to owner that is not more than rent charged: (1) For comparable units in the private unassisted market; and (2) For comparable unassisted units in the premises.

**Receiving PHA.** In portability: A PHA that receives a family selected for participation in the tenant-based program of another PHA. The receiving PHA issues a voucher and provides program assistance to the family.

**Recertification.** Sometimes called *reevaluation*. The process of securing documentation of total family income used to determine the rent the tenant will pay for the next 12 months if there are no additional changes to be reported.

**Remaining member of the tenant family.** The person left in assisted housing who may or may not normally qualify for assistance on their own circumstances (i.e., an elderly spouse dies, leaving widow age 47 who is not disabled).

**Remote Hearing.** Remote Hearing is a hearing that is conducted outside of a traditional office environment by way of a video call or telephone call.

**Rent to owner.** The total monthly rent payable to the owner under the lease for the unit (also known as contract rent). Rent to owner covers payment for any housing services, maintenance, and utilities that the owner is required to provide and pay for.

**Residency preference.** A PHA preference for admission of families that reside anywhere in a specified area, including families with a member who works or has been hired to work in the area (See *residency preference area*).

**Residency preference area.** The specified area where families must reside to qualify for a residency preference.

**Responsible entity.** For the public housing and the Section 8 tenant-based assistance, project-based voucher assistance, and moderate rehabilitation programs, the responsible entity means the PHA administering the program under an ACC with HUD. For all other Section 8 programs, the responsible entity means the Section 8 owner.

**Secretary.** The Secretary of Housing and Urban Development.

**Section 8.** Section 8 of the United States Housing Act of 1937.

**Section 8 covered programs.** All HUD programs that assist housing under Section 8 of the 1937 Act, including Section 8 assisted housing for which loans are made under Section 202 of the Housing Act of 1959.

**Section 214.** Section 214 of the Housing and Community Development Act of 1980, as amended.

**Section 214 covered programs.** The collective term for the HUD programs to which the restrictions imposed by Section 214 apply. These programs are set forth in 24 CFR 5.500.

**Security deposit.** A dollar amount (maximum set according to the regulations) which can be used for unpaid rent or damages to the owner upon termination of the lease.

**Set-up charges.** In a manufactured home space rental, charges payable by the family for assembling, skirting, and anchoring the manufactured home.

**Sexual assault.** Any nonconsensual sexual act proscribed by federal, tribal, or state law, including when the victim lacks capacity to consent (42 U.S.C. 13925(a)).

**Sexual orientation.** Homosexuality, heterosexuality, or bisexuality.

**Shared housing.** A unit occupied by two or more families. The unit consists of both common space for shared use by the occupants of the unit and separate private space for each assisted family. (A special housing type: see 24 CFR 982.615–982.618.)

**Single person.** A person living alone or intending to live alone.

**Single room occupancy housing (SRO).** A unit that contains no sanitary facilities or food preparation facilities, or contains either, but not both, types of facilities. (A special housing type: see 24 CFR 982.602–982.605.)

**Social security number (SSN).** The nine-digit number that is assigned to a person by the Social Security Administration and that identifies the record of the person’s earnings reported to the Social Security Administration. The term does not include a number with a letter as a suffix that is used to identify an auxiliary beneficiary.

**Special admission.** Admission of an applicant that is not on the PHA waiting list or without considering the applicant’s waiting list position.

**Special housing types.** See subpart M of part 982. Subpart M states the special regulatory requirements for: SRO housing, congregate housing, group homes, shared housing, cooperatives (including mutual housing), and manufactured homes (including manufactured home space rental).

**Specified welfare benefit reduction.** Those reductions of welfare benefits (for a covered family) that may not result in a reduction of the family rental contribution. A reduction of welfare benefits because of fraud in connection with the welfare program, or because of welfare sanction due to noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

**Spouse.** The marriage partner of the head of household.

**Stalking.** To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2) a member of the immediate family of that person, or (3) the spouse or intimate partner of that person.

**State wage information collection agency (SWICA).** The state agency, including any Indian tribal agency, receiving quarterly wage reports from employers in the state, or an alternative system that has been determined by the Secretary of Labor to be as effective and timely in providing employment-related income and eligibility information.

**Subsidy standards.** Standards established by a PHA to determine the appropriate number of bedrooms and amount of subsidy for families of different sizes and compositions.

**Suspension.** The term on the family’s voucher stops from the date the family submits a request for PHA approval of the tenancy, until the date the PHA notifies the family in writing whether the request has been approved or denied. This practice is also called *tolling*.

**Tax credit rent.** With regard to certain tax credit units, the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., tenant-based voucher assistance).

**Tenancy addendum.** For the housing choice voucher program, the lease language required by HUD in the lease between the tenant and the owner.

**Tenant.** The person or persons (other than a live-in-aide) who executes the lease as lessee of the dwelling unit.

**Tenant rent to owner.** See *family rent to owner*.

**Term of lease.** The amount of time a tenant agrees in writing to live in a dwelling unit.

**Total tenant payment (TTP).** The total amount the HUD rent formula requires the tenant to pay toward rent and utilities.

**Unit.** Residential space for the private use of a family. The size of a unit is based on the number of bedrooms contained within the unit and generally ranges from zero (0) bedrooms to six (6) bedrooms.

**Utilities.** Water, electricity, gas, other heating, refrigeration, cooking fuels, trash collection, and sewage services. Telephone service is not included.

**Utility allowance.** If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a PHA or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

**Utility reimbursement.** In the voucher program, the portion of the housing assistance payment which exceeds the amount of rent to owner.

**Utility hook-up charge.** In a manufactured home space rental: Costs payable by a family for connecting the manufactured home to utilities such as water, gas, electrical and sewer lines.

**United States Citizenship and Immigration Services (USCIS).** The USCIS provides information to verify citizenship status.

**Very low-income family.** A low-income family whose annual income does not exceed 50 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families. HUD may establish income limits higher or lower than 50 percent of the median income for the area on the basis of its finding that such variations are necessary because of unusually high or low family incomes. This is the income limit for the housing choice voucher program.

**Veteran.** A person who has served in the active military or naval service of the United States at any time and who shall have been discharged or released therefrom under conditions other than dishonorable.

**Violence Against Women Reauthorization Act (VAWA) of 2013.** Prohibits denying admission to the program to an otherwise qualified applicant or terminating assistance on the basis that the applicant or program participant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

**Violent criminal activity.** Any illegal criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against the person or property of another.

**Voucher (housing choice voucher).** A document issued by a PHA to a family selected for admission to the housing choice voucher program. This document describes the program and the procedures for PHA approval of a unit selected by the family. The voucher also states obligations of the family under the program.

**Voucher holder.** A family holding a voucher with an unexpired term (search time).

**Voucher program.** The housing choice voucher program.

**Waiting list.** A list of families organized according to HUD regulations and PHA policy that are waiting for a unit to become available.

**Waiting list admission.** An admission from the PHA waiting list.

**Welfare assistance.** Income assistance from federal or state welfare programs, including assistance provided under TANF and general assistance. Does not include assistance directed solely to meeting housing expenses, nor programs that provide health care, child care or other services for working families. For the FSS program (984.103(b)), *welfare assistance* includes only cash maintenance payments from federal or state programs designed to meet a family's ongoing basic needs, but does not include food stamps, emergency rental and utilities assistance, SSI, SSDI, or social security.

Persons with Lived Experience

Angel Nelson

I am a person of lived experience of homelessness in the North Central Oklahoma area and participate in the NCOCOC OK-500 meetings. I am involved and participate in discussion of policies and strategies for decision-making to assist in improvement of and help the homeless to become safe and or housed.

The OK-500 NCOCOC provides me the opportunity and access to be able to participate and be involved.

I am heard.

### Housing First Standards Assessment Tool

**Overview:** This tool aims to assess and document how closely a housing and service provider adheres to the recommended best practice standards of the Housing First model, in the context of the broader work to implement a Housing First orientation at the system-level. This tool specifically evaluates project-level fidelity to Housing First, which directly impacts a system’s fidelity to Housing First. In addition to the universal best practice standards identified in this tool, Continuums should also take into account their local community context and local written standards pertaining to Housing First when assessing projects. A Continuum of Care can use this tool to prompt discussion and to

**Provider Info tab:** The Provider Information tab should be completed *prior* to beginning the assessment. Specifically, the **Project Name, Project Type, Target Sub-Population served, and Date of Assessment** fields need to be completed in order to populate the assessment standards and report summary with questions that are specific to the project type and population. Please complete this section prior to printing any standards for assessment.

**Standards:** The standards have been arranged into the following categories: *Access, Evaluation, Services, Housing, Leases, and Project-Specific*. The “Tab” chart at the bottom of this page describes each of the categories in more detail. Some of the categories are not applicable for all project types, and those standards do not need to be completed,

Project Type	Applicable Standards
Coordinated Entry	Access & Evaluation; Project-specific
Street Outreach	Access & Evaluation; Project-specific
Emergency Shelter	Access & Evaluation; Service & Housing; Project-specific
Transitional Housing	Access & Evaluation; Service & Housing; Leases; Project-specific
Rapid Rehousing	Access & Evaluation; Service & Housing; Leases; Project-specific
Permanent Supportive Housing	Access & Evaluation; Service & Housing; Leases; Project-specific

**Safeguarding:** Please keep in mind safeguarding concerns when assessing projects. In particular, we advise Continuums of Care to work with projects with victims of domestic violence to make sure that adequate safety and confidentiality policies and practices are in place before beginning assessments.

**Scoring:** For each standard, there are three scoring criteria: “Say It”, “Document It”, and “Do It” (as explained further below). To show that a project is in full compliance with each standard, the assessor should mark “Always” for each scoring criteria. Use the drop down in the three columns to the right to select “Always” or “Somewhat” or “Not at

- “Say It” means that project and agency staff can describe verbally what they do concerning each standard. The assessor should be able to identify that the organizational culture supports the standard by how staff talks about what is done.
- “Document It” means that there is written documentation that supports the project’s compliance with each standard. Written documentation could include Policies and Procedures, Personnel Handbooks, Professional Development Plans, Project Rules, etc.
- “Do It” means that the assessor was able to find evidence that supports the project’s compliance with each standard. Evidence could include information contained in client or other administrative files, client acknowledgement that something is being done, staff can point to documentation that supports implementation of the standard, etc.

**Assessor Notes:** A cell below each individual standard allows the assessor to add optional notes about the information collected for that particular standard. The notes can include where information was found, what questions were asked, who answered the questions, what additional information is needed to be able to mark that standard as

## Housing First Standards

For each standard, please use the drop down boxes in the three columns to the right to select "Not at all" or "Sometimes" or "Always". Marking "Always" signifies full compliance for the standard.

No.	Standard	Access Definition / Evidence	Say It	Document it	Do it
Access 1	Projects are low-barrier	<p>Admission to projects is not contingent on pre-requisites such as abstinence of substances, minimum income requirements, health or mental health history, medication adherence, age, criminal justice history, financial history, completion of treatment, participation in services, "housing readiness," history or occurrence of victimization, survivor of sexual assault or an affiliated person of such a survivor or other unnecessary conditions unless required by law or funding source.</p> <p><i>Optional notes here</i></p>	Not at all	Not at all	Not at all
Access 2	Projects do not deny assistance for unnecessary reasons	<p>Procedures and oversight demonstrate that staff do everything possible to avoid denying assistance or rejecting an individual or family for the reasons listed in Access Standard #1.</p> <p><i>Optional notes here</i></p>	Always	Always	Always
Access 3	Access regardless of sexual orientation, gender identity, or marital status	<p>Equal access is provided in accordance with the 2012 and 2016 Equal Access Rules, meaning that any project funded by HUD must ensure equal access for persons regardless of one's sexual orientation or marital status, and in accordance with one's gender identity. Adult only households, regardless of marital status, should have equal access to projects (if these project types are not available within a CoC, the CoC should conduct an assessment to determine if these project types are needed and work with providers to accommodate the need). Please see Equal Access Rules here: <a href="https://www.hudexchange.info/resource/1991/equal-access-to-housing-final-rule/">https://www.hudexchange.info/resource/1991/equal-access-to-housing-final-rule/</a></p> <p><i>Optional notes here</i></p>	Always	Always	Always
Access 4	Admission process is expedited with speed and efficiency	<p>Projects have expedited admission processes, to the greatest extent possible, including helping participants obtain documentation required by funding sources, as well as processes to admit participants regardless of the status of their eligibility documentation whenever applicable.</p> <p><i>Optional notes here</i></p>	Somewhat	Somewhat	Somewhat

Access 5	Intake processes are person-centered and flexible	Intake and assessment procedures are focused on the individual's or family's strengths, needs, and preferences. Projects do not require specific appointment times, but have flexible intake schedules that ensure access to all households. Assessments are focused on identifying household strengths, resources, as well as identifying barriers to housing that can inform the basis of a housing plan as soon as a person is enrolled in the project.  <i>Optional notes here</i>	Somewhat	Somewhat	Somewhat
Access 6	The provider/project accepts and makes referrals directly through Coordinated Entry	Projects actively participate in the CoC-designated Coordinated Entry processes as part of streamlined community-wide system access and triage. If these processes are not yet implemented, projects follow communities' existing referral processes. Referrals from Coordinated Entry are rarely rejected, and only if there is a history of violence, the participant does not want to be in the project, there are legally valid grounds (such as restrictions regarding sex offenders) or some other exceptional circumstance that is well documented.  <i>Optional notes here</i>	Always	Somewhat	Somewhat
Access 7	Exits to homelessness are avoided	Projects that can no longer serve particular households utilize the coordinated entry process, or the communities' existing referral processes if coordinated entry processes are not yet implemented, to ensure that those individuals and families have access to other housing and services as desired, and do not become disconnected from services and housing. Households encounter these exits under certain circumstances, such as if they demonstrate violent or harassing behaviors, which are described within agencies' regulation-adherent policies.  <i>Optional notes here</i>	Not at all	Not at all	Not at all
Name		Participant Input Definition / Evidence	Say It	Document it	Do it
Participant Input 1	Participant education is ongoing	Project participants receive ongoing education on Housing First principles as well as other service models employed in the project. In the beginning of and throughout tenancy, participants are informed about their full rights and responsibilities as lease holders, including the potential causes for eviction.  <i>Optional notes here</i>	Not at all	Not at all	Not at all
Participant Input 2	Projects create regular, formal opportunities for participants to offer input	Input is welcomed regarding the project's policies, processes, procedures, and practices. Opportunities include involvement in: quality assurance and evaluation processes, a participant leadership/advisory board, processes to formally communicate with landlords, the design of and participation in surveys and focus groups, planning social gatherings, integrating peer specialists and peer-facilitated support groups to compliment professional services.  <i>Optional notes here</i>	Not at all	Not at all	Not at all

## Housing First Standards

For each standard, please use the drop down boxes in the three columns to the right to select "Not at all" or "Sometimes" or "Always". Marking "Always" signifies full compliance for the standard.

	Standard	Services Definition / Evidence	Say it	Document it	Do it
Services 1	Projects promote participant choice in services	Participants are able to choose from an array of services. Services offered are housing focused and include the following areas of support: employment and income, childhood and education, community connection, and stabilization to maintain housing. These should be provided by linking to community-based services.  <i>Optional notes here</i>	Always	Not at all	Not at all
Services 2	Person Centered Planning is a guiding principle of the service planning process	Person-centered Planning is a guiding principle of the service planning process  <i>Optional notes here</i>	Always	Somewhat	Somewhat
Services 3	Service support is as permanent as the housing	Service connections are permanently available and accessible for participants in Permanent Supportive Housing. Rapid Re-Housing projects should, at a minimum, be prepared to offer services for up to 6 months after the rental assistance ends. In emergency shelter and transitional housing, services are available as long as the participant resides in the unit or bed – and up to 6 months following exit from transitional housing.  <i>Optional notes here</i>	Somewhat	Somewhat	Somewhat
Services 4	Services are continued despite change in housing status or placement	Wherever possible, participants continue to be offered services even if they lose their housing unit or bed (for congregate projects), or if they are placed in a short-term inpatient treatment. Ideally, the service relationship should continue, despite a service hiatus during some institutional stays.  <i>Optional notes here</i>	Always	Always	Always

*Optional notes here*

Housing 3	The rules and regulations of the project are centered on participants' rights	Project staff have realistic expectations and policies. Rules and regulations are designed to support safe and stable communities and should never interfere with a life in the community. Participants have access to the project at all hours (except for nightly in and out shelter) and accommodation is made for pets.	Not at all	Not at all	Not at all
-----------	---	---	------------	------------	------------

*Optional notes here*

Housing 4	Participants have the option to transfer to another project	Transfers should be accommodated for tenants who reasonably believe that they are threatened with imminent harm from further violence if the tenant remains in the same unit. Whenever possible, transfers occur before a participant experiences homelessness.	Always	Always	Always

Project standards							
Standards	Coordinated Entry	Street Outreach	Emergency Shelter	Transitional Housing	Rapid Rehousing	Permanent Supportive Housing	Joint Transitional Housing & Rapid Rehousing
Title	Coordinated Entry does not screen people out for perceived barriers	Projects screen for health and safety needs	Focus of emergency shelter is on safe and responsive temporary shelter	Quick access to TH assistance	Quick access to RRH assistance	Quick access to PSH assistance	Quick access to RRH assistance
Project 1	Coordinated Entry does not screen people out for assistance due to perceived barriers related to housing or services, including, but not limited to, too little or no income, active or a history of substance use, domestic violence history, minimal linkage to other services, the type or extent of disability-related services or supports that are needed, or criminal justice history.	Outreach projects screen people contacted through outreach as soon as possible for critical health and safety needs, providing immediate response to people with the most severe needs.	Participants and staff understand that the primary goal of the emergency shelter are to provide temporary accommodation that is safe, respectful, and responsive to individual needs and that participants are offered permanent housing as quickly as possible, regardless of perceived barriers.	A transitional housing project ensures quick linkage to a unit and services based on participant choice.	A Rapid Re-housing project ensures quick linkage to rapid re-housing assistance, based on participant choice.	A permanent supportive housing project ensures quick linkage to a unit and wrap around services, based on participant needs, preferences, and resource availability.	A Rapid Re-housing project ensures quick linkage to rapid re-housing assistance, based on participant choice.

Title	Process to assess project-level policies and alert CoC	Street outreach projects are focused on providing access to housing and services	Housing comes first	Transitional housing is focused on safe and quick transition to permanent housing	RRH services support people in maintaining their housing	PSH is focused on ending homelessness for those with the most severe barriers to maintaining housing	RRH services support people in maintaining their housing
Project 2	Written policies and procedures exist to determine which projects have project-level policies that screen out "high barrier" households, and the steps that the coordinated entry provider will take to alert the CoC of these projects, thereby enabling the CoC to take steps to assist these projects in adopting Housing First principles.	Participants and staff understand that the primary goal of street outreach are to provide access to temporary housing and services and/or re-housing participants as permanent housing as quickly as possible, regardless of perceived barriers. Street outreach projects reflect the low-barrier orientation of the Coordinated Entry process.	If a temporary shelter placement is made, assessment and planning for permanent housing placement begins as quickly as possible. People who are unsheltered are not required to first enter an emergency shelter in order to access permanent housing placement assistance and enter permanent housing.	Participants and staff understand that the primary goal of transitional housing are to provide temporary accommodations that are safe, respectful, and responsive to individual needs, address the service needs of participants, and re-house participants in permanent housing as quickly as possible, regardless of other perceived barriers. Personal in transitional housing services does not inhibit participants from moving to permanent housing when they choose to. Assessment and planning for permanent housing placement begins as soon as the individual or family expresses a desire to transition to permanent housing.	Participants and staff understand that a primary goal of rapid re-housing is to end homelessness and move participants to permanent housing as quickly as possible, regardless of other perceived barriers.	Participants and staff understand that a primary goal of permanent supportive housing is to end homelessness and move participants to permanent housing as quickly as possible, regardless of other perceived barriers.	Participants and staff understand that a primary goal of rapid re-housing is to end homelessness and move participants to permanent housing as quickly as possible, regardless of other perceived barriers.

Title	RRH as a bridge to permanent supportive housing	Street outreach is linked to Coordinated Entry		TH projects provide appropriate services	Providers continuously assess a participant's need for assistance	Property Management duties are separate and distinct from services/case management	Providers continuously assess a participant's need for assistance
Project 3	Rapid Re-Housing is made available to serve as a bridge to other permanent housing options so that persons with high service needs or vulnerabilities can be housed more quickly. (See HRID's Rapid Re-Housing Brief here: <a href="https://www.hack.wa.gov/info/resources/documents/Rapid-Re-Housing-Brief.pdf">https://www.hack.wa.gov/info/resources/documents/Rapid-Re-Housing-Brief.pdf</a> )	Written policy and procedures detail a process by which street outreach staff ensures that persons encountered on the streets are offered the same standardized process as persons assessed through street-based access points. Outreach teams are coordinated, trained, and have the ability to engage and quickly connect people experiencing homelessness to the local coordinated entry process in order to apply for and obtain permanent housing. Based on the CoC's decision about how street outreach is incorporated into the assessment process, street outreach projects must comply with the CoC's decision.	No additional standards	TH projects provide appropriate services to meet the participants health and safety needs (e.g., person in early recovery; domestic violence survivors; those who need special accommodations) when there are no permanent housing solutions available (with or without supportive services) or when the participant chooses transitional housing. Services are not required in order to participate in housing.	On an ongoing basis, providers assess a participant's needs for continued assistance and provide tailored assistance based on those assessments.	In order to provide clear roles of staff for participants in terms of lease and rules enforcement as well as tenant advocacy, property management and service providers should be separate roles. However, they should work together on a regular basis through regular communication and meetings regarding Participants to address tenant issues in order to preserve tenancy.	On an ongoing basis, providers assess a participant's needs for continued assistance and provide tailored assistance based on those assessments.

	Youth and Young Adults	People in Recovery	Domestic Violence Survivors
Title	Services are offered	Recovery housing is offered as one choice among other housing opportunities	Participant safety is a priority at all points of engagement and in all planning processes
Population 1	Services are focused on ensuring that youth transition to independence.	Connection to recovery housing reflects individual choice for this path toward recovery. Assistance only spaces are incorporated into a Housing First model wherever possible, thus providing the type of recovery option to those who choose it. Recovery supports are offered, particularly connections to community-based treatment options.	Lead by the survivor, a safety plan is developed that includes an assessment of danger, particular points of vulnerability, and best approaches to increasing safety.

Title	Projects include positive youth development principles	Services include relapse support	Survivor-driven advocacy is available
Population 2	Youth projects should include positive youth development orientation. Positive youth development builds on strengths and resiliency. By focusing on strengths and assets, rather than what might be "wrong," youth are empowered and are equipped to make positive decisions.	Housing and services include relapse support that does not automatically evict or discharge a participant from the project for temporary relapse. Relapse support might include referrals to outpatient treatment or direct provision of outpatient services if the ability to hold a unit for a certain period of time (30-90 days) while the participant undergoes residential treatment.	The unique needs and strengths of each individual survivor and their children are taken into account with regard to the types of services that are available and offered. Project uses flexible and survivor-focused approaches to overcome barriers survivors may face in accessing services through traditional models.

Title	Staff use harm reduction practices and approaches	Services support sustained recovery	Housing stability is a priority
Population 3	Youth models employ a harm reduction and recovery orientation, including those developed for youth and young adults with substance use and addiction. Projects may make abstinence-based models available for youth and young adults; however, the choice should be with the participant, not with the project.	Recovery housing projects provide services that align with participants' choice and prioritization of recovery, including but not limited to abstinence from substances if that is a personal goal, long-term permanent housing stability, and stable income through employment or benefits. Support is offered through connections to community-based treatment options.	Providers support survivors and their children to retain or obtain safe, stable housing. Barriers to the type of housing and location of housing is considered safe from the abusive relationship.

Title	Project design accounts for the age of youth and young adults to be served		
Population 4	Developmentally-appropriate project design ensures that project entry and on-going participation is not predicated on behaviors or experiences that youth and young adults may not currently have or if they were older would not result in consequences. For example, projects should accept and allow continued participation for youth who do not have income or immediate prospects of income because their age has not allowed them the opportunity to gain employment. # 2024 HDX Competition Report

This workbook contains summary information about your CoC's data as it was entered into HDX 1.0 and HDX 2.0 for your use as part of the 2024 Competition.

### **To Print this Workbook:**

This document has been configured as printable with preset print areas of relevant sections. To print it, go to "File", then "Print", then select "Print Entire Workbook" or "Print Active Sheets" depending on your needs.

### **To Save This Workbook as a PDF:**

Click the "File" Tab, then click "Save As" or "Save a Copy", then click "Browse" or "More Options" then select "PDF", click "Options", select "Entire Workbook", press "OK", and click "Save". These instructions may change depending on your version of Microsoft Excel.

### **On Accessibility, Navigability, and Printability:**

This workbook attempts to maximize accessibility, navigability, printability, and ease of use. Merged cells have been avoided. All tables and text boxes have been given names. Extraneous rows and columns outside printed ranges have been hidden. Formulas may include references to hidden rows and columns or data tables. For ease of use, these referenced sources have been hidden but can be unhidden by any user at any time. Raw data sources contained in this workbook are named according to the module and fiscal year from which they originate - e.g. "HIC\_2024" is the Housing Inventory Count raw data from Fiscal Year 2024.

### **For Questions:**

If you have questions, please reach out to HUD via the "Ask a Question" page, <https://www.hudexchange.info/program-support/my-question/> and choose "HDX" as the topic.

PSH = Permanent Supportive Housing; AO = Persons in Households without Children; AC = Persons in Households with at least one Adult and one Child; CO=Persons in Households with only Children

2) Because people have multiple stays in shelter over the course of a year and stay in different household configurations, a single person can be counted in more than one household type.

Therefore, the sum of the number of people by household type may be greater than the unique count of people.

3) Total Sheltered count only includes those served in HMIS participating projects reported by your CoC.

4) For CoCs that experienced mergers during any of these reporting periods, historical data will include only the original CoCs.

## 2024 Competition Report - SPM Data

OK-500 - North Central Oklahoma CoC

FY 2023 Reporting Year: 10/1/2022 - 9/30/2023

### Measure 1: Length of Time Persons Remain Homeless

This measures the number of clients active in the report date range across ES, SH (Metric 1.1) and then ES, SH and TH (Metric 1.2) along with their average and median length of time homeless. This includes time homeless during the report date range as well as prior to the report start date, going back no further than the look back stop date or client's date of birth, whichever is later.

Metric 1.1: Change in the average and median length of time persons are homeless in ES and SH projects.

Metric 1.2: Change in the average and median length of time persons are homeless in ES, SH, and TH projects.

a. This measure is of the client's entry, exit, and bed night dates strictly as entered in the HMIS system.

Metric	Universe (Persons)	Average LOT Homeless (bed nights)	Median LOT Homeless (bed nights)
1.1 Persons in ES-EE, ES-NbN, and SH	452	25.3	13.0
1.2 Persons in ES-EE, ES-NbN, SH, and TH	462	37.2	14.0

OK-500 - North Central Oklahoma CoC

FY 2023 Reporting Year: 10/1/2022 - 9/30/2023

b. This measure is based on data element 3.917

This measure includes data from each client's Living Situation (Data Standards element 3.917) response as well as time spent in permanent housing projects between Project Start and Housing Move-In. This information is added to the client's entry date, effectively extending the client's entry date backward in time. This "adjusted entry date" is then used in the calculations just as if it were the client's actual entry date.

Metric	Universe (Persons)	Average LOT Homeless (bed nights)	Median LOT Homeless (bed nights)
1.1 Persons in ES-EE, ES-NbN, SH, and PH (prior to "housing move in")	514	263.3	72.0
1.2 Persons in ES-EE, ES-NbN, SH, TH, and PH (prior to "housing move in")	521	272.9	77.0

#### Measure 2: Returns to Homelessness for Persons who Exit to Permanent Housing (PH) Destinations

This measures clients who exited SO, ES, TH, SH or PH to a permanent housing destination in the date range two years prior to the report date range. Of those clients, the measure reports on how many of them returned to homelessness as indicated in the HMIS for up to two years after their initial exit.

Metric	Total # of Persons Exited to a PH Destination (2 Yrs Prior)	Returns to Homelessness in Less than 6 Months (0 - 180 days)		Returns to Homelessness from 6 to 12 Months (181 - 365 days)		Returns to Homelessness from 13 to 24 Months (366 - 730 days)		Number of Returns in 2 Years

#### Measure 5: Number of Persons who Become Homeless for the First Time

This measures the number of people entering the homeless system through ES, SH, or TH (Metric 5.1) or ES, SH, TH, or PH (Metric 5.2) and determines whether they have any prior enrollments in the HMIS over the past two years. Those with no prior enrollments are considered to be experiencing homelessness for the first time.

##### Metric 5.1 – Change in the number of persons entering ES, SH, and TH projects with no prior enrollments in HMIS

Metric	Value
Universe: Person with entries into ES-EE, ES-NbN, SH or TH during the reporting period.	482
Of persons above, count those who were in ES-EE, ES-NbN, SH, TH or any PH within 24 months prior to their entry during the reporting year.	73
